

CITY OF COSTA MESA

REGULAR CITY COUNCIL AND SUCCESSOR AGENCY TO THE REDEVELOPMENT AGENCY, AND HOUSING AUTHORITY*

Agenda

Tuesday, May 2, 2023

6:00 PM

City Council Chambers
77 Fair Drive

***Note: All agency memberships are reflected in the title "Council Member"
4:00 P.M. Closed Session**

The City Council meetings are presented in a hybrid format, both in-person at City Hall and as a courtesy virtually via Zoom Webinar. If the Zoom feature is having system outages or experiencing other critical issues, the meeting will continue in person.

TRANSLATION SERVICES AVAILABLE / SERVICIOS DE TRADUCCIÓN DISPONIBLE
Please contact the City Clerk at (714) 754-5225 to request language interpreting services for City meetings. Notification at least 48 hours prior to the meeting will enable the City to make arrangements.

Favor de comunicarse con la Secretaria Municipal al (714) 754-5225 para solicitar servicios de interpretación de idioma para las juntas de la Ciudad. Se pide notificación por lo mínimo 48 horas de anticipación, esto permite que la Ciudad haga los arreglos necesarios.

Members of the public can view the City Council meetings live on COSTA MESA TV (SPECTRUM CHANNEL 3 AND AT&T U-VERSE CHANNEL 99) or http://costamesa.granicus.com/player/camera/2?publish_id=10&redirect=true and online at [youtube.com/costamesatv](https://www.youtube.com/costamesatv).

Zoom Webinar: (For both 4:00 p.m. and 6:00 p.m. meetings)

Please click the link below to join the webinar:

<https://us06web.zoom.us/j/98376390419?pwd=dnpFelc5TnU4a3BKWVlyRVZMallZZz09>

Or sign into Zoom.com and “Join a Meeting”

Enter Webinar ID: 983 7639 0419/ Password: 905283

- If Zoom is not already installed on your computer, click “Download & Run Zoom” on the launch page and press “Run” when prompted by your browser. If Zoom has previously been installed on your computer, please allow a few moments for the application to launch automatically.
- Select “Join Audio via Computer.”
- The virtual conference room will open. If you receive a message reading, “Please wait for the host to start this meeting,” simply remain in the room until the meeting begins.
- During the Public Comment Period, use the “raise hand” feature located in the participants’ window and wait for city staff to announce your name and unmute your line when it is your turn to speak. Comments are limited to 3 minutes, or as otherwise directed.

Participate via telephone: (For both 4:00 p.m. and 6:00 p.m. meetings)

Call: 1 669 900 6833 Enter Webinar ID: 983 7639 0419/ Password: 905283

During the Public Comment Period, press *9 to add yourself to the queue and wait for city staff to announce your name/phone number and press *6 to unmute your line when it is your turn to speak. Comments are limited to 3 minutes, or as otherwise directed.

Additionally, members of the public who wish to make a written comment on a specific agenda item, may submit a written comment via email to the City Clerk at cityclerk@costamesaca.gov. Comments received by 12:00 p.m. on the date of the meeting will be provided to the City Council, made available to the public, and will be part of the meeting record.

Please know that it is important for the City to allow public participation at this meeting. If you are unable to participate in the meeting via the processes set forth above, please contact the City Clerk at (714) 754-5225 or cityclerk@costamesaca.gov and staff will attempt to accommodate you. While the City does not expect there to be any changes to the above process for participating in this meeting, if there is a change, the City will post the information as soon as possible to the City’s website.

Note that records submitted by the public will not be redacted in any way and will be posted online as submitted, including any personal contact information. All pictures, PowerPoints, and videos submitted for display at a public meeting must be previously reviewed by staff to verify appropriateness for general audiences. No links to YouTube videos or other streaming services will be accepted, a direct video file will need to be emailed to staff prior to each meeting in order to minimize complications and to play the video without delay. The video must be one of the following formats, .mp4, .mov or .wmv. Only one file may be included per speaker for public comments, for both videos and pictures. Please e-mail to the City Clerk at cityclerk@costamesaca.gov NO LATER THAN 12:00 Noon on the date of the meeting. If you do not receive confirmation from the city prior to the meeting, please call the City Clerks office at 714-754-5225.

Note regarding agenda-related documents provided to a majority of the City Council after distribution of the City Council agenda packet (GC §54957.5): Any related documents provided to a majority of the City Council after distribution of the City Council Agenda Packets will be made available for public inspection. Such documents will be posted on the city's website and will be available at the City Clerk's office, 77 Fair Drive, Costa Mesa, CA 92626.

All cell phones and other electronic devices are to be turned off or set to vibrate. Members of the audience are requested to step outside the Council Chambers to conduct a phone conversation.

Free Wi-Fi is available in the Council Chambers during the meetings. The network username available is: CM_Council. The password is: cmcouncil1953.

As a LEED Gold Certified City, Costa Mesa is fully committed to environmental sustainability. A minimum number of hard copies of the agenda will be available in the Council Chambers. For your convenience, a binder of the entire agenda packet will be at the table in the foyer of the Council Chambers for viewing.

In compliance with the Americans with Disabilities Act, Assistive Listening headphones are available and can be checked out from the City Clerk. If you need special assistance to participate in this meeting, please contact the City Clerk at (714) 754-5225. Notification at least 48 hours prior to the meeting will enable the City to make reasonable arrangements to ensure accessibility to this meeting. [28 CFR 35.102.35.104 ADA Title II].

En conformidad con la Ley de Estadounidenses con Discapacidades (ADA), aparatos de asistencia están disponibles y podrán ser prestados notificando a la Secretaria Municipal. Si necesita asistencia especial para participar en esta junta, comuníquese con la oficina de la Secretaria Municipal al (714) 754-5225. Se pide dar notificación a la Ciudad por lo mínimo 48 horas de anticipación para garantizar accesibilidad razonable a la junta. [28 CFR 35.102.35.104 ADA Title II].

CLOSED SESSION - 4:00 P.M.

CONSENT CALENDAR (Items 1-9)

All matters listed under the Consent Calendar are considered to be routine and will be acted upon in one motion. There will be no separate discussion of these items unless members of the City Council, staff, or the public request specific items to be discussed and/or removed from the Consent Calendar for discussion.

1. [PROCEDURAL WAIVER: WAIVE THE FULL READING OF ALI23-1173 ORDINANCES AND RESOLUTIONS](#)

RECOMMENDATION:

City Council, Agency Board, and Housing Authority approve the reading by title only and waive full reading of Ordinances and Resolutions.

2. [READING FOLDER](#) [23-1174](#)

RECOMMENDATION:

City Council receive and file Claims received by the City Clerk: Julie May, Britt Lisa Meyer, Robert Edmund Meyer, Suzanne Tarvin, Ken Zammit.

3. [ADOPTION OF WARRANT RESOLUTION](#) [23-1176](#)

RECOMMENDATION:

City Council approve Warrant Resolution No. 2698.

Attachments: [1. Summary Check Register week of March 27 2023](#)

[2. Summary Check Register week of April 3 2023](#)

[3. Summary Check Register week of April 10 2023](#)

[4. Summary Check Register week of April 17 2023](#)

4. [MINUTES](#) [23-1175](#)

RECOMMENDATION:

City Council approve the Minutes of the Study Session meetings of March 14, 2023 and April 11, 2023 and Regular meetings of March 21, 2023 and April 4, 2023.

Attachments: [1. 03-14-2023 Draft Minutes](#)

[2. 03-21-2023 Draft Minutes](#)

[3. 04-04-2023 Draft Minutes](#)

[4. 04-11-2023 Draft Minutes](#)

5. [BUSINESS IMPROVEMENT AREA \(BIA\) REAUTHORIZATION
RESOLUTION OF INTENTION, AND REVIEW OF ANNUAL REPORT](#) [23-1166](#)

RECOMMENDATION:

Staff recommends the City Council:

1. Approve the 2022-2023 Annual Report for the Business Improvement Area (BIA) (Attachment 1).

2. Receive and file the audited financial report for Fiscal Years Ended June 30, 2021 and June 30, 2022 (Attachment 2).

3. Adopt the Resolution declaring the City's intention to levy an annual assessment for Fiscal Year 2023-24 for the Business Improvement Area covering certain Costa Mesa hotels and motels and setting the time and place for a Public Hearing on the proposal (Attachment 3).

Attachments: [1. 2022-2023 Annual Report](#)

[2. Audit for Fiscal Year Ending June 2022](#)

[3. Resolution of Intent 2023-24 BIA Authorization](#)

6. [LICENSE PLATE READER CAMERA MOBILE SYSTEM](#) [23-1149](#)

RECOMMENDATION:

Staff recommends the City Council:

1. Authorize the use of National Cooperative Purchasing Alliance (NCPA) Contract #05-81 with IPS Group, Inc. for the purchase of a License Plate Reader Mobile System.
2. Authorize the purchase of the License Plate Reader Mobile System, in the amount of \$127,085.74 through National Cooperative Purchasing Alliance.

Attachments: [LPR NCPA Quote](#)

7. [RESOLUTION TO EXECUTE RIGHT-OF-WAY CERTIFICATIONS WITH THE CALIFORNIA DEPARTMENT OF TRANSPORTATION \(CALTRANS\)](#) [23-1154](#)

RECOMMENDATION:

Staff recommends the City Council adopt Resolution No. 2023-xx (Attachment 1) authorizing the Public Works Director or designee(s) to execute all Master Agreements, Program Supplemental Agreements, Fund Exchange Agreements, and/or Fund Transfer Agreements, including Right-of-Way Certifications, and any other certifications, amendments, and documents to facilitate processes related to the California Department of Transportation (Caltrans) and Federal Highway Administration (FHWA).

Attachments: [1. Draft Resolution](#)
[2. Resolution 07-01](#)

8. [AUTHORIZE THE USE OF SOURCEWELL'S NATIONAL COOPERATIVE AGREEMENT 032119 WITH QUINN COMPANY FOR THE PURCHASE OF ONE \(1\) NEW CATERPILLAR INC. MODEL: 308 EXCAVATOR AND ONE \(1\) CATERPILLAR INC. MODEL: 262d3 SKID STEER LOADER](#) [23-1183](#)

RECOMMENDATION:

Staff recommends the City Council authorize the use of Sourcewell's Cooperative Agreement No. 032119 with Caterpillar Inc. for the purchase of one (1) Caterpillar In. Model: 308 Excavator; and one (1) Caterpillar Inc. Model: 262D3 Skid Steer Loader for \$294,235.37 from Quinn Company.

Attachments: [Quotes](#)

9. [MICROSOFT ® ENTERPRISE AGREEMENT LICENSING COMPLIANCE](#) 3-1181

RECOMMENDATION:

Staff recommends the City Council approve the true-up of the Microsoft ® Enterprise Agreement with SoftwareONE in the amount of \$279,050.60.

Attachments: [1. License Agreement](#)
[2. Quote](#)

AT THIS TIME COUNCIL WILL ADDRESS ANY ITEMS PULLED FROM THE CONSENT CALENDAR

-----END OF CONSENT CALENDAR-----

PUBLIC HEARINGS: (Next Page)

(Pursuant to Resolution No. 05-55, Public Hearings begin at 7:00 p.m.)

1. [FISCAL YEAR \(FY\) 2023-2024 ANNUAL ACTION PLAN IDENTIFYING FUNDING PRIORITIES FOR THE COMMUNITY DEVELOPMENT BLOCK GRANT \(CDBG\) AND HOME INVESTMENT PARTNERSHIPS GRANT \(HOME\) PROGRAMS](#)

RECOMMENDATION:

Staff recommends the City Council:

1. Hold a Public Hearing regarding the FY 2023-2024 Annual Action Plan.
2. Approve the recommended allocation of \$1,689,303 for FY 2023-2024 Community Development Block Grant, which includes the annual allocation of \$1,010,506, \$78,797 in prior year(s) uncommitted program funds, and \$600,000 in re-programmed CDBG funds.
3. Approve the recommended allocation of \$549,260 for the Fiscal Year 2023-2024 HOME Investment Partnerships Grant, which includes the annual allocation of \$509,260 and \$40,000 in program income (lien/HOME loan repayments).
4. Adopt Resolution No. 2023-XX in order to:
 - a. Approve the FY 2023-2024 Annual Action Plan.
 - b. Authorize the City Manager, or the City Manager's designee, to submit the FY 2023-2024 Annual Action Plan to the U.S. Department of Housing and Urban Development.
 - c. Designate the City Manager, or the City Manager's designee, as the official representative of the City to administer the programs and to execute and submit all required agreements, certifications, and documents required by HUD, and execute all subrecipient agreements for the use of funds approved in the FY 2023-2024 Annual Action Plan.
5. Provide direction regarding potential changes to the City's Tenant-Based Rental Assistance (TBRA) and Single-family Rehabilitation Grant and Loan Programs, as described in the staff report.

Attachments: [1. Resolution](#)

[2. Public Services Grant Recommendations](#)

[3. Draft 23-24 Annual Action Plan](#)

OLD BUSINESS:

1. [**AWARD OF STREET SWEEPING SERVICES**](#) [**23-1186**](#)

RECOMMENDATION:

Staff recommends the City Council:

1. Award a Maintenance Services Agreement (MSA) for citywide street sweeping services to Sweeping Corp of America (SCA) for an initial two-year period with three one-year renewal periods for a not to exceed annual amount of \$1,467,791.
2. Authorize a ten percent (10%) contingency annually for emergency response, special events and other unforeseen costs and approval for Consumer Price Index (CPI) escalation and de-escalation.
3. Authorize the City Manager and City Clerk to execute the agreement and future amendments to this agreement within Council authorized limits.

Attachments: [Maintenance Services Agreement with SCA](#)

2. [**CONSIDERATION OF MODEL FLYING ACTIVITY AT FAIRVIEW PARK**](#) [**23-1190**](#)

RECOMMENDATION:

Staff recommends that an environmental compatibility and biological resource assessment be completed by MIG Consulting LLC, as envisioned by the Fairview Park Master Plan Update, including the existing flying field location and/or other potential locations at Fairview Park, and that the temporary suspension of flying field activity be continued until such assessment is completed, due to current biological activity at the site.

Attachments: [1. US Fish & Wildlife Service Correspondence](#)
[2. Biological Sensitivity Map - Fairview Park Master Plan \(1998\)](#)
[3. California Dept. of Fish & Wildlife Correspondence](#)
[4. Excerpt of 4-12-23 Unofficial Fairview Park Steering Committee Minutes](#)
[5. Excerpts from Fairview Park Master Plan - References to Model Aircraft](#)

NEW BUSINESS: NONE.

**ADDITIONAL COUNCIL/BOARD MEMBER COMMITTEE REPORTS, COMMENTS, AND
SUGGESTIONS**

MOTION: Approve recommended actions.

The motion carried by the following roll call vote:

Ayes: Council Member Chavez, Council Member Gameros, Council Member Harper, Council Member Marr, Council Member Reynolds, Mayor Pro Tem Harlan, and Mayor Stephens.

Nays: None.

Absent: None.

Abstain: None.

Motion carried: 7-0

ACTION:

1. City Council awarded the Professional Services Agreement to PBK Architects, Inc., 8163 Rochester Avenue, Suite 100, Rancho Cucamonga, California, for two years, with three one-year renewal periods, in an amount not to exceed \$362,000.
2. Authorized the City Manager and the City Clerk to execute the agreement and any future amendments to the agreement within Council authorized limits.

4. DISCUSSION REGARDING ENVIRONMENTAL INCOMPATIBILITY OF MODEL AIRCRAFT FLYING FIELD AT FAIRVIEW PARK AND CONSIDERATION OF STAFF'S RECOMMENDATION TO CLOSE THE MODEL AIRCRAFT FLYING FIELD TO PROTECT SENSITIVE AND RARE SPECIES AND HABITATS AT THE SITE

Presentation by Mr. Dalton, Fairview Park Administrator.

Council Member Marr clarified that only allowing gliders is under consideration.

Discussion ensued on impacts to the vernal pools, the difference between motorized aircraft and gliders, the frequency of flyers at the park, tracking measures, shifting the landing space, enforcement strategies, frequency of rangers at the park, nesting season, status of the master plan and timeline, flight operational guidelines, options outside of the park, ideal flying conditions, the number of permits typically issued, permit cost, signage, staff resources, retrieval protocols when a plane falls into a vernal pool, the location of the launch site, and regulatory agencies.

Public Comments:

Kyle Nazeer spoke on considering deterrents and incentives, spoke on the 4th Amendment search and seizure rules, and spoke on encouraging good behavior.

Bill Shaeffer, spoke in support of allowing glider flying.

Speaker on behalf of the Sea and Sage Audubon Society, spoke in support of closing the flying field.

Richard Morley spoke in support of allowing glider flying.

Speaker, spoke on the Police Department.

Jim Hanson, Costa Mesa, spoke in support of allowing glider flying.

Jay Humphrey, Costa Mesa, spoke in support of closing the flying field.

Andy Campbell, Costa Mesa, spoke in support of closing the flying field.

Josh Johnson, Costa Mesa, spoke in support of allowing glider flying.

Annie Younglove, Costa Mesa, spoke on CT programs for high school students, and spoke on benefits and opportunities for students.

Betina Eastman, spoke in support of closing the flying field.

Speaker, spoke in support of allowing glider flying.

Adam Ereth, Costa Mesa, spoke on Fairview Park being a mixed-use park for passive recreation, spoke on the Orange County Model Engineers long term use in the park, glider flying is an allowable use in Measure AA, and recommended options.

Speaker, spoke in support of allowing glider flying.

Daniel Rossovsky spoke in support of allowing glider flying.

Cassius Rutherford spoke in support of allowing glider flying.

James Robertson spoke in support of allowing glider flying.

Wendy Leece, Costa Mesa, spoke in support of closing the flying field.

Daniel Baume spoke in support of closing the flying field.

Speaker, spoke in support of allowing glider flying.

Cynthia McDonald spoke in support of closing the flying field.

Donald Wittenberg spoke in support of allowing glider flying.

Kevin Cook spoke in support of allowing glider flying.

Jim Erickson, Costa Mesa, spoke in support of allowing glider flying.

Mike Costello spoke in support of allowing glider flying.

Henry Smith spoke in support of allowing glider flying.

Speaker, spoke in support of allowing glider flying.

Speaker, spoke on Measure AA, spoke in support of allowing glider flying, and that the item should go to a vote of the people.

Cynthia D'Agosta spoke in support of closing the flying field.

Puneet Singh spoke in support of allowing glider flying.

John Rittenhouse spoke in support of allowing glider flying.

Hank Castignetti spoke in support of closing the flying field.

Discussion ensued on scientific data on harmful effect on species, degradation to the vernal pools and habitat due to encroachment, data on endangered species thriving during the shutdown, revisiting the compatibility study and recommendations to Council from the Fairview Park Steering Committee and the Parks and Community Services Commission, any notice of violations from regulatory agencies and compliance issues, a 2019 correspondence from the U.S. Department of Fish and Wildlife Service regarding endangered species and a series of recommendations, and conservation easements and mitigation agreements.

MOVED/SECOND: Council Member Reynolds/Council Member Marr
MOTION: Continue the item to the April 18, 2023 City Council meeting.

Council Member Reynolds spoke to the motion which will allow time to review new information and conflicting information, review impacts and consequences, spoke on the Fairview Park Master Plan Update that will be a comprehensive update, and to explore alternative solutions and impacts.

The Council clarified public comments will be allowed at the April 18th meeting.

Council Member Marr spoke to the motion that there is time to postpone to address issues and additional questions, reviewing what the Master Plan allows, and forming a compromise.

Mayor Stephens requested any excerpts from the Master Plan pertaining to the flyfield and would like to see contracts or wording in the contracts that are a potential risk.

Council Member Gameros spoke on an operating model like the Orange County Model Engineers.

Council Member Chavez spoke on waiting to make a decision until after the Fairview Park Master Plan Update is completed.

Council Member Harper stated that Fairview Park is not a nature reserve and suggested special enforcement during the busiest flying times.

MOVED/SECOND: Council Member Reynolds/Council Member Marr
MOTION: Continue the item to be heard at the April 18, 2023 City Council meeting.

The motion carried by the following roll call vote:

Ayes: Council Member Chavez, Council Member Gameros, Council Member Harper, Council Member Marr, Council Member Reynolds, Mayor Pro Tem Harlan, and Mayor Stephens.

Nays: None.

Absent: None.

Abstain: None.

Motion carried: 7-0

ACTION:

City Council continued the item to be heard at the April 18, 2023 City Council meeting.

ADDITIONAL COUNCIL/BOARD MEMBER COMMITTEE REPORTS, COMMENTS, AND SUGGESTIONS – NONE.

ADJOURNMENT –The Mayor adjourned the meeting at 11:46 p.m. in memory of Huy Pham.

Minutes adopted on this 2nd day of May, 2023.

John Stephens, Mayor

ATTEST:

Brenda Green, City Clerk

DRAFT

Agenda Report

File #: 23-1166

Meeting Date: 5/2/2023

TITLE:

BUSINESS IMPROVEMENT AREA (BIA) REAUTHORIZATION, RESOLUTION OF INTENTION, AND REVIEW OF ANNUAL REPORT

DEPARTMENT: CITY MANAGER'S OFFICE

PRESENTED BY: ALMA REYES, DEPUTY CITY MANAGER

CONTACT INFORMATION: ALMA REYES, DEPUTY CITY MANAGER, (714) 754-5090

RECOMMENDATION:

Staff recommends the City Council:

1. Approve the 2022-2023 Annual Report for the Business Improvement Area (BIA) (Attachment 1).
2. Receive and file the audited financial report for Fiscal Years Ended June 30, 2021 and June 30, 2022 (Attachment 2).
3. Adopt the Resolution declaring the City's intention to levy an annual assessment for Fiscal Year 2023-24 for the Business Improvement Area covering certain Costa Mesa hotels and motels and setting the time and place for a Public Hearing on the proposal (Attachment 3).

BACKGROUND:

The Parking and Business Improvement Area Law of 1989 (Streets and Highways Code §§ 36500, et seq.) enables cities to impose an assessment fee on businesses within an area designated by the City.

On July 5, 1995, the City Council adopted Ordinance No. 95-9 to establish a Business Improvement Area (BIA) for the purpose of assisting the hotel and motel industry in its promotion of tourism within the City.

The City Council authorized the City Manager to enter into an agreement with the Costa Mesa Tourism and Promotion Council to develop and administer the BIA. In 2001, the Costa Mesa Conference & Visitor Bureau (CVB), now known as Travel Costa Mesa (TCM), became the administrator of the BIA.

In accordance with TCM bylaws, TCM's Board of Directors is currently comprised of eleven (11) General Managers from the eleven (11) participating hotels and motels, one member of the City

Council, and the City Manager's designee.

Since November 2010, the City levies a three percent (3%) special assessment on the eleven (11) participating hotels in the BIA based on the sale of overnight guestroom stays in the partner hotels (2,375 total available rooms). The levy is transmitted by the hotels to the City, and ninety-nine-percent (99%) of the special assessment is remitted to TCM. The remaining one percent is retained by the City to offset administrative costs.

ANALYSIS:

Currently, the number of properties included in the BIA assessment levy is limited to the eleven (11) hotels and motels that have expressed an interest in participating in the program, as detailed in the proposed Resolution of Intention (Attachment 3). Upon adoption of the Resolution of Intention, property owners of the participating hotels will be notified in writing within seven (7) days of the assessment renewal. Subsequently, the Resolution will be published in the Daily Pilot at least seven (7) days prior to the public hearing scheduled for June 6, 2023, at 7 p.m. City staff will also notify all the hotels and motels in the City not currently included in the BIA to allow them the opportunity to participate in the BIA.

Property owners will be provided an opportunity to speak in support of, protest the annual assessment, and/or address any concerns regarding the BIA at the public hearing. The City Council will vote to adopt or deny the resolution levying an annual assessment for the upcoming fiscal year, and makes the ultimate decision as to the size of and the properties to be included in the BIA. Upon the approval of the annual assessment, the three percent (3%) assessment is collected along with the City's Transient Occupancy Tax (TOT). The hotels and motels included in the BIA are required to itemize the BIA levy as a separate assessment. The staff at TCM manage the day-to-day activities and provide all services to administer the BIA.

Per the agreement between the City of Costa Mesa and TCM and as required by Streets and Highways Code section 36533, TCM is required to provide an annual report describing the programs and activities implemented during the previous fiscal year as well as the status of the programs and activities implemented during the current fiscal year (Attachment 1). The City Council may approve the report as filed or modify the report and approve it as modified. Once the City Council approves the report, it may adopt the resolution of intention to levy the annual assessment.

Further, in accordance with the agreement between the City and TCM, the annual audit for Fiscal Years Ended June 30, 2021 and June 30, 2022 has been completed by KMJ Corbin & Company, an independent auditor, and paid for by assessment funds. The audit is intended to ensure that the assessment revenue is expended for public purposes as specified within the resolution and that no expenditures are made in a manner contrary to the agreement. The City Council is requested to receive and file the independent audit (Attachment 2).

Highlights of the 2022-2023 Fiscal Year

Travel Costa Mesa continues its dedication to showcasing the City of Costa Mesa as the City of the Arts and further enhancing the City's brand as a premier destination in Orange County. The celebration of the City's most anticipated opening of the decade, the Orange County Museum of Art

(OCMA), was one of the year's highlights. In addition, TCM continued an "always-on" marketing strategy in 2022-23, mixing brand awareness campaigns with promotions to help increase hotel occupancy during times of need. Website traffic increase, with new website users increased by 28.8% and page views increased by 27.8%. Successful campaigns included the Create Your Escape Close to Home, Road Trip, What If, What Will You See Next in Costa Mesa, and other sub-campaigns.

Leisure travel during the summer was substantial due to continued pent-up demand and group business travel was on an upward trajectory. Overall occupancy grew 7% and average daily rate grew 22% compared to 2021. Compared to 2019 levels, the overall weekend occupancy segment was 81.1%, almost fully recovered, and the transient weekday occupancy segment was 47.5% of the overall business, down only one percentage point. The weekday contract occupancy segment was 7%, approximately half of what it was in 2019. However, Costa Mesa's weekday group segment exceeded 2019 numbers by 2%. TCM pursued group sales success by attending 12 industry trade shows in FY 2022-23, with 254 leads generated and 73,899 lead room nights of these leads generated.

ALTERNATIVES:

City Council may choose to deny the resolution of intention, which will prevent the public hearing from taking place to consider levying an annual assessment for the upcoming fiscal year.

FISCAL REVIEW:

According to the audit report, TCM's cash equity as of June 30, 2022 totaled \$2,599,536. Based on the 2022-23 annual report, TCM is forecasting \$2.9 million in revenues for the current fiscal year, a 121% increase from the prior fiscal year. As of February 2023, BIA revenues were at \$2.1 million.

The City receives one percent (1%) of the BIA revenue/assessment as partial reimbursement for its collection and administrative costs. The one percent (1%) allocated to the City for reimbursement is estimated at \$29,000 for the 2022-23 fiscal year.

Since 2014, TCM has also provided funding to the City to support community-wide marketing and community events that attract many visitors to Costa Mesa under a Professional Services Agreement (PSA). The City began budgeting the TCM Community Events Programing for a total of \$164,000. This budget typically added annually as an addendum to the existing Professional Services Agreement between the City and TCM, approved by City Council at a public hearing. Although the TCM community event funds were not available during FY 2020-21 and FY 2021-22, the City intends to resume all special community events and marketing efforts to pre-pandemic levels and reinstate the TCM funding in FY 2023-24.

LEGAL REVIEW:

The City Attorney's Office reviewed this report, and has reviewed and approved the resolution as to form.

CITY COUNCIL GOALS AND PRIORITIES:

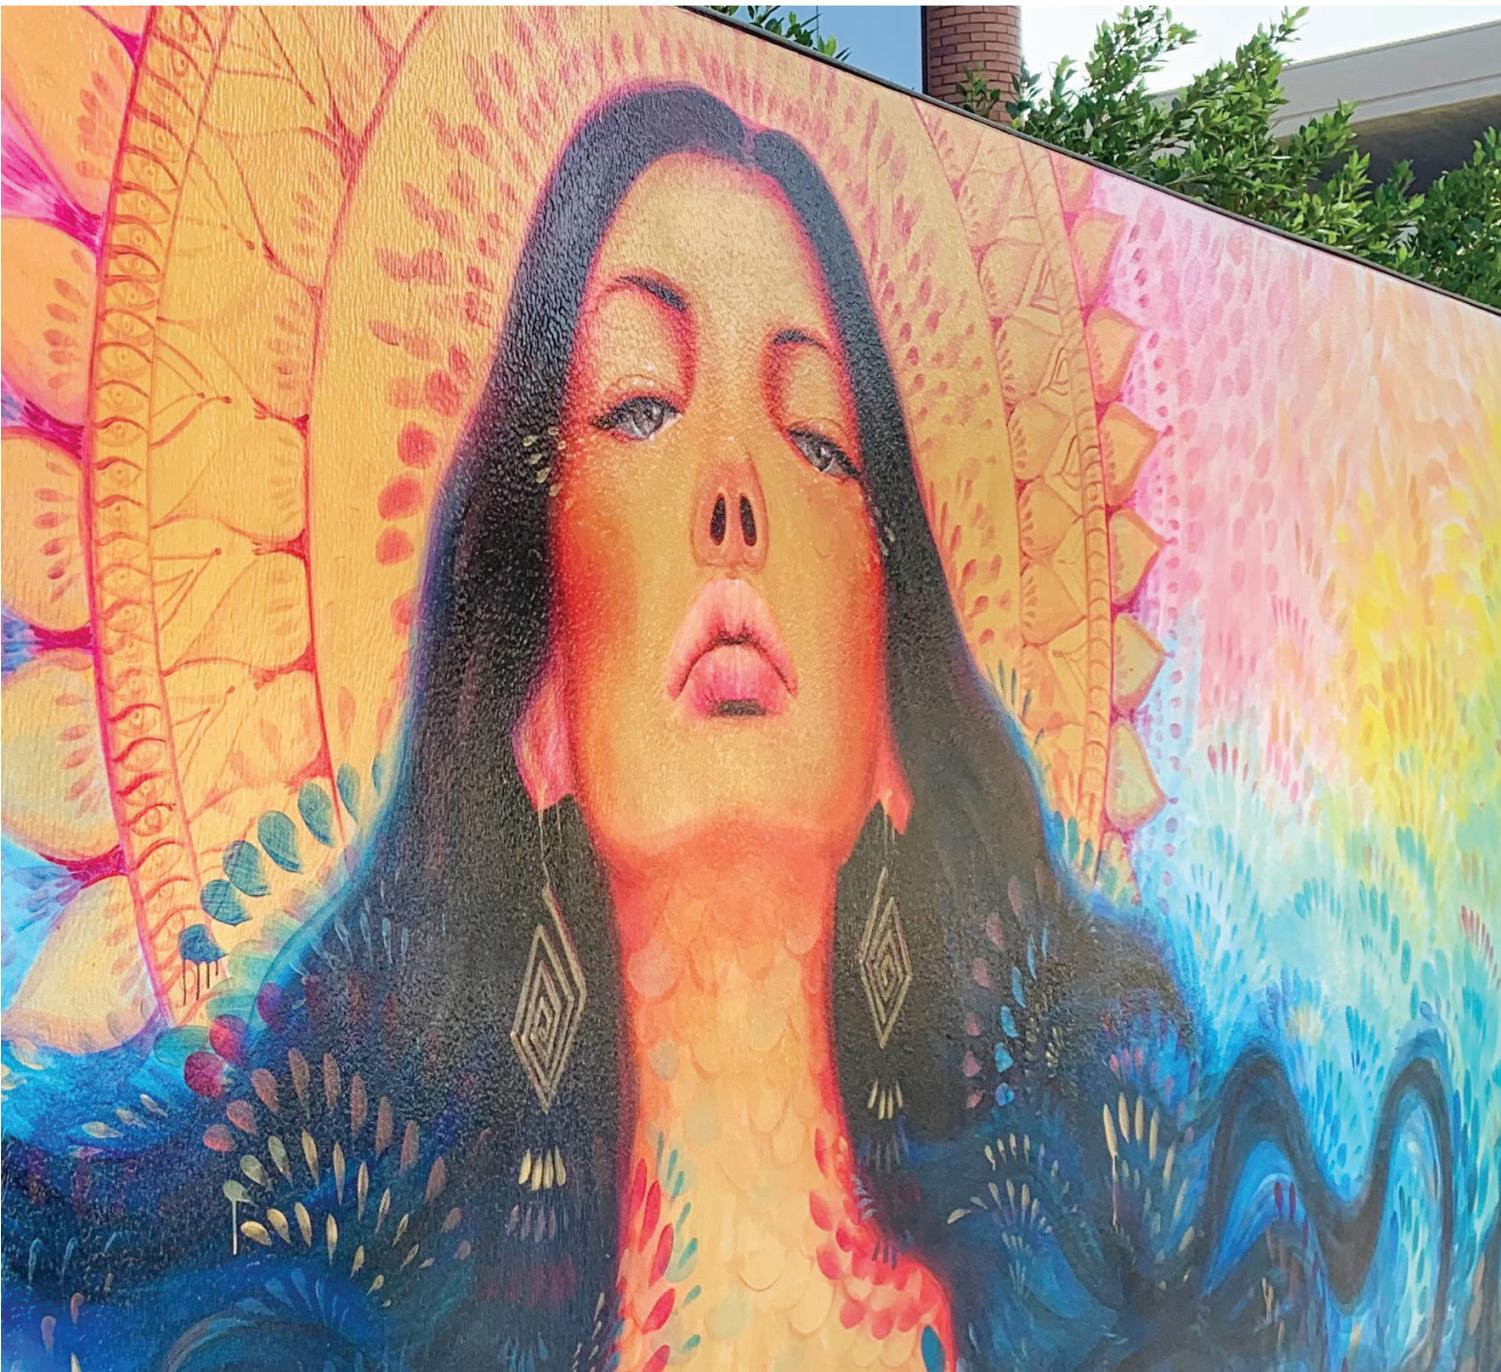

This item supports the City Council's continuous efforts to promote the City of Costa Mesa for its rich and vibrant community that offers many attractions for residents, visitors and businesses.

CONCLUSION:

Adoption of the resolution of intent is the initial step in the reauthorization of the BIA assessment. State law mandates the specific procedure to be followed in the establishment of such an area. Staff will make a presentation to the City Council on the implementation of the BIA assessment at the public hearing on June 6, 2023; however, the City Council must approve the annual report and the proposed resolution of intention before the hearing can be scheduled to consider the levying of an annual assessment.

Therefore, staff recommends that the City Council:

1. Approve the 2022-23 Annual Report for the Business Improvement Area (BIA) (Attachment 1).
2. Receive and file audited financial report for Fiscal Years Ended June 30, 2021 and June 30, 2022 (Attachment 2).
3. Adopt Resolution 23-xx, declaring the City's intention to levy an annual assessment for Fiscal Year 2023-24 for business improvement area covering certain Costa Mesa hotels and motels and setting the time and place for a public hearing on the proposal (Attachment 3).

PRESIDENT'S MESSAGE

THE aura of how Travel Costa Mesa (TCM) began the new fiscal year was rooted in optimism. Travel from a leisure perspective was robust as we entered into summer with continued pent-up demand and group business travel was on an upward trajectory. The celebration of the city's most anticipated opening of the decade, the Orange County Museum of Art (OCMA), was the catalyst for a first-ever "Arts You'll Fall For" marketing campaign. In February 2023, TCM launched "What Will You See Next," a new branding campaign designed to inspire and excite travelers to visit the City of the Arts®.

TCM's marketing efforts focused on the drive market—a radius of consumers within a few hours of the city—and that aim will continue. Content creators injected travel inspiration into arts and culture, dining, and shopping niches. Summer and holiday co-ops with Visit California (VCA), the state's destination marketing organization, were also launched, as was an inspiring new meeting guide for event planners. New group business opportunities continued to grow as the organization's destination sales executive completed a dozen in-person trade shows.

U.S. Travel Association, the national, non-profit organization representing all components of the travel industry, focused on restoring international inbound travel, meetings, events, and business travel, facilitating opportunities for the industry to work together and address industry issues.

Visit California's core objectives included cultivating the California brand while triggering engagement, active consideration, and drive-market development. Its focus centered around restoring travel spending by increasing domestic leisure travel, professional meetings and events, international visitation, and urban tourism. This fiscal year, VCA received \$15 million in marketing funds from

OUR VISION WILL BE GUIDED BY CREATIVITY, CONSUMER TRENDS, AND BEST PRACTICES THAT KEEPS VISITORS WONDERING WHAT THEY WILL SEE NEXT.

