TITLE: SECOND READING AND ADOPTION OF AN ORDINANCE APPROVING A REZONE TO APPLY THE RESIDENTIAL INCENTIVE OVERLAY DISTRICT ZONING DESIGNATION TO THE PROPERTIES LOCATED AT 220, 222, 234, AND 236 VICTORIA STREET ("VICTORIA PLACE")

DEPARTMENT: ECONOMIC AND DEVELOPMENT SERVICES DEPARTMENT/PLANNING DIVISION

PRESENTED BY: VICTOR MENDEZ, SENIOR PLANNER

CONTACT INFORMATION: VICTOR MENDEZ, 714-754-5276, Victor.Mendez@costamesaca.gov

RECOMMENDATION:

Staff recommends the City Council give second reading to and adopt the following for the properties located at 220, 222, 234, and 236 Victoria Street:

Ordinance No. 2025-04 to approve rezone to apply the Residential Incentive Overlay District zoning designation to the project site.

APPLICANT OR AUTHORIZED AGENT:

The applicant is Bundy-Finkel Architects, on behalf of WMC, LLC.

ANALYSIS:

The project involves the development of a 40-unit residential common interest development (RCID) located at 220, 222, 234, and 236 Victoria Street (APNs: 419-111-20, 419-111-19, 419-111-21). The proposal includes a Tentative Tract Map to consolidate the existing parcels and subdivide the site for individual condominium ownership. The approximately 1.77-acre site is currently developed with commercial buildings, which are proposed to be demolished and replaced with residential units. Each unit will include a ground-floor office area, a two-car garage, living quarters, and private open space. The property has a General Plan land use designation of General Commercial and is zoned C2 – General Commercial Business District, which does not permit residential development. To accommodate the proposed use, the project includes a request for a General Plan Amendment and a Rezone to apply the Residential Incentive Overlay District (RIOD) over the existing designation and zoning.

At its regular meeting of July 15, 2025, the City Council conducted a public hearing and received public comments for the Victoria Place project. The City Council approved by a 7-0 vote the following: Resolution No. 2025-29, adopting Mitigated Negative Declaration and Mitigation Monitoring and Reporting Program; Resolution No. 2025-30 approving General Plan Amendment (PGPA-24-0001), Master Plan (PMAP-24-0002), and Tentative Tract Map No. 19351. The City Council approval included

added project conditions related to installation of a barrier feature or wall around the Victoria Place off-site open space and enhanced architectural treatment and added design features for the street-facing elevation along Victoria Place. In addition to the above project approvals, the City Council gave first reading to and introduced Ordinance No. 2025-04.

CITY COUNCIL GOALS AND PRIORITIES:

This item supports the City Council's Goal:

- Diversify, stabilize, and increase housing to reflect community needs.

CONCLUSION:

Staff recommends that the City Council give second reading to and adopt Ordinance 2025-04. If adopted on August 5, 2025, the Ordinance would take effect on the 30th day after adoption, which is September 4, 2025.