MISSION STATEMENT

Travel Costa Mesa enhances and promotes the destination brand experience, further increasing visitor spending for industry and community economic viability, sustainability, and quality of life.

the state to continue to support the ongoing recovery of California's tourism economy. Domestic tourism marketing programs targeted to increase travel to destinations within the state were supplemented with these funds.

As 2022 came to an end, occupancy for the country grew to **62.7 percent**, up over **eight percent** compared to the previous year. California outperformed the country with an occupancy of **67.5 percent**, up over **10 percent** compared to the previous year. Hotel average daily rates increased **19 percent** across the country and **21 percent** in California. As 2023 progresses, U.S. Travel Association is forecasting a slight softening of leisure travel demand compared to 2022. However, business travel and pent-up demand for meetings, events, conventions, and tradeshows is expected to increase in 2023.

TCM's priority is to support the travel and tourism industry for its partners. Our efforts are focused on increasing brand awareness for Costa Mesa, marketing the city as a desirable, overnight Orange County destination for both leisure and group business. As we plan for the upcoming fiscal year, our vision will be guided by creativity, consumer trends, and best practices that keeps visitors wondering what they will see next.

Paulette Lombardi-Fries
PRESIDENT, TRAVEL COSTA MESA

In 1995, Travel Costa Mesa was formed as a non-profit corporation to market the city of Costa Mesa as a desirable, leisure overnight destination in Orange County.

VISION STATEMENT

Travel Costa Mesa is the engaged destination marketing leader, supporting, and selling the city's distinct visitor brand experiences and advocating community tourism benefits.

KEY OBJECTIVE

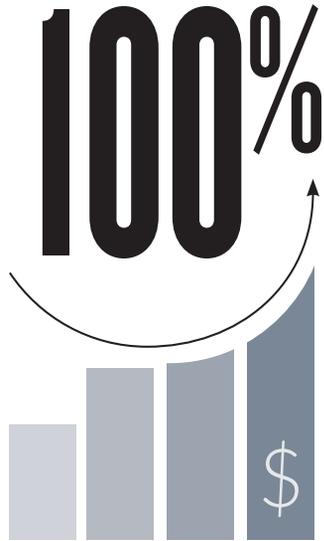

Increase brand awareness for the city of Costa Mesa as a desirable, overnight, leisure Orange County destination.

SALES OBJECTIVE

Increase brand awareness and new group room nights for the city of Costa Mesa – to make it the preferred Orange County destination ideal for small to mid-size business and boost the economic benefits throughout the city.

FUNDING SOURCE

100%
of TCM's funding comes from BIA

Business Improvement Area (BIA) Assessment

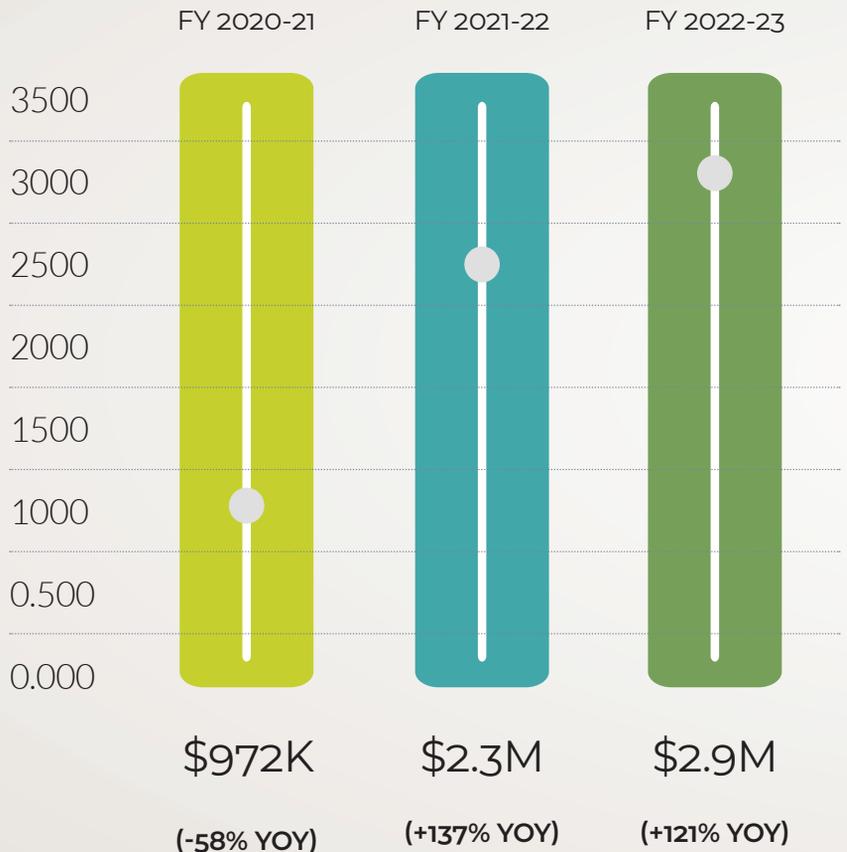

Travel Costa Mesa (TCM) is entirely funded through the City of Costa Mesa's Business Improvement Area (BIA) assessment. Each of the 11 Costa Mesa partner hotels listed in this annual report collects a **3%** levy from overnight hotel guests (2,375 total available rooms). All of the Transient Occupancy Tax (TOT) that the City collects goes into its general fund.

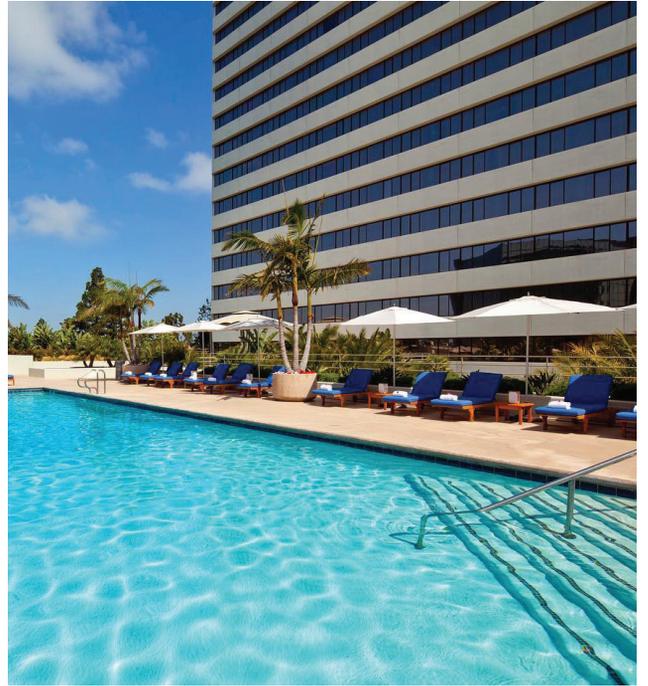

Business owners shall pay the BIA assessment to the Costa Mesa City Finance Department on a monthly basis. A penalty and interest shall be assessed on late payments. New hotel and motel businesses that are interested in participating should contact the City and TCM. This is a voluntary program for hotel partners.

TCM forecasts BIA revenue to reach \$2.9M for fiscal year (FY) 2022-23, a **+121%** year-over-year (YOY). As of February 2023, BIA funds are at \$2.1M.

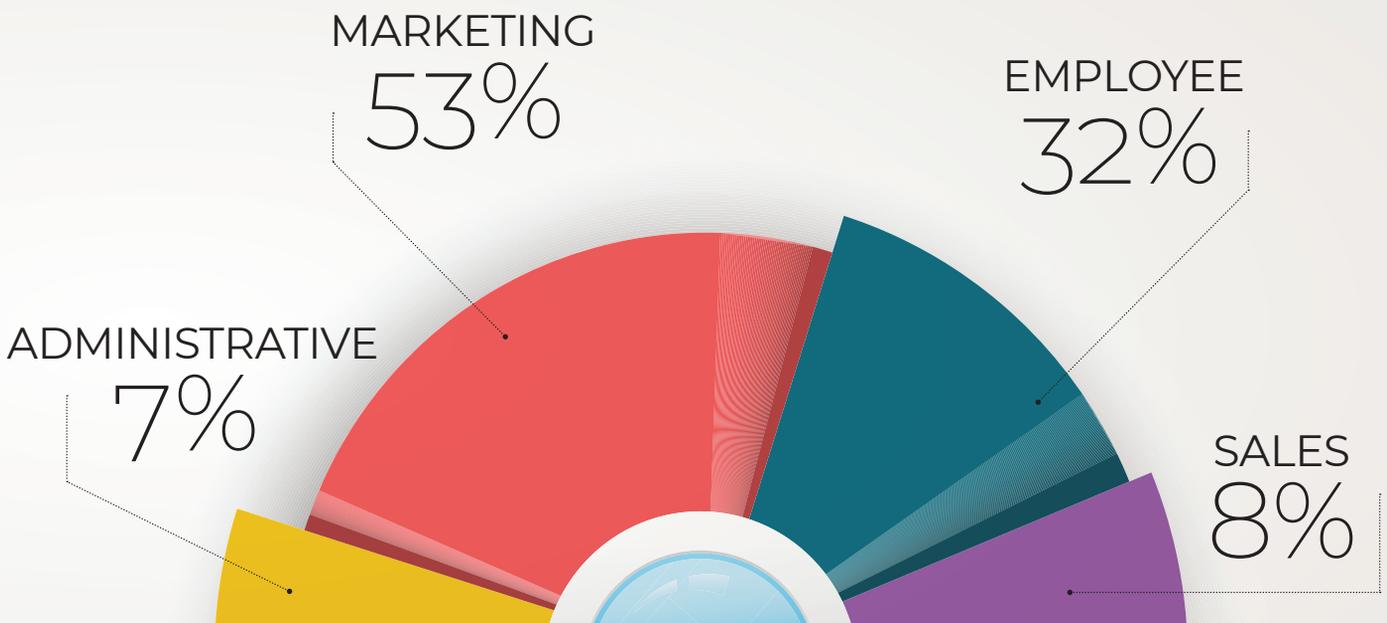

BIA REVENUE

PRIMARY EXPENSES (FY 2022-23 PROJECTIONS)

In addition to the above primary expenses, \$476K in existing reserves will be used for hotel marketing funds.

Hotel Inventory Update

Orange County continues to draw investors and capital into the area with extensive renovations. Highlights include:

- **Pendry Newport Beach** (replacing Fashion Island Hotel) is expected to welcome guests in summer 2023. The high-end hotel will have 295 rooms, 82 suites, and a wellness spa.
- The Irvine Company sold **Hotel Irvine** to Hyatt and will undergo an extensive renovation that will include 541 guest rooms. Anticipated opening date is fall 2023.
- **Element Irvine** opened in July of 2022 with 124 rooms.
- **Residence Inn by Marriott Anaheim Brea** completed their new build with 138 suites.

Looking Forward With Positive Results

Costa Mesa, like many other Orange County cities, saw performance metrics increase in calendar year 2022 as leisure pent up demand grew during the pandemic.

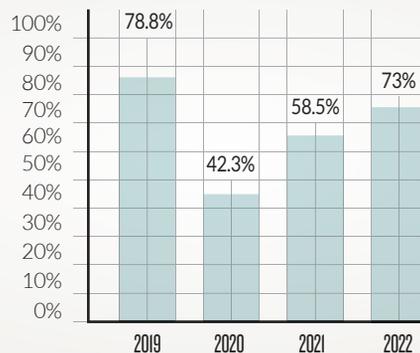

- Overall occupancy grew **+7%** and average daily rate grew **+22%** compared to 2021.
- Compared to 2019 levels, the overall weekend occupancy segment was **81.1%**, almost fully recovered, and the transient weekday occupancy segment was **47.5%** of the overall business, down only one percentage point.
- The weekday contract occupancy segment was **+7%**, approximately half of what it was in 2019. However, Costa Mesa's weekday group segment exceeded 2019 numbers by **2%**.

In 2023, weekday group and transient demand is expected to grow modestly.

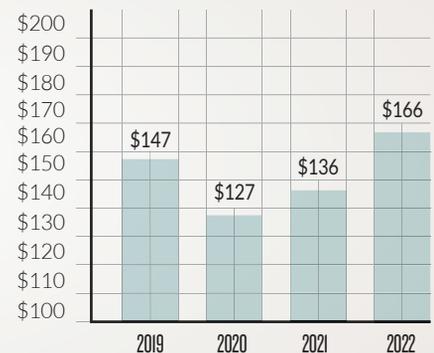

TCM HOTEL PARTNERS

OCCUPANCY

AVERAGE DAILY RATE (ADR)

In 2022, Orange County hotels (\$201 ADR, 71.3% occupancy) outpaced California hotels (\$187 ADR, 67.5% occupancy) and U.S. hotels (\$149 ADR, 62.7% occupancy).

TRAVEL SENTIMENT

Leisure Travel

America's level of excitement to travel is at a three-year high according to Destination Analysts, an independent research firm that surveyed thousands of adult American travelers about their perceptions and behaviors around travel since the pandemic. The following findings, which were shared with the tourism community, represent over 4,000 surveys collected in January 2023 across four U.S. regions.

TOP 3 TRAVEL MOTIVATORS

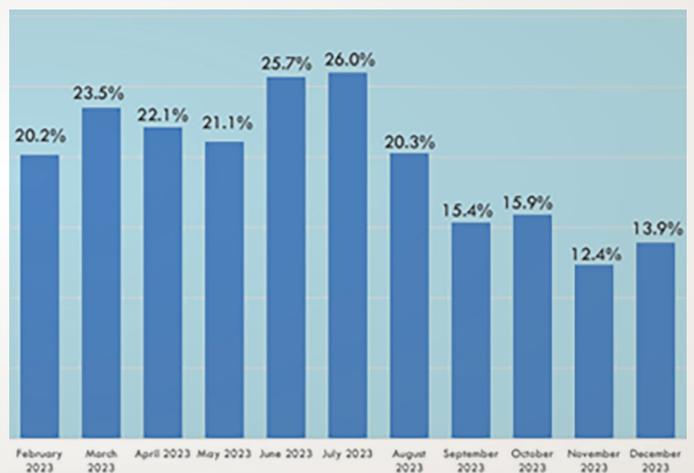

- 71.2%** Quality time with loved ones
- 70.6%** Creating new memories
- 69.4%** Experiencing new places to travel

IN THE NEXT 12 MONTHS, **50%** OF AMERICANS HAVE 15 OR MORE DAYS AVAILABLE FOR LEISURE TRAVEL

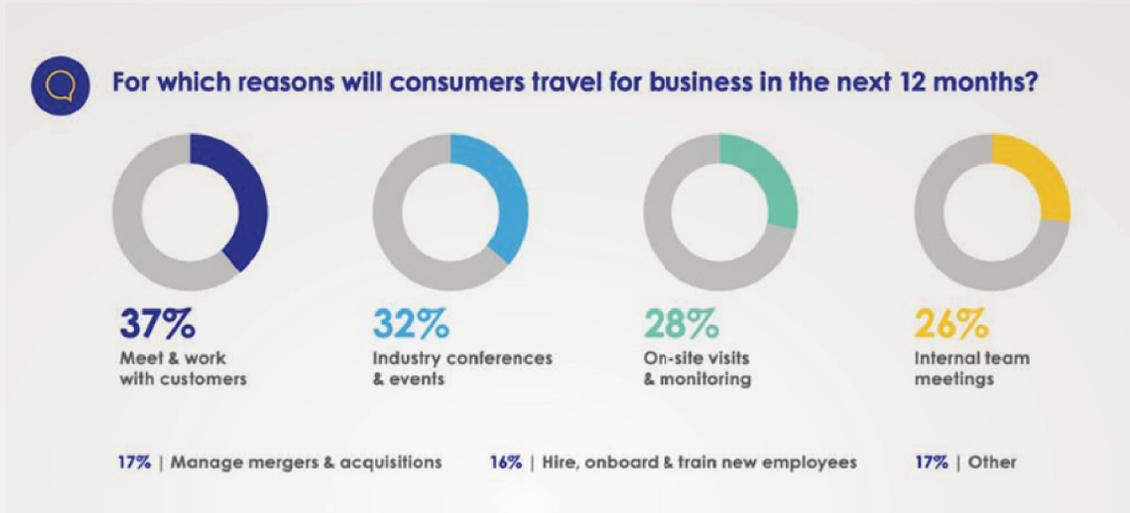

84% CURRENTLY HAVE TRAVEL PLANS

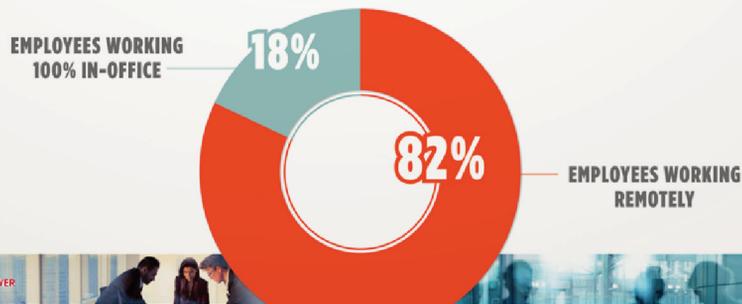

Business Travel

In the next 12 months, the top reasons consumers plan to travel for business will be to meet and work with customers and for industry conferences and events, according to research by Expedia Group Media Solutions. Looking by generation, the groups most likely to travel for work are Millennials (born 1981-1996) at **45%** and Gen Zs (born 1997-2012) at **40%**.

The Return of Business Travel, and the Rise of the Flexcation— Source: Expedia Group Media Solutions

Nearly two-thirds of executives (64%) agree that having **MORE** remote employees will **INCREASE** business travel spending for internal meetings

Additionally, more than a quarter (27%) of business travelers are prioritizing leisure trips according to Ipsos, a global market research company. Direct flight options (48%) and flight availability (45%) are the top factors in business travel.

Remote and hybrid work arrangements are key topics. According to JD Power, nearly **four in five** business travelers work remotely at least some of the time. Of note, **64%** of executives agree that having more remote employees will increase business travel spending for internal meetings.

“

With hybrid work, every weekend can be a holiday weekend...hybrid work environments untether workers from the office and give them the newfound flexibility to travel far more often than before. This is not pent-up demand, it's the new normal.

— Scott Kirby, CEO, United Airlines

U.S. TRAVEL ASSOCIATION

U.S. Travel Association is a non-profit organization that represents and advocates for all components of the travel industry while promoting and facilitating travel to the U.S. In September 2022, Geoff Freeman became its new president and CEO after Roger Dow's 17 years of invaluable leadership and service to the industry. Throughout 2022, U.S. Travel focused on many issues within the travel and tourism segment while shaping policy, developing data, testifying before congress, engaging with the international travel community at tradeshow, and having a strong presence in media coverage.

International Inbound Travel

In November 2021, the U.S. reopened its borders for vaccinated foreign travelers after more than 18 months of restrictions on international travel. Despite this positive news, inbound travel in 2022 reached **66%** of what it was in 2019, and overseas travelers (total number of trips) were 50.2M in 2022 compared to 79.4M in 2019. Visitation from China and Japan is recovering slowly, while Canada, Mexico, the United Kingdom, and Germany now rank as the top visitor markets for the U.S.

The U.S. travel industry received another boost in June 2022 when pre-departure COVID-19 testing requirements for all inbound American travelers were lifted. Visa wait times for international travelers remains a challenge, however. Visitor visa (B-1/B-2) interviews currently exceed 400 days for first-time applicants. As a result of the waiting period, many international visitors have opted for alternative destinations. In December 2022, U.S. Travel launched its "They Wait, We Lose" campaign, featuring testimonials of people and businesses impacted by long visitor wait times.

Business Travel

An acceleration for business travel due to pent-up demand for meetings, events, conventions and tradeshows is expected in 2023. While the number of visitations in this segment may recover next year, business travel spending may not for another four years as inflation is taken into account.

U.S. Travel, Tourism Economics, and J.D. Power collaborated in 2022 to develop a quarterly survey representing business travelers and corporate executives. The results were reported through U.S. Travel’s Business Travel Tracker. The following results represent the fourth quarter survey taken from the end of November 2022 to the end of December 2022. There were 790 business traveler respondents and 109 corporate executives.

Half of executives expect business travel spending to increase in 2023

Spending on business travel, by type

(Share of corporate executives that indicate spending in 2023 will increase versus 2022)

Attendance at small meetings and events (e.g. less than 100 attendees)

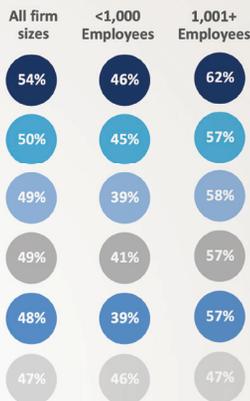

Travel for meetings with customers, suppliers, stakeholders

Attendance at medium-sized conferences or conventions (100-1000 attendees)

Attendance at larger conferences and trade shows (greater than 1,000 attendees)

Short overnight business trips of 1-2 nights

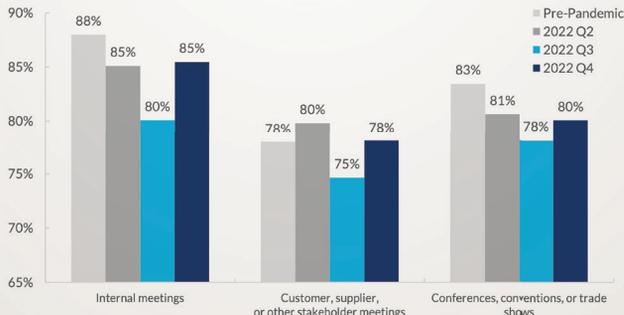

Longer overnight business trips of 3 nights or more

Most expect to travel in the next six months

Business travel plans next six months

(Share of respondents expecting to take at least one trip)

Sustainability

In April 2022, U.S. Travel launched the Sustainable Travel Coalition, a group dedicated to the development and advancement of strategies that will enable a sustainable future. With more than 70 members, the coalition informs on issues within its organizations and perceived future challenges, focusing on these sustainable goals:

- Spotlight industry progress by showcasing innovative technologies and call attention to the ongoing actions and leadership of travel professionals in the sustainable space
- Amplify industry goals and commitments to conservation, best practices, waste and emission reductions, and both long- and short-term investments
- Highlight why sustainability matters and its importance to travel’s future
- Play offense by identifying and promoting proactive policies to help the industry achieve its goals.
- Defend against harmful policies that slow progress toward sustainability goals or penalize the industry without progress.

2022 Highlights

JUNE 8: U.S. Travel sends a letter to congressional tax writers, advising on a range of environmental tax and trade policies.

AUGUST 16: The Inflation Reduction Act, which contains many of the policy priorities included in the Sustainable Travel Coalition’s priorities, including a \$370B investment in climate and energy programs, is signed into federal law.

SEPTEMBER 14: President Biden attends the Detroit Auto Show and observes the private sector investments that are making road travel more environmentally friendly.

SEPTEMBER 20: U.S. Travel hosts its second annual “Future of Travel Mobility” conference highlighting sustainability progress across travel and transportation.

SEPTEMBER 23: The Department of Energy releases a plan to increase the production of sustainable aviation fuels.

SEPTEMBER 27: The Department of Transportation gives its final approval for construction to begin on a nationwide network of electric vehicle charging

DECEMBER 23: The Omnibus Travel and Tourism Act passes and includes a provision directing the FAA to prioritize research on sustainable aviation fuels.

VISIT CALIFORNIA

Visit California is focused on restoring travel spending by increasing leisure travel, professional meetings and events, international visitation, and urban recovery. The state's destination marketing organization uses research from *Tourism Economics* to forecast visitation and traveler spending in the Golden State.

Travel Visitation

Visitation to California reached 259.8M in 2022 (+21% YOY), and is expected to increase to 279.1M (+8% YOY) in 2023. International visitation increased 115% in 2022 compared to the previous year, and is expected in 2023 to reach 81% of the 2019 volume.

Total Travel Visitation

Domestic Visitation

International Visitation

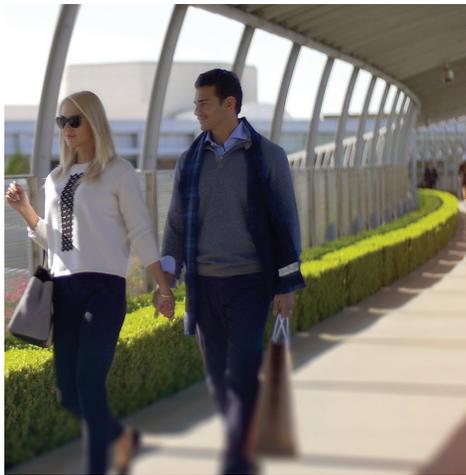

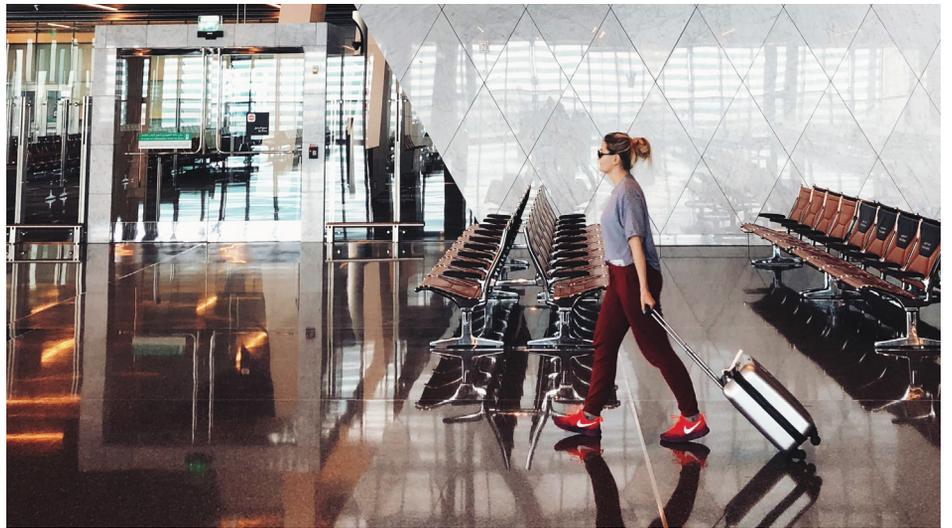

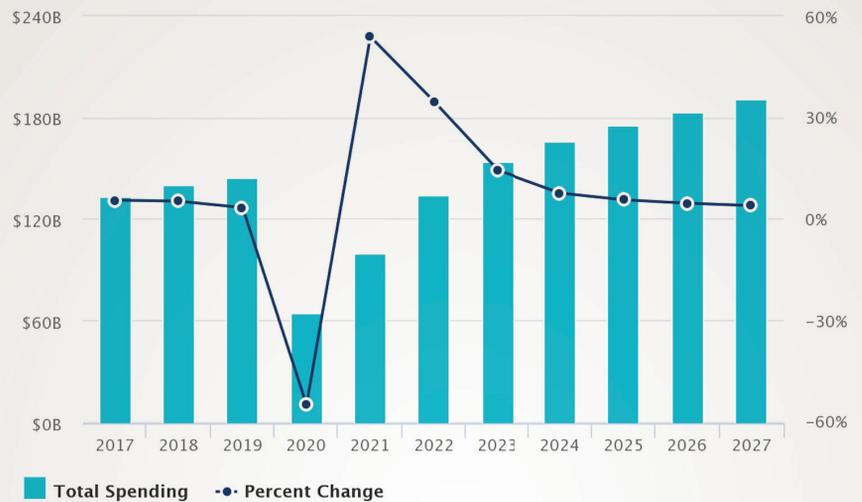

VISIT CALIFORNIA

Travel Spending

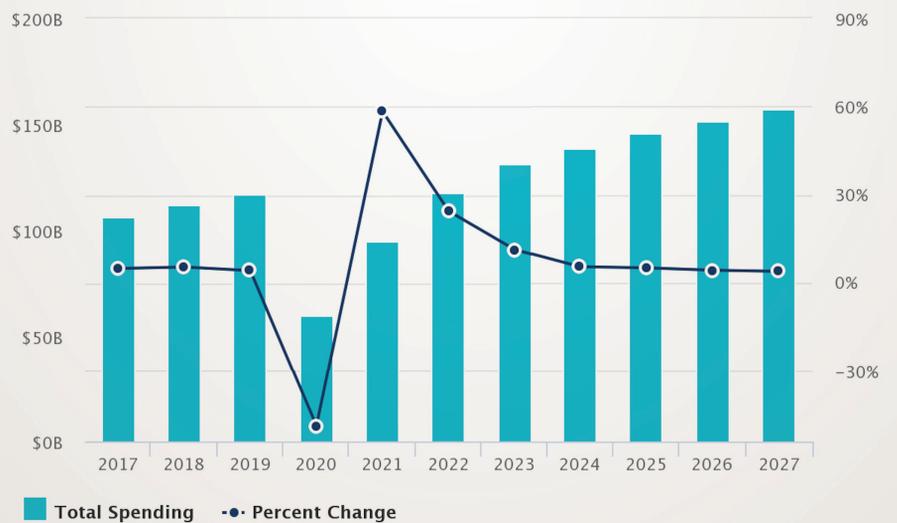

Visitor travel spending reached \$135B in 2022 (+35% YOY) and is expected to grow to \$154.4B in 2023, surpassing the previous high of \$144.9B from 2019. Leisure travel is expected to recover in 2023 to **100%** of 2019 levels and business travel will recover to **88%**. International spending reached \$16.4B in 2022 (+202% YOY) and **58%** of 2019 levels.

MARKETING

TCM continued an “always-on” marketing strategy in 2022-23, mixing brand awareness campaigns with promotions to help increase hotel occupancy during times of need. The focus was on marketing efforts to nearby drive markets in Los Angeles, San Diego, Inland Empire; communities within Orange County for “staycations” or trips close to home; and smaller summer sub-campaigns to Arizona and Nevada. The leisure market continued to improve, and with more people working from home and during their vacation time, leisure time expanded to not just the weekends.

1.

Target audiences in drive markets, as well as those with very short flights

2.

Host media from review and news perspectives, and continue public relations branding activities on a wider scale (flight markets okay)

3.

Build trust and introduce Costa Mesa to new viewers through social/public relations connections

Website Traffic

The return of a “normal” level of spend for TCM advertising definitely showed up in its increased website traffic in calendar year 2022. Total website users were **+30.75%** (408,973 vs. 312,796) with sessions **+27.82%** (475,878 vs. 372,296) over the previous year. New website users were **+28.82%** (407,950 vs. 316,673) and page views were **+27.78%** (722,750 vs. 565,640) year-over-year (YOY).

Organic search traffic (**20.5%**) remained similar to 2021, when the website saw a **+140%** spike in organic search traffic largely due to TCM’s increase in paid ad and social efforts. Clear positive responses were seen with the ad campaigns, particularly display, which drove **22.9%** of the traffic.

The biggest YOY increase was referral traffic, which drove **22.1%** of overall traffic (as opposed to **14.5%** in 2021). Referral traffic refers to visitors that arrive to a website from another source, like through a hyperlink on another domain. When someone clicks on the hyperlink, Google Analytics tracks the traffic as a referral visit, and the originating website is called a “referrer.”

Taboola, TCM’s paid content marketing platform, was the top referrer in 2022. Traffic from content marketing actualized **+116.13%** (69,708 sessions vs. 32,129) YOY. Travelzoo was the second-highest referral source as TCM placed cost-per-click ads throughout the year during its tactical campaigns.

While most of the referral traffic was paid, TCM did have a couple of unpaid referral sources that increased last year, including traffic from Visit California (**+309%** YOY). While this is not a hard-and-fast rule, unpaid referral traffic usually achieves superior bounce rate, page/session, and session durations due to the fact that they are often coming from a trusted source. Visit California is an excellent example, and a visitor from its website to TCM is a highly qualified one. Last year, referral traffic from Visit California had a session time more than three times as long as those from other unpaid referrals.

In 2022, websites continued to be a key tool for marketers despite seeing declines in overall web traffic when compared to the previous year. While traffic was **-6%**, web conversions grew **+11%**, demonstrating the importance of having web-based conversion paths for your online audience.”

Website Usage

TCM saw a big lift in tablet users from the previous year (**+179.83%** or 28,280 vs. 10,106). While the primary traffic source was from mobile devices, desktop users did increase in the total mix similar to the previous year, which was likely attributed to more remote workers. In 2022, **71.33%** of web traffic was from mobile devices, **21.78%** was from desktop, and **6.89%** was from tablets.

MARKETING

In 2022-23, TCM produced several successful PR initiatives across the country to promote Costa Mesa as a destination.

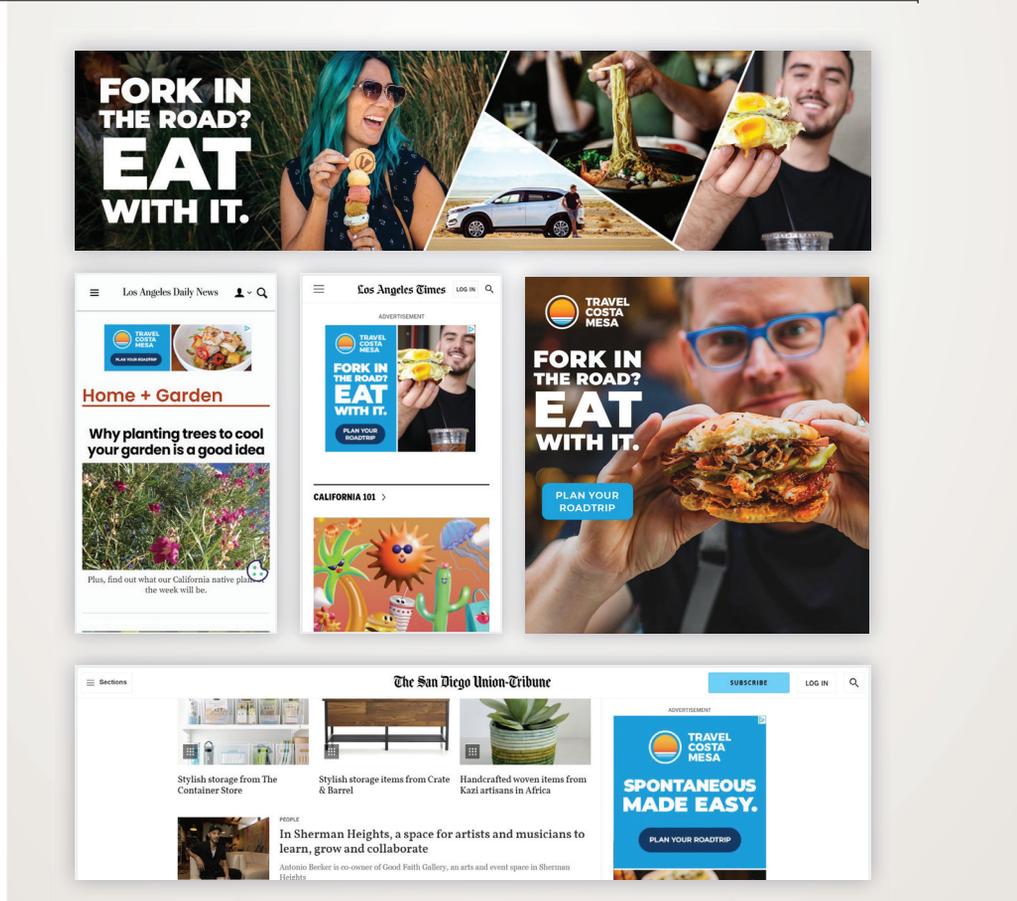

“Create Your Escape - Close to Home” Spring Campaign

TCM launched a spring campaign in 2022 centered around the drive market. The ad creative featured hotel deals as low as \$92 while reinforcing Costa Mesa’s other great attributes: shopping, the arts, bike riding trails, and close proximity to beaches, Disneyland Resort, and other Orange County attractions. The results were excellent: 13,500+ web page sessions, 900+ hotel leads, and among TCM’s top 10 most visited pages of the year.

“Road Trip” Summer Campaign

The summer campaign was all about the road trip. Featuring simple and direct messages (“Foodies Eat in Costa Mesa” and “Fork in the Road? Eat With It.”), this new twist for TCM got some great attention over the campaign including an evening news segment on FOX 11 Los Angeles. TCM also launched paid display, social content, and organic support through its owned email and PR channels. Targeting the L.A. area, TCM placed ads on Uber and Lyft cars through Carvertise, as well as out-of-home (OOH) opportunities for the first time with five billboards. “Road Trip” was TCM’s most successful 2022 campaign, garnering 36.3K visits to its web page and 1,400+ leads.

“What If” Holiday Campaign

Mirroring Visit California’s “What If” messaging and utilizing additional state funding, TCM launched a year-end holiday campaign. The advertising creative featured messages like “What if you could find the perfect gift in Costa Mesa?” and ran from mid-November 2022 to January 1, 2023. The campaign’s web page, which touted events happening in Costa Mesa, was the fourth most visited page of the year. Boosted by display ads, social, and PR efforts, the holiday campaign brought 1,600+ leads and approximately 29K website visits.

Impressions

Display Ads, Email, Content, Social:	16.75M
Print:	1.525M
OOH:	5.037M
Carvertise (Uber and Lyft)*:	3.37M
Broadcast TV:	27.1K on KTTV (\$18,282 in media value!)

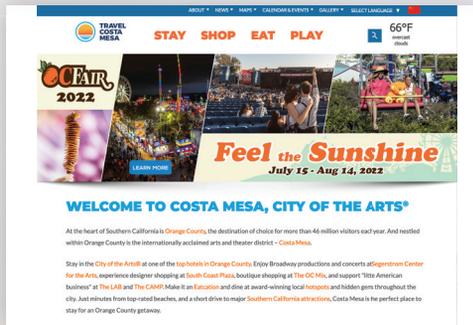

*According to a Nielsen advertising study, 64% of people who saw messaging on a wrapped vehicle remembered seeing it within 30 days.

Summer Sub-Campaigns

Due to the success of last year’s “Beat the Heat” campaign, TCM launched another sub-campaign targeting Arizona again and adding Nevada. Using primarily food and beach imagery, the online and social content featured Costa Mesa as a road trip destination for those in the summer heat. The campaign included targeted paid social ads, as well as secured placement in the Phoenix New Times summer guide and email blast.

TCM also launched multiple content marketing pieces for the OC Fair, one of the biggest events of the year. On the home page, TCM prominently displayed a banner ad that linked to its page about the OC Fair, driving additional organic traffic and resulting in nearly 3,500 visits.

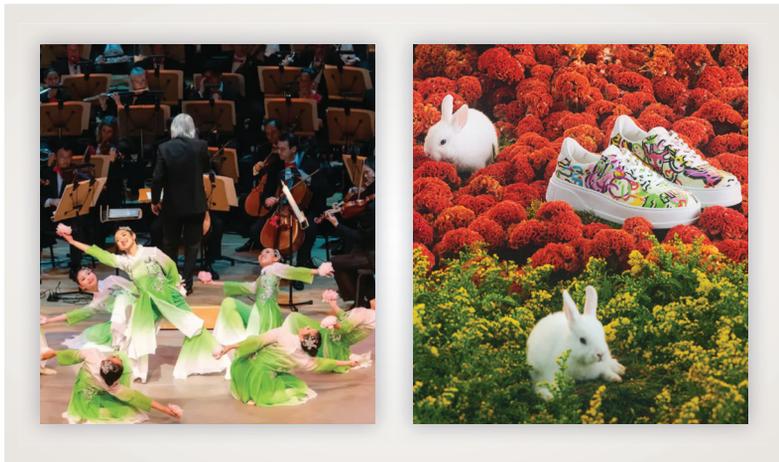

MARKETING

Travelzoo Sponsored Page

In November 2022, TCM partnered with Travelzoo to create a sponsored page on the travel company's site. "Recharge with a Costa Mesa getaway," focuses on activities in the city and dining, introducing Costa Mesa to new visitors. Travelzoo promoted the page in January 2023 with social posts and an email blast. Since its launch, the sponsored page has 6,300+ views with a great clickthrough rate (CTR) of 16%.

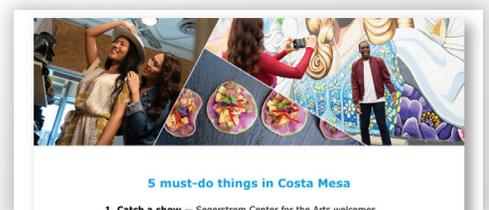

Lunar New Year and Valentine's Day Campaigns

Through its blog and social channels, TCM continued to showcase all the Lunar New Year events happening in Costa Mesa, particularly at South Coast Plaza (SCP) and the annual Tet Festival at OC Fair and Event Center. Launched in January 2023, TCM also partnered with a Costa Mesa hotel property to offer a special holiday package. An Instagram reel (@travelcostamesa) highlighting SCP's Lunar New Year display was TCM's most popular of the year receiving 12.7K organic views.

For Valentine's Day, TCM capitalized on a previously well-performing blog called "Best Valentine's Day Ideas in Orange County." Using Google Ads, as well as paid social ads on Facebook and Instagram, the campaign's web page received 8,000+ visits.

"What Will You See Next in Costa Mesa?" Branding Campaign

In February 2023, TCM launched a new branding video called "What Will You See Next in Costa Mesa." Using a series of quick transitions, the video takes three visitors to various destinations around Costa Mesa while highlighting the arts, food, and shopping. In the ad campaign, the phrase "See What's Next" is also used. Supported by paid social, digital display, a press release, and a print ad in Visit California's California Road Trips Guide, the branding campaign will be used throughout 2023 and can be adapted seasonally.

Meetings and Events

TCM created a variety of sales and marketing materials to promote Costa Mesa as an elite meetings destination. It revamped its Meetings and Events page to reorganize the information and make it more efficient for the visitor; added a pop-up call to action (“Find out about meeting incentives!”) for RFPs and quicker responses with leads going directly to the team’s destination sales executive; and produced a new Meetings Guide, which can be found digitally on the site. For tradeshow, TCM also created a one-page collateral piece and a tabletop display with imagery from its new branding campaign.

Using its “Meet What’s Possible” initiative to encourage a return of meetings business, Visit California funded a print insert called “Destination California” for the winter 2022 issue of Meetings & Conventions magazine. Destination marketing organizations in California were given the opportunity to purchase editorial and ad space in the magazine for half the normal rate. TCM had a two-page editorial spread, highlighting Costa Mesa’s event spaces and meeting incentives.

Website Privacy Developments

Online privacy is “the level of privacy protection an individual has while connected to the Internet,” says Google. It covers the amount of online security available for personal and financial data, communications, and preferences. As more people are concerned about their online privacy, ad companies (and therefore marketers) must think about how to adjust their campaigns to ensure they are as effective as possible given some personal data used to target users will be unavailable.

Browser cookies (aka web, Internet, or HTTP cookies) are small blocks of data created by a web server while a user is browsing a website. The cookie is placed on the user’s computer or other device by the user’s browser or site visited. With today’s users concerned about privacy, many browsers and sites have moved to a “cookie-less” environment, limiting the amount of user data publishers can acquire and analyze.

Due to these changes, TCM will continue to partner with the data company ADARA for its paid display ads. As a trusted partner, ADARA can still cross-check customer data and model behaviors without cookies (Many other sites, such as large hotel chains, prefer to keep its relationship with ADARA private.) TCM will also refine its marketing strategy to account for the loss of the data by utilizing new out-of-home ad opportunities in target markets, using partners with their own data acquired with consumer consent, and doing contextual advertising—putting ads of interest with matching content of interest.

We don’t expect a decline in ad dollars or a decline in ad traffic; we expect a reallocation and shift of budgets. The next best option to cookie-based behavioral targeting is anything keyword or keyword contextual-based advertising.”

— VP of Search, (Cogniscent Media)

PR & MEDIA COVERAGE

Travel Costa Mesa sends its press releases through PR Wire, a division of Cision. Since January 2022, it has sent 10 press releases that were picked up 1,300+ times by various media outlets and exposed to a potential audience of 300.9M.

FOX 11 Los Angeles Primetime News

In July 2022, FOX 11 Los Angeles reporter Cristy Fajardo saw TCM's summer campaign billboards in L.A. and drove down to cover Costa Mesa's food scene for its evening July 25 news show. The television spot received 27.1K impressions with a media value of \$18,282.

Costa Mesa emerging as 'eatcation' foodie destination
Costa Mesa is the home of the only three restaurants in all of Orange County with Michelin stars.

COSTA MESA, Calif. - Here in Southern California, it goes without saying that we're spoiled with amazing restaurants and food spots. While we all know that taco trucks in East Los Angeles or all-you-can-eat Korean barbecue spots in Koreatown are among the iconic food destinations in the United States, another SoCal city has appeared to emerge as an "eatcation" destination.

Costa Mesa is the home of the only three restaurants in all of Orange County with Michelin stars.

IFWTWA Annual Conference

TCM was a title sponsor for International Food and Wine Travel Writers Association's (IFWTWA) annual conference in September 2022 in St. Petersburg, Florida. Armed with new marketing materials, the team had the opportunity to introduce Costa Mesa for a few minutes to conference attendees and answer questions about the destination. TCM has formed a solid relationship with IFWTWA members and will include them in ongoing event news and invite them to familiarization (FAM) trips whenever applicable.

The Travel Mom

In September 2022, Emily Kaufman's *The Travel Mom* broadcast on Costa Mesa was picked up 12 times in Phoenix, Dallas, Sacramento, and Las Vegas, along with national online coverage on *Yahoo! News* and *NewsBreak*. TCM received 27.6M impressions, 116K viewers, and \$418K in media value—arguably the most successful paid PR campaign that TCM has ever done.

OCMA Opening Events

TCM provided immense support for the opening of the Orange County Museum of Art (OCMA) in October 2022. The team hosted its first mega FAM event, inviting 15 local and national journalists to Costa Mesa for a media-exclusive view of the museum, dinner at Knife Pleat, a showing of *Hamilton* at Segerstrom Center for the Arts, and a stay at Avenue of the Arts Hotel. Journalists from magazines (*Iconic Life*, *Modern Luxury*, *Southern California Life* and *Westways*), newspapers (*LA Weekly*), and online travel shows (*The Golf and Travel Show*) attended the event, as did freelance writers (one of which completed a piece for the *New York Post*).

TCM also invited six influencer partners to the OCMA grand opening event, hosting dinners near the Segerstrom Center for the Arts campus with some staying at the Costa Mesa Marriott. Through outreach, two other influencers posted about the OCMA opening. From all eight influencers, TCM's outreach garnered 1.77M impressions and a wide variety of Instagram stories and posts.

PR & MEDIA COVERAGE

NBC California Live

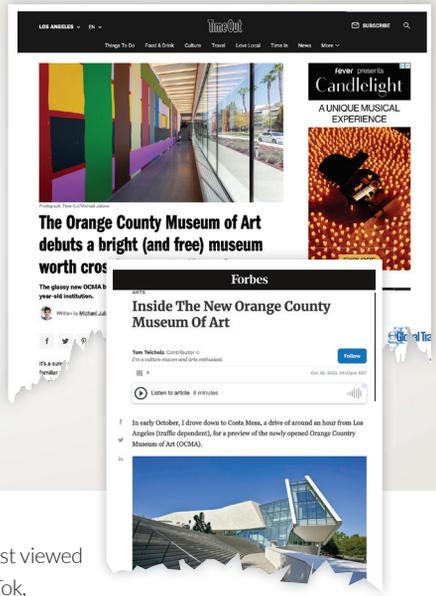

TCM's relationship with *The Travel Mom* brought an introduction to Laila Muhammad of *NBC California Live*, and she was invited to visit OCMA. Muhammad produced a segment for her show at no cost to TCM, including an interview with the museum's CEO Heidi Zuckerman. Airing at the end of 2022, the segment received 125K television viewers in LA., San Diego, and San Francisco and 1.2M impressions online, with a total media value of \$89K.

Food and Travel Magazine

The editors of *Food and Travel Magazine* saw TCM's media blitz for the opening of OCMA and contacted the team about covering Costa Mesa. In their winter 2022 issue, they highlighted the city's foodie scene in a four-page feature titled "Costa Mesa: Where Food, Art & Culture Collide," which had an estimated 800K readership.

Growth of TikTok

TikTok can't be overlooked in social media marketing. According to Insider Intelligence, the short-form video platform now hosts 750M monthly users worldwide, making it the third largest social media network. About 34% of travelers were also influenced by TikTok in 2022, an increase of 10 percentage points from the previous year, according to a "Portrait of American Travelers," an annual survey by MMGY Global.

Early decision making is where a lot of our respondents talk about how TikTok influences their decision of where to go and where to stay"

— Clayton Reid, CEO, MMGY Global

Travel organizations and practitioners will continue investing resources on TikTok in order to reach global audiences. Small accounts on the platform have as much of an opportunity to go viral and stack video views as very large accounts because the TikTok algorithm rewards creativity, authenticity, and uniqueness in travel discovery.

Social Media Followers @travelcostamesa

Going forward, TCM will keep creating original destination video content for social channels or acquire them from its partners. This area has been challenging in 2022 because the social media and content manager full-time position has been vacant for much of the year, and TCM's influencer program has been on pause since November 2022. We look forward to getting the position filled in 2023 and return to full activity on these programs.

GROUP SALES

Selling the City of Arts®

For the past several years, COVID-19 has challenged overall business and recovery. Late in 2022 into the start of 2023, it has become less of a concern due to successful social distancing practices, immunizations, and overall better health practices. Although COVID-19 will continue to be a discussion in the meeting industry, wellness and mindfulness is predicted to be a bigger topic in 2023.

It is not in our DNA to be alone, so groups, now more than ever, yearn for the chance to meet.”

— **Michael Dominguez**, President and CEO, Associated Luxury Hotel International

Normalization is another prediction for 2023. Internationally, Europe has somewhat normalized even though it is still four to five months behind the U.S. Visitation from Canada and Mexico is expected to increase again in 2023, while Japan and China have been replaced by France and Spain among the top 10 countries to travel to the U.S.

Pricing is a subject of concern as inflation is expected to remain elevated at least through 2023. Everyday costs for labor, gas, energy, and food pricing have contributed to hotel rates being higher than before the pandemic. And while budgets are flexing, costs remain the top concern according to new data from Cvent and the meetings group. One drawback to higher prices is the attendance levels at meetings and events will continue to lag.

Moving Forward

TCM has found group sales success by attending industry trade shows. In fiscal year 2022-23, its destination sales executive will have attended 12 trade shows, each carefully selected to target small- and mid-sized group business (10 to 300 room nights peak). For every show, attendees receive an email introduction prior to the trade show showcasing what Costa Mesa has to offer potential groups. One-on-one appointments are scheduled with follow-ups based on the needs of each particular group. Along with newly created collateral, the destination sales executive utilizes the new *Meetings Guide*, an invaluable resource for planners and a time-saving communicator.

TCM will also host more familiarization (FAM) tours for meeting planners, big and small. In October 2022, it hosted 10 planners for the opening of the Orange County Museum of Art (OCMA), providing a tour of Costa Mesa's hotels, restaurants, and attractions. Highlights of the trip included a performance of *Hamilton* at Segerstrom Center for the Arts (SCFTA) and a Moke cruiser tour of Costa Mesa street murals. Two more mini FAMs are planned, centered around performances of *Mean Girls* and *Chicago* at SCFTA.

Moving forward, TCM will keep aligning with travel- and meeting-oriented associations and groups, reach out persistently to its growing database, and uncover new contacts for potential business. From July 2022 to February 2023, TCM generated 250+ leads representing 73,000+ room nights. TCM has booked 59 meetings and events (compared to 25 in fiscal year 2021-22) with 7,953 rooms contracted at its partnering hotels (compared to 4,799 in fiscal year 2021-22).

By the Numbers

TCM Sales Activity 2022-2023	
ROOM NIGHTS BOOKED <small>ENDING February 2023</small>	LEADS GENERATED
7,953	254
IN-PERSON SITE VISITS	LEAD ROOM NIGHTS <small>OF THE 254 LEADS GENERATED</small>
37	73,899
ACCOUNTS	Solicitations
2,790	4,061

The focus will remain on generating hotel room nights in Costa Mesa, not only to bring in revenue for hotel partners, but also to provide ancillary revenue to other segments including restaurants, shopping, transportation, attractions, and more. Every booked lead in Costa Mesa is an opportunity for businesses to benefit from it.

Current Memberships

- California DMO Alliance (formerly West Coast DMO Alliance)
- California Society of Association Executives (CalSAE)
- HelmsBriscoe
- Hospitality Performance Network (HPN)
- Orange County Sports Commission (OCSC)

GROUP SALES

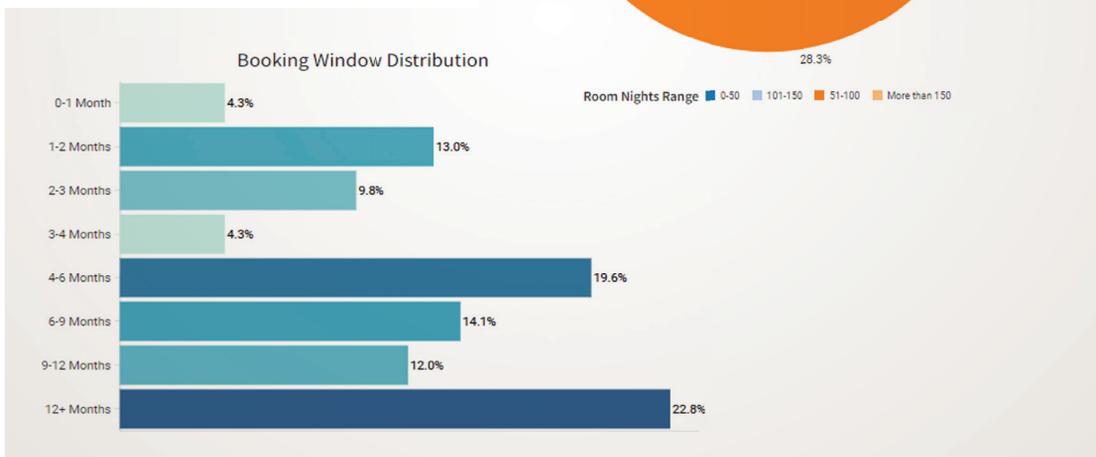

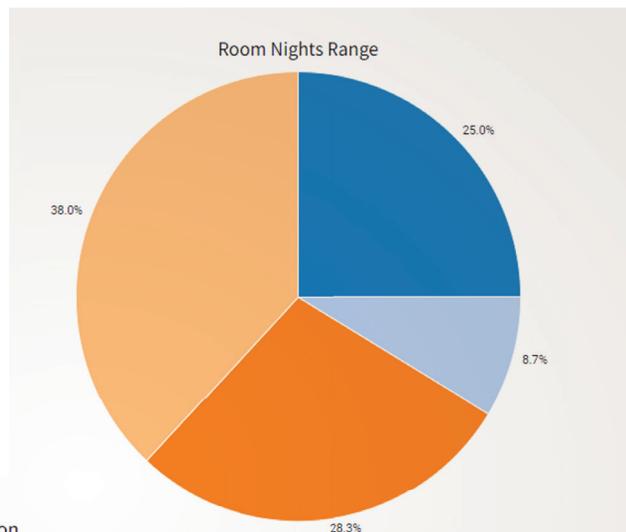

About OCSC

The county's sports commission is a valuable resource for TCM to promote Costa Mesa's fields and facilities that boost group sales. TCM, along with Destination Irvine, Visit Huntington Beach, Visit Anaheim, Travel Santa Ana, Visit Laguna Beach, and other local attractions (like OC Vibe, OC Fair & Event Center and Honda Center) will continue to work with the OCSC to encourage overnight group hotel room nights. In 2022, the sports commission produced 172 leads and Costa Mesa received 10 of these. Venue availability and restrictions continue to make it challenging to secure fields and venues in Costa Mesa.

Target Markets

Due to shortened lead times brought on by the pandemic, larger convention-type meetings have been replaced with smaller, short-term meetings. This is ideal for Costa Mesa given the limited meeting spaces among its hotels. According to Cvent, the booking window is increasing with **22.8%** of TCM leads being more than 12 months out. However, meetings within a four to six month window (**19.6%**) are strong. Attendance is also increasing with **31.5%** of TCM leads involving programs with 201+ attendees.

The following markets remain TCM's focus:

- **Association (State/Regional/National):** Associations depend on annual meeting dues for their survival. Without these meetings, associations will either not survive, or they will need a new revenue stream to stay viable. Although these groups tend to be larger in size and more rate conscious, this is still great business for either mid-week or weekend. TCM will continue its membership with CalSAE and will continue to attend their largest show of the year Seasonal Spectacular. In addition, some of our other shows like Destination West and Smart Meetings will have opportunities to meet with association meeting planners and/or intermediaries who book this business. Visits to Sacramento are planned this fiscal year.
- **Corporate:** Along with the many opportunities for corporate groups to meet, there are also opportunities, in this sector, for other types of travel like internal team meetings, on-site visits and monitoring and meeting and working with local customers. It will be important to be visible among our local corporations for this type of travel.
- **Sports:** The sports market is highly competitive in Orange County. We will continue to work with the OCSC in addition to the local colleges & universities for out-of-the-area visiting teams.
- **SMERFE (Social, Military, Educational, Religious, Fraternal, and Ethnic):** These groups are typically more price sensitive, and some can be larger in nature. A lot of these groups will meet on the weekends and/or are date flexible for any need dates that the city's hotel partners may experience. TCM will continue to get these types of leads from groups that meet at the OC Fair & Event Center and work with off-site venues to house their social clientele.

INDEPENDENT AUDITORS' REPORT

To the Board of Directors of
Travel Costa Mesa

Opinion

We have audited the accompanying financial statements of Travel Costa Mesa (the “Organization”), which comprise the statements of assets, liabilities and net assets – cash basis as of June 30, 2022 and 2021, and the related statements of revenue and expenses – cash basis for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the assets, liabilities, and net assets – cash basis of the Organization as of June 30, 2022 and 2021, and revenue and expenses – cash basis for the years then ended in accordance with the cash basis of accounting described in Note 1.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter - Basis of Accounting

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the cash basis of accounting described in Note 1 and for determining that the cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

NOTES TO FINANCIAL STATEMENTS

For The Years Ended June 30, 2022 and 2021

NOTE 1 – NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

Travel Costa Mesa (the “Organization”) is a California non-profit corporation formed in 1995 to market the City of Costa Mesa (the “City”) as a leisure travel and group business destination.

The vision of the Organization is to be a destination-marketing leader by supporting and selling the City’s distinct visitor brand experiences and advocating community tourism benefits. The Organization’s mission is to enhance and promote the City’s brand experience, thus increasing visitor spending for industry and community economic viability, sustainability and quality of life.

The Organization is funded by the eleven member hotels that comprise the Business Improvement Area (“BIA”) established by the City. The member hotels are Costa Mesa Marriott, Hilton Costa Mesa, Holiday Inn Express & Suites, Residence Inn by Marriott, Avenue of the Arts, A Tribute Portfolio Hotel, Ayres Hotel, The Westin South Coast Plaza, Ramada Inn and Suites Costa Mesa, Best Western Plus Newport Mesa Inn, Crowne Plaza, and OC Hotel Costa Mesa.

California state law provides that BIA assessments are to be used for the purposes specified in the authorizing resolution that established the assessment. The City’s resolution that established the BIA stated that its purpose is to promote tourism to the City and to fund programs and activities that benefit the hotel and motel business within the City.

Basis of Presentation

The accompanying financial statements have been prepared on the cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Consequently, revenues are recognized when received rather than when earned, and expenses are recognized when disbursed rather than when the obligation is incurred.

Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Without donor restrictions – Net assets that are not subject to donor-imposed stipulations. These assets are available to support the Organization’s general activities and operations at the discretion of the Board of Directors.

NOTES TO FINANCIAL STATEMENTS

For The Years Ended June 30, 2022 and 2021

NOTE 1 – NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

With donor restrictions - Net assets that are subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that such resources be maintained in perpetuity. Generally, the donors of these assets permit the Organization to use all or part of the income earned on related investments for general or specific purposes.

As of and for the years ended June 30, 2022 and 2021, the Organization had no net assets with donor restrictions.

Revenues are reported as increases in net assets without donor restrictions unless use of the related assets is limited by donor-imposed restrictions. Expenses are reported as decreases in net assets without donor restrictions. Gains and losses on investments and other assets are reported as increases or decreases in net assets without donor restrictions unless their use is restricted by explicit donor stipulations or by law.

Tax Status

The Organization qualifies as a tax-exempt organization for Federal income taxes under Section 501(c)(6) of the United States Internal Revenue Code and for California state income taxes under Section 23701(d) of the California Revenue and Taxation Code; therefore, the Organization has no provision for federal or state income taxes. During the years ended June 30, 2022 and 2021, the Organization had no unrelated business income.

The Organization annually evaluates tax positions as part of the preparation of its exempt tax return. This process includes an analysis of whether tax positions the Organization takes with regard to a particular item of income or deduction would meet the definition of an uncertain tax position under current accounting guidance. The Organization believes its tax positions are appropriate based on current facts and circumstances. The Organization's policy is to recognize interest accrued related to unrecognized tax benefits in interest expense and penalties in operating expenses. At June 30, 2022 and 2021, the Organization did not have any unrecognized tax benefits. The Organization is no longer subject to U.S. Federal and state income tax examinations by tax authorities for tax years before 2018.

NOTES TO FINANCIAL STATEMENTS

For The Years Ended June 30, 2022 and 2021

NOTE 1 – NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

Use of Estimates

The preparation of financial statements in conformity with the cash basis of accounting requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Significant estimates made by the Organization’s management include, but are not limited to, the allocation of expenses to program expenses. Actual results could differ from those estimates.

Revenues and Other Income

The City levies a special assessment on the eleven-member hotels in the BIA based on the sale of overnight guest room stays. For the fiscal years ended June 30, 2022 and 2021, the levy was three percent (3%). The levy is transmitted by the hotels to the City and is remitted to the Organization, net of a one percent (1%) handling fee. The net levy is 99% of the net revenues of the Organization for both of the fiscal years ended June 30, 2022 and 2021.

Other income amounts received in the year ended June 30, 2022 consist of an employee retention credit amount received from the Internal Revenue Service totaling \$42,000. Such amount is not conditional and has therefore been recorded as income.

Other income amounts received in the year ended June 30, 2021 consist of a Paycheck Protection Program (“PPP”) grant (see Note 7) totaling \$88,050, a California small nonprofit grant totaling \$25,000, and an employee retention credit amount received from the Internal Revenue Service totaling \$42,000. Such amounts are not conditional and have therefore been recorded as income.

Allocated Expenses

The costs of providing program activities and supporting services have been summarized on a functional basis in Note 6. The Organization incurs expenses that directly relate to, and can be assigned to, a specific program or supporting activity. The Organization also conducts a number of activities which benefit both its program objectives as well as supporting services. These costs, which are not specifically attributable to a specific program or supporting activity, are allocated by management on a consistent basis among program and supporting services benefited, based on either financial or nonfinancial data, such as headcount, occupancy or estimates of time and effort incurred by personnel.

NOTES TO FINANCIAL STATEMENTS

For The Years Ended June 30, 2022 and 2021

NOTE 1 – NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

Recent Accounting Pronouncements

In February 2016, the FASB issued ASU No. 2016-02, *Leases (Topic 842)*, which requires organizations that lease assets (lessees) to recognize the assets and related liabilities for the rights and obligations created by the leases on the statement of financial position for leases with terms exceeding 12 months. ASU No. 2016-02 defines a lease as a contract or part of a contract that conveys the right to control the use of identified assets for a period of time in exchange for consideration. The lessee in a lease will be required to initially measure the right-of-use asset and the lease liability at the present value of the remaining lease payments, as well as capitalize initial direct costs as part of the right-of-use asset. ASU No. 2016-02, as amended, is effective for the Organization for fiscal year 2023. Early adoption is permitted. The Organization is currently evaluating the impact that the adoption of ASU No. 2016-02 will have on its financial statements.

NOTE 2 – LIQUIDITY AND AVAILABILITY

At June 30, 2022, the Organization has \$2,599,536 of financial assets available within one year of the date of the statement of assets, liabilities and net assets – cash basis to meet cash needs for general expenditures, all of which consist of cash. None of the financial assets are subject to donor or other contractual restrictions that make them unavailable for general expenditures within one year of the statement of assets, liabilities and net assets – cash basis. The Organization has a goal to maintain financial assets, which consist of cash on hand to meet twelve months of normal operating expenses. The Organization has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due.

Funding for the Organization is dependent on the hotel room nights booked in the City each year and the subsequent portion of the levy that is allocated through the City to the Organization. Annual revenue fluctuates depending on annual visitors to the City. As a result, the Organization closely monitors the monthly projected and received revenue to determine if any change needs to be made to budgeted expenditures.

NOTES TO FINANCIAL STATEMENTS

For The Years Ended June 30, 2022 and 2021

NOTE 3 – CASH

Cash consists of demand deposits at the following institutions as of June 30:

	<u>2022</u>	<u>2021</u>
Citizens Business Bank	\$ 479,193	\$ 639,346
Pacific Premier Bank	<u>2,120,343</u>	<u>1,580,505</u>
	<u>\$ 2,599,536</u>	<u>\$ 2,219,851</u>

The Organization maintains cash deposits at institutions which are insured by the Federal Deposit Insurance Corporation (“FDIC”) up to \$250,000. At various times during 2022 and 2021, the Organization maintained balances in excess of FDIC limits. The Organization periodically reviews the quality of the financial institutions it has deposits with to minimize risk of loss.

NOTE 4 – HOTEL MARKETING FUNDS EXPENSE

During portions of each of the fiscal years ended June 30, 2022 and 2021, the Organization allocated \$200 per room to each BIA member hotel for hotel-specific marketing purposes. The allocation subsidizes hotel-specific advertising and marketing efforts that also include the Organization’s logo. Vendor invoices are either paid by the hotel and reimbursed by the Organization or paid directly by the Organization.

Samples of advertising and marketing material must be submitted showing the Organization’s logo for reimbursement. For advertising or marketing material where the Organization’s logo cannot be used, the Organization requests that the hotel partners use the following verbiage, “*Hotel partner name* is a proud partner of Travel Costa Mesa.” During the last quarter of the fiscal year ended June 30, 2020 the Organization suspended all hotel marketing funds in a cost saving effort as a result of COVID-19; such funds were reinstated as of June 17, 2021. Hotel marketing funds expense totaled \$461,058 and \$1,999 for fiscal years ended June 30, 2022 and 2021, respectively. The fiscal 2021 hotel marketing funds were paid from the Organization’s bank reserves, not from the operating bank account. If the hotels do not use all their allocated funds, the funds revert to the Organization.

NOTE 5 – GROUP INCENTIVE PROGRAM

During the fiscal year ended June 30, 2022, the Organization implemented a group incentive program which is used for certain qualifying groups and was created to assist the Organization’s partners and the City with group business. The group incentive program funds totaled \$31,500 during the year ended June 30, 2022. The fiscal 2022 group incentive funds were paid from the Organization’s bank reserves, not from the operating account.

**TRAVEL COSTA MESA
(A Non-Profit Organization)**

NOTES TO FINANCIAL STATEMENTS

For The Years Ended June 30, 2022 and 2021

NOTE 6 – MARKETING EXPENSE

The Organization incurs marketing expenses related to its mission of promoting the City as a tourist destination. For the fiscal years ended June 30, 2022 and 2021, marketing expenses totaled \$569,591 and \$323,350, respectively.

Marketing expenses include online marketing, video and photography production, community sponsorships, brochures, print advertising and various promotions.

NOTE 7 – STATEMENT OF FUNCTIONAL EXPENSES

The statements of functional expenses for the years ended June 30 are as follows:

	<u>2022</u>			<u>2021</u>
	<u>Program Activities</u>	<u>General and Administrative</u>	<u>Total</u>	<u>Total</u> (Summarized)
Salaries and benefits	\$ 604,148	\$ 114,097	\$ 718,245	\$ 568,544
Marketing	11,798	-	11,798	32,017
Hotel marketing funds	461,058	-	461,058	1,999
Online marketing	557,793	-	557,793	291,333
Sales department (CRM, Meetings, Conferences, Tradeshows, Memberships/Dues, Travel, Site Visits, FAMs, Mileage & Parking)	129,581	-	129,581	-
Group incentive program	31,500	-	31,500	-
Office lease, copier lease & janitorial service	24,273	4,867	29,140	83,850
Travel, meetings, conferences and mileage	20,822	-	20,822	2,534
Accounting and fees	-	10,350	10,350	12,030

Postage	-	151	151	308
Parking	-	382	382	-
Recruiting services	-	1,296	1,296	-
Professional services	-	340	340	-
	<u> </u>	<u> </u>	<u> </u>	<u> </u>
Total functional expenses	\$ <u>1,853,512</u>	\$ <u>185,394</u>	\$ <u>2,038,906</u>	\$ <u>1,066,321</u>

NOTES TO FINANCIAL STATEMENTS

For The Years Ended June 30, 2022 and 2021

NOTE 8 – PPP GRANT

On February 22, 2021, the Organization entered into a promissory note agreement for \$88,050 with Citizens Business Bank under the PPP, which is administered by the U.S. Small Business Administration (“SBA”) and established as part of the Coronavirus Aid, Relief, and Economic Security Act. This PPP note bore interest at 1.0% per annum and was scheduled to mature in February 2026 with the first six months of interest and principal payments deferred. The amount borrowed under the PPP note was eligible for forgiveness if the Organization met certain criteria. At June 30, 2021, the Organization believed it was probable that the PPP note would be forgiven, and accordingly, recorded the proceeds from the PPP as government grant revenue of \$88,050. In August 2021, the Organization received full forgiveness of the PPP note.

NOTE 9 – COMMITMENTS AND CONTINGENCIES

Guarantees and Indemnities

The Organization has made certain indemnities and guarantees, under which it may be required to make payments to a guaranteed or indemnified party, in relation to certain actions or transactions. The Organization indemnifies its directors, officers, employees and agents, as permitted under the laws of the State of California. In connection with its facility lease, the Organization has indemnified its lessor for certain claims arising from the use of the facilities. The duration of the guarantees and indemnities varies and is generally tied to the life of the agreement. These guarantees and indemnities do not provide for any limitation of the maximum potential future payments the Organization could be obligated to make. Historically, the Organization has not been obligated nor incurred any payments for these obligations and, therefore, no liabilities have been recorded for these indemnities and guarantees in the accompanying statements of assets, liabilities and net assets – cash basis.

Employee Deferred Compensation

As a result of declining operations following the outbreak of the coronavirus disease (“COVID-19”), the Organization undertook certain cost cutting measures during the year ended June 30, 2021 which resulted in employee deferred compensation of approximately \$95,000. The Organization has agreed to repay these wages back to the employees over a 6-month period, with the final installment paid in September 2022. As of June 30, 2022, the repayment amount due to employees totaled approximately \$47,000. No liability has been recorded for this commitment in the accompanying statement of assets, liabilities, and net assets – cash basis as of June 30, 2022.

NOTES TO FINANCIAL STATEMENTS

For The Years Ended June 30, 2022 and 2021

NOTE 9 – COMMITMENTS AND CONTINGENCIES, continued

Operating Leases

The Organization has a lease for office space through October 2024. The Organization also has a lease for a color copier through September 30, 2022. Total rent expense for the fiscal years ended June 30, 2022 and 2021 totaled \$29,140 and \$83,850, respectively.

Future minimum lease obligations as of June 30, 2022 consist of the following:

<u>Years Ending June 30,</u>	
2023	\$ 40,685
2024	41,445
2025	<u>14,160</u>
	<u>\$ 96,290</u>

Litigation

In the ordinary course of business, the Organization may face various claims brought by third parties and they may, from time to time, make claims or take legal actions to assert their rights. Any of these claims could subject the Organization to costly litigation and, while the Organization generally believes that it has adequate insurance to cover many different types of potential liabilities, its insurance carriers may deny coverage or its policy limits may be inadequate to fully satisfy any damage awards or settlements. If this were to happen, the payment of any such awards could have a material adverse effect on the Organization's operations and financial position. Additionally, any such claims, whether or not successful, could damage the Organization's reputation and business.

NOTE 10 – EMPLOYEE BENEFIT PLAN

The Organization sponsors a defined contribution salary deferral plan (the "Plan") covering all employees. Beginning in April 2012, the Board of Directors agreed to Safe Harbor contributions of 3% of the eligible employee's salary. During each of the fiscal years ended June 30, 2022 and 2021, Safe Harbor contributions totaled approximately \$15,000, which are recorded in salaries and benefits in the accompanying statements of revenue and expenses – cash basis.

NOTES TO FINANCIAL STATEMENTS

For The Years Ended June 30, 2022 and 2021

NOTE 11 – RISKS AND UNCERTAINTIES

Due to the nature of the Organization’s business, the Organization’s revenue is entirely dependent on the City and the member hotels. The City established the BIA and collects the BIA levy from the eleven hotels in Costa Mesa and the member hotels are voluntary participants (see Note 1). A cancellation of the BIA or withdrawal of the member hotels would adversely and severely impact the Organization’s financial position.

NOTE 12 – SUBSEQUENT EVENTS

Management has evaluated and determined that no other events have occurred through February 9, 2023, the date that the financial statements were issued, which would require inclusion or disclosure in its financial statements, except as disclosed herein.

RESOLUTION NO. 2023-xx

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF COSTA MESA, CALIFORNIA, DECLARING ITS INTENTION TO LEVY AN ANNUAL ASSESSMENT FOR FISCAL YEAR 2023-24 FOR A BUSINESS IMPROVEMENT AREA COVERING CERTAIN COSTA MESA HOTELS AND MOTELS AND SETTING THE TIME AND PLACE FOR A PUBLIC HEARING ON THE PROPOSAL

THE CITY COUNCIL OF THE CITY OF COSTA MESA HEREBY FINDS AND DECLARES AS FOLLOWS:

WHEREAS, in adopting the Parking and Business Improvement Area Law of 1989 (California Streets & Highways Code §§ 36500 *et seq.*), the California Legislature authorized cities to levy assessments on businesses in order to promote economic revitalization and tourism, create jobs, attract new businesses, and prevent erosion of business districts; and

WHEREAS, on July 5, 1995, by Ordinance No. 95-9, the City Council adopted a business improvement area, commonly known as the Costa Mesa Tourism & Promotion Business Improvement Area (the "BIA"), the purpose of which is to promote tourism to the City and to fund programs and activities that benefit the hotel and motel businesses within the City; and

WHEREAS, the eleven (11) hotels and motels listed in Exhibit A, attached hereto and incorporated herein, are currently subject to the assessment; and

WHEREAS, the City Council appointed the general managers of the 11 hotels and motels subject to the assessment to serve as the advisory board as required by California Streets and Highways Code Section 36530; and

WHEREAS, said advisory board is known as Travel Costa Mesa ("TCM"); and

WHEREAS, the City Council has voted to continue the special assessment for the BIA each year since its inception, and it has been levied upon the 11 hotel and motel businesses listed in Exhibit A; and

WHEREAS, in January 2000, the City Council approved an increase in the assessment, raising the assessment from one percent (1%) to two percent (2%) based on the sale of overnight room stays; and

WHEREAS, in November 2010, the City Council approved an increase in the

assessment, raising the assessment from two percent (2%) to three percent (3%) based on the sale of overnight room stays; and

WHEREAS, this Resolution of Intention will commence proceedings under the Parking and Business Improvement Area Law of 1989 to levy the annual assessment of the Costa Mesa Tourism & Promotion Business Improvement Area for the 2022-23 fiscal year; and

WHEREAS, the Agenda Report and its attachments for the May 2, 2023 City Council meeting filed with the City Clerk set forth a detailed description of the activities to be provided in the 2023-24 fiscal year, the boundaries of the Business Improvement Area, the benefit zone of the area, and the proposed assessments to be levied upon the businesses within the area for the coming fiscal year.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Costa Mesa as follows:

Section 1. Intention; Assessment. The City Council hereby declares its intention to levy and collect assessments in the Costa Mesa Tourism & Promotion Business Improvement Area for Fiscal Year 2023-24 pursuant to California Streets & Highways Code §§ 36500 *et seq.* The boundaries of the Costa Mesa Tourism & Promotion Business Improvement Area are the 11 motels and hotels listed in Exhibit A. The proposed amount of the annual assessment is three percent (3%) based on the sale of overnight room stays. New hotel and motel businesses commenced after the effective date of the resolution levying the assessment will be exempt from the levy of assessment, pursuant to California Streets & Highways Code § 36531.

Section 2. Annual Report. An annual report on the Costa Mesa Tourism & Promotion Business Improvement Area has been prepared by TCM, acting as the advisory board, as required by California Streets & Highways Code §§ 36533 and 36534. Said report is on file in the City Clerk's Office.

Section 3. Types of Activities to Be Funded. The proposed type or types of activities to be funded by and through the annual levy of assessments on businesses within the Costa Mesa Tourism & Promotion Business Improvement Area are specified in the referenced annual report and Exhibit B, attached hereto and incorporated herein.

Section 4. Method and Basis of Levy. To allow each business owner to estimate

the amount of the assessment to be levied against his or her business, the proposed method and basis of levying the assessment is set forth in the TCM's annual report relative to the Costa Mesa Tourism & Promotion Business Improvement Area.

Section 5. Time and Place of Public Hearing. The time and place of the public hearing on the levy of an annual assessment for Fiscal Year 2023-24 shall be 7:00 p.m. on June 7, 2023. At the public hearing set forth above, the testimony of all interested persons for or against the annual levy of the assessment for the Business Improvement Area, the extent of the area, and/or the furnishing of specific types of improvements or activities will be heard by the City Council.

Section 6. Protests. Consistent with California Streets & Highways Code §§ 36524 and 36525, the following rules shall apply to all protests:

- (a) A protest may be made orally or in writing by any interested person. Any protest pertaining to the regularity or sufficiency of the proceedings shall be in writing and shall clearly set forth the irregularity or defect to which the objection is made.
- (b) Every written protest shall be filed with the City Clerk's Office, Costa Mesa City Hall, 77 Fair Drive, Room 101, Costa Mesa, California 92626, at or before the time fixed for the public hearing as set forth above.
- (c) The City Council may waive any irregularity in the form or content of any written protest, and, at the public hearing, may correct minor defects in the proceedings.
- (d) A written protest may be withdrawn in writing at any time before the conclusion of the public hearing.
- (e) Each written protest shall contain a description of the business in which the person subscribing the protest is interested sufficient to identify the business and, if a person subscribing is not shown on the official records of the City as the owner of the business, the protest shall contain or be accompanied by written evidence that the person subscribing is the owner of the business. A written protest which does not comply with this section shall not be counted in determining a majority protest.

- (f) If written protests are received from the owners of businesses in the proposed Business Improvement Area which will pay fifty percent (50%) or more of the assessments to be levied and protests are not withdrawn so as to reduce the protests to less than the fifty percent (50%), no further proceedings on the proposal to continue to levy the Business Improvement Area assessment, as specified by this Resolution, shall be taken by the City Council for a period of one year from the date of the finding of a majority protest.
- (g) If the majority protest is only against the furnishing of a specified type or types of improvement or activity within the Business Improvement Area, those types of improvements or activities shall be eliminated.

Section 7. Publication. The City Clerk shall cause this Resolution of Intention to be published once in a newspaper of general circulation in the City at least seven (7) days before the June 7, 2023 public hearing.

PASSED AND ADOPTED this 2nd day of May, 2023.

John Stephens, Mayor

EXHIBIT B

The BIA assessment will be used to fund Travel Costa Mesa (“TCM”). TCM will fund activities to promote tourism in Costa Mesa and will sponsor related tourist events that benefit the hotel and motel businesses within the City.

Revenue

A three percent (3%) levy will be assessed against each of the 11 hotels listed in Exhibit A, based on the net revenue from the sale of overnight room stays.

Business owners shall pay the assessment to the Costa Mesa Finance Department on a monthly basis. A penalty and interest shall be assessed on late payments.

Note: New hotel and motel businesses commenced after the effective date of this resolution will be exempt from the levy of assessment.

CITY OF COSTA MESA

77 Fair Drive
Costa Mesa, CA 92626

Agenda Report

File #: 23-1149

Meeting Date: 5/2/2023

TITLE:

LICENSE PLATE READER CAMERA MOBILE SYSTEM

DEPARTMENT: PUBLIC WORKS DEPARTMENT/ TRANSPORTATION
SERVICES DIVISION

PRESENTED BY: RAJA SETHURAMAN, PUBLIC WORKS DIRECTOR

CONTACT INFORMATION: JENNIFER ROSALES, TRANSPORTATION SERVICES
MANAGER, (714) 754-5343

RECOMMENDATION:

Staff recommends the City Council:

1. Authorize the use of National Cooperative Purchasing Alliance (NCPA) Contract #05-81 with IPS Group, Inc. for the purchase of a License Plate Reader Mobile System.
2. Authorize the purchase of the License Plate Reader Mobile System, in the amount of \$127,085.74 through National Cooperative Purchasing Alliance.

BACKGROUND:

At the July 19, 2022 regular meeting, the City Council approved the amendments to the Costa Mesa Municipal Code (CMMC) incorporating proposed changes to the Residential Permit Parking (RPP) program through a Public Hearing process. A Professional Services Agreement with Data Ticket Inc. for parking citation processing services was entered into agreement on January 1, 2022. Amendment No. 1 to this agreement was approved by the City Council on January 17, 2023 to add the RPP program into the City's existing parking citation management system database and provide an online permit application program for residential parking permits. The online residential permit parking portal and management system database is under development and anticipated to be complete at the end of April.

ANALYSIS:

In order to implement the revised RPP program, the purchase of License Plate Reader Recognition (LPR) cameras and associated equipment are needed for installation on four (4) Police Department vehicles. The use of mobile license plate recognition technology will significantly improve enforcement efficiency and coverage by automating enforcement processes. Instead of verifying that each vehicle has a valid physical permit displayed, the LPR system will automate the process by using the license plate number as the permit identifier with real-time information and is compatible with the permit management system database under development by Data Ticket Inc. These LPR

cameras will enable Police Department parking enforcement officers to enforce residential permit parking, time-limited parking, abandoned vehicle abatement, and continue to identify stolen vehicles using the LPR system. This will enhance enforcement efficiency and support the implementation of virtual residential parking permits and other plate-based solutions.

LPR technology will optimize operations and is an important parking management tool that improves enforcement efficiency and coverage. The LPR Mobile System purchase includes installation, system start-up and configuration, training, and client portal software for synchronization with the permit parking management system.

Purchasing the LPR Mobile System and equipment through the National Cooperative Purchasing Alliance meets all requirements set forth in the City of Costa Mesa's Purchasing Policy and all requirements set forth by the State of California in regards to regional cooperative purchasing agreements. IPS Group, Inc. is established in an approved vendor list following a nationwide competitive bid process. This assures that the City receives the lowest available pricing and meets the competitive bid process requirements. The total cost for four LPR cameras including all installation and setup costs is \$127,085.74.

ALTERNATIVES:

The City Council may elect to not approve the LPR Mobile System and equipment purchase. However, this would result in delays in the implementation of the revised RPP program, as staff would need to secure the LPR Mobile system for enforcement from another vendor for this purpose. In addition, another vendor's LPR Mobile system may not be compatible with the Police Department's existing parking citation management system and the residential parking permit management system under development.

FISCAL REVIEW:

Funding for the implementation of the revised Citywide Residential Permit Parking program was approved in the FY 2022-23 budget. The cost of the LPR Mobile System and equipment is \$127,085.74 which will be absorbed in the Public Work's department FY 2022-23 budget. There will be annual recurring costs of \$13,300 for FY 2023-24 through FY 2026-27 which will be funded by fees collected through the RPP program and approved through the budget process.

LEGAL REVIEW:

The City Attorney's Office has reviewed this report and approves it as to form.

CITY COUNCIL GOALS AND PRIORITIES:

This item supports the following City Council Goals:

- Achieve long-term fiscal sustainability
- Strengthen the public's safety and improve the quality of life
- Advance environmental sustainability and climate resiliency

CONCLUSION:

Staff recommends the City Council:

1. Authorize the use of National Cooperative Purchasing Alliance (NCPA) Contract #05-81 with IPS Group, Inc. for the purchase of a License Plate Reader Mobile System.
2. Authorize the purchase of the License Plate Reader Mobile System, in the amount of \$127,085.74 through National Cooperative Purchasing Alliance.

CITY OF COSTA MESA

77 Fair Drive
Costa Mesa, CA 92626

Agenda Report

File #: 23-1154

Meeting Date: 5/2/2023

TITLE:

RESOLUTION TO EXECUTE RIGHT-OF-WAY CERTIFICATIONS WITH THE CALIFORNIA DEPARTMENT OF TRANSPORTATION (CALTRANS)

DEPARTMENT: PUBLIC WORKS DEPARTMENT/ENGINEERING DIVISION

PRESENTED BY: RAJA SETHURAMAN, PUBLIC WORKS DIRECTOR

CONTACT INFORMATION: SEUNG YANG, P.E., CITY ENGINEER (714) 754-5633

RECOMMENDATION:

Staff recommends the City Council adopt Resolution No. 2023-xx (Attachment 1) authorizing the Public Works Director or designee(s) to execute all Master Agreements, Program Supplemental Agreements, Fund Exchange Agreements, and/or Fund Transfer Agreements, including Right-of-Way Certifications, and any other certifications, amendments, and documents to facilitate processes related to the California Department of Transportation (Caltrans) and Federal Highway Administration (FHWA).

BACKGROUND:

The City of Costa Mesa (City) is eligible to receive Federal and/or State funding for certain transportation projects, through the California Department of Transportation (Caltrans) through various federal and state funding sources. Caltrans requires that agreements and right-of-way (ROW) certifications with other documents need to be signed by City staff as designated by City Council resolution authorizing designees to execute said agreements and ROW certifications.

On January 2, 2007, the City Council passed Resolution No. 07-01 (Attachment 2) entering into a revised 2006 Master Agreement No. 12-5312R that authorized the City Manager and the Director of Public Services (now Public Works Director) to execute future revisions to the Master Agreement on behalf of the City. However, the language in the resolution as well as previously required provisions of the Intermodal Surface Transportation Efficiency Act (ISTEA) are no longer applicable. Therefore, a new resolution is required that properly authorizes execution of ROW certifications.

ANALYSIS:

For all Federal and State funded projects, the Master Agreements, Program Supplemental Agreements, Fund Exchange Agreements, and/or Fund Transfer Agreements will need to be executed with Caltrans before such funds can be claimed. The City will work on projects within a reasonable time after receipt of notification from the State that funds have been approved. These projects will be carried to completion with reasonable diligence and will comply with the provisions of the California Environmental Quality Act (CEQA), the National Environmental Policy Act (NEPA), the

Americans with Disabilities Act (ADA), and any other federal, state, and/or local laws, rules and/or regulations where applicable.

The proposed resolution authorizes the Public Works Director or designee(s) to execute all Master Agreements, Program Supplemental Agreements, Fund Exchange Agreements, Fund Transfer Agreements, and any amendments thereto, and also authorizes ROW certifications and any other certifications and documents to facilitate Caltrans and FHWA processes.

This resolution would also apply to Caltrans funded projects.

ENVIRONMENTAL DETERMINATION:

The proposed action is Categorically Exempt from the provisions of the California Environmental Quality Act (CEQA) pursuant to Sections 15306, 15307 and 15308 of the CEQA Guidelines.

ALTERNATIVES:

The City Council may elect not to adopt the proposed resolution. However, this alternative is not recommended as this may jeopardize or delay the City's ability to secure Federal and/or State funding for street improvement and transportation projects.

FISCAL REVIEW:

There are no fiscal impacts associated with this item. Projects receiving Federal and State grant funds are included in the Capital Improvement Program (CIP) along with match requirements and are approved through the budget process.

LEGAL REVIEW:

The City Attorney's Office has reviewed this agenda report and resolution and approves them both as to form.

CITY COUNCIL GOALS AND PRIORITIES:

This item supports the following City Council Goals:

- Strengthen the Public's Safety, and Improve the Quality of Life
- Maintain and Enhance the City's Infrastructure, Facilities, Equipment and Technology

CONCLUSION:

Staff recommends the City Council adopt Resolution No. 2023-xx authorizing the Public Works Director or designee(s) to execute all Master Agreements, Program Supplemental Agreements, Fund Exchange Agreements, and/or Fund Transfer Agreements, including Right-of-Way Certifications, and any other certifications, amendments, and documents to facilitate processes related to the California Department of Transportation (Caltrans) and Federal Highway Administration (FHWA).

ATTACHMENT 1

RESOLUTION NO. 2023-XX

RESOLUTION AUTHORIZING THE PUBLIC WORKS DIRECTOR OR DESIGNEE(S) TO EXECUTE ALL RELATED AGREEMENTS, CERTIFICATIONS, AMENDMENTS, AND DOCUMENTS TO FACILITATE PROCESSES RELATED TO THE CALIFORNIA DEPARTMENT OF TRANSPORTATION (CALTRANS) AND FEDERAL HIGHWAY ADMINISTRATION (FHWA)

WHEREAS, the City of Cost Mesa is eligible to receive Federal and/or State funding for certain Transportation Projects, through the California Department of Transportation (Caltrans); and

WHEREAS, Master Agreements, Program Supplemental Agreements, Fund Exchange Agreements and/or Fund Transfer Agreements need to be executed with Caltrans before such funds could be claimed; and

WHEREAS, right-of-way certifications, amendments, and any other certifications need to be executed with Caltrans before such funds can be claimed; and

WHEREAS, the City of Costa Mesa will cause work on a project to be commenced within a reasonable time after receipt of notification from Caltrans that funds have been approved and that the project will be carried to completion within reasonable time and diligence; and

WHEREAS, the City of Costa Mesa will comply, where applicable, with provisions of the California Environmental Quality Act (CEQA), the National Environmental Policy Act (NEPA), the Americans with Disabilities Act (ADA), and any other Federal, state and/or local laws, rules and/or regulations.

NOW, THEREFORE, the City Council of the City Costa Mesa hereby resolves as follows below:

Section 1. The City of Costa Mesa hereby authorizes the Public Works Director or designee(s) to execute all Master Agreements, Program Supplemental Agreements, Fund Exchange Agreements, and/or Fund Transfer Agreements, including Right-of-Way Certifications, and any other certifications, amendments, and documents to facilitate processes related to the California Department of Transportation (Caltrans) and Federal Highway Administration (FHWA).

ATTACHMENT 1

Section 2. The City of Costa Mesa agrees to fund any additional costs over the identified programmed amount.

APPROVED AND ADOPTED by the City Council of the City of Costa Mesa at its regularly scheduled meeting held on the 18th day of April, 2023.

John Stephens
Mayor

ATTEST:

City Clerk

ATTACHMENT 2

RESOLUTION NO. 07-1

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF COSTA MESA, CALIFORNIA, APPROVING THE REVISED MASTER AGREEMENT ADMINISTERING AGENCY-STATE AGREEMENT FOR FEDERAL AID PROJECTS AND AUTHORIZING THE CITY MANAGER AND DIRECTOR OF PUBLIC SERVICES TO SIGN FUTURE MODIFICATIONS AND PROGRAM SUPPLEMENT AGREEMENTS TO THE ADMINISTERING AGENCY-STATE AGREEMENT.

WHEREAS, the City of Costa Mesa entered into a Master Agreement, Administering Agency-State Agreement No. 12-5312, for Federal-aid projects, modified November 29, 1995; and June 25, 1997; and

WHEREAS, the City of Costa Mesa has been asked to approve and execute a revised 2006 Master Agreement, now numbered 12-5312R, and Program Supplement Agreement No. 050-N; and

WHEREAS, this revised Master Agreement reflects new provisions of the Intermodal Surface Transportation Efficiency Act (ISTEA) and the reengineered local assistance procedures; and

WHEREAS, in the past, the City of Costa Mesa has entered into an Administering Agency-State Agreement with the California Department of Transportation (CALTRANS) for transportation construction projects involving State and local funds; and

WHEREAS, program supplements require authorizing signatures from City officials; and

WHEREAS, it would benefit the City to authorize the Director of Public Services to continue to sign program supplements under the modified Master Agreement of 2006;

WHEREAS, it would benefit the City to authorize the City Manager to execute future revisions to the Master Agreement;

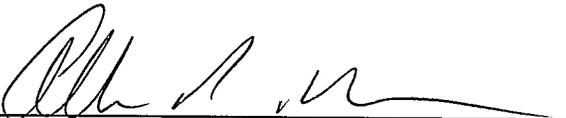

NOW, THEREFORE, BE IT RESOLVED that the 2006 Master Agreement Administering Agency State Agreement for Federal Aid Projects, No. 12-5312R, and the

ATTACHMENT 2

Program Supplement Agreement No. 050-N are hereby approved and the City Manager is authorized to sign the Master Agreement as revised and Program Supplement Agreement No. 050-N;

BE IT FURTHER RESOLVED that the Director of Public Services is hereafter authorized to sign program supplements to Master Agreement No. 12-5312R, and the City Manager is authorized to execute future revisions to the Master Agreement on behalf of the City.

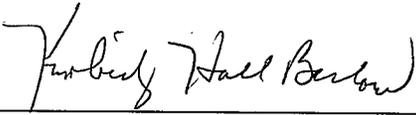

PASSED AND ADOPTED this 2nd day of January, 2007

Agenda Report

File #: 23-1183

Meeting Date: 5/2/2023

TITLE:

AUTHORIZE THE USE OF SOURCEWELL'S NATIONAL COOPERATIVE AGREEMENT 032119 WITH QUINN COMPANY FOR THE PURCHASE OF ONE (1) NEW CATERPILLAR INC. MODEL: 308 EXCAVATOR AND ONE (1) CATERPILLAR INC. MODEL: 262D3 SKID STEER LOADER

DEPARTMENT: PUBLIC WORKS/MAINTENANCE SERVICES DIVISION

PRESENTED BY: RAJA SETHURAMAN, PUBLIC WORKS DIRECTOR

CONTACT INFORMATION: ROBERT RYAN, MAINTENANCE SERVICES MANAGER, (714) 327-7499

RECOMMENDATION:

Staff recommends the City Council authorize the use of Sourcewell's Cooperative Agreement No. 032119 with Caterpillar Inc. for the purchase of one (1) Caterpillar Inc. Model: 308 Excavator; and one (1) Caterpillar Inc. Model: 262D3 Skid Steer Loader for \$294,235.37 from Quinn Company.

BACKGROUND:

Consistent with past practices, new and/or replacement vehicle and equipment requests are evaluated during the annual budget process along with Equipment Maintenance staff recommendations. Staff identified the subject equipment, an Excavator and a Skid Steer Loader, for replacement as part of Fiscal Year 2022-23 Budget.

The Maintenance Services Division is responsible for the care, maintenance, repair and alteration of the City's parks and parkways, trees, traffic signs and markings, street sweeping, storm water systems, and roadways. The division depends on a variety of heavy equipment including, but not limited to, four tractors that perform a variety of work associated with that maintenance.

The four City-owned tractors currently supporting the Maintenance Service Division are all older models that break down regularly and require constant maintenance. The acquisition of parts and support services for these pieces of equipment is challenging. Some parts have been discontinued and are obsolete.

ANALYSIS:

The purchase of the subject two (2) pieces of equipment will upgrade the City's fleet of operable equipment and will facilitate the maintenance work to City infrastructure, thereby improving the City's ability to serve the community and its stakeholders. The procurement of the excavator and skid steer loader replaces four old City-owned tractors, decreasing the City's fleet by two pieces of equipment. This will improve efficiencies and decrease maintenance costs.

Purchasing the equipment through Sourcewell meets all requirements outlined in the City of Costa Mesa's Purchasing Policy and all requirements set forth by the State of California in regard to regional cooperative purchasing agreements. Sourcewell established an approved vendor list following a nationwide competitive bid process. This process confirms that the City still receives the lowest available pricing and meets the competitive bid process requirements. The City has utilized Sourcewell successfully for several previous related purchases.

The Quinn Company, an authorized Sourcewell dealer, provided quotes and specifications for the subject equipment and are included in Attachment 1. The quotes total an amount of \$294,235.37, including applicable taxes and delivery.

ALTERNATIVES:

The City Council could choose not to authorize the use of the cooperative agreement with Caterpillar Inc. This will require staff to initiate a formal procurement process, which will take significantly more time to complete. In addition, a formal procurement may not result in lower prices than the proposed Sourcewell pricing.

FISCAL REVIEW:

The purchase of these two tractors were approved in the Fiscal Year 2022/2023 budget and funded through the Vehicle Replacement Fund.

LEGAL REVIEW:

The City Attorney's Office has reviewed this report and approves it as to form.

CITY COUNCIL GOALS AND PRIORITIES:

This item supports the following City Council Goal:

- Strengthen the Public's Safety and Improve the Quality of Life

CONCLUSION:

Staff recommends the City Council authorize the use of Sourcewell's Cooperative Agreement No. 032119 with Caterpillar Inc. for the purchase of one (1) Caterpillar Inc. Model: 308 Excavator; and one (1) Caterpillar Inc. Model: 262D3 Skid Steer Loader for \$294,235.37 from Quinn Company.

 Accumulator - certified
 Hydro advanced hydraulic oil

ELECTRICAL

60 ampere alternator
 850 CCA maintenance free battery
 Battery disconnect
 Circuit breaker
 Ignition key stop switch

Signaling/warning horn
 Work lights
 - Cab, boom left, front right
 - Courtesy safety light

OPERATOR ENVIRONMENT

Sealed and pressurized cab
 Ergonomic joysticks control levers
 Adjustable wrist rests
 Air conditioner/heater with defroster &
 Automatic temp control
 Coat hook
 Color LCD monitor:
 - Fuel level, coolant temp, & warning
 indicators
 - Maintenance and machine monitoring
 - Performance & machine adjustments
 - Numeric security code
 - Multiple languages
 - Hour meter
 - Ground level wakeup switch
 - Jog dial control interface

Hydraulic lockout for all controls
 LED interior light
 Literature holder
 Mirror rear view - Cab left
 Molded footrests
 Openable front windshield with assist &
 integrated lower window
 Rear window emergency exit
 Removable washable floor mat
 Retractable seat belt
 Seat, fabric, high back, suspension
 Travel control pedals with hand levers
 Utility space for mobile phone
 Front post mounted windshield wiper &
 washer
 Skylight

Cup holder

Mounting bosses for front & top guard

FLUIDS

Extended life coolant - 37C

Hydro advanced hydraulic oil

OTHER STANDARD EQUIPMENT

Accumulator, certification
Caterpillar corporate "one key" system
Door locks on cab door and external enclosure doors
Lockable fuel cap
Beacon Socket
Ecology drain - engine
Radial seal engine air filter, double element with restriction indicator
Side by side engine & hydraulic oil cooler
Hydraulic fluid temperature monitoring
Joystick travel and steering mode
Travel cruise control

High definition hydraulics
- load sensing/flow sharing
Power on demand
Rear reflectors
Roll over protective structure (ROPS) (ISO 12117-2)
Product link elite lite (regulations apply)
Auxiliary hydraulic lines:
- 1-way and 2-way (combined function)
- Auxiliary line quick disconnects
- In cab adjustable auxiliary flow
- Continuous flow

Agenda Report

File #: 23-1181

Meeting Date: 5/2/2023

TITLE:

MICROSOFT ® ENTERPRISE AGREEMENT LICENSING COMPLIANCE

DEPARTMENT: INFORMATION TECHNOLOGY (I.T.) DEPARTMENT

PRESENTED BY: STEVE ELY, DIRECTOR

CONTACT INFORMATION: STEVE ELY, DIRECTOR, (714) 754-4891

RECOMMENDATION:

Staff recommends the City Council approve the true-up of the Microsoft ® Enterprise Agreement with SoftwareONE in the amount of \$279,050.60.

BACKGROUND:

As part of its information technology practices, the City upgrades and deploys core City software in a timeframe that keeps City software versions at, or near, current commercial release versions. This practice helps to ensure that critical City software is current with security-related improvements and product enhancements.

In August 2012, the City entered into the initial three-year Enterprise Agreement with Microsoft ® through CompuCom. In August 2015, the City renewed the agreement for an additional three years, which expired on August 1, 2018. In August 2018, the City renewed the agreement for another three-year term, which expired on August 31, 2021. SoftwareONE acquired the CompuCom agreement in 2015.

On July 20, 2021, the City Council approved a three-year renewal of the Enterprise Agreement with Microsoft ® through SoftwareONE, Agreement Number: 8084445, Enrollment Number: 60026000 (Attachment Number 1) in the amount of not-to-exceed \$289,729.80, payable in three annual payments of \$96,576.60. The term of the agreement is from September 1, 2021, to August 31, 2024.

During the life of the agreement, the City has saved money through volume purchasing, and greatly simplifying licensing management and compliance. Software pricing is obtained through the County of Riverside Master Microsoft ® Enterprise Agreement Number 8084445, Select Plus Agreement Number 7756479, Microsoft ® Premier, Unified, and MCS Support Services (Licensing Solution Provider Agreement Number PSA-0001530).

ANALYSIS:

Microsoft ® Enterprise Agreement is a volume perpetual licensing program that enables organizations with 250+ users the flexibility to purchase cloud services, software licenses, and updates under one agreement at a lower price than when purchased separately. The City currently has an agreement through SoftwareONE for the following products:

- CoreCAL - Client Access Licenses
- Exchange Server Enterprise
- Office Professional Plus
- Microsoft ® Project
- SQL Server Standard Core
- Visio Professional
- Visual Studio Professional with MSDN
- Windows Server Datacenter Core 2-Processor
- Windows Server Standard Core 2-Processor

The agreement states the City is required to submit an annual true-up to account for new additions in its software usage since the anniversary date of the City's enrollment in the agreement. If there are no changes, an update statement must be submitted. This submittal is due 30 - 60 days prior to the City's Enrollment Anniversary.

The true-up option is designed for customers with a significant number of licenses and a growing user base to seamlessly accommodate new users without the need to initiate individual transactions for each request.

A software asset management review (SAM) conducted in August 2022, determined the City has increased software usage. The Department worked with SoftwareONE to complete the review. With the addition of new employees and servers into the environment, the Department needs to align the Enterprise Agreement with the total number of licenses that the Department had added previously. This true-up process was conducted by an inventory of all the qualified devices, users, and processors additions:

- 455 Core CAL ALng LSA UCAL
- 40 Exchange Ent CAL ALng LSA User CAL with Services
- 195 Office Professional Plus ALng LSA
- 118 Win Server DC Core ALng LSA 2L
- 29 Win Server Standard Core ALng LSA 2L

On March 23, 2023, the vendor submitted quote number 45008 (Attachment Number 2) in the amount of \$279,050.60. This amount paid will bring the City into compliance with the terms of the Enterprise Agreement.

ALTERNATIVES:

If the City does not true-up to match the current license usage, the City would be out of compliance of the Microsoft ® Enterprise Agreement.

FISCAL REVIEW:

The \$279,050.60 true-up is a one-time cost included in the Information Technology Department's Fiscal Year 2022-23 Adopted Budget.

LEGAL REVIEW:

The City Attorney's Office has reviewed the documents and approved them as to form.

CITY COUNCIL GOALS AND PRIORITIES:

This item supports the following City Council's goal:

- Maintain and Enhance the City's Infrastructure, Facilities, and Equipment

CONCLUSION:

Staff recommends the City Council approve the true-up of the Microsoft ® Enterprise Agreement with SoftwareONE in the amount of \$279,050.60.

Program Signature Form

MBA/MBSA number

Agreement number

8084445

Note: Enter the applicable active numbers associated with the documents below. Microsoft requires the associated active number be indicated here, or listed below as new.

For the purposes of this form, "Customer" can mean the signing entity, Enrolled Affiliate, Government Partner, Institution, or other party entering into a volume licensing program agreement.

This signature form and all contract documents identified in the table below are entered into between the Customer and the Microsoft Affiliate signing, as of the effective date identified below.

Contract Document	Number or Code
Enterprise Enrollment (Indirect)	X20-10635
Product Selection Form	1109822.003_PSF

By signing below, Customer and the Microsoft Affiliate agree that both parties (1) have received, read and understand the above contract documents, including any websites or documents incorporated by reference and any amendments and (2) agree to be bound by the terms of all such documents.

Customer	
Name of Entity (must be legal entity name)*	City of Costa Mesa

Enterprise Enrollment

State and Local

Enterprise Enrollment number <i>(Microsoft to complete)</i>	60026000	Framework ID <i>(if applicable)</i>	
Previous Enrollment number <i>(Reseller to complete)</i>	81468641		

This Enrollment must be attached to a signature form to be valid.

This Microsoft Enterprise Enrollment is entered into between the entities as identified in the signature form as of the effective date. Enrolled Affiliate represents and warrants it is the same Customer, or an Affiliate of the Customer, that entered into the Enterprise Agreement identified on the program signature form.

This Enrollment consists of: (1) these terms and conditions, (2) the terms of the Enterprise Agreement identified on the signature form, (3) the Product Selection Form, (4) the Product Terms, (5) the Online Services Terms, (6) any Supplemental Contact Information Form, Previous Agreement/Enrollment form, and other forms that may be required, and (7) any order submitted under this Enrollment. This Enrollment may only be entered into under a 2011 or later Enterprise Agreement. By entering into this Enrollment, Enrolled Affiliate agrees to be bound by the terms and conditions of the Enterprise Agreement.

All terms used but not defined are located at <http://www.microsoft.com/licensing/contracts>. In the event of any conflict the terms of this Agreement control.

Effective date. If Enrolled Affiliate is renewing Software Assurance or Subscription Licenses from one or more previous Enrollments or agreements, then the effective date will be the day after the first prior Enrollment or agreement expires or terminates. If this Enrollment is renewed, the effective date of the renewal term will be the day after the Expiration Date of the initial term. Otherwise, the effective date will be the date this Enrollment is accepted by Microsoft. Any reference to “anniversary date” refers to the anniversary of the effective date of the applicable initial or renewal term for each year this Enrollment is in effect.

Term. The initial term of this Enrollment will expire on the last day of the month, 36 full calendar months from the effective date of the initial term. The renewal term will expire 36 full calendar months after the effective date of the renewal term.

Terms and Conditions

1. Definitions.

Terms used but not defined in this Enrollment will have the definition in the Enterprise Agreement. The following definitions are used in this Enrollment:

“Additional Product” means any Product identified as such in the Product Terms and chosen by Enrolled Affiliate under this Enrollment.

“Community” means the community consisting of one or more of the following: (1) a Government, (2) an Enrolled Affiliate using eligible Government Community Cloud Services to provide solutions to a Government or a qualified member of the Community, or (3) a Customer with Customer Data that is subject to Government regulations for which Customer determines and Microsoft agrees that the use of Government Community Cloud Services is appropriate to meet Customer’s regulatory requirements.

Membership in the Community is ultimately at Microsoft's discretion, which may vary by Government Community Cloud Service.

"Enterprise Online Service" means any Online Service designated as an Enterprise Online Service in the Product Terms and chosen by Enrolled Affiliate under this Enrollment. Enterprise Online Services are treated as Online Services, except as noted.

"Enterprise Product" means any Desktop Platform Product that Microsoft designates as an Enterprise Product in the Product Terms and chosen by Enrolled Affiliate under this Enrollment. Enterprise Products must be licensed for all Qualified Devices and Qualified Users on an Enterprise-wide basis under this program.

"Expiration Date" means the date upon which the Enrollment expires.

"Federal Agency" means a bureau, office, agency, department or other entity of the United States Government.

"Government" means a Federal Agency, State/Local Entity, or Tribal Entity acting in its governmental capacity.

"Government Community Cloud Services" means Microsoft Online Services that are provisioned in Microsoft's multi-tenant data centers for exclusive use by or for the Community and offered in accordance with the National Institute of Standards and Technology (NIST) Special Publication 800-145. Microsoft Online Services that are Government Community Cloud Services are designated as such in the Use Rights and Product Terms.

"Industry Device" (also known as line of business device) means any device that: (1) is not useable in its deployed configuration as a general purpose personal computing device (such as a personal computer), a multi-function server, or a commercially viable substitute for one of these systems; and (2) only employs an industry or task-specific software program (e.g. a computer-aided design program used by an architect or a point of sale program) ("Industry Program"). The device may include features and functions derived from Microsoft software or third-party software. If the device performs desktop functions (such as email, word processing, spreadsheets, database, network or Internet browsing, or scheduling, or personal finance), then the desktop functions: (1) may only be used for the purpose of supporting the Industry Program functionality; and (2) must be technically integrated with the Industry Program or employ technically enforced policies or architecture to operate only when used with the Industry Program functionality.

"Managed Device" means any device on which any Affiliate in the Enterprise directly or indirectly controls one or more operating system environments. Examples of Managed Devices can be found in the Product Terms.

"Qualified Device" means any device that is used by or for the benefit of Enrolled Affiliate's Enterprise and is: (1) a personal desktop computer, portable computer, workstation, or similar device capable of running Windows Pro locally (in a physical or virtual operating system environment), or (2) a device used to access a virtual desktop infrastructure ("VDI"). Qualified Devices do not include any device that is: (1) designated as a server and not used as a personal computer, (2) an Industry Device, or (3) not a Managed Device. At its option, the Enrolled Affiliate may designate any device excluded above (e.g., Industry Device) that is used by or for the benefit of the Enrolled Affiliate's Enterprise as a Qualified Device for all or a subset of Enterprise Products or Online Services the Enrolled Affiliate has selected.

"Qualified User" means a person (e.g., employee, consultant, contingent staff) who: (1) is a user of a Qualified Device, or (2) accesses any server software requiring an Enterprise Product Client Access License or any Enterprise Online Service. It does not include a person who accesses server software or an Online Service solely under a License identified in the Qualified User exemptions in the Product Terms.

"Reseller" means an entity authorized by Microsoft to resell Licenses under this program and engaged by an Enrolled Affiliate to provide pre- and post-transaction assistance related to this agreement;

"Reserved License" means for an Online Service identified as eligible for true-ups in the Product Terms, the License reserved by Enrolled Affiliate prior to use and for which Microsoft will make the Online Service available for activation.

"State/Local Entity" means (1) any agency of a state or local government in the United States, or (2) any United States county, borough, commonwealth, city, municipality, town, township, special purpose district, or other similar type of governmental instrumentality established by the laws of Customer's state and located within Customer's state's jurisdiction and geographic boundaries.

"Tribal Entity" means a federally recognized tribal entity performing tribal governmental functions and eligible for funding and services from the U.S. Department of Interior by virtue of its status as an Indian tribe.

"Use Rights" means, with respect to any licensing program, the use rights or terms of service for each Product and version published for that licensing program at the Volume Licensing Site and updated from time to time. The Use Rights include the Product-Specific License Terms, the License Model terms, the Universal License Terms, the Data Protection Terms, and the Other Legal Terms. The Use Rights supersede the terms of any end user license agreement (on-screen or otherwise) that accompanies a Product.

"Volume Licensing Site" means <http://www.microsoft.com/licensing/contracts> or a successor site.

2. Order requirements.

- a. **Minimum order requirements.** Enrolled Affiliate's Enterprise must have a minimum of 250 Qualified Users or Qualified Devices. The initial order must include at least 250 Licenses for Enterprise Products or Enterprise Online Services.
 - (i) **Enterprise commitment.** Enrolled Affiliate must order enough Licenses to cover all Qualified Users or Qualified Devices, depending on the License Type, with one or more Enterprise Products or a mix of Enterprise Products and the corresponding Enterprise Online Services (as long as all Qualified Devices not covered by a License are only used by users covered with a user License).
 - (ii) **Enterprise Online Services only.** If no Enterprise Product is ordered, then Enrolled Affiliate need only maintain at least 250 Subscription Licenses for Enterprise Online Services.
- b. **Additional Products.** Upon satisfying the minimum order requirements above, Enrolled Affiliate may order Additional Products.
- c. **Use Rights for Enterprise Products.** For Enterprise Products, if a new Product version has more restrictive use rights than the version that is current at the start of the applicable initial or renewal term of the Enrollment, those more restrictive use rights will not apply to Enrolled Affiliate's use of that Product during that term.
- d. **Country of usage.** Enrolled Affiliate must specify the countries where Licenses will be used on its initial order and on any additional orders.
- e. **Resellers.** Enrolled Affiliate must choose and maintain a Reseller authorized in the United States. Enrolled Affiliate will acquire its Licenses through its chosen Reseller. Orders must be submitted to the Reseller who will transmit the order to Microsoft. The Reseller and Enrolled Affiliate determine pricing and payment terms as between them, and Microsoft will invoice the Reseller based on those terms. Throughout this Agreement the term "price" refers to reference price. Resellers and other third parties do not have authority to bind or impose any obligation or liability on Microsoft.
- f. **Adding Products.**
 - (i) **Adding new Products not previously ordered.** New Enterprise Products or Enterprise Online Services may be added at any time by contacting a Microsoft Account Manager or Reseller. New Additional Products, other than Online Services, may be used if an order is placed in the month the Product is first used. For Additional Products that are Online Services, an initial order for the Online Service is required prior to use.

- (ii) **Adding Licenses for previously ordered Products.** Additional Licenses for previously ordered Products other than Online Services may be added at any time but must be included in the next true-up order. Additional Licenses for Online Services must be ordered prior to use, unless the Online Services are (1) identified as eligible for true-up in the Product Terms or (2) included as part of other Licenses.
- g. **True-up requirements.** Enrolled Affiliate must submit an annual true-up order that accounts for any changes since the initial order or last order. If there are no changes, then an update statement must be submitted instead of a true-up order.
- (i) **Enterprise Products.** For Enterprise Products, Enrolled Affiliate must determine the number of Qualified Devices and Qualified Users (if ordering user-based Licenses) at the time the true-up order is placed and must order additional Licenses for all Qualified Devices and Qualified Users that are not already covered by existing Licenses, including any Enterprise Online Services.
- (ii) **Additional Products.** For Additional Products that have been previously ordered under this Enrollment, Enrolled Affiliate must determine the maximum number of Additional Products used since the latter of the initial order, the last true-up order, or the prior anniversary date and submit a true-up order that accounts for any increase.
- (iii) **Online Services.** For Online Services identified as eligible for true-up in the Product Terms, Enrolled Affiliate may place a reservation order for the additional Licenses prior to use and payment may be deferred until the next true-up order. Microsoft will provide a report of Reserved Licenses ordered but not yet invoiced to Enrolled Affiliate and its Reseller. Reserved Licenses will be invoiced retrospectively to the month in which they were ordered.
- (iv) **Subscription License reductions.** Enrolled Affiliate may reduce the quantity of Subscription Licenses at the Enrollment anniversary date on a prospective basis if permitted in the Product Terms, as follows:
- 1) For Subscription Licenses that are part of an Enterprise-wide purchase, Licenses may be reduced if the total quantity of Licenses and Software Assurance for an applicable group meets or exceeds the quantity of Qualified Devices and Qualified Users (if ordering user-based Licenses) identified on the Product Selection Form, and includes any additional Qualified Devices and Qualified Users added in any prior true-up orders. Step-up Licenses do not count towards this total count.
 - 2) For Enterprise Online Services that are not a part of an Enterprise-wide purchase, Licenses can be reduced as long as the initial order minimum requirements are maintained.
 - 3) For Additional Products available as Subscription Licenses, Enrolled Affiliate may reduce the Licenses. If the License count is reduced to zero, then Enrolled Affiliate's use of the applicable Subscription License will be cancelled.
- Invoices will be adjusted to reflect any reductions in Subscription Licenses at the true-up order Enrollment anniversary date and effective as of such date.
- (v) **Update statement.** An update statement must be submitted instead of a true-up order if, since the initial order or last true-up order, Enrolled Affiliate's Enterprise: (1) has not changed the number of Qualified Devices and Qualified Users licensed with Enterprise Products or Enterprise Online Services; and (2) has not increased its usage of Additional Products. This update statement must be signed by Enrolled Affiliate's authorized representative.
- (vi) **True-up order period.** The true-up order or update statement must be received by Microsoft between 60 and 30 days prior to each Enrollment anniversary date. The third-year true-up order or update statement is due within 30 days prior to the Expiration Date, and any license reservations within this 30 day period will not be accepted. Enrolled Affiliate

may submit true-up orders more often to account for increases in Product usage, but an annual true-up order or update statement must still be submitted during the annual order period.

- (vii) **Late true-up order.** If the true-up order or update statement is not received when due, Microsoft will invoice Reseller for all Reserved Licenses not previously invoiced and Subscription License reductions cannot be reported until the following Enrollment anniversary date (or at Enrollment renewal, as applicable).
- h. **Step-up Licenses.** For Licenses eligible for a step-up under this Enrollment, Enrolled Affiliate may step-up to a higher edition or suite as follows:
 - (i) For step-up Licenses included on an initial order, Enrolled Affiliate may order according to the true-up process.
 - (ii) If step-up Licenses are not included on an initial order, Enrolled Affiliate may step-up initially by following the process described in the Section titled "Adding new Products not previously ordered," then for additional step-up Licenses, by following the true-up order process.
- i. **Clerical errors.** Microsoft may correct clerical errors in this Enrollment, and any documents submitted with or under this Enrollment, by providing notice by email and a reasonable opportunity for Enrolled Affiliate to object to the correction. Clerical errors include minor mistakes, unintentional additions and omissions. This provision does not apply to material terms, such as the identity, quantity or price of a Product ordered.
- j. **Verifying compliance.** Microsoft may, in its discretion and at its expense, verify compliance with this Enrollment as set forth in the Enterprise Agreement.

3. Pricing.

- a. **Price Levels.** For both the initial and any renewal term Enrolled Affiliate's Price Level for all Products ordered under this Enrollment will be Level "D" throughout the term of the Enrollment.
- b. **Setting Prices.** Enrolled Affiliate's prices for each Product or Service will be established by its Reseller. Except for Online Services designated in the Product Terms as being exempt from fixed pricing, As long as Enrolled Affiliate continues to qualify for the same price level, Microsoft's prices for Resellers for each Product or Service ordered will be fixed throughout the applicable initial or renewal Enrollment term. Microsoft's prices to Resellers are reestablished at the beginning of the renewal term.

4. Payment terms.

For the initial or renewal order, Microsoft will invoice Enrolled Affiliate's Reseller in three equal annual installments. The first installment will be invoiced upon Microsoft's acceptance of this Enrollment and remaining installments will be invoiced on each subsequent Enrollment anniversary date. Subsequent orders are invoiced upon acceptance of the order and Enrolled Affiliate may elect to pay annually or upfront for Online Services and upfront for all other Licenses.

5. End of Enrollment term and termination.

- a. **General.** At the Expiration Date, Enrolled Affiliate must immediately order and pay for Licenses for Products it has used but has not previously submitted an order, except as otherwise provided in this Enrollment.
- b. **Renewal option.** At the Expiration Date of the initial term, Enrolled Affiliate can renew Products by renewing this Enrollment for one additional 36-month term or by signing a new Enrollment. Microsoft must receive a Renewal Form, Product Selection Form, and renewal order prior to or at the Expiration Date. Microsoft will not unreasonably reject any renewal.

Microsoft may make changes to this program that will make it necessary for Customer and its Enrolled Affiliates to enter into new agreements and Enrollments at renewal.

c. If Enrolled Affiliate elects not to renew.

(i) **Software Assurance.** If Enrolled Affiliate elects not to renew Software Assurance for any Product under its Enrollment, then Enrolled Affiliate will not be permitted to order Software Assurance later without first acquiring a new License with Software Assurance.

(ii) **Online Services eligible for an Extended Term.** For Online Services identified as eligible for an Extended Term in the Product Terms, the following options are available at the end of the Enrollment initial or renewal term.

1) **Extended Term.** Licenses for Online Services will automatically expire in accordance with the terms of the Enrollment. An extended term feature that allows Online Services to continue month-to-month (“Extended Term”) is available. During the Extended Term, Online Services will be invoiced monthly at the then-current published price as of the Expiration Date plus a 3% administrative fee for up to one year. If Enrolled Affiliate wants an Extended Term, Enrolled Affiliate must submit a request to Microsoft at least 30 days prior to the Expiration Date.

2) **Cancellation during Extended Term.** At any time during the first year of the Extended Term, Enrolled Affiliate may terminate the Extended Term by submitting a notice of cancellation to Microsoft for each Online Service. Thereafter, either party may terminate the Extended Term by providing the other with a notice of cancellation for each Online Service. Cancellation will be effective at the end of the month following 30 days after Microsoft has received or issued the notice.

(iii) **Subscription Licenses and Online Services not eligible for an Extended Term.** If Enrolled Affiliate elects not to renew, the Licenses will be cancelled and will terminate as of the Expiration Date. Any associated media must be uninstalled and destroyed and Enrolled Affiliate’s Enterprise must discontinue use. Microsoft may request written certification to verify compliance.

d. **Termination for cause.** Any termination for cause of this Enrollment will be subject to the “Termination for cause” section of the Agreement. In addition, it shall be a breach of this Enrollment if Enrolled Affiliate or any Affiliate in the Enterprise that uses Government Community Cloud Services fails to meet and maintain the conditions of membership in the definition of Community.

e. **Early termination.** Any early termination of this Enrollment will be subject to the “Early Termination” Section of the Enterprise Agreement.

For Subscription Licenses, in the event of a breach by Microsoft, or if Microsoft terminates an Online Service for regulatory reasons, Microsoft will issue Reseller a credit for any amount paid in advance for the period after termination.

6. Government Community Cloud.

a. **Community requirements.** If Enrolled Affiliate purchases Government Community Cloud Services, Enrolled Affiliate certifies that it is a member of the Community and agrees to use Government Community Cloud Services solely in its capacity as a member of the Community and, for eligible Government Community Cloud Services, for the benefit of end users that are members of the Community. Use of Government Community Cloud Services by an entity that is not a member of the Community or to provide services to non-Community members is strictly prohibited and could result in termination of Enrolled Affiliate’s license(s) for Government Community Cloud Services without notice. Enrolled Affiliate acknowledges that only Community members may use Government Community Cloud Services.

b. All terms and conditions applicable to non-Government Community Cloud Services also apply

to their corresponding Government Community Cloud Services, except as otherwise noted in the Use Rights, Product Terms, and this Enrollment.

- c. Enrolled Affiliate may not deploy or use Government Community Cloud Services and corresponding non-Government Community Cloud Services in the same domain.
- d. **Use Rights for Government Community Cloud Services.** For Government Community Cloud Services, notwithstanding anything to the contrary in the Use Rights:
 - (i) Government Community Cloud Services will be offered only within the United States.
 - (ii) Additional European Terms, as set forth in the Use Rights, will not apply.
 - (iii) References to geographic areas in the Use Rights with respect to the location of Customer Data at rest, as set forth in the Use Rights, refer only to the United States.

Enrollment Details

1. Enrolled Affiliate's Enterprise.

- a. Identify which Agency Affiliates are included in the Enterprise. (Required) Enrolled Affiliate's Enterprise must consist of entire offices, bureaus, agencies, departments or other entities of Enrolled Affiliate, not partial offices, bureaus, agencies, or departments, or other partial entities. Check only one box in this section. If no boxes are checked, Microsoft will deem the Enterprise to include the Enrolled Affiliate only. If more than one box is checked, Microsoft will deem the Enterprise to include the largest number of Affiliates:
- Enrolled Affiliate only
 - Enrolled Affiliate and all Affiliates
 - Enrolled Affiliate and the following Affiliate(s) (Only identify specific affiliates to be included if fewer than all Affiliates are to be included in the Enterprise):

 - Enrolled Affiliate and all Affiliates, with following Affiliate(s) excluded:
- b. Please indicate whether the Enrolled Affiliate's Enterprise will include all new Affiliates acquired after the start of this Enrollment: Exclude future Affiliates

2. Contact information.

Each party will notify the other in writing if any of the information in the following contact information page(s) changes. The asterisks (*) indicate required fields. By providing contact information, Enrolled Affiliate consents to its use for purposes of administering this Enrollment by Microsoft, its Affiliates, and other parties that help administer this Enrollment. The personal information provided in connection with this Enrollment will be used and protected in accordance with the privacy statement available at <https://www.microsoft.com/licensing/servicecenter>.

- a. **Primary contact.** This contact is the primary contact for the Enrollment from within Enrolled Affiliate's Enterprise. This contact is also an Online Administrator for the Volume Licensing Service Center and may grant online access to others. The primary contact will be the default contact for all purposes unless separate contacts are identified for specific purposes

Name of entity (must be legal entity name)* City of Costa Mesa

Contact name* First Adam Last Silva

Contact email address* Adam.Silva@costamesaca.gov

Street address* 77 Fair drive, 1st Floor

City* Costa Mesa

State* CA

Postal code* 92626-6520-

(Please provide the zip + 4, e.g. xxxxx-xxxx)

Country* United States

Phone* 714-754-5620

Tax ID

** indicates required fields*

- b. **Notices contact and Online Administrator.** This contact (1) receives the contractual notices, (2) is the Online Administrator for the Volume Licensing Service Center and may grant online access to others, and (3) is authorized to order Reserved Licenses for eligible Online Services, including adding or reassigning Licenses and stepping-up prior to a true-up order.

Same as primary contact (default if no information is provided below, even if the box is not checked).

Contact name* First Adam Last Silva
Contact email address* Adam.Silva@costamesaca.gov
Street address* 77 Fair drive, 1st Floor
City* Costa Mesa
State* CA
Postal code* 92626-6520-
(Please provide the zip + 4, e.g. xxxxx-xxxx)
Country* United States
Phone* 714-754-5620

Language preference. Choose the language for notices. English

This contact is a third party (not the Enrolled Affiliate). Warning: This contact receives personally identifiable information of the Customer and its Affiliates.

** indicates required fields*

- c. **Online Services Manager.** This contact is authorized to manage the Online Services ordered under the Enrollment and (for applicable Online Services) to add or reassign Licenses and step-up prior to a true-up order.

Same as notices contact and Online Administrator (default if no information is provided below, even if box is not checked)

Contact name*: First Adam Last Silva
Contact email address* Adam.Silva@costamesaca.gov
Phone* 714-754-5620

This contact is from a third party organization (not the entity). Warning: This contact receives personally identifiable information of the entity.

** indicates required fields*

- d. **Reseller information.** Reseller contact for this Enrollment is:

Reseller company name* SoftwareONE, Inc.
Street address (PO boxes will not be accepted)* 20875 Crossroads Circle, Suite 1
City* Waukesha
State* WI
Postal code* 53186-4093
Country* United States
Contact name* MS* Admin
Phone* 262-317-5555
Contact email address* ms-admin.us@softwareone.com

** indicates required fields*

By signing below, the Reseller identified above confirms that all information provided in this Enrollment is correct.

Signature* _____

Printed name* Erick Chavez
Printed title* Operations Analyst
Date* 08/27/2021

** indicates required fields*

Changing a Reseller. If Microsoft or the Reseller chooses to discontinue doing business with each other, Enrolled Affiliate must choose a replacement Reseller. If Enrolled Affiliate or the Reseller intends to terminate their relationship, the initiating party must notify Microsoft and the

other party using a form provided by Microsoft at least 90 days prior to the date on which the change is to take effect.

- e. If Enrolled Affiliate requires a separate contact for any of the following, attach the Supplemental Contact Information form. *Otherwise, the notices contact and Online Administrator remains the default.*
 - (i) Additional notices contact
 - (ii) Software Assurance manager
 - (iii) Subscriptions manager
 - (iv) Customer Support Manager (CSM) contact

3. *Financing elections.*

Is a purchase under this Enrollment being financed through MS Financing? Yes, No.

If a purchase under this Enrollment is financed through MS Financing, and Enrolled Affiliate chooses not to finance any associated taxes, it must pay these taxes directly to Microsoft.

Physically Submitted

Previous Enrollment(s)/Agreement(s) Form

Entity Name: City of Costa Mesa

Contract that this form is attached to: State Local Government

For the purposes of this form, "entity" can mean the signing entity, Customer, Enrolled Affiliate, Government Partner, Institution, or other party entering into a volume licensing program agreement.

Please provide a description of the previous Enrollment(s), Agreement(s), Purchasing Account(s), and/or Affiliate Registration(s) being renewed or consolidated into the new contract identified above.

- a. Entity may select below any previous contract(s) from which to transfer MSDN subscribers to this new contract. Entity shall ensure that each MSDN subscriber transferred is either properly licensed under the new contract or is removed.
- b. Entity may select below only one previous contract from which to transfer the Software Assurance (SA) Benefit contact details, i.e., benefits contact (*not* the SA manager) and the program codes, to this new contract.
- c. An Open License cannot be used to transfer either the SA Benefit details or MSDN subscribers.
- d. The date of the earliest expiring Enrollment/Agreement that contains SA or Online Services will be the effective date of the new contract (or SA coverage period for Select Plus).
- e. Please insert the number of the earliest expiring Enrollment/Agreement with SA or Online Services in the appropriate fields of the new contract.

Enrolled Affiliate's Price Level:	
Product Offering / Pool	Price Level
Enterprise Products and Enterprise Online Services USLs: Unless otherwise indicated in associated contract documents, Price level set using the highest quantity from Groups 1 through 4.	D
Additional Product Application Pool: Unless otherwise indicated in associated contract documents, Price level set using quantity from Group 1.	D
Additional Product Server Pool: Unless otherwise indicated in associated contract documents, Price level set using the highest quantity from Group 2 or 3.	D
Additional Product Systems Pool: Unless otherwise indicated in associated contract documents, Price level set using quantity from Group 4.	D

NOTES

Unless otherwise indicated in the associated contract documents, the price level for each Product offering / pool is set as described above, based upon the quantity to price level mapping below:

Quantity of Licenses and Software Assurance	Price Level
2,399 and below	A
2,400 to 5,999	B
6,000 to 14,999	C
15,000 and above	D

Note 1: Enterprise Online Services may not be available in all locations. Please see the Product List for a list of locations where these may be purchased.

Note 2: Unless otherwise indicated in associated Agreement documents, the CAL selection must be the same across the Enterprise for each Profile.

Note 3: If Enrolled Affiliate does not order an Enterprise Product or Enterprise Online Service associated with an applicable Product pool, the price level for Additional Products in the same pool will be price level "A" throughout the term of the Enrollment. Refer to the Qualifying Government Entity Addendum pricing provision for more details on price leveling.

Product Notes

Note 1: If the payment structure is changed, the list price may not reflect the actual list price but may be updated to reflect the payment structure chosen.

Note 2: Purchase Orders should include taxes where applicable.

Note 3: True-ups are only applicable to Enterprise Products, eligible Enterprise Online Services and Additional Products (including eligible Online Services but not Service Offerings).

Terms and Conditions

The Channel Price Sheet is **confidential** between the licensing Microsoft affiliate and the Channel Partner. **DO NOT forward the Channel Price Sheet document to the end-customer.**

Unless otherwise indicated on the Channel Price Sheet and in a signed customer amendment, Microsoft will invoice Reseller in 3 equal annual installments. The first installment will be invoiced upon acceptance of the Enrollment, and thereafter on the anniversary of the Enrollment.

SoftwareONE, Inc. by signing below, acknowledges that it has read the E6 referred to in the Channel Price Sheet (including any amendments to that Enrollment), and **SoftwareONE, Inc.** acknowledges that pursuant to the terms of that enrollment, the customer may have rights to terminate the enrollment under certain circumstances, that may reduce the total proposal value. All pricing and other terms are subject to change by us at any time until execution and delivery by all parties of the final enrollment and all other necessary legal documentation. Please do not sign or process this price sheet unless Final Price Sheet is indicated on top of the first page.

PLEASE NOTE: At the start of each term of an Enrollment, price levels are established for that term based upon terms in the applicable Agreement and Enrollment. For Direct Enrollments, final pricing is established by the licensing Microsoft affiliate based on the applicable price levels and other factors. For Indirect Enrollments, final pricing is established by the Customer's reseller based on the applicable price levels and other factors. Therefore, Customers should not expect to receive the same pricing across different Enrollments, particularly when the Enrollments are under different channel models (Direct and Indirect). If an Affiliate is not included under this Enrollment, but signs a separate Enrollment, that Affiliate may be subject to pricing other than what has been established in this Enrollment. While the payment on an initial order and any order for Online Services may be spread annually across the term of the Enrollment, any subsequent additional product and true-up orders for License & Software Assurance are invoiced in total unless otherwise specified.

CITY OF COSTA MESA

77 Fair Drive
Costa Mesa, CA 92626

Agenda Report

File #: 23-1180

Meeting Date: 5/2/2023

TITLE:

FISCAL YEAR (FY) 2023-2024 ANNUAL ACTION PLAN IDENTIFYING FUNDING PRIORITIES FOR THE COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG) AND HOME INVESTMENT PARTNERSHIPS GRANT (HOME) PROGRAMS

DEPARTMENT: ECONOMIC AND DEVELOPMENT SERVICES DEPARTMENT/HOUSING AND COMMUNITY DEVELOPMENT DIVISION

PRESENTED BY: MIKELLE DAILY, GRANT ADMINISTRATOR

CONTACT INFORMATION: MIKELLE DAILY, GRANT ADMINISTRATOR, (714) 754-5678

RECOMMENDATION:

Staff recommends the City Council:

1. Hold a Public Hearing regarding the FY 2023-2024 Annual Action Plan.
2. Approve the recommended allocation of \$1,689,303 for FY 2023-2024 Community Development Block Grant, which includes the annual allocation of \$1,010,506, \$78,797 in prior year(s) uncommitted program funds, and \$600,000 in re-programmed CDBG funds.
3. Approve the recommended allocation of \$549,260 for the Fiscal Year 2023-2024 HOME Investment Partnerships Grant, which includes the annual allocation of \$509,260 and \$40,000 in program income (lien/HOME loan repayments).
4. Adopt Resolution No. 2023-XX in order to:
 - a. Approve the FY 2023-2024 Annual Action Plan.
 - b. Authorize the City Manager, or the City Manager's designee, to submit the FY 2023-2024 Annual Action Plan to the U.S. Department of Housing and Urban Development.
 - c. Designate the City Manager, or the City Manager's designee, as the official representative of the City to administer the programs and to execute and submit all required agreements, certifications, and documents required by HUD, and execute all subrecipient agreements for the use of funds approved in the FY 2023-2024 Annual Action Plan.
5. Provide direction regarding potential changes to the City's Tenant-Based Rental Assistance (TBRA) and Single-family Rehabilitation Grant and Loan Programs, as described in the staff report.

BACKGROUND:

Costa Mesa is a recipient of two U.S. Department of Housing and Urban Development (HUD) grant program funds: the Community Development Block Grant (CDBG) Program and the HOME Investment Partnerships Program (HOME). These two HUD programs annually provide approximately \$1.6 million to the City and can be used for various activities that assist low- and moderate- income Costa Mesa residents.

The Housing and Community Development Division (HCD) of the Development Services Department is responsible for administering the City's CDBG and HOME grants. CDBG and HOME-funded activities must address the needs outlined in the City's Consolidated Plan.

FIVE-YEAR CONSOLIDATED PLAN

The Consolidated Plan is a five-year planning document required by HUD for all communities receiving federal community development grant funds. The current Consolidated Plan was approved by the City Council on May 19, 2020 and covers FY 2020-21 through FY 2024-25. The following five-year goals are identified in the 2020-2024 Consolidated Plan:

- Goal 1: Housing Preservation - To provide decent and affordable housing through a variety of activities, including owner-occupied housing rehabilitation, code enforcement, and rental housing acquisition/rehabilitation
- Goal 2: Infrastructure and Facility Improvements - To enhance the suitability of the living environment through improvements to public infrastructure and facilities
- Goal 3: Homeless Continuum of Care - To provide supportive services and housing assistance for homeless persons and homelessness prevention
- Goal 4: Public Social Service - To provide services for low- and moderate-income persons, and those with special needs, including fair housing services
- Goal 5: Program Administration - To provide administration of the CDBG and HOME programs, ensuring effective and efficient delivery of programs and services and complying with all HUD program requirement

The Consolidated Plan also includes a five-year strategic plan that identifies community needs, and strategies, programs and resources to address those needs. Its five-year cycle will end on June 30, 2025. The Consolidated Plan can be found on the City's website at:

<https://www.costamesaca.gov/home/showpublisheddocument/45289/637503703596400000>

ANNUAL ACTION PLAN

The Annual Action Plan is the component of the Consolidated Plan that is revised annually. It links the goals identified in the City's 2020-2024 Consolidated Plan to the planned annual expenditure of CDBG and HOME funds. The City must submit the Annual Action Plan to HUD in May of each year to comply with HUD requirements and continue to receive these federal funds. The deadline for

submission to HUD for this year is May 16, 2023.

The City is required to provide a 30-day public comment period and to hold a public hearing before approving and submitting the Annual Action Plan to HUD.

ANALYSIS:

PROPOSED 2023-24 ANNUAL ACTION PLAN

Fiscal Year 2023-24 is the fourth year of the five-year 2020-2024 Consolidated Plan cycle. The period covered by the FY 2023-24 Action Plan begins July 1, 2023 and ends June 30, 2024.

Both CDBG and HOME funds have specific program requirements. For example, CDBG funds must be utilized to achieve one of three national objectives: 1) elimination of run- down areas, 2) to meet an urgent need (e.g. declared disaster), or 3) to benefit low- and moderate- income persons. HOME funds must be used to preserve or increase housing opportunities for low- income residents in Costa Mesa.

Lower income persons are defined by HUD as an individual with a household income equal to or less than 80 percent of the County median income. (The 2022 median family income for Orange County is \$119,000). Income limits are based on family size and are adjusted annually by HUD. Income limits for 2023 are expected to be released on or around May 15, 2023. HUD 2022 Orange County (OC) income limits are shown below:

Household Size	Household Income at 50% of OC Median Income (Very Low Income)	Household Income at 80% of OC Median Income (Low Income)
1-Person	\$47,450	\$75,900
2-Person	\$54,200	\$86,750
3-Person	\$61,000	\$97,600
4-Person	\$67,750	\$108,400
5-Person	\$73,200	\$117,100
6-Person	\$78,600	\$125,750
7-Person	\$84,050	\$134,450
8-Person	\$89,450	\$143,100

CDBG Funds

The City will receive \$1,010,506 in CDBG funds for FY 2023-24. Additionally, \$78,797 in prior year uncommitted funds and \$600,000 in re-programmed CDBG funds will be available to CDBG-eligible activities. Staff is recommending funding in five primary program areas: 1) Capital Improvements 2) Public Services Grants 3) Housing Rehabilitation Administration 4) Community Improvement/Code Enforcement, and 5) Program Administration.

Capital Improvements

CDBG funds may be used to improve infrastructure and public facilities, provided the primary

beneficiaries are low- and moderate- income Costa Mesa residents. Eligible improvements listed in the Consolidated Plan include:

- Public Facilities
 - o accessibility and facility improvements
- Park Facility Improvements
 - o Park improvements - various parks in CDBG eligible areas; equipment replacement, fencing, signage, trail restoration
 - o Park expansion/development - various parks in CDBG eligible areas; master plan updates; management and restoration plans
- Homeless Shelter Improvements
- Community Center Improvements
- Fire station improvements (including fire equipment)
- Library Improvements
- Other public facilities that serve special needs populations

Capital projects funded with CDBG funds must be appropriate for the amount of funding available, consistent with the Consolidated Plan, and capable of being completed and funds expended within required CDBG timelines.

HCD staff solicited proposals for eligible projects from City departments. The Public Works Department requested funds for a continuation of the Westside Residential Street Improvements Project which was allocated \$600,000 in CDBG funds in the previous FY 2022-23 Annual Action Plan. However, since then, alternative grant funding sources have been identified for the Westside Residential Street Improvements Project. Therefore, \$678,797 in prior year funds plus \$246,830 in FY 2023-24 CDBG funds are available for programming toward infrastructure and facility improvements this fiscal year.

As such, available CDBG funds (approximately \$925,627) are proposed to be used for the purchase of a Triple Combination Pumper/Fire Engine with required outfitting. The new fire engine will be based at Fire Station 3, 1865 Park Ave., Costa Mesa, CA, located in the southwest portion of the City and serving the area of the City with the greatest socio-economic diversity.

Public Services

The City is allowed to earmark up to 15% of its annual CDBG allocation to fund public services. Based on the FY 2023-24 CDBG allocation, staff is recommending the City allocate the maximum allowable amount of \$151,575 for public services.

Public services are defined as social service programs that primarily benefit low- and moderate-income residents. These programs may be administered by City staff or by local nonprofit agencies

through a subrecipient agreement. Staff recommends allocating \$30,000 to fund the City's Senior Center Community Outreach Worker position. The City's Community Outreach Worker assists senior clients by connecting them to appropriate community agencies, services and resources and provides support for their physical, mental, emotional and social health. This leaves \$121,575 available to fund public services grants (PSGs) for community-based non-profit organizations.

On January 13, 2023, the City released a request for PSG applications. On February 13, 2023, the City received twelve PSG applications requesting a total of \$264,000. On March 15, 2023, the City's Housing and Public Service Grant Committee (H&PSG Committee) convened to review grant applications, listen to presentations from non-profit organizations applying for grant funds, and develop public service grant funding recommendations for the City Council's consideration. Grant amounts may be between a minimum of \$15,000 and a maximum of \$30,000 to ensure that grants are impactful, while serving diverse eligible populations.

The H&PSG Committee recommends funding seven of the twelve PSG applications received, refer to Table 1 below. The Fair Housing Foundation application will be funded with administration funds this year. (Funding of Fair Housing is a HUD requirement and is eligible for funding out of the administration or the PSG portion of the CDBG allocation).

The H&PSG Committee's ratings, rankings, and grant recommendations are provided as an attachment to this report for the City Council's consideration. The attachment also includes a summary of grant applications and a three-year funding history of CDBG public service grants. The H&PSG Committee's grant recommendations are listed in the proposed CDBG budget below. A complete copy of all PSG applications submitted are posted on the City's website at: [Applications | City of Costa Mesa \(costamesaca.gov\) <https://www.costamesaca.gov/government/departments-and-divisions/economic-and-development-services/housing-and-community-development/cdbg-public-service-grant-applications>](https://www.costamesaca.gov/government/departments-and-divisions/economic-and-development-services/housing-and-community-development/cdbg-public-service-grant-applications).

Housing Rehabilitation Program Administration

Staff recommends allocating \$50,000 in CDBG funding for staff and other direct costs associated with administering the City's HOME-funded housing rehabilitation program. Examples of eligible costs include costs associated with staff preparation of work specifications, property inspections, and loan/grant application processing. Refer to the discussion under the HOME funds section of this report for further details regarding the Housing Rehabilitation program.

Community Improvement/Code Enforcement

CDBG funds may be used for code enforcement activities, provided the program primarily benefits low- and moderate- income persons, and that such activities "together with public or private improvements, rehabilitation, or services to be provided, may be expected to arrest the decline of the area." The core of this regulation is that any CDBG-funded code enforcement activity must have a direct connection to rehabilitation or improvement of housing in a CDBG-eligible area. For FY 2023-24, staff recommends an allocation of \$360,000 in CDBG funds to support the work effort of two full-time and one part-time City Community Improvement Officer. Activity will be limited to eligible low and moderate income Census Tract Block Groups identified by HUD. The goal of community improvement activities in these areas is to connect property owners, residents and other members of

the community with resources and programs to resolve substandard housing conditions in an overall effort to improve the quality of life within these neighborhoods.

Administration

HUD allows the City to allocate up to 20 percent of its annual grant for planning and program administration. Based on the City’s FY 2023-24 allocation, a maximum of \$202,101 can be allocated for program administration. Eligible program administration expenditures include program staff salaries and benefits, contract services, legal services, direct program operating costs and fair housing costs (if not funded through the public services allocation).

The City is required by HUD to fund a Fair Housing Program, which provides education, counseling and enforcement services for Costa Mesa households. Staff recommends allocating \$20,000 from administration to fund the Fair Housing Foundation to provide fair housing services to the community and comply with federal regulations.

HOME Funds

The City will receive a HOME grant allocation of \$509,260 for FY 2023-24. Additionally, \$40,000 in HOME program income (i.e. HOME lien/loan repayments) is available for HOME-funded activities.

The City must reserve a minimum of 15 percent of annual HOME funds for an affordable housing project to be undertaken by a qualified nonprofit housing developer known as a Community Housing Development Organization (CHDO). The City is also allowed to use a maximum of 10 percent of HOME funds for program administration. Staff is recommending to allocate FY 2023-24 HOME funds for four activities: 1) Single-family housing rehabilitation loans and grants program, 2) Affordable Housing Development (CHDO reservation - required), 3) Tenant Based Rental Assistance (TBRA) program, and 4) Program Administration.

Single-family Housing Rehabilitation Grant and Loan Program

Staff is recommending allocating \$271,945 in HOME funds for the City's Housing Rehabilitation Loan and Grant Program. Program funds must be used to correct nonconforming uses, remedy code violations, and repair and improve deteriorating properties, with the goal of providing decent and safe housing conditions. The program offers grants up to \$12,500 for mobile homes and \$17,500 for single family homes, as well as deferred zero interest loans up to \$50,000. Rehabilitated property value after rehabilitation cannot exceed 95 percent of the HUD median purchase price for the City, which was calculated as \$1,026,000 for FY 2022-23 and will be recalculated in May 2023 for FY 2023-24. In addition, the subject property must be owner-occupied and serve as the principal residence of the eligible low- to very-low income household applying.

The proposed allocation is estimated to fund approximately 10 grants and one loan annually. Historically, this program has primarily funded improvements to mobile homes and focused on grants instead of loans. Existing program loans were primarily funded between 1997 and 2013. Since 2013, the number of loan applications has sharply declined. In fact, in the last 5 years, 98% of program participants received funds via grants and 94% of program participants were mobile home residents.

Community Housing Development Organization (CHDO) Affordable Housing Funds

HOME program regulations require that a minimum of 15 percent of the City's annual grant allocation be reserved for a CHDO (a community-based nonprofit development entity). Based on the City's FY 2023-24 HOME grant, \$76,389 is the minimum CHDO set-aside requirement. HUD has suspended the 24-month commitment deadline requirement indefinitely for CHDO set-aside funds. As a result, these funds are set aside and accrue each year pending an eligible development application from a CHDO. Most recently, CHDO funds were used to assist the Motel 6 residential project.

Tenant Based Rental Assistance (TBRA)

Staff is recommending allocating \$150,000 in HOME funds for the City's Tenant Based Rental Assistance Program. A "pilot" TBRA program funded by HOME dollars was originally offered in Fiscal Year 2020-21. The pilot program was based on a similar TBRA program implemented in the City of Huntington Beach and was administered in Costa Mesa by Families Forward. Since the contract for Families Forward to implement the pilot program expires in June 2023, staff released an RFP to

solicit proposals to administer a permanent TBRA program for Costa Mesa. Should the Council support staff's recommendation, the TBRA Program will no longer be considered a "pilot" program.

The permanent TBRA program would aim to provide rental assistance for both families and individuals for up to 24 months. The TBRA rental subsidy would cover rental costs, security deposits and utilities and would reduce the housing cost for participating households to 30% of the household's monthly adjusted income. To receive TBRA assistance, both the household and the housing unit must be eligible.

Eligible households include:

- Households with incomes at or below 60% Area Median Income (AMI) (e.g. \$56,940 for a household of one person; \$81,300 for a household of four) with a severe housing cost burden (i.e. housing costs equal to 50% or more of the household monthly income); or
- Households meeting the HUD At Risk of Homelessness definition at 24 Code of Federal Regulations Part 91 (e.g. household income at 30% AMI or below and insufficient resources to prevent them from moving to an emergency shelter and meets one of 5 additional conditions as listed in the regulations); or
- Households experiencing homelessness and having strong ties to the City (live/work/school).

Eligible units are required to comply with a HUD Housing Quality Inspection and occupancy standards, have a lease between the tenant and landlord, and have a rental assistance payment contract between the landlord and the TBRA program administrator.

Program Administration

The City may use up to ten percent of its annual grant for HOME program administration. Based on the City's FY 2023-24 allocation, \$50,926 is available for HOME program administration. Eligible administration expenditures include program staff salaries and benefits, contract services, and legal services which may be required to implement the funded activities.

Noticing Requirements and Public Comment

As required by HUD, a notice was published in local newspapers in Spanish and English on April 1, 2023, inviting the public to review and comment on the draft 2023-2024 Annual Action Plan. The comment period began April 2, 2023 and concludes on May 2, 2023. The notice also announced the May 2, 2023 City Council public hearing. At the time of this report, no comments had been received.

POTENTIAL PROGRAM CHANGES

Each year, staff continually evaluates the effectiveness of our housing assistance programs, including those funded by CDBG and HOME dollars. Staff believes that making a few enhancements to the City’s TBRA program and the Single-Family Housing Rehabilitation program (described below) could increase the number of residents these programs are able to serve. Staff is seeking direction regarding the City Council’s interest further evaluating the below described program changes.

TBRA Program- Mobile Homes

Recently, it was brought to staff’s attention that Mobile Home residents are not eligible for City rental assistance programs because they are not considered “renters”. Most mobile home park residents own their housing units as an asset, but rent the land upon which the mobile home sits. Originally, the TBRA program was focused on the City’s most vulnerable populations (i.e. renters who likely don’t have assets or other housing options and are therefore more susceptible to eviction if they are unable to pay rent). However, if desired, staff could evaluate and potentially modify the TBRA program guidelines to allow for mobile home park space rent to be eligible for rental assistance under the City’s TBRA program and/or other rental assistance programs. If this change were made, the pool of applicants for TBRA and/or other rental assistance funds would likely increase, exhaust available

funds more quickly, and could warrant allocation of additional funds in the future.

Single Family Rehabilitation Grant and Loan Program

In practice, many Costa Mesa residents are connected to the City's HOME-funded Single-Family Residential grant and loan program through our Community Improvement staff who are investigating complaints regarding deferred maintenance and potential housing safety issues. Recently, staff have noted that many of these cases are not eligible for HOME grants or loans primarily because of the HOME requirement that rehabilitated property value after rehabilitation cannot exceed 95 percent of the HUD median purchase price (\$1,026,000). Because single-family home prices are high in the current market, many single-family homes needing repairs or maintenance are not eligible because of the home's value despite the fact that the occupants of those homes are eligible low- to very-low income households and may not have available funds to complete home repairs. Staff believe this is the main reason that the City's current rehabilitation program serves primarily mobile homes.

In contrast, CDBG funds do not have a "rehabilitated property value" requirement. Therefore, as an option to expand the pool of Costa Mesa residents eligible for this program, staff could evaluate funding this program with a combination of CDBG and HOME funds, or other applicable grant funds. Allocating different funding sources to this program may require an amendment to the City's Five-Year Consolidated Plan (the plan only identifies HOME funds for this program).

It should be noted that since both HOME and CDBG funds are limited, allocating additional funding amounts to the Single-family Rehabilitation grant and loan program may ultimately result in reduced funding amounts allocated to other HOME- and CDBG-funded activities.

ALTERNATIVES:

The City Council can choose not to fund the proposed activities recommended by staff and allocate CDBG or HOME funds to other eligible activities. The City Council can also direct staff to not submit the Action Plan; however, if the City does not submit the Action Plan, HOME funds will most likely be returned to the U.S. Treasury, and the City's CDBG funds will be distributed proportionally among other Orange County jurisdictions that receive CDBG funds.

FISCAL REVIEW:

This action does not have a fiscal impact to the General Fund. For FY 2023-24 the City receives an annual allocation of \$1,010,506 in CDBG funds and \$509,260 in HOME funds to fund the programs outlined above.

LEGAL REVIEW:

The City Attorney's Office has reviewed and approved this agenda report and the attached resolution as to form.

CITY COUNCIL GOALS AND PRIORITIES:

This item supports the following City Council Goal:

- Diversify, Stabilize and Increase Housing to Reflect Community Needs

CONCLUSION:

The draft 2023-2024 Annual Action Plan has been prepared according to HUD regulations and outlines how the City will utilize FY 2023-2024 CDBG and HOME funds to meet federal objectives and the goals of the City's adopted five-year Consolidated Plan. Staff recommends that the City Council adopt the FY 2023-24 Annual Action Plan and authorize its submittal to HUD.

In addition, staff is seeking Council direction regarding the potential future amendments to the City's TBRA and Single-Family Rehabilitation Programs as described in this report. If the City Council directs staff to evaluate these programs, staff will return with more specific funding recommendations and an amendment to the approved FY 2023-24 Annual Action Plan and the City's Five-Year Consolidated Plan (if required).

RESOLUTION NO. 2023-xx

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF COSTA MESA, CALIFORNIA, APPROVING AND AUTHORIZING SUBMISSION OF THE 2023-2024 ANNUAL ACTION PLAN FOR THE APPLICATION AND EXPENDITURE OF COMMUNITY DEVELOPMENT BLOCK GRANT AND HOME INVESTMENT PARTNERSHIPS ACT FUNDS TO THE UNITED STATES DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

THE CITY COUNCIL OF THE CITY OF COSTA MESA HEREBY FINDS AND DECLARES AS FOLLOWS:

WHEREAS, the City of Costa Mesa participates in the United States Department of Housing and Urban Development's ("HUD") Community Development Block Grant (CDBG) Program and also participates in HUD's Home Investment Partnerships Program (HOME); and

WHEREAS, in order to receive annual allocations from these HUD programs, the City is required to prepare a five-year strategic plan outlining the use of the grants and strategic vision for affordable housing and community development in the City known as the Consolidated Plan; and

WHEREAS, the City's current Consolidated Plan, was adopted on May 19, 2020, and will expire on June 30, 2025; and

WHEREAS, the federal regulations (Title 24 Code of Federal Regulations Part 91) delineate the required content of the Consolidated Plan, including an annual application and expenditure plan for CDBG and HOME funds, known as the Annual Action Plan; and

WHEREAS, the City is eligible to receive \$1,010,506 in 2023-2024 CDBG funds, which can be used for social service grants, housing rehabilitation, public facilities and administration, and is also eligible to receive \$509,260 in 2023-2024 HOME funds, which can be used for housing and administration as set forth in the 2023-2024 Annual Action Plan (Exhibit A); and

WHEREAS, the City made the 2023-2024 Annual Action Plan available for the required 30-day public review period between April 2, 2023 and May 2, 2023; and

WHEREAS, the City has published a notice of a public hearing for the 2023-2024 Annual Action Plan in English and Spanish; and

WHEREAS, in the 2023-2024 Annual Action Plan, the City has considered all public comments which have been received either in writing or at the public hearing.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF COSTA MESA HEREBY RESOLVES as follows:

SECTION 1. The City Council hereby approves the 2023-2024 Annual Action Plan, attached hereto as Exhibit "A" and incorporated herein by reference.

SECTION 2. The City Council hereby authorizes the City Manager, or the City Manager's designee, to submit the 2023-2024 Annual Action Plan to HUD and execute all certifications and assurances contained therein to approve minor changes and provide additional information as may be required.

SECTION 3. The City Council hereby designates the City Manager, or the City Manager's designee, as the City's official representative to administer the programs and execute and submit all required agreements, certifications, and documents required by HUD. The City Council further authorizes the City Manager, or City Manager's designee, to execute all subrecipient agreements with the nonprofit organizations receiving allocations of CDBG funds approved in the 2023-2024 Annual Action Plan.

PASSED AND ADOPTED this 2nd day of May 2023.

John Stephens, Mayor

IN WITNESS WHEREOF, I have hereby set my hand and affixed the seal of the City of Costa Mesa this 3rd day of May 2023.

Brenda Green, City Clerk

2023-2024 PUBLIC SERVICE GRANT APPLICATION SUMMARIES

HOMELESS SERVICES	
City Net – Street Outreach	
Proposed Service:	Street outreach and support services for individuals experiencing homelessness
Amount Requested:	\$20,000 for client services
CM Residents to be Assisted:	150
Committee Recommendation:	\$0 (Avg rating 87.0 out of 100 pts / 3 rd out of 11 applications)
Families Forward – Housing Program	
Proposed Service:	The program will provide housing and support services for homeless Costa Mesa families with children
Amount Requested:	\$30,000 for program staff
CM Residents to be Assisted:	44
Committee Recommendation:	\$15,000 (Avg rating 82.5 out of 100 pts / 5 th out of 11 applications)
Mercy House – Costa Mesa Bridge Shelter	
Proposed Service:	Costa Mesa Bridge Shelter provides short-term shelter, supportive and housing navigation services for homeless individuals
Amount Requested:	\$25,000 for security services
CM Residents to be Assisted:	170
Committee Recommendation:	\$15,000 (Avg rating 90.3 out of 100 pts / 1 st out of 11 applications)
SENIOR SERVICES	
City of Costa Mesa – Senior Social Services	
Proposed Service:	Counseling and referral services for seniors provided by social worker at the Costa Mesa Senior Center
Amount Requested:	\$30,000 for program staff salaries
CM Residents to be Assisted:	250
Committee Recommendation:	\$30,000 (Unrated – City Program)
Community SeniorServ – Meals on Wheels	
Proposed Service:	This senior meal program will provide home-delivered meals and quick assessment for homebound seniors to ensure health and safety
Amount Requested:	\$20,000 for raw food costs
CM Residents to be Assisted:	30
Committee Recommendation:	\$15,000 (Avg rating 72.7 out of 100 / 10 th out of 11 applications)
Community SeniorServ – Lunch Café	
Proposed Service:	The program provides seniors with hot lunch 5 days per week at the Costa Mesa Senior Center. Using a “grab-n-go” program model during COVID-19 required closure of the Senior Center.
Amount Requested:	\$20,000 for raw food costs
CM Residents to be Assisted:	130
Committee Recommendation:	\$20,000 (Avg rating 84.2 out of 100 / 4 th out of 11 applications)
Dance 4 Joy Ministries	
Proposed Service:	Elderly Inclusion - Dance performance & dance classes at elder care facilities
Amount Requested:	\$15,000
CM Residents to be Assisted:	240
Committee Recommendation:	\$0 (Avg rating 74.8 out of 100 / 9 th out of 11 applications)

Trellis International – Labors of Love	
Proposed Service:	Will collectively identify neighbors in need in order to help them with manual labor projects.
Amount Requested:	\$30,000
CM Residents to be Assisted:	30
Committee Recommendation:	\$15,000 (Avg rating 82 out of 100 / 6 th out of 11 applications)
YOUTH SERVICES	
Project Hope Alliance – In—Place Case Management for Homeless CM Students	
Proposed Service:	Wrap-around services for NMUSD students experiencing homelessness. Fuds will be used to provide one-on-one case management, mentoring, tutoring, college and FAFSA application assistance, job search assistance, basic needs support like food.
Amount Requested:	\$30,000 for program staff salaries
CM Residents to be Assisted:	120
Committee Recommendation:	\$25,000 (Avg rating 92.2 out of 100 / 2 nd out of 11 applications)
Stand UP for Kids	
Proposed Service:	Program provides pre-employment counseling, mock interview skills training, job counseling, and job referrals for youth.
Amount Requested:	\$25,000 for program staff salaries
CM Residents to be Assisted:	400
Committee Recommendation:	\$15,000 (Avg rating 78.2 out of 100 / 8 th out of 11 applications)
Youth Employment Services (YES) – Comprehensive Youth Job Readiness Program	
Proposed Service:	Program provides pre-employment counseling, mock interview skills training, job counseling, and job referrals for youth.
Amount Requested:	\$25,000 for program staff salaries

Executive Summary

AP-05 Executive Summary - 24 CFR 91.200(c), 91.220(b)

1. Introduction

The City of Costa Mesa is a recipient of federal Community Development Block Grant (CDBG) and Home Investment Partnerships Grant (HOME) funds; these funds are awarded to the City by the U.S. Department of Housing and Urban Development (HUD). As a recipient of CDBG and HOME funds, the City must prepare a five-year strategic plan known as the Consolidated Plan. The Consolidated Plan identifies and prioritizes housing and community needs and establishes five-year goals and objectives to address identified needs. The City's current Consolidated Plan was approved by the City Council on May 19, 2020 and covers Fiscal Year 2020-2021 through Fiscal Year 2024-2025.

The Annual Action Plan is the component of the Consolidated Plan that is revised annually. It links the goals and objectives identified in the City's 2020-2024 Consolidated Plan with the planned annual expenditure of CDBG and HOME funds over the next twelve months. The period covered by the 2023-2024 Annual Action Plan begins July 1, 2023, and ends June 30, 2024. The City refers to this time frame as a Fiscal Year (FY).

The City will receive an allocation of \$1,010,506 in CDBG funds and \$509,260 in HOME funds for FY 2023-2024. Additionally, \$78,797 in prior year uncommitted CDBG funds, a possible \$600,000 in re-programmed CDBG funds and \$40,000 in HOME Program Income (PI) funds are available for programming. Program income is generated by the repayment of prior funded housing rehabilitation loans and is available to fund eligible activities. The City will use CDBG resources to fund capital improvements (e.g., public facilities or street improvements), code enforcement, social services, and program administration. HOME resources will be used to fund owner-occupied housing rehabilitation, affordable rental housing (CHDO), Tenant Based Rental Assistance (TBRA) and program administration.

2. Summarize the objectives and outcomes identified in the Plan

Based on an analysis of housing and community needs, market analysis, and input from the community, the following five-year goals and priorities have been identified for implementation in the 2020-2024 Consolidated Plan:

- Goal 1: Housing Preservation - To provide decent and affordable housing through a variety of activities, including owner-occupied housing rehabilitation, code enforcement, and rental housing acquisition/rehabilitation
- Goal 2: Infrastructure and Facility Improvements - To enhance the suitability of the living environment through improvements to public infrastructures and facilities

- Goal 3: Homeless Continuum of Care - To provide supportive services and housing assistance for those experiencing homelessness and near homelessness
- Goal 4: Public Social Service - To provide services for low- and moderate-income persons, and those with special needs, including fair housing services
- Goal 5: Program Administration - To provide administration of the CDBG and HOME programs, ensuring effective and delivery of programs and services and complying with all HUD program requirements

Activities funded with CDBG and HOME funds will address the goals and objectives identified in the City's Consolidated Plan.

3. Evaluation of past performance

FY 2022-2023 (the current fiscal year) is the third year of the City's 2020-2024 Consolidated Plan cycle; year-end program accomplishments are not available at this time; however, one-year accomplishment data for FY 2021-2022 is available. This information is provided in table format as **Attachment 1**.

4. Summary of Citizen Participation Process and consultation process

For the preparation of the 2023-2024 Annual Action Plan, the following opportunities for public participation were taken:

- Ad-hoc Housing and Public Services Grant Committee public meeting to receive input regarding public service needs and to prioritize funding for FY 2023-2024 public service grants (March 15, 2023)
- Public Notice – 30-day comment period and public hearing
- Public Hearing – City Council Public Hearing to receive additional public input and to approve the FY 2023-2024 Annual Action Plan (May 2, 2023).
- A Housing Affordability Survey was advertised via City social media outlets, at the Community Senior Center during grocery pick-up, in the Community Senior Center newsletter, through NHS Outreach workers and at the Fair Housing Workshop for Spanish Speakers held on on March 23rd, 2023.

Summary of public comments

See **Attachment 2**.

6. Summary of comments or views not accepted and the reasons for not accepting them

See **Attachment 2**.

7. Summary

The Action Plan serves to implement the Consolidated Plan objectives which were developed to address priority housing and community needs using federal resources (i.e., CDBG and HOME). The Annual Action Plan provides specific information regarding the resources and activities the City will utilize to address priority needs and specific objectives identified in the Consolidated Plan during the 12 month Action Plan period. The 2023-2024 Action Plan begins July 1, 2023, and ends June 30, 2024. The Annual Plan will also serve as the City's application to HUD for \$1,010,506 in CDBG and \$509,260 in HOME funds for FY 2023-2024.

The Action Plan is also the expenditure plan for HUD grant funds, prior year grant funds, and anticipated program income resources.

AP-10 Consultation – 91.100, 91.200(b), 91.215(I)

1. Introduction

The Annual Action Plan preparation process requires jurisdictions to contact and consult with other public and private agencies and residents when developing respective plans. For the FY 2023-2024 Annual Action Plan, the City consulted with the public and private agencies listed below. Also listed below are the steps taken by the City to solicit the input of community residents.

Provide a concise summary of the jurisdiction’s activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(I))

The City of Costa Mesa does not own or manage public housing. Similarly, the City does not administer the Housing Choice Voucher or Section 8 Certificate rental assistance programs, however, Costa Mesa has an executed MOU with the Orange County Housing Authority (OCHA) to participate in their Housing Choice Voucher (HCV) Set-Aside Program, which makes available HCV’s only for participating jurisdictions. Rental assistance voucher/certificate programs are administered in the City of Costa Mesa by OCHA. The City is a member of the OCHA Cities Advisory Committee, which provides OCHA staff with direct input regarding program policies.

The City's Network for Homeless Solutions (NHS) is a task force comprised of representatives of various City departments, nonprofit service agencies, and representatives of faith-based service providers. The main focus of the NHS is to find workable solutions to address the needs of those experiencing and at-risk of homelessness, especially those with close ties to Costa Mesa. Additionally, the City works closely with other Orange County HUD-grantee communities to develop regional plans and share program management data. The City also has a strong partnership with local behavioral health providers like Share Our Selves (SOS) and College Hospital, who participate in the City’s Network for Homeless Solutions and attend monthly NHS meetings.

Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.

Since 2014, the Network for Homeless Solutions (NHS) has directly addressed homeless issues in Costa Mesa. As outlined above, the NHS is a working group of City staff, representatives of service providers, and faith-based organizations. The NHS is focused on establishing direct links to services for the homeless, especially those with strong ties to Costa Mesa, facilitating access to services and housing options. The NHS also serves as a liaison to the business community and resident groups.

Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS

The City is not a recipient of Emergency Solutions Grant (ESG) funds; therefore, it does not assist the OC CoC with determining ESG allocations, evaluating the outcomes, or developing policies and procedures for administering the regional Homeless Management Information System (HMIS).

2. Describe Agencies, groups, organizations and others who participated in the process and describe the jurisdiction’s consultations with housing, social service agencies and other entities

	Agency/Group/Organization Type	Services-homeless; Nonprofit
	What section of the Plan was addressed by Consultation?	Homeless Needs - Chronically homeless Homeless Needs - Families with children Homelessness Strategy
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	Zoom Meetings Phone Calls Quarterly Reporting Agency runs the City shelter and helped identify needs and provided input regarding the those experiencing homelessness and those at risk of becoming homeless
7	Agency/Group/Organization	Families Forward
	Agency/Group/Organization Type	Services-homeless; Nonprofit
	What section of the Plan was addressed by Consultation?	Homeless Needs - Families with children Homelessness Strategy
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	Zoom Meetings Email Correspondence Monthly & Quarterly Reporting Agency helped identify needs and assisted with the implementation of the City's homeless service/housing strategy with a focus on families with children experiencing homelessness

8	Agency/Group/Organization	Project Hope Alliance
	Agency/Group/Organization Type	Services-Children; Nonprofit
	What section of the Plan was addressed by Consultation?	Youth Services
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	In Person Meetings Email Correspondence Quarterly Reporting Agency helped identify the needs of school-age children and provided input on the gaps in services for McKinney Vento youth and their families
9	Agency/Group/Organization	Trellis
	Agency/Group/Organization Type	Services - Elderly Persons; At-risk of Homelessness; Nonprofit
	What section of the Plan was addressed by Consultation?	Senior Services; At-Risk Services
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	In Person Meetings Email Correspondence Quarterly Reporting Agency helped identify needs and provided input regarding the City's seniors and low-income residents, specifically low-income tenants
10	Agency/Group/Organization	Youth Employment Services
	Agency/Group/Organization Type	Services-Employment; Nonprofit
	What section of the Plan was addressed by Consultation?	Economic Development Youth Services
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	In Person Meetings Email Correspondence Quarterly Reporting Agency helped identify needs and provided input regarding the City's youth, specifically employment needs/opportunities for youth age 16 to 24

11	Agency/Group/Organization	Community SeniorServ, Inc.
	Agency/Group/Organization Type	Services-Elderly Persons; Nonprofit
	What section of the Plan was addressed by Consultation?	Non-Homeless Special Needs Anti-poverty Strategy
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	In Person Meetings Survey Email Correspondence Monthly & Quarterly Reporting Agency helped identify needs and provided input regarding the City's special needs populations, specifically seniors and frail elderly

Table 2 – Agencies, groups, organizations who participated

DRAFT

Identify any Agency Types not consulted and provide rationale for not consulting

The City made an effort to have an open consultation process. No agency/service type was knowingly excluded from the process.

Any agency or organization that was not consulted and would like to be included in the City’s list of stakeholders, the agency or organization may contact the Development Services Department, Housing and Community Development Division at 714-754-5678 or at hcd@costamesaca.gov.

Other local/regional/state/federal planning efforts considered when preparing the Plan

Name of Plan	Lead Organization	How do the goals of your Strategic Plan overlap with the goals of each plan?
Continuum of Care	Orange County 211	Provides regional and local point in time homeless survey data, development of the regional 10-Year Plan to End Homelessness, and development of the regional Discharge Plan
City of Costa Mesa Housing Element	City of Costa Mesa	Provides housing priorities and program goals
City of Costa Mesa Capital Improvement Plan	City of Costa Mesa	Identifies priority capital improvement projects which may be CDBG-eligible
5-Yr. & 1-Yr. PHA Plan	Orange County Housing Authority	Identifies OCHA resources to address the housing needs of lower-income renter householders in the County and City
Analysis of Impediments to Fair Housing	Orange County HUD Grantee Cities and the County of Orange	Countywide document that identifies fair housing impediments within participating cities and outlines a plan to address fair housing issues

Table 3 – Other local / regional / federal planning efforts

Narrative (optional)

The City has a monthly NHS meeting with City staff, representatives of service providers and nonprofit organizations, faith-based organizations and formerly homeless residents to discuss the City’s need, approach and strategy for outreach and support of individuals experiencing or at-risk of homelessness. The Housing & Community Development Division works with subrecipients of CDBG and HOME funds to ensure a coordinated effort among service agencies in the City to address the needs of Costa Mesa residents, including chronically homeless individuals, at-risk families with children, seniors, veterans, unaccompanied youth, and persons who were recently homeless, but now live in permanent housing.

To promote economic opportunities for low-income residents, the City partners with subrecipient nonprofit organizations providing career planning and job training for at-risk youth. Additionally, the City ensures that information is disseminated through appropriate channels to connect job opportunities for low-income individuals with HUD-assisted projects consistent with the objectives of Section 3 of the Housing and Community Development Act of 1968.

DRAFT

AP-12 Participation – 91.105, 91.200(c)

1. Summary of citizen participation process/Efforts made to broaden citizen participation Summarize citizen participation process and how it impacted goal-setting

The City of Costa Mesa’s Housing and Public Service Grants Ad Hoc Committee meets twice a year with further meetings scheduled on an as-needed basis to help promote community understanding of the activities funded by the U.S. Housing and Urban Development Department (HUD) and Community Development Block Grants (CDBG) with a focus on social service grants. Every March, members of the Committee hear presentations from several nonprofit organizations to determine which will receive CDBG funds in the upcoming fiscal year. Their recommendations are then presented to the City Council. During the March meeting, nonprofit organizations provide information about the services they provide and the gaps in services that exist for Costa Mesa low-income residents and those experiencing homelessness in Costa Mesa. The Housing and Public Service Grants Committee meeting is a public meeting where citizen participation is encouraged during public comment. Members of the public have a second opportunity to participate in the planning process during the Public Hearing at City Council or by providing comment on the posted Draft Annual Action Plan during the 30-day comment period prior to the Public Hearing. Efforts made to broaden citizen participation this year included three Public Hearings held for the HOME-ARP allocation plan, which informed the goal-setting for the Annual Action Plan, a Fair Housing workshop presented in Spanish and promoted by local community leaders, and a survey on rental housing affordability in the City.

Citizen Participation Outreach

Table 4 – Citizen Participation Outreach

Expected Resources

AP-15 Expected Resources – 91.220(c)(1,2)

Introduction

The City will receive an allocation of \$1,010,737 in CDBG funds and \$509,260 in HOME funds for FY 2023-2024. Additionally, \$78,797 in prior year uncommitted CDBG funds, a possible \$600,000 in re-programmed CDBG funds and \$40,000 in HOME Program Income (PI) funds are available for programming. The possible \$600,000 in re-programmed CDBG funds would be a reallocation of funds from the Westside Residential Street Improvements Project as listed in the FY 2022-2023 Annual Action plan due to the potential for an alternative grant funding source to be identified during the Action Plan preparation process. If re-programmed, the funds would be allocated toward Infrastructure and Facility Improvements consistent with the Consolidated Plan. Eligible improvements include:

- Public Facilities
 - o accessibility & facility improvements
- Park Facility Improvements
 - o Park improvements – various parks in CDBG eligible areas; equipment replacement, fencing, signage, trail restoration
 - o Park expansion/development – various parks in CDBG eligible areas; master plan updates; management and restoration plans
- Homeless Shelter Improvements
- Community Center Improvements
- Fire station Improvements
- Library Improvements
- Other public facilities that serve special needs populations

The activity (facility improvement) will be listed in the final Annual Action Plan following the public comment period and the City Council Public Hearing. The final Annual Action Plan will be submitted to HUD. The City's application for funds is in the federal Standard Form 424 (SF-424).

Fluctuations in CDBG and HOME funding make it difficult to estimate the amount available over the five years of the Consolidated Plan. Anticipated funds that may be available to implement the Consolidated Plan are remaining one-time CDBG-CV funds to prepare, prevent or

respond to the impacts of the Coronavirus; one-time HOME-ARP funds, Housing Authority (former redevelopment successor agency) funds, the general fund for the homeless shelter, and housing voucher/certificate resources via OCHA.

Anticipated Resources

Program	Source of Funds	Uses of Funds	Expected Amount Available Year 1				Expected Amount Available Remainder of ConPlan \$	Narrative Description
			Annual Allocation: \$	Program Income: \$	Prior Year Resources: \$	Total: \$		
CDBG	public - federal	Acquisition Admin and Planning Economic Development Housing Public Improvements Public Services	\$1,010,737	0	\$678,797	\$1,689,303	1,000,000	Remainder estimate is based on an annual allocation of \$1,000,000.
HOME	public - federal	Acquisition Homebuyer assistance Homeowner rehab Multifamily rental new construction Multifamily rental rehab New construction for ownership TBRA	\$509,260	\$40,000		\$549,260	500,000	Remainder estimate is based on an annual allocation of \$500,000.

Table 5 - Expected Resources – Priority Table

Explain how federal funds will leverage those additional resources (private, state and local funds), including a description of how matching requirements will be satisfied

For the foreseeable future, the City will continue to allocate General Fund and the local Housing Authority (as the City's Successor Agency) resources for homeless services. Additionally, the City has a partnership with Newport Beach to support the ongoing operations of the Bridge Shelter that was previously vacant warehouse in 2019. Primarily CDBG funding was used for the rehabilitation of the warehouse in 2019.

The City also has a small CalHome owner-occupied housing rehabilitation loan program. CalHome-funded rehab loans are leveraged with HOME funds, which provides a source of match for the City's HOME program. If available, the City will use CalHome to fund rehab loans during FY 2023-2024. The CDBG program does not have a match requirement.

Depending on the financing structure of a given activity, it may be advantageous for the City to use CDBG and HOME funds to leverage appropriate state, local and private resources. An example of such a project is the Motel 6 Housing Project, a conversion from a 94 guest room motel into 88 units of permanent affordable housing for veterans, senior citizens and other individuals previously experiencing homelessness. The project includes State funding from the California Department of Housing and Community Development (HCD) Homekey Program, VASH Vouchers and LMIHAF funds from OCHA, MHSA funds from Orange County, and American Rescue Plan Act (ARPA) funds from the City in addition to City HOME funding. The City closed on financing for this 88-unit Permanent Supportive Housing Project during FY 2022-2023. This project and similar projects provide additional sources of match for the City's HOME program.

The final Action Plan containing the final adjusted funding allocations per City Council on May 2, 2023 to projects and activities will be posted at [Housing and Community Development | City of Costa Mesa \(costamesaca.gov\)](https://www.costamesaca.gov/housing-and-community-development)

If appropriate, describe publicly owned land or property located within the jurisdiction that may be used to address the needs identified in the plan

Costa Mesa is considered a built-out community with little vacant land available for new development. The City has begun to recycle land to accommodate growth. The City's Housing Element identifies City-owned and State-owned properties, and considers various options for the sites. Development opportunities are identified in the Housing Element. The most recent Housing Element covers years 2021 through 2029 and includes updates to the development opportunities to address the needs identified in the Consolidated Plan. For example, the Housing Element

identifies the City's Senior Center property as a potential opportunity for redevelopment to accommodate affordable housing units including for seniors. In addition, the Housing Element identifies the State's Fairview Developmental Center site as a potential housing opportunity site. In December 2022, an agreement between the City and the State was signed which provided \$3.5 Million in State funds to the City for land use planning and zoning at the Fairview Developmental site focused on accommodating housing for households at all income levels, including permanent supportive housing.

In 2019, the City utilized over \$6,000,000 in non-HUD funds to purchase a property that has been rehabilitated to provide 50 to 100 emergency shelter beds for adult men and women experiencing homelessness. The addition of these shelter beds help address priority needs identified in the City's Consolidated Plan.

Discussion

Funding resources to implement the City's 2023-2024 Annual Action Plan are limited. For FY 2023-2024, the City will receive an allocation of \$1,010,737 in CDBG funds and \$509,260 in HOME funds. Prior year funds for CDBG and HOME are also available. HOME housing rehabilitation loan repayments have provided the City with additional funding in the past; however, this source of revenue is susceptible to the fluctuations of the economy and is unpredictable.

The City will continue to support OCHA's efforts to secure new rental assistance resources and provide HOME funded tenant based rental assistance as long as funding is available. For the foreseeable future the City will continue to support homeless service programs serving individuals with strong ties to Costa Mesa with local funds. City, State and funds from Newport Beach will be used to operate the homeless shelter.

Annual Goals and Objectives

AP-20 Annual Goals and Objectives

Goals Summary Information

Sort Order	Goal Name	Start Year	End Year	Category	Geographic Area	Needs Addressed	Funding	Goal Outcome Indicator

Table 6 – Goals Summary

Goal Descriptions

1	Goal Name	Housing Preservation
	Goal Description	To provide decent and affordable housing through a variety of activities, including owner-occupied housing rehabilitation, code enforcement, and rental housing acquisition/rehabilitation
2	Goal Name	Infrastructure and Facility Improvements
	Goal Description	To enhance the suitability of the living environment through improvements to public infrastructures and facilities
3	Goal Name	Homeless Continuum of Care
	Goal Description	To provide supportive services and housing assistance for the homeless and near homeless
4	Goal Name	Public Social Services
	Goal Description	To provide services for low- and moderate-income persons and those with special needs
5	Goal Name	Program Administration
	Goal Description	To provide administration of the CDBG and HOME programs, including fair housing services and ensuring effective and efficient delivery of programs and services and complying with all HUD program requirements

10	HOME TBRA

Table 7 - Project Information

Describe the reasons for allocation priorities and any obstacles to addressing underserved needs

The City recognizes that special needs populations (i.e., seniors, disabled, and households with extremely low-income) are more likely at risk to become homeless because they have limited incomes and have other issues that require housing and supportive services; therefore, the City considers services for those already homeless a high need to merit funding. The City is allocating 100 percent of its non-administrative CDBG and HOME funds for FY 2023-2024 to projects and activities that benefit low- and moderate- income people throughout the City.

The primary obstacles to meeting the underserved needs of low- and moderate- income residents include a lack of funding from federal, state and local sources, and the high cost of housing combined with the low vacancy rate in Costa Mesa and throughout Orange County.

AP-38 Project Summary

Project Summary Information

1	Project Name	CDBG Administration
	Target Area	Citywide
	Goals Supported	Program Administration
	Needs Addressed	Planning and Administration
	Funding	CDBG: \$182,101
	Description	CDBG Program oversight
	Target Date	6/30/24
	Estimate the number and type of families that will benefit from the proposed activities	N/A
	Location Description	77 Fair Drive, Costa Mesa, CA
	Planned Activities	Program oversight and coordination
2	Project Name	CDBG Fair Housing
	Target Area	Citywide
	Goals Supported	Public Social Services
	Needs Addressed	Public Services
	Funding	CDBG: \$20,000
	Description	Fair housing outreach, education and enforcement services
	Target Date	6/30/24
	Estimate the number and type of families that will benefit from the proposed activities	186 individuals
	Location Description	Citywide
	Planned Activities	Community outreach, education, and enforcement of fair housing laws
3	Project Name	CDBG Housing Rehabilitation Administration
	Target Area	Citywide
	Goals Supported	Housing Preservation
	Needs Addressed	Housing Preservation
	Funding	CDBG: \$50,000
	Description	CDBG funds staff costs associated with the direct delivery of owner-occupied housing rehabilitation loans and grants
	Target Date	6/30/24
	Estimate the number and type of families that will benefit from the proposed activities	N/A – The number of households to be assisted is accounted for under the HOME program – this activity is to pay for a portion of the administrative expenses associated with the HOME-funded Housing Rehabilitation Program
	Location Description	Citywide
	Planned Activities	Staff costs associated with the delivery of housing rehabilitation loans and grants

4	Project Name	CDBG Public Services
	Target Area	Citywide
	Goals Supported	Public Social Services
	Needs Addressed	Public Services
	Funding	\$151,575
	Description	Provide public services designed to affirmatively further fair housing choice and provide youth, seniors and low-income families with services such as food, case management, educational and employment activities. Provide public services for with special needs and services for seniors so elderly residents can live as independently as possible.
	Target Date	6/30/24
	Estimate the number and type of families that will benefit from the proposed activities	800 individuals
	Location Description	Citywide
	Planned Activities	Public Services (City Program and Nonprofits providing public services to be listed here after Council approval in the final draft of the Annual Action Plan)
5	Project Name	CDBG Special Housing Code Enforcement
	Target Area	CDBG Eligible Areas
	Goals Supported	Housing Preservation
	Needs Addressed	Housing Preservation
	Funding	CDBG: \$360,000
	Description	Enforcement of housing and building codes and connecting residents with housing-related resources
	Target Date	6/30/2024
	Estimate the number and type of families that will benefit from the proposed activities	200 housing units
	Location Description	77 Fair Drive, Costa Mesa, CA – City Hall

6	Project Name	CDBG Capital Improvements Project
	Target Area	CDBG Target Area
	Goals Supported	Infrastructure and facility Improvements
	Needs Addressed	Improve public facilities and infrastructure
	Funding	\$925,627
	Description	Improve public facilities and infrastructure to benefit low- and moderate- income residents or those presumed under HUD regulations to be low- and moderate- income such as the elderly and disabled adults. This includes facilities owned and operated by the City of Costa Mesa that are open and available to residents as well as facilities owned and operated by nonprofit organizations serving the public that are open to the public during normal business hours.
	Target Date	6/30/24
	Estimate the number and type of families that will benefit from the proposed activities	TBD
	Location Description	Citywide
	Planned Activities	Rehabilitation of public facilities and/or infrastructure. Project TBD in final Annual Action Plan Eligible planned projects are listed in the 2020-2024 Consolidated Plan
7	Project Name	HOME Administration
	Target Area	Citywide
	Goals Supported	Program Administration
	Needs Addressed	Planning and Administration
	Funding	HOME: \$50,926
	Description	HOME funds for program oversight and coordination
	Target Date	6/30/24
	Estimate the number and type of families that will benefit from the proposed activities	N/A
	Location Description	77 Fair Drive, Costa Mesa, CA
	Planned Activities	HOME Program oversight and coordination

8	Project Name	HOME Affordable Housing (CHDO)
	Target Area	Citywide
	Goals Supported	Housing Preservation
	Needs Addressed	Housing Preservation
	Funding	HOME: \$76,389
	Description	HOME-CHDO funds reserved for eligible housing project (to be determined)
	Target Date	6/30/24
	Estimate the number and type of families that will benefit from the proposed activities	1 housing unit – Goal entered for data input purposes only
	Location Description	TBD
	Planned Activities	TBD
9	Project Name	HOME Housing Rehabilitation
	Target Area	Citywide
	Goals Supported	Housing Preservation
	Needs Addressed	Housing Preservation
	Funding	HOME: \$271,945
	Description	HOME funds for owner-occupied housing rehabilitation loans and grants.
	Target Date	6/30/24
	Estimate the number and type of families that will benefit from the proposed activities	11 low- and moderate- income homeowners (1 loan and 10 grants)
	Location Description	Citywide
	Planned Activities	Housing rehabilitation loans and grants to address deferred property improvements and building code deficiencies
10	Program Name	HOME Tenant Based Rental Assistance (TBRA)
	Target Area	Citywide
	Goals Supported	Homeless Continuum of Care
	Needs Addressed	Homeless Services and Housing
	Funding	HOME: \$150,000
	Description	The City will use HOME funds for tenant based rental assistance to assist low-income residents with rental assistance to make renting more affordable.
	Target Date	6/30/24
	Estimate the number and type of families that will benefit from the proposed activities	5 households
	Location Description	Citywide
	Planned Activities	HOME funds will be used to provide tenant-based rental subsidies.

AP-50 Geographic Distribution – 91.220(f)

Description of the geographic areas of the entitlement (including areas of low-income and minority concentration) where assistance will be directed

Geographic Distribution

Target Area	Percentage of Funds
Citywide	68
CDBG Eligible Areas	32

Table 8 - Geographic Distribution

Rationale for the priorities for allocating investments geographically

HUD funding will primarily be allocated on a citywide basis as the City's primary intent is to serve eligible Costa Mesa households in need of housing and services regardless of where they live. As the City's CDBG-eligible areas tend to be older sections of the City, area-wide activities will help to improve and sustain these neighborhoods and encourage property owners to also invest in their properties.

Discussion

As indicated above, CDBG and HOME funds will be focused on programs that serve eligible residents regardless of where they live. It is also expected that the City's investment in neighborhoods will create a synergy whereby other property owners will also invest in their homes and community.

Affordable Housing

AP-55 Affordable Housing – 91.220(g)

Introduction

During FY 2023-2024, proposed activities to be funded with CDBG and HOME funds will meet the housing needs of the following households

One Year Goals for the Number of Households to be Supported	
Homeless	4
Non-Homeless	11
Special-Needs	0
Total	15

Table 9 - One Year Goals for Affordable Housing by Support Requirement

One Year Goals for the Number of Households Supported Through	
Rental Assistance	5
The Production of New Units	0
Rehab of Existing Units	11
Acquisition of Existing Units	0
Total	16

Table 10 - One Year Goals for Affordable Housing by Support Type

Discussion

The City will focus FY 2023-2024 HOME funds on the rehabilitation of existing owner-occupied housing units, TBRA and affordable housing. While not the program's primary focus, some special-needs households (seniors and disabled) may be assisted during the year via the City's Housing Rehabilitation Program.

Since 2020, the City has allocated nearly \$1.8M to provide rapid rehousing and homelessness prevention services through City-wide rental assistance programs. It is anticipated that OCHA will continue to provide rental assistance to approximately 570 Costa Mesa renter households during FY 2023-2024.

In an effort to preserve and increase affordable housing opportunities for lower income households, the City solicited applications in FY 2022-2023 for funding and/or selecting developers by issuing a Request for Proposal (RFP) for the development of permanent affordable rental housing in the City using HOME Program funds. The RFP included program income and prior year uncommitted HOME program funds. The City recently closed financing on an 88-unit Permanent Supportive Housing project and is worked with another developer to complete an 8-unit affordable housing project for households with minor children using a separate funding source.

FY 2023-2024 HOME CHDO funds are included in the Annual Action Plan for Affordable Housing projects; however, no specific project has been identified at this time.

DRAFT

AP-65 Homeless and Other Special Needs Activities – 91.220(i)

Introduction

As outlined in the 2020-2024 Consolidated Plan, the City's homeless strategy is to support programs that prevent homelessness by providing safety net services. These programs will help households, especially extremely low-income households, maximize the amount of income they have available for housing. Additionally, both HUD and City resources will be allocated to provide access to a continuum of services and housing to assist those experiencing homelessness and with strong ties to the community.

Describe the jurisdictions one-year goals and actions for reducing and ending homelessness including

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

The City of Costa Mesa Network for Homeless Solutions (NHS) is an eight person team of outreach workers who meet people where they are to forge genuine relationships, get people connected to services, and, ultimately, facilitate their transition into permanent housing. Partnering agencies are CityNet, PATH (Orange County North and Central Service Planning Area (SPA) contracted outreach provider, Save Our Selves (SOS), Lighthouse Church, Mercy House, Trellis, Chrysalis, Project Hope Alliance, Meals on Wheels OC, Families Forward, Serving People In Need (SPIN), and Someone Cares Soup Kitchen. The City has been and continues to use one-time CDBG-CV funds to respond to the increased outreach needs of those experiencing or at-risk of homelessness due to the impacts of the Coronavirus pandemic.

Addressing the emergency shelter and transitional housing needs of homeless persons

The City owns and operates a 70-bed emergency shelter. The facility is funded in partnership with the City of Newport Beach. Mercy House, a nonprofit organization, is the Shelter Operator and Bracken's Kitchen, a nonprofit organization, operates the full-service commercial kitchen. Shelter partners are Mercy House, Bracken's Kitchen, Trellis, Orange County Housing Authority (OCHA), Santa Ana Housing Authority (SAHA), Anaheim Housing Authority (AHA) and Garden Grove Housing Authority (GGHA). The City utilized CDBG funds to repurpose a warehouse into the shelter facility in 2019 and CDBG public service funds have been applied to a portion of the security costs at the shelter. Since that time, the Bridge Shelter has assisted over 350 individuals with emergency shelter and associated services.

No FY 2023-2024 CDBG funding is allocated for transitional housing, however, CDBG funding is allocated for supportive services of families receiving transitional housing services through Families Forward.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that

individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

The Network for Homeless Solutions (NHS) includes an eight-person team of Outreach Workers, a 70-bed emergency shelter, and the provision of affordable/supportive housing. Each one of these components seeks to engage with those experiencing homelessness to ensure full access to all available resources and a smooth transition into permanent housing. This constant engagement shortens one's length of homelessness and ensures those that have secured permanent housing are able to thrive in their new environments. Since April 2019, the City of Costa Mesa has assisted 275 formerly homeless people to secure permanent housing. Additionally, the City utilizes HOME funds to provide tenant based rental assistance to low and very-low income households both experiencing and at-risk of homelessness.

The City is committed to increasing access to affordable housing units through advocacy for and development of affordable and supportive housing units. The City recently closed financing on an 88-unit Permanent Supportive Housing project and worked with another developer to complete an 8-unit affordable housing project for households with minor children. The City's COC partners include Mercy House, Families Forward, Illumination Foundation, Jamboree Housing, Trellis, CityNet, SPIN, Orange County Office of Care Coordination, Orange County Housing and Community Development, HUD, State HCD, and Orange County Housing Finance Trust.

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); or, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs.

The City's homeless strategy is based on the proposition that it is less expensive and disruptive for a household to remain housed in their existing home than to be rehoused. To this end, the City will focus its resources on agencies that provide various safety-net services to prevent households from becoming homeless. The City will support programs that provide low-cost meals, counseling, and employment/job skills development services for lower-income individuals. Safety-net services allow households to save a portion of income previously spent on food, clothes, etc. and preserve their housing. Additionally, the City implemented a pilot TBRA program in 2021 and released an RFP 2023 to remove the "pilot" status from the program and continue to provide HOME funded rental assistance and/or security deposit assistance to low-income City residents that are severely rent burdened and at-risk of homelessness. The City has also used and continues to use (until funds are expended) CDBG-CV and ARPA funds to provide emergency rental assistance to low-income residents facing financial hardships as a result of the Coronavirus pandemic and its subsequent impact to the economy. Since 2020, the City has allocated

nearly \$1.8M to provide rapid rehousing and homelessness prevention services through City-wide rental assistance programs.

Discussion

The City has a well-developed strategy to address homelessness in the community. This strategy includes outreach and assessment services for homeless and chronic homeless individuals. Program staff will attempt to link individuals to appropriate housing, support services, and public assistance programs (e.g., VA benefits, SSI). To undertake this effort, the City partners with local nonprofit service providers and community-based volunteers. Based on assessments, individuals or households are referred to appropriate housing/service providers. City staff will coordinate the delivery of services and housing with providers to reduce the number of homeless individuals in the community. Both HUD and City funds will be used to carry out these activities, including outreach, emergency shelter, and the provision of affordable and supportive housing.

DRAFT

AP-75 Barriers to affordable housing – 91.220(j)

Introduction

A strategy to address barriers to affordable housing and actions to overcome these barriers is provided in the City's Housing Element and Consolidated Plan. The current Housing Element covers the eight-year planning cycle of 2021-2029 and provides updated strategies to address barriers to affordable housing since the completion of the consolidated planning process. The City will continue efforts to address these barriers, incorporating the updated strategies, during the 2023-2024 Program Year.

Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment

According to the City's Housing Element, governmental agencies' actions or policies can impact the private sector's ability to provide adequate housing to meet consumer demands. Local governments exercise regulatory and approval powers that directly impact residential development within their respective jurisdiction. These powers establish the location, intensity, and type of units that may or may not be developed. The City's General Plan, zoning regulations, project review and approval procedures, development, and processing fees all play important roles in determining the cost and availability of housing opportunities in Costa Mesa.

- General Plan and Zoning: The Costa Mesa General Plan and Zoning Ordinance establish the location and amount of land allocated to residential development and the intensity of development (in terms of unit densities and the total number of units) that will be permitted. Densities and other development standards can affect the cost of developing housing and thus the ultimate cost.
- Local Entitlement Processing and Fees: Two aspects of local government that have been criticized as placing undue burdens on building affordable housing are the fees or other exactions required of developers to obtain project approval and the time delays caused by the review and approval process. Critics contend that lengthy review periods increase financial and carrying costs and that fees and exactions increase expenses. These costs are typically passed onto the prospective homebuyer in the form of higher purchase prices or higher rents in the case of tenants.
- Processing Procedures: The time required to process a project varies tremendously from one project to another and is directly related to the size and complexity of the proposal and the number of actions or approvals needed to complete the process.
- Planning and Development Fees: The developer is required to pay certain fees for only the net increase of residential units on site. Fees, land dedications, or improvements are also required in public improvements (streets, sewers, and storm drains) to support the new development. Fees are based on the significance of the necessary public works improvements, thus vary from

project to project. While such costs are charged to the developer, most, if not all, additional costs are passed to the ultimate product consumer in the form of higher prices or rents. Various governmental agencies also charge fees depending on the service and the location of the project

- On/Off-Site Improvement Standards: Costs associated with site improvements are an important component of new residential development costs. Site improvement costs are applied to provide sanitary sewer and water service to a project, make necessary transportation improvements, and provide the infrastructure. The City may require the payment for various offsite improvements as part of project mitigation measures (e.g., payment toward an offsite traffic signal). The City's on- and off-site improvement requirements are typical for urban development in a highly developed community. While these improvements add to housing costs, they do not constrain housing development as these improvements are similarly required in all surrounding communities.

If available, subsidies may also be provided for qualified, affordable housing projects (e.g., HOME funds). There is no local tax.

Discussion:

The City's Housing Element outlines the City's plan to address barriers to affordable housing. The Consolidated Plan mirrors the Housing Element, which provides resources and incentives to developers willing to dedicate developed units for lower-income households.

AP-85 Other Actions – 91.220(k)

Introduction:

As outlined in the City's Consolidated Plan, the City will implement the following actions during FY 2023-2024 to address the "Other Actions" or sub-strategies identified in the Consolidated Plan.

Actions planned to address obstacles to meeting underserved needs

The City will allocate a portion of its CDBG and HOME funds for activities that address the housing and service needs of the elderly and lower-income households. Additionally, the City will encourage and support OCHA's efforts to obtain additional rental assistance funding, especially for senior and low-income households. OCHA reports that as of January 2023, 392 Costa Mesa households received rental housing assistance. (This total includes disabled households, elderly households, and families, among these populations are 11 homeless and 24 Veterans households). The City's housing rehabilitation program will also assist elderly homeowners in improving their residences to address specific household needs.

Actions planned to foster and maintain affordable housing

The City of Costa Mesa has identified the actions it will undertake during FY 2023-2024 to foster and maintain affordable housing. The Annual Action Plan identified programs such as Owner-Occupied Housing Rehabilitation assistance as the means to maintain and improve housing currently available to low- and moderate-income residents. By providing deferred payment loans and grants, lower-income households can rehabilitation their residence to meet basic housing quality standards and incur zero or minimal additional housing costs. An estimated 11 housing units will be assisted with HOME funds during FY 2023-2024. Additionally, the City has allocated HOME CHDO funds to accommodate a potential housing project. The City recently closed financing on an 88-unit Permanent Supportive Housing project and worked with another developer to complete an 8-unit affordable housing project for households with minor children.

Actions planned to reduce lead-based paint hazards

Based on past housing rehabilitation program statistics, only a small percentage of housing units rehabilitated with City resources contain lead-paint hazards. To ensure compliance with all current HUD lead-based paint regulations, all housing units constructed before 1978, which are rehabilitated with City resources, will be tested for lead-paint hazards. If needed, additional grant funds may be allocated to a project to ensure all lead-based hazards are mitigated.

Actions planned to reduce the number of poverty-level families

The City will assist programs and services that combat poverty. During FY 2023-2024, the City will fund

the following activities to support the implementation of this strategy:

- Implement housing programs (including housing rehabilitation assistance) for lower-income senior and disabled homeowners
- Support rental assistance programs provided by the OCHA for very low-income renters and provide tenant based rental assistance to residents who are severely housing burdened
- Support services for individuals presently housed but at risk of losing their residence. Also, assist those already homeless in need of shelter and continue coordinating services with nonprofit partners
- Support safety-net public services programs to improve the quality of life for seniors, youth, disabled, homeless, and other populations that may be severely impacted by the cost of living in the region

Actions planned to develop institutional structure

The City has made an effort to establish an institutional structure to help identify and access resources to improve the community. For example, the City will continue to work with nonprofit entities to deliver public services. As a member of the Orange County Continuum of Care Community Forum, the City will provide critical information to the County of Orange to prepare the County's Continuum of Care Homeless Assistance grant application to HUD. Costa Mesa will also continue to fund activities that help address gaps and needs in the regional system of care. Finally, the City will continue to assist the Orange County Housing Authority in implementing its Five-year PHA plan.

Actions planned to enhance coordination between public and private housing and social service agencies

The City of Costa Mesa does not operate public housing. The Orange County Housing Authority provides rental assistance in the community. Federal legislation requires that the Housing Authority prepare a five-year and a one-year plan that highlights its mission, goals and objectives related to public and assisted housing programs. The City will review the Authority's plans and provide OCHA the opportunity to review and consult with the City regarding its Consolidated Plan/Annual Action Plan. The goal of this cross-consultation is to provide consistent and coordinated housing services for City residents. Ongoing consultation with local nonprofits also assists the City in coordinating the efficient and effective use of limited federal resources.

Discussion:

HUD-funded grant recipients are required under various laws not to discriminate in housing or services directly or indirectly based on race, color, religion, sex, national origin, age, familial status or disability. Grant recipients such as Costa Mesa are required to: (1) examine and attempt to alleviate housing discrimination within their jurisdiction; (2) promote fair housing choices for all persons; (3) provide

opportunities for all persons to reside in any given housing development, regardless of race, color, religion, sex, disability, familial status, national origin, and other personal or familial attributes; (4) promote housing that is accessible to and usable by persons with disabilities; (5) and comply with the non-discrimination requirements of the Fair Housing Act. HUD encourages jurisdictions to consult with one another and initiate region-wide fair housing planning. The **Analysis of Impediments (AI) to Fair Housing Choice** is the primary document utilized for this purpose. In addition to identifying impediments, a strategy to overcome barriers much be developed and implemented - accomplishments are reported annually. The City participated in developing a county-wide AI, which the City Council adopted in May 2020. A summary of impediments to fair housing and the action steps the City will take during FY 2023-2024 are found in **Attachment 4**.

DRAFT

Program Specific Requirements

AP-90 Program Specific Requirements – 91.220(I)(1,2,4)

Introduction:

Community Development Block Grant Program (CDBG) Reference 24 CFR 91.220(I)(1)

Projects planned with all CDBG funds expected to be available during the year are identified in the Projects Table. The following identifies program income that is available for use that is included in projects to be carried out.

1. The total amount of program income that will have been received before the start of the next program year and that has not yet been reprogrammed	0
2. The amount of proceeds from section 108 loan guarantees that will be used during the year to address the priority needs and specific objectives identified in the grantee's strategic plan	0
3. The amount of surplus funds from urban renewal settlements	0
4. The amount of any grant funds returned to the line of credit for which the planned use has not been included in a prior statement or plan.	0
5. The amount of income from float-funded activities	0
Total Program Income	0

Other CDBG Requirements

1. The amount of urgent need activities	0
---	---

HOME Investment Partnership Program (HOME) Reference 24 CFR 91.220(I)(2)

1. A description of other forms of investment being used beyond those identified in Section 92.205 is as follows:

The City is not proposing to utilize HOME funds in a form that is not delineated in Section 92.205.

2. A description of the guidelines that will be used for resale or recapture of HOME funds when used for homebuyer activities as required in 92.254, is as follows:

The City has not and does not plan to utilize HOME funds for homebuyer assistance; however, if funds are redirected to such a program, steps will be taken to ensure program guidelines comply with the applicable resale and recapture regulations.

3. A description of the guidelines for resale or recapture that ensures the affordability of units acquired with HOME funds? See 24 CFR 92.254(a)(4) are as follows:

If a CHDO project comes to fruition, the applicable loan agreement(s) will be prepared to comply with the resale/recapture requirements delineated in 24 CFR 92.254.

4. Plans for using HOME funds to refinance existing debt secured by multifamily housing that is rehabilitated with HOME funds along with a description of the refinancing guidelines required that will be used under 24 CFR 92.206(b), are as follows:

If a CHDO project comes to fruition, program staff will ensure that all applicable program policies are followed, including establishing refinancing guidelines.

Discussion

The City will meet the CDBG Program's overall 70% benefit for low- and moderate-income requirement over three program years: **2023-2024**, **2024-2025**, and **2025-2026**.

With respect to HOME affordable homeownership limits for the area (i.e., 95 percent of the median area purchase price as set forth in 24 CFR 92.254(a)(2)(iii), the City will utilize HUD's HOME affordable homeownership limits for its HOME-funded mobile home rehabilitation program. For single-family, owner-occupied housing rehabilitation, the City conducted a survey in order to establish a maximum property value that is reflective of the local market median home purchase prices, which exceed HUD's published limit. This information will be provided as **Attachment 5** in the final Annual Action Plan.

ATTACHMENT 1

Five-Year and One-Year Summary of Accomplishments

Grantee Name: City of Costa Mesa

Decent Housing

ORANGE COUNTY ANALYSIS OF IMPEDIMENTS TO FAIR HOUSING CHOICE

August 6, 2020

REGIONAL PROPOSED AI GOALS AND STRATEGIES

To address the contributing factors described above, the AI plan proposes the following goals and actions: Regional Goals and Strategies”

Goal 1: Increase the supply of affordable housing in high opportunity areas.¹

Strategies:

1. Explore the creation of a new countywide source of affordable housing.
2. Using best practices from other jurisdictions, explore policies and programs that increase the supply of affordable housing, such as linkage fees, housing bonds, inclusionary housing, public land set-aside, community land trusts, transit-oriented development, and expedited permitting and review.
3. Explore providing low-interest loans to single-family homeowners and grants to homeowners with household incomes of up to 80% of the Area Median Income to develop accessory dwelling units with affordability restriction on their property.
4. Review existing zoning policies and explore zoning changes to facilitate the development of affordable housing.
5. Align zoning codes to conform to recent California affordable housing legislation.

Goal 2: Prevent displacement of low- and moderate-income residents with protected characteristics, including Hispanic residents, Vietnamese residents, other seniors, and people with disabilities.

Strategies:

1. Explore piloting a Right to Counsel Program to ensure legal representation for tenants in landlord-tenant proceedings, including those involving the application of new laws like A.B. 1482.

Goal 3: Increase community integration for persons with disabilities.

Strategies:

1. Conduct targeted outreach and provide tenant application assistance and support to persons with disabilities, including individuals transitioning from institutional settings and individuals who are at risk of institutionalization. As part of that assistance, maintain a database of housing that is accessible to persons with disabilities.
2. Consider adopting the accessibility standards adopted by the City of Los Angeles, which require at least 15 percent of all new units in city-supported Low-Income Housing Tax Credit (LIHTC) projects to be ADA-accessible with at least 4 percent of total units to be accessible for persons with hearing and/or vision disabilities.

¹The term “high opportunity areas” generally means locations where there are economic and social factors and amenities that provide a positive impact on a person’s life outcome. This is described in more detail in Section iii, Disparities in Access to Opportunity.

Goal 4: Ensure equal access to housing for persons with protected characteristics, who are disproportionately likely to be lower-income and to experience homelessness.

Strategies:

1. Reduce barriers to accessing rental housing by exploring eliminating application fees for voucher holders and encouraging landlords to follow HUD's guidance on the use of criminal backgrounds in screening tenants.
2. Consider incorporating a fair housing equity analysis into the review of significant rezoning proposals and specific plans.

Goal 5: Expand access to opportunity for protected classes.

Strategies:

1. Explore the voluntary adoption of Small Area Fair Market Rents or exception payment standards in order to increase access to higher opportunity areas for Housing Choice Voucher holders.
2. Continue implementing a mobility counseling program that informs Housing Choice Voucher holders about their residential options in higher opportunity areas and provides holistic supports to voucher holders seeking to move to higher opportunity areas.
3. Study and make recommendations to improve and expand Orange County's public transportation to ensure that members of protected classes can access jobs in employment centers in Anaheim, Santa Ana, and Irvine.
4. Increase support for fair housing enforcement, education, and outreach.

CITY OF COSTA MESA PROPOSED AI GOALS AND STRATEGIES

1. In collaboration with the Orange County Housing Authority (OCHA):
 - a. Attend quarterly OCHA Housing Advisory Committee to enhance the exchange of information regarding the availability, procedures, and policies related to the Housing Assistance Voucher program and regional housing issues.
 - b. Support OCHA's affirmative fair marketing plan and de-concentration policies by providing five-year and annual PHA plan certifications.
 - c. In coordination with OCHA and fair housing services provider, conduct landlord education campaign to educate property owners about State law prohibiting discrimination based on household income.
2. Through the City's fair housing contractor:
 - a. Provide fair housing education and information to apartment managers and homeowner associations on why denial of reasonable modifications/accommodations is unlawful.
 - b. Conduct multi-faceted fair housing outreach to tenants, landlords, property owners, realtors, and property management companies. Methods of outreach may include workshops, informational booths, presentations to community groups, and distribution of multi-lingual fair housing literature.

CITY OF COSTA MESA

77 Fair Drive
Costa Mesa, CA 92626

Agenda Report

File #: 23-1186

Meeting Date: 5/2/2023

TITLE:

AWARD OF STREET SWEEPING SERVICES

DEPARTMENT: PUBLIC WORKS DEPARTMENT/MAINTENANCE SERVICES
DIVISION

PRESENTED BY: RAJA SETHURAMAN, PUBLIC WORKS DIRECTOR

CONTACT INFORMATION: ROBERT RYAN, MAINTENANCE SERVICES MANAGER, (714)
327-7499

RECOMMENDATION:

Staff recommends the City Council:

1. Award a Maintenance Services Agreement (MSA) for citywide street sweeping services to Sweeping Corp of America (SCA) for an initial two-year period with three one-year renewal periods for a not to exceed annual amount of \$1,467,791.
2. Authorize a ten percent (10%) contingency annually for emergency response, special events and other unforeseen costs and approval for Consumer Price Index (CPI) escalation and de-escalation.
3. Authorize the City Manager and City Clerk to execute the agreement and future amendments to this agreement within Council authorized limits.

BACKGROUND:

The City of Costa Mesa is responsible for the maintenance and regular sweeping of 977 streets, which includes over 850 miles of curb and gutter. On February 6, 2015, the City entered into a five (5) year agreement with three (3) additional one-year renewal periods with CleanStreet to provide weekly street sweeping services citywide. As this term ended in February 2023, a four-month extension of the contract to June 30, 2023, was executed.

In October of 2021, the State of California Department of Industrial Relations (DIR) as a part of Public Works Case No. 2020-005, determined that street sweeping maintenance services for the City of Elk Grove constitute a public work and therefore are subject to prevailing wage requirements.

The Costa Mesa City Attorney's Office reviewed the ruling by the DIR regarding the City of Elk Grove and determined that street sweeping services in Costa Mesa would be subject to prevailing wage as

well, and would be required in the new contract.

ANALYSIS:

On November 8, 2022, the Purchasing Division advertised a Request for Proposal (RFP) No. 23-06 for Street Sweeping Services as required by the City of Cost Mesa Municipal Code. The RFP was posted on the Planet Bids website.

Sweeping Corp of America (SCA) and Guardian Street Sweeping submitted proposals in response to the RFP. While Guardian Street Sweeping submitted the required forms and a cost proposal, they did not provide documentation establishing they met all minimum requirements. Therefore, Guardian Street Sweeping’s proposal is considered non-responsive.

SCA met all the minimum requirements and submitted the appropriate forms. The company, doing business as CleanStreet, has been providing street sweeping services to the City for the last seven (7) years and the Maintenance Services Division has been satisfied with their quality of service.

The new contract for street sweeping has an annual price of approximately, \$1.47 million, almost twice the previous annual contract amount. Staff is currently analyzing options for street sweeping services, including insourcing. This will require additional staff as well as procurement of street sweeping equipment. A detailed analysis of various options will be presented at a future City Council meeting. Meanwhile, staff recommends awarding of the MSA for street sweeping services to Sweeping Corporation of America.

ALTERNATIVES:

The City could re-advertise the Request for Proposal. However, staff believes that re-advertising would not result in locating a higher-rated company with more competitive pricing than received in the initial process. Additionally, the City would be without critical street sweeping services until the new process and contract award are completed. The lapse in sweeping would be unsightly, lead to more debris being passed into the City’s storm drain system, and ultimately the local beaches and ocean; and could lead to potential health and safety issues.

FISCAL REVIEW:

The funding for this contract will be included in the Fiscal Year 2023-24 Public Works Department operation budget.

LEGAL REVIEW:

The City Attorney’s Office has reviewed this report, prepared the Maintenance Services Agreement, and approves them both as to form.

CITY COUNCIL GOALS AND PRIORITIES:

This item supports the following City Council Goal:

- Strengthen the Public’s Safety and Improve the Quality of Life

CONCLUSION:

Staff recommends that City Council:

1. Award a Maintenance Services Agreement (MSA) for citywide street sweeping services to Sweeping Corp of America (SCA), for an initial two-year period with three one-year renewal periods for a not to exceed annual amount of \$1,467,791. (Attachment 1).
2. Authorize a ten percent (10%) contingency annually for emergency response, special events and other unforeseen costs and approval for Consumer Price Index (CPI) escalation and de-escalation.
3. Authorize the City Manager and City Clerk to execute the agreement and future amendments to this agreement within Council authorized limits.

**CITY OF COSTA MESA
MAINTENANCE SERVICES AGREEMENT
WITH
SCA OF CA, LLC**

THIS MAINTENANCE SERVICES AGREEMENT (“Agreement”) is made and entered into this 2nd day of May, 2023 (“Effective Date”), by and between the CITY OF COSTA MESA, a municipal corporation (“City”), and SCA OF CA, a Delaware Limited Liability Company (“Contractor”).

WITNESSETH:

A. City proposes to utilize the services of Contractor as an independent contractor to provide street sweeping maintenance services of City property, as more fully described herein; and

B. Contractor represents that it has the experience and expertise to properly perform such services and holds all necessary licenses to practice and perform the services; and

C. City and Contractor desire to contract for the services and desire to set forth their rights, duties and liabilities in connection with the performance of such services; and

D. No official or employee of City has a financial interest, within the provisions of Sections 1090-1092 of the California Government Code, in the subject matter of this Agreement.

NOW, THEREFORE, for and in consideration of the mutual covenants and conditions contained herein, the parties hereby agree as follows:

1.0. SERVICES PROVIDED BY CONTRACTOR

1.1. Scope of Services. Contractor shall provide the services described in the City’s Request for Proposal (“RFP”), attached hereto as Exhibit “A,” and Contractor’s response to City’s RFP (the “Proposal”) attached hereto as Exhibit “B,” both incorporated herein (the “Services”).

1.2. Prevailing Wage Requirements.

(a) Prevailing Wage Laws. Contractor is aware of the requirements of Chapter 1 (beginning at Section 1720 et seq.) of Part 7 of Division 2 of the California Labor Code, as well as Title 8, Section 16000 et seq. of the California Code of Regulations (“Prevailing Wage Laws”), which require the payment of prevailing wage rates and the performance of other requirements on “public works” and “maintenance” projects. This project is a “maintenance” project and requires compliance with the Prevailing Wage Laws. Contractor shall defend, indemnify and hold the City, its elected officials, officers, employees and agents free and harmless from any claim or liability arising out of any failure or alleged failure to comply with the Prevailing Wage Laws.

(b) Payment of Prevailing Wages. Contractor shall pay the prevailing wage

rates for all work performed under this Agreement. When any craft or classification is omitted from the general prevailing wage determinations, Contractor shall pay the wage rate of the craft or classification most closely related to the omitted classification. A copy of the general prevailing wage rate determination is on file in the Office of the City Clerk and is incorporated into this Agreement as if fully set forth herein. Contractor shall post a copy of such wage rates at all times at the project site(s).

- (c) Legal Working Day. In accordance with the provisions of Labor Code Section 1810 et seq., eight (8) hours is the legal working day. Contractor and any subcontractor(s) of Contractor shall comply with the provisions of the Labor Code regarding eight (8)-hour work day and 40-hour work week requirements, and overtime, Saturday, Sunday, and holiday work. Work performed by Contractor's or any subcontractor's employees in excess of eight (8) hours per day, and 40 hours during any one week, must include compensation for all hours worked in excess of eight (8) hours per day, or 40 hours during any one week, at not less than one and one-half times the basic rate of pay. Contractor shall forfeit as a penalty to City Twenty-Five Dollars (\$25.00), or any greater penalty set forth in the Labor Code, for each worker employed in the execution of the work by Contractor or by any subcontractor(s) of Contractor, for each calendar day during which such worker is required or permitted to the work more than eight (8) hours in one calendar day or more than 40 hours in any one calendar week in violation of the Labor Code.
- (d) Apprentices. Contractor shall comply with the provisions of Labor Code Section 1777.5 concerning the employment of apprentices on public works projects. Contractor shall be responsible for ensuring compliance by its subcontractors with Labor Code Section 1777.5.
- (e) Payroll Records. Pursuant to Labor Code Section 1776, Contractor and any subcontractor(s) shall keep accurate payroll records, showing the name, address, social security number, work classification, straight time and overtime hours worked each day and week, and the actual per diem wages paid to each journeyman, apprentice, worker, or other employee employed by Contractor or any subcontractor in connection with this Agreement. Each payroll record shall contain or be verified by a written declaration that it is made under penalty of perjury, stating both of the following: (1) The information contained in the payroll record is true and correct; and (2) The employer has complied with the requirements of Sections 1771, 1881, and 1815 of the Labor Code for any work performed by his or her employees on this project. The payroll records shall be certified and shall be available for inspection at all reasonable hours in accordance with the requirements of Labor Code Section 1776.
- (f) Registration with DIR. Contractor and any subcontractor(s) of Contractor shall comply with the provisions of Labor Code Section 1771 and Labor Code Section 1725.5 requiring registration with the DIR.

1.3. Performance to Satisfaction of City. Contractor agrees to perform all the work to

the complete satisfaction of City. Evaluations of the work will be done by City's Maintenance Services Manager or his or her designee. If the quality of work is not satisfactory, City in its discretion has the right to:

- (a) Meet with Contractor to review the quality of the work and resolve the matters of concern;
- (b) Require Contractor to repeat the work at no additional fee until it is satisfactory; and/or
- (c) Terminate the Agreement as hereinafter set forth.

1.4. Compliance with Applicable Law. Contractor warrants that it shall perform the services required by this Agreement in compliance with all applicable federal and state employment laws, including, but not limited to, those laws related to minimum hours and wages; occupational health and safety; fair employment and employment practices; workers' compensation insurance and safety in employment; and all other applicable federal, state and local laws and ordinances applicable to the services required under this Agreement. Contractor shall indemnify and hold harmless City from and against all claims, demands, payments, suits, actions, proceedings, and judgments of every nature and description including attorneys' fees and costs, presented, brought, or recovered against City for, or on account of any liability under any of the above-mentioned laws, which may be incurred by reason of Contractor's performance under this Agreement.

1.5. Non-Discrimination. In performing this Agreement, Contractor shall not engage in, nor permit its agents to engage in, discrimination in employment of persons because of their race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, or military or veteran status, except as permitted pursuant to section 12940 of the Government Code.

1.6. Non-Exclusive Agreement. Contractor acknowledges that City may enter into agreements with other contractors for services similar to the Services in this Agreement or may have its own employees perform services similar to those Services contemplated by this Agreement.

1.7. Delegation and Assignment. Contractor may not delegate or assign this Agreement, in whole or in part, to any person or entity without the prior written consent of City. Contractor may engage a subcontractor(s) as permitted by law and may employ other personnel to perform services contemplated by this Agreement at Contractor's sole cost and expense.

2.0. COMPENSATION AND BILLING

2.1. Compensation. Contractor shall be paid in accordance with the fee schedule set forth in Appendix B of Exhibit B. Contractor's total compensation per annum shall not exceed One Million Four Hundred Sixty Seven Thousand Seven Hundred and Ninety Dollars and Forty Cents (\$ 1,467,790.40). In the event the parties extend the term of this Agreement, Contractor may, request an increase its fees on an annual basis commencing on July 1, 2025, using the Consumer Price Index for All Items, Not Seasonally Adjusted for the Los Angeles-Riverside-Orange County area (CPI), subject to the written notice requirement in Appendix B of Exhibit B. Any increase to

Contractor's fees shall be effective on July 1st.

2.2. Additional Services. Contractor shall not receive compensation for any services provided outside the Scope of Services set forth in this Agreement without amending this Agreement as provided herein. It is specifically understood that oral requests and/or approvals of such additional services or additional compensation shall be barred and are unenforceable.

2.3. Method of Billing. Contractor may submit invoices to the City for approval on a progress basis, but no more often than two times a month. Said invoice shall be based on the total of all Contractor's services which have been completed to City's sole satisfaction. City shall pay Contractor's invoice within forty-five (45) days from the date City receives said invoice. Each invoice shall describe in detail, the Services performed, the date of performance, and the associated time for completion.

2.4. Records and Audits. Records of Contractor's Services shall be maintained in accordance with generally recognized accounting principles and shall be made available to City for inspection and/or audit at mutually convenient times throughout the term of this Agreement through three (3) years after its termination.

3.0. TIME OF PERFORMANCE

3.1. Commencement and Completion of Work. The Services shall be performed in strict compliance with Exhibits A and B. Failure to commence work in a timely manner and/or diligently pursue work to completion may be grounds for termination of this Agreement.

3.2. Excusable Delays. Neither party shall be responsible for delays or lack of performance resulting from acts beyond the reasonable control of the party or parties. Such acts shall include, but not be limited to, acts of God, fire, strikes, material shortages, compliance with laws or regulations, riots, acts of war, pandemics (excluding COVID-19) or any other conditions beyond the reasonable control of a party.

4.0. TERM AND TERMINATION

4.1. Term. This Agreement shall commence on July 1, 2023 and continue for a period of two years, ending on June 30, 2025, unless previously terminated as provided herein or as otherwise agreed to in writing by the parties. This Agreement may be extended up to a maximum of three additional one year periods upon mutual written agreement of both parties.

4.2. Notice of Termination. City reserves and has the right and privilege of canceling, suspending or abandoning the execution of all or any part of the work contemplated by this Agreement, with or without cause, at any time, by providing written notice to Contractor. The termination of this Agreement shall be deemed effective upon receipt of the notice of termination. In the event of such termination, Contractor shall immediately stop rendering services under this Agreement unless directed otherwise by the City.

4.3. Compensation. In the event of termination, City shall pay Contractor for reasonable costs incurred and Services satisfactorily performed up to and including the date of City's written notice of termination. Compensation for work in progress shall be prorated based on the percentage of work completed as of the effective date of termination in accordance with the fees set forth herein.

5.0. INSURANCE

5.1. Minimum Scope and Limits of Insurance. Contractor shall obtain, maintain, and keep in full force and effect during the life of this Agreement all of the following minimum scope of insurance coverages with an insurance company admitted to do business in California, rated “A,” Class X, or better in the most recent Best’s Key Insurance Rating Guide, and approved by City:

- (a) Commercial general liability, including premises-operations, products/completed operations, broad form property damage, blanket contractual liability, independent contractors, personal injury or bodily injury with a policy limit of not less than One Million Dollars (\$1,000,000.00) per occurrence. If such insurance contains a general aggregate limit, it shall apply separately to this Agreement or shall be twice the required occurrence limit.
- (b) Business automobile liability for owned vehicles, hired, and non-owned vehicles, with a policy limit of not less than One Million Dollars (\$1,000,000.00) combined single limit per accident for bodily injury and property damage.
- (c) Workers’ compensation insurance as required by the State of California. Contractor agrees to waive, and to obtain endorsements from its workers’ compensation insurer waiving subrogation rights under its workers’ compensation insurance policy against the City, its officers, agents, employees, and volunteers arising from work performed by Contractor for the City and to require each of its subcontractors, if any, to do likewise under their workers’ compensation insurance policies.

5.2. Endorsements. The commercial general liability insurance policy and business automobile liability policy shall contain or be endorsed to contain the following provisions:

- (a) Additional insureds: “The City of Costa Mesa and its elected and appointed boards, officers, officials, agents, employees, and volunteers are additional insureds with respect to: liability arising out of activities performed by or on behalf of Contractor pursuant to its contract with City; products and completed operations of Contractor; premises owned, occupied or used by Contractor; automobiles owned, leased, hired, or borrowed by Contractor.”
- (b) Notice: “Said policy shall not terminate, be suspended, or voided, nor shall it be cancelled, nor the coverage or limits reduced, until thirty (30) days after written notice is given to City.”
- (c) Other insurance: “Contractor’s insurance coverage shall be primary insurance as respects the City of Costa Mesa, its officers, officials, agents, employees, and volunteers. Any other insurance maintained by the City of Costa Mesa shall be excess and not contributing with the insurance provided by this policy.”

- (d) Any failure to comply with the reporting provisions of the policies shall not affect coverage provided to the City of Costa Mesa, its officers, officials, agents, employees, and volunteers.
- (e) Contractor's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

5.3. Deductible or Self Insured Retention. If any of such policies provide for a deductible or self-insured retention to provide such coverage, the amount of such deductible or self-insured retention shall be approved in advance by City. No policy of insurance issued as to which the City is an additional insured shall contain a provision which requires that no insured except the named insured can satisfy any such deductible or self-insured retention.

5.4. Certificates of Insurance. Contractor shall provide to City certificates of insurance showing the insurance coverages and required endorsements described above, in a form and content approved by City, prior to performing any services under this Agreement.

5.5. Non-limiting. The insurance provisions contained in this Agreement shall not be construed as limiting in any way, the indemnification provisions contained in this Agreement, or the extent to which Contractor may be held responsible for payments of damages to persons or property.

6.0. GENERAL PROVISIONS

6.1. Entire Agreement. This Agreement constitutes the entire agreement between the parties with respect to any matter referenced herein and supersedes any and all other prior writings and oral negotiations. This Agreement may be modified only in writing, and signed by the parties in interest at the time of such modification. The terms of this Agreement shall prevail over any inconsistent provision in any other contract document appurtenant hereto, including exhibits to this Agreement.

6.2. Representatives. The City Manager or his or her designee shall be the representative of City for purposes of this Agreement and may issue all consents, approvals, directives and agreements on behalf of the City, called for by this Agreement, except as otherwise expressly provided in this Agreement.

Contractor shall designate a representative for purposes of this Agreement who shall be authorized to issue all consents, approvals, directives and agreements on behalf of Contractor called for by this Agreement, except as otherwise expressly provided in this Agreement.

6.3. Project Managers. City shall designate a Project Manager to work directly with Contractor in the performance of this Agreement.

Contractor shall designate a Project Manager who shall represent it and be its agent in all consultations with City during the term of this Agreement. Contractor or its Project Manager shall attend and assist in all coordination meetings called by City.

6.4. Notices. Any notices, documents, correspondence or other communications

concerning this Agreement or the work hereunder may be provided by personal delivery, facsimile or mail and shall be addressed as set forth below. Such communication shall be deemed served or delivered: a) at the time of delivery if such communication is sent by personal delivery; b) at the time of transmission if such communication is sent by facsimile; and c) 48 hours after deposit in the U.S. Mail as reflected by the official U.S. postmark if such communication is sent through regular United States mail.

6.5. Drug-free Workplace Policy. Contractor shall provide a drug-free workplace by complying with all provisions set forth in City's Council Policy 100-5, attached hereto as Exhibit "D" and incorporated herein by reference. Contractor's failure to conform to the requirements set forth in Council Policy 100-5 shall constitute a material breach of this Agreement and shall be cause for immediate termination of this Agreement by City.

6.6. Attorneys' Fees. In the event that litigation is brought by any party in connection with this Agreement, the prevailing party shall be entitled to recover from the opposing party all costs and expenses, including reasonable attorneys' fees, incurred by the prevailing party in the exercise of any of its rights or remedies hereunder or the enforcement of any of the terms, conditions, or provisions hereof.

6.7. Governing Law. This Agreement shall be governed by and construed under the laws of the State of California without giving effect to that body of laws pertaining to conflict of laws. In the event of any legal action to enforce or interpret this Agreement, the parties hereto agree that the sole and exclusive venue shall be a court of competent jurisdiction located in Orange County, California.

6.8. Assignment. Contractor shall not voluntarily or by operation of law assign, transfer, sublet or encumber all or any part of Contractor's interest in this Agreement without City's prior written consent. Any attempted assignment, transfer, subletting or encumbrance shall be void and shall constitute a breach of this Agreement and cause for termination of this Agreement. Regardless of City's consent, no subletting or assignment shall release Contractor of Contractor's obligation to perform all other obligations to be performed by Contractor hereunder for the term of this Agreement.

6.9. Indemnification and Hold Harmless. Contractor agrees to defend, indemnify, hold free and harmless the City, its elected officials, officers, agents and employees, at Contractor's sole expense, from and against any and all claims, actions, suits or other legal proceedings brought against the City, its elected officials, officers, agents and employees arising out of the performance of the Contractor, its employees, and/or authorized subcontractors, of the work undertaken pursuant to this Agreement. The defense obligation provided for hereunder shall apply without any advance showing of negligence or wrongdoing by the Contractor, its employees, and/or authorized subcontractors, but shall be required whenever any claim, action, complaint, or suit asserts as its basis the negligence, errors, omissions or misconduct of the Contractor, its employees, and/or authorized subcontractors, and/or whenever any claim, action, complaint or suit asserts liability against the City, its elected officials, officers, agents and employees based upon the work performed by the Contractor, its employees, and/or authorized subcontractors under this Agreement, whether or not the Contractor, its employees, and/or authorized subcontractors are specifically named or otherwise asserted to be liable. Notwithstanding the foregoing, the Contractor shall not be liable for the defense or indemnification of the City for claims, actions, complaints or suits arising out of the sole active negligence or willful misconduct of the City. This provision shall supersede and replace all other indemnity provisions contained either in the City's specifications or Contractor's Proposal, which shall be of no force and effect.

6.10. Independent Contractor. Contractor is and shall be acting at all times as an independent contractor and not as an employee of City. Contractor shall have no power to incur any debt, obligation, or liability on behalf of City or otherwise act on behalf of City as an agent. Neither City nor any of its agents shall have control over the conduct of Contractor or any of Contractor's employees, except as set forth in this Agreement. Contractor shall not, at any time, or in any manner, represent that it or any of its or employees are in any manner agents or employees of City. Contractor shall secure, at its sole expense, and be responsible for any and all payment of Income Tax, Social Security, State Disability Insurance Compensation, Unemployment Compensation, and other payroll deductions for Contractor and its officers, agents, and employees, and all business licenses, if any are required, in connection with the services to be performed hereunder. Contractor shall indemnify and hold City harmless from any and all taxes, assessments, penalties, and interest asserted against City by reason of the independent contractor relationship created by this Agreement. Contractor further agrees to indemnify and hold City harmless from any failure of Contractor to comply with the applicable worker's compensation laws. City shall have the right to offset against the amount of any fees due to Contractor under this Agreement any amount due to City from Contractor as a result of Contractor's failure to promptly pay to City any reimbursement or indemnification arising under this paragraph.

6.11. PERS Eligibility Indemnification. In the event that Contractor or any employee, agent, or subcontractor of Contractor providing services under this Agreement claims or is determined by a court of competent jurisdiction or the California Public Employees Retirement System (PERS) to be eligible for enrollment in PERS as an employee of the City, Contractor shall indemnify, defend, and hold harmless City for the payment of any employee and/or employer contributions for PERS benefits on behalf of Contractor or its employees, agents, or subcontractors, as well as for the payment of any penalties and interest on such contributions, which would otherwise be the responsibility of City.

Notwithstanding any other agency, state or federal policy, rule, regulation, law or ordinance to the contrary, Contractor and any of its employees, agents, and subcontractors

providing service under this Agreement shall not qualify for or become entitled to, and hereby agree to waive any claims to, any compensation, benefit, or any incident of employment by City, including but not limited to eligibility to enroll in PERS as an employee of City and entitlement to any contribution to be paid by City for employer contribution and/or employee contributions for PERS benefits.

6.12. Cooperation. In the event any claim or action is brought against City relating to Contractor's performance or services rendered under this Agreement, Contractor shall render any reasonable assistance and cooperation which City might require.

6.13. Conflict of Interest. Contractor and its officers, employees, associates and subcontractors, if any, will comply with all conflict of interest statutes of the State of California applicable to Contractor's services under this Agreement, including, but not limited to, the Political Reform Act (Government Code Sections 81000, *et seq.*) and Government Code Section 1090. During the term of this Agreement, Contractor and its officers, employees, associates and subcontractors shall not, without the prior written approval of the City Representative, perform work for another person or entity for whom Contractor is not currently performing work that would require Contractor or one of its officers, employees, associates or subcontractors to abstain from a decision under this Agreement pursuant to a conflict of interest statute.

6.14. Prohibited Employment. Contractor will not employ any regular employee of City while this Agreement is in effect.

6.15. Order of Precedence. In the event of an inconsistency in this Agreement and any of the attached Exhibits, the terms set forth in this Agreement shall prevail. If, and to the extent this Agreement incorporates by reference any provision of any document, such provision shall be deemed a part of this Agreement. Nevertheless, if there is any conflict among the terms and conditions of this Agreement and those of any such provision or provisions so incorporated by reference, this Agreement shall govern over the document referenced.

6.16. Costs. Each party shall bear its own costs and fees incurred in the preparation and negotiation of this Agreement and in the performance of its obligations hereunder except as expressly provided herein.

6.17. Binding Effect. This Agreement binds and benefits the parties and their respective permitted successors and assigns.

6.18. No Third Party Beneficiary Rights. This Agreement is entered into for the sole benefit of City and Contractor and no other parties are intended to be direct or incidental beneficiaries of this Agreement and no third party shall have any right in, under or to this Agreement.

6.19. Headings. Headings contained in this Agreement are included solely for convenience and are not intended to modify, explain or to be a full or accurate description of the content thereof and shall not in any way affect the meaning or interpretation of this Agreement.

6.20. Construction. The parties have participated jointly in the negotiation and drafting of this Agreement and have had an adequate opportunity to review each and every provision of the Agreement and submit the same to counsel or other consultants for review and comment. In the event an ambiguity or question of intent or interpretation arises with respect to this Agreement,

this Agreement shall be construed as if drafted jointly by the parties and in accordance with its fair meaning. There shall be no presumption or burden of proof favoring or disfavoring any party by virtue of the authorship of any of the provisions of this Agreement.

6.21. Amendments. Only a writing executed by the parties hereto or their respective successors and assigns may amend this Agreement.

6.22. Waiver. The delay or failure of either party at any time to require performance or compliance by the other of any of its obligations or agreements shall in no way be deemed a waiver of those rights to require such performance or compliance. No waiver of any provision of this Agreement shall be effective unless in writing and signed by a duly authorized representative of the party against whom enforcement of a waiver is sought. The waiver of any right or remedy in respect to any occurrence or event shall not be deemed a waiver of any right or remedy in respect to any other occurrence or event, nor shall any waiver constitute a continuing waiver.

6.23. Severability. If any provision of this Agreement is determined by a court of competent jurisdiction to be unenforceable in any circumstance, such determination shall not affect the validity or enforceability of the remaining terms and provisions hereof or of the offending provision in any other circumstance. Notwithstanding the foregoing, if the value of this Agreement, based upon the substantial benefit of the bargain for any party, is materially impaired, which determination made by the presiding court or arbitrator of competent jurisdiction shall be binding, then both parties agree to substitute such provision(s) through good faith negotiations.

6.24. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original. All counterparts shall be construed together and shall constitute one agreement.

6.25. Corporate Authority. The persons executing this Agreement on behalf of the parties hereto warrant that they are duly authorized to execute this Agreement on behalf of said parties and that by doing so the parties hereto are formally bound to the provisions of this Agreement.

[Signature page follows.]

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by and through their respective authorized officers, as of the date first above written.

REQUEST FOR PROPOSALS

REQUEST FOR PROPOSAL

FOR

**STREET SWEEPING SERVICES
RFP NO. 23-06**

**PUBLIC WORKS DEPARTMENT
CITY OF COSTA MESA**

Released on November 8, 2022

**REQUEST FOR PROPOSAL
FOR
STREET SWEEPING SERVICES**

The City of Costa Mesa (hereinafter referred to as the "City") is requesting Proposals from qualified consultants for street sweeping services for the Public Works Department. The awarded Contractor, (hereinafter referred to as "Contractor") shall be in accordance with the Sample Maintenance Services Agreement, **Appendix D** terms, conditions, and scope of work. Prior to submitting a Proposal, Proposers are advised to carefully read the instructions below, including the Sample Maintenance Services Agreement and any solicitation appendix/exhibits. The term is expected to be for 3 years with 2 one-year renewal options. The City reserves the right to award one or more contracts for this service.

I. GENERAL INFORMATION

The City of Costa Mesa is a general law city, which operates under the council/manager form of government with an annual General Fund budget of over \$206 million and a total budget of \$163.5 million for fiscal year 2022-2023.

The City of Costa Mesa, incorporated in 1953, has an estimated population of 115,000 and has a land area of 16.8 square miles. It is located in the northern coastal area of Orange County, California, and is bordered by the cities of Santa Ana, Newport Beach, Huntington Beach, Fountain Valley and Irvine.

The City is a "full service city" providing a wide range of services. These services include: police and fire protection; animal control; emergency medical aid; building safety regulation and inspection; street lighting; land use planning and zoning; housing and community development; maintenance and improvement of streets and related structures; traffic safety maintenance and improvement; and full range of recreational and cultural programs.

The City of Costa Mesa is home of the Segerstrom Center for the Arts, Orange County Fairgrounds, South Coast Repertory Theater and the South Coast Plaza Shopping Center, which is the single largest commercial activity center in the City. The volume of sales generated by South Coast Plaza secures its place as the highest volume regional shopping center in the nation.

The goal of this Request for Proposal (RFP) is to solicit Proposals from qualified street sweeping firms to provide the highest quality, street sweeping services to the City's arterial, residential, commercial, alleys and City owned parking lots. It is the City's desire to contract for services with a firm that has successfully completed similar projects and has extensive experience in providing an all-inclusive street sweeping maintenance program necessary to insure the community's safety, aesthetics and a source of community pride.

The successful Proposer, shall have experience in similar types of services. All Proposers responding to this Request for Proposal (RFP) will be evaluated on the basis of their expertise, prior experience on similar projects, demonstrated competence, ability to meet the requested services, adequate staffing,

reference check, understanding of services, cost and responsiveness to the needs and concerns of the City of Costa Mesa.

1. **Important Notice:** The City has attempted to provide all information available. It is the responsibility of each Proposer to review, evaluate, and, where necessary, request any clarification prior to submission of a Proposal. **Proposers are not to contact other City personnel with any questions or clarifications concerning this Request for Proposal (RFP).** The City's Purchasing Department contact set out in RFP, Section II, Subsection 2, Inquires, will provide all official communication concerning this RFP. Any City response relevant to this RFP other than through or approved by City's Purchasing Department is unauthorized and will be considered invalid.

If clarification or interpretation of this solicitation is considered necessary by City, a written addendum shall be issued and the information will be posted on PlanetBids. Any interpretation of, or correction to, this solicitation will be made only by addendum issued by the City's Purchasing Department. It is the responsibility of each Proposer to periodically check PlanetBids website to ensure that it has received and reviewed any and all addenda to this solicitation. The City will not be responsible for any other explanations, corrections to, or interpretations of the documents, including any oral information.

2. **Schedule of Events:** This Request For Proposal shall be governed by the following schedule:

Release of RFP	November 8, 2022
Deadline for Written Questions	November 15, 2022 at 11:00 a.m.
Responses to Questions Posted	November 17, 2022
Proposals are Due	November 29, 2022 at 2:00 p.m.
Approval of Contract	TBD

**All dates are subject to change at the discretion of the City.

3. **Proposer's Minimum Requirements:** Interested and qualified Proposers that can demonstrate their ability to successfully provide the required services outlined in **Appendix A, Scope of Work**, of this RFP are invited to submit a proposal, provided they meet the following requirements. All requirements must be met at the time of the proposal due date. **If these requirements are not met, the proposal may not receive further consideration, as determined in the sole discretion of the City.**
 - a) The Proposer shall have five (5) years of current experience in providing an all-inclusive street sweeping maintenance program for other cities or other government agencies, at least one of which is similar in size and complexity as that of the City of Costa Mesa. Experience must be reflective of references provided in the proposal.
 - b) The Contractor shall maintain a local office with a representative who can be reached during normal working hours or emergencies who is authorized to make decisions on matters pertaining to this contract with the City.
 - c) Contractor will be required to abide by the prevailing wage laws as required by state law, **Appendix C.**

- d) All Proposers must provide a list of equipment they will use to fulfill the contract. The list must include the make, model, year of equipment and whether the equipment is owned or leased. The City reserves the right to determine the capability of the equipment and to reserve acceptance or rejection of deficient equipment.

II. GENERAL INSTRUCTIONS AND PROVISIONS

1. **Proposal Format Guidelines:** Interested entities or contractors are to provide the City of Costa Mesa with a thorough Proposal using the following guidelines: Proposal should be typed and should contain no more than 20 typed pages using a 12-point font size, including transmittal letter and resumes of key people, but excluding Index/Table of Contents, tables, charts, graphic exhibits and pricing forms. Each Proposal will adhere to the following order and content of sections. Proposal should be straightforward, concise and provide "layman" explanations of technical terms that are used. Emphasis should be concentrated on conforming to the RFP instructions, responding to the RFP requirements, and on providing a complete and clear description of the offer. Proposals which appear unrealistic in terms of technical commitments, lack of technical competence or are indicative of failure to comprehend the complexity and risk of this contract may be rejected. The following Proposal sections are to be included in the Proposer's response:
- a) **Cover Letter:** A cover letter, not to exceed three pages in length, should summarize key elements of the Proposal. An individual authorized to bind the Contractor must sign the letter. The letter must stipulate that the Cost Proposal will be valid from **July 1, 2023** thereon. Indicate the address and telephone number of the contractor's office located nearest to Costa Mesa, California, and the office from which the project will be managed. Include proposed working relationship among the offering agency and subcontractors, if applicable.
 - b) **Background and Project Summary Section:** The Background and Project Summary Section should describe your understanding of the City, the work to be done, and the objectives to be accomplished. Refer to **Scope of Work, Appendix A** of this RFP.
 - c) **Method of Approach:** Provide a detailed description of the approach and methodology that will be used to fulfill each requirement listed in the Scope of Work of this RFP. The section should include:
 1. An implementation plan that describes in detail (i) the methods, including controls by which your firm manages projects of the type sought by this RFP; (ii) methodology for soliciting and documenting views of internal and external stakeholders; (iii) and any other project management or implementation strategies or techniques that the respondent intends to employ in carrying out the work.
 2. Detailed description of efforts your firm will undertake to achieve client satisfaction and to satisfy the requirements of the "Scope of Work" section.
 3. Detailed project schedule, identifying all tasks and deliverables to be performed, durations for each task, and overall time of completion.

4. Detailed description of specific tasks you will require from City staff. Explain what the respective roles of City staff and your staff would be to complete the tasks specified in the Scope of Work.

d) Qualifications & Experience of the Firm: Describe the qualifications and experience of the organization or entity performing services/projects within the past eight years that are similar in size and scope to demonstrate competence to perform these services. Information shall include:

1. If the owner is a corporation please provide: Name of corporation, corporate office street address, city, state, and zip code, state where incorporated, date of incorporation, first and last name of officers, local office address, city, state & zip, and the date local office opened its doors for business.
2. If the owner is a partnership or joint venture, please provide: Name of partnership or joint venture, principal office street address, city, state, and zip code, state of organization, date of organization, first and last name of general partner(s), local office address, city, state, and zip code, and date local office opened its doors for.
3. List all businesses owned or controlled by yourself (applicant) or business manager doing similar business in California under another name. List business name and address and specify who owns or controls the business (e.g., self, business manager, etc.).
4. List all businesses for which you or your business manager is or was an officer, director, or partner doing similar business in California under another name. List business name and address, title, date(s) in position; specify who was in position (e.g., self, business manager, etc.).
5. How many years have you been in business under your present business name?
6. Provide a list of current and previous contracts similar to the requirements for Costa Mesa, including all public agencies served (if any). For each, provide a brief description of the scope of work performed, the length of time you have been providing services, and the name, title, and telephone number of the person who may be contacted regarding your organization's service record. Provide a sample of each background investigation for each contract.
7. Submit a description of the organization's qualifications, experience and abilities that make it uniquely capable to provide the services specified in the Scope of Work.
8. The City of Costa Mesa is interested in knowing how Proposers support the communities that they serve. Please provide information on your organization's participation in local community, charitable and civic organizations and events, including membership in the Costa Mesa Chamber of Commerce, charitable contributions made by your organization, etc.

Any public entity which submits a Proposal should describe in detail how it currently performs services like those identified in the Scope of Work within its or other jurisdictions, including

photographs, written policies and/or video of services provided. If you have performed these services under contract for another public entity, please provide references for those entities as set forth above for private Proposers.

- e) **Financial Capacity:** The City is concerned about proposers' financial capability to perform, and therefore, may request sufficient data to allow an evaluation of firm's financial capabilities.
- f) **Key Personnel:** It is essential that the Proposer provide adequate experienced personnel, capable of and devoted to the successful accomplishment of work to be performed under this contract. The Proposer must agree to assign specific individuals to the key positions.
- o Identify the members of the staff who would be assigned to act for Proposer's firm in key management and field positions providing the services described in the Proposal, and the functions to be performed by each.
 - o Include resumes or curriculum vitae of each such staff member, including name, position, telephone number, email address, education, and years and type of experience. Describe for each such person, the relevant transactions on which they have worked.
- g) **Cost Proposal:** Provide a fee schedule/pricing information for the project as referenced in **Appendix B, Cost Proposal**. Proposals shall be valid for a minimum of 180 days following submission. All Proposers are required to use **Appendix B, Cost Proposal** and submit in a **separate file** containing the following. Pricing instructions should be clearly defined to ensure fees proposed can be compared and evaluated.
- h) **Disclosure:** Please disclose any and all past or current business and personal relationships with any current Costa Mesa elected official, appointed official, City employee, or family member of any current Costa Mesa elected official, appointed official, or City employee. **Any past or current business relationship may not disqualify the firm from consideration.**
- i) **Maintenance Services Agreement:** The firm selected by the City will be required to execute a Maintenance Services Agreement with the City. A sample of the Agreement is enclosed as **Appendix D**, but may be modified to suit the specific services and needs of the City. If a Proposer has any exceptions or conditions to the Agreement, they must be submitted for consideration with the Proposal. Otherwise, the Proposer will be deemed to have accepted the form of Agreement.
- j) **Checklist of Forms to Accompany Proposal:** As a convenience to Proposers, following is a list of the forms, **Appendix E** included in this RFP, which should be included with Proposals:
1. Vendor Application Form
 2. Company Profile & References
 3. Ex Parte Communications Certificate
 4. Disclosure of Government Positions
 5. Disqualifications Questionnaire
 6. Bidder/Applicant/Contractor Campaign Contribution

2. Process for Submitting Proposals:

- a) **Content of Proposal:** The Proposal is to be submitted using the format as indicated in the Proposal format guidelines.
- b) **Preparation of Proposal:** Each Proposal shall be prepared simply and economically, avoiding the use of elaborate promotional material beyond those sufficient to provide a complete, accurate and reliable presentation.
- c) **Cost for Preparing Proposal:** The cost for developing the Proposal is the sole responsibility of the Proposer. All Proposals submitted become the property of the City. Fee proposal shall be submitted in a **separate** file containing the following:
- ✓ Cover letter stating the total lump sum fee.
 - ✓ **Appendix B, Cost Proposal**
- d) **Forms to Accompany Proposal:** **Appendix E** forms shall be attached at the end of the Proposal with the exception of the Cost Proposal which shall be submitted in a separate file.
- e) **Number of Proposals:** Submit one (1) PDF file format copy of your proposal in sufficient detail for thorough evaluation and comparative analysis
- f) **Submission of Proposals:** Complete written Proposals must be submitted electronically in PDF file format via the planetbids.com website no later than **2:00 p.m. (P.S.T) on November 29, 2022**. Proposals will not be accepted after this deadline. Bids received after the scheduled closing time will not be accepted. It shall be the sole responsibility of the Bidder to see that the bid is received in proper time. Faxed or e-mailed Proposals will not be accepted. **NO EXCEPTIONS.**
- g) **Inquiries:** Questions about this RFP must be posted in the Q & A tab on Planetbids no later than **November 15, 2022 at 10:00 a.m.** The City reserves the right not to answer all questions.

The City reserves the right to amend or supplement this RFP prior to the Proposal due date. All addendum(s), responses to questions received, and additional information will be posted to PlanetBids. Proposers should check this web page daily for new information.

From the date that this RFP is issued until a firm or entity is selected and the selection is announced, firms or public entities are not allowed to communicate outside the process set forth in this RFP with any City employee other than the contracting officer listed above regarding this RFP. The City reserves the right to reject any Proposal for violation of this provision. No questions other than posted on Planetbids will be accepted, and no response other than written will be binding upon the City.

- h) **Conditions for Proposal Acceptance:** This RFP does not commit the City to award a contract or to pay any costs incurred for any services. The City, at its sole discretion, reserves the right to accept or reject any or all Proposals received as a result of this RFP, to negotiate with any qualified source(s), or to cancel this RFP in part or in its entirety. The

City may waive any irregularity in any Proposal. All Proposals will become the property of the City of Costa Mesa, USA. If any proprietary information is contained in the Proposal, it should be clearly identified.

- i) **Insurance & W-9 Requirements:** Upon recommendation of contract award, Contractor will be required to submit the following documents with ten (10) days of City notification, unless otherwise specified in the solicitation:
- **Insurance** - City requires that licensees, lessees, and vendors have an approved Certificate of Insurance (not a declaration or policy) or proof of legal self-insurance on file with the City for the issuance of a permit or contract. Within ten (10) consecutive calendar days of award of contract, successful Bidder must furnish the City with the Certificates of Insurance proving coverage as specified in the sample contract.
 - **W-9** – Current signed form W-9 (Taxpayer Identification Number & Certification) which includes Contractor's legal business name(s).

3. Evaluation Criteria: The City's evaluation and selection process will be conducted in accordance with Chapter V, Article 2 of the City's Municipal Code (Code). In accordance with the Code, the responsive responsible proposer shall be determined based on evaluation of qualitative factors in addition to cost. At all times during the evaluation process, the following criteria will be used. Sub-criteria are not necessarily listed in order of importance. Additional sub-criteria that logically fit within a particular evaluation criteria may also be considered even if not specified below.

1. **Method of Approach Including Equipment ----- 40%**
2. **Qualifications of Experience of Key Personnel ----- 25%**
3. **Qualifications of the Firm ----20%**
4. **Cost Proposal ---- 10%**
5. **References ---- 5%**

An additional **5%** of the total points possible - For use of renewable natural gas (RNG) in service fleets that meet State recycled organic waste content requirements AND/OR the provision of compost and mulch that qualify for City recycled organic waste procurement. While it is permissible to establish a charge or cost for use and/or provision of recycled organic waste products, the level of cost will be a factor in the City's decision to award bonus points and potentially the scoring of your cost proposal

4. Evaluation of Proposals and Selection Process: In accordance with its Municipal Code, the City will adhere to the following procedures in evaluating Proposals. An Evaluation Committee, which may include members of the City's staff and possibly one or more outside experts, will screen and review all Proposals according to the weighted criteria set forth above. While price is one basic factor for award, it is not the sole consideration.

- a) **Responsiveness Screening:** Proposals will first be screened to ensure responsiveness to the RFP. The City may reject as non-responsive any Proposal that does not include the documents required to be submitted by this RFP. At any time during the evaluation process, the City reserves the right to request clarifications or additional information from any or all Proposers regarding their Proposals.
- b) **Initial Proposal Review:** The Committee will initially review and score all responsive written Proposals based upon the Evaluation Criteria set forth above. The Committee may also contact Proposer's references. Proposals that receive the highest evaluation scores may be invited to the next stage of the evaluation process. The City may reject any Proposal in which a Proposer's approach, qualifications, or price is not considered acceptable by the City. An unacceptable Proposal is one that would have to be substantially rewritten to make it acceptable. The City may conclude the evaluation process at this point and recommend award to the lowest responsible bidder. Alternatively, the City may elect to negotiate directly with one or more Proposers to obtain the best result for the City prior to making a recommendation or selection.
- c) **Interviews, Reference Checks, Revised Proposals, Discussions:** Following the initial screening and review of Proposals, the Proposers included in this stage of the evaluation process may be invited to participate in an oral interview. Interviews, if held, are tentatively scheduled for the week of **January 9, 2023** and will be conducted at in the meeting room in Building "A" at the City Corporation Yard at 2310 Placentia Avenue, Costa Mesa, CA 92626. This date is subject to change. The individual(s) from Proposer's organization that will be directly responsible for carrying out the contract, if awarded, should be present at the oral interview. The oral interview may, but is not required to, use a written question/answer format for the purpose of clarifying the intent of any portions of the Proposal.

In addition to conducting an oral interview, the City may during this stage of the evaluation process also contact and evaluate the Proposer's references, contact any Proposer to clarify any response or request revised or additional information, contact any current users of a Proposer's services, solicit information from any available source concerning any aspect of a Proposal, and seek and review any other information deemed pertinent to the evaluation process.

Following conclusion of this stage of the evaluation process, the Committee will again rank all Proposers according to the evaluation criteria set forth above. The Committee may conclude the evaluation process at this point, and make a recommendation for award, or it may request Best and Final Offers from Proposers. The City may accept the Proposal or negotiate the terms and conditions of the agreement with the highest ranked organization. The City may recommend award without Best and Final Offers, so Proposers should include their best Proposal with their initial submission.

Recommendation for award is contingent upon the successful negotiation of final contract terms. Negotiations shall be confidential and not subject to disclosure to competing Proposers unless an agreement is reached. If contract negotiations cannot be concluded successfully within a time period determined by the City, the City may

terminate negotiations and commence negotiations with the next highest scoring Proposer or withdraw the RFP.

- 5. Protests:** Failure to comply with the rules set forth herein may result in rejection of the protest. Protests based upon restrictive specifications or alleged improprieties in the Proposal procedure, which are apparent or reasonably should have been discovered prior to receipt of Proposals shall be filed in writing with the City's Purchasing Department at least 10 calendar days prior to the deadline for receipt of Proposals. The protest must clearly specify in writing the grounds and evidence on which the protest is based.

Protests based upon alleged improprieties that are not apparent or that could not reasonably have been discovered prior to submission date of the Proposals, such as disputes over the staff recommendation for contract award, shall be submitted in writing to the City's Purchasing Department, within 48 hours from receipt of the notice from the City advising of City's recommendation for award of contract. The protest must clearly specify in writing the grounds and evidence on which the protest is based. The City's Purchasing Department will respond to the protest in writing at least 3 days prior to the meeting at which City's recommendation to the City Council will be considered. Should Proposer decide to appeal the response of the City's Purchasing Department, and pursue its protest at the Council meeting, it will notify the City's Purchasing Department of its intention at least 2 days prior to the scheduled meeting.

A. Procedure – All protests shall be typed under the protester's letterhead and submitted in accordance with the provisions stated herein. All protests shall include at a minimum the following information:

- The name, address and telephone number of the protester;
- The signature of the protester or the protester's representative;
- The solicitation or contract number;
- A detailed statement of the legal and/or factual grounds for the protest; and
- The form of relief requested.

- 6. Accuracy of Proposals:** Proposers shall take all responsibility for any errors or omissions in their Proposals. Any discrepancies in numbers or calculations shall be interpreted to reflect the cost to the City.

If prior to contract award, a Proposer discovers a mistake in their Proposal which renders the Proposal unwilling to perform under any resulting contract, the Proposer must immediately notify the facilitator and request to withdraw the Proposal. It shall be solely within the City's discretion as to whether withdrawal will be permitted. If the solicitation contemplated evaluation and award of "all or none" of the items, then any withdrawal must be for the entire Proposal. If the solicitation provided for evaluation and award on a line item or combination of items basis, the City may consider permitting withdrawal of specific line item(s) or combination of items.

- 7. Responsibility of Proposers:** The City shall not be liable for any expenses incurred by potential Contractors in the preparation or submission of their Proposals. Pre-contractual expenses are not to be included in the Contractor's Pricing Sheet. Pre-contractual expenses are defined as, including but not limited to, expenses incurred by Proposer in:

- Preparing Proposal in response to this RFP;
- Submitting that Proposal to the City;
- Negotiating with the City any matter related to the Proposal; and,
- Any other expenses incurred by the Proposer prior to the date of the award and execution, if any, of the contract.

8. Confidentiality: The California Public Records Act (Cal. Govt. Code Sections 6250 et seq.) mandates public access to government records. Therefore, unless information is exempt from disclosure by law, the content of any request for explanation, exception, or substitution, response to this RFP, protest, or any other written communication between the City and Proposer, shall be available to the public. The City intends to release all public portions of the Proposals following the evaluation process at such time as a recommendation is made to the City Council.

If Proposer believes any communication contains trade secrets or other proprietary information that the Proposer believes would cause substantial injury to the Proposer's competitive position if disclosed, the Proposer shall request that the City withhold from disclosure the proprietary information by marking each page containing such proprietary information as confidential. Proposer may not designate its entire Proposal as confidential nor designate its Price Proposal as confidential.

Submission of a Proposal shall indicate that, if Proposer requests that the City withhold from disclosure information identified as confidential, and the City complies with the Proposer's request, Proposer shall assume all responsibility for any challenges resulting from the non-disclosure, indemnify and hold harmless the City from and against all damages (including but not limited to attorney's fees and costs that may be awarded to the party requesting the Proposer information), and pay any and all costs and expenses related to the withholding of Proposer information. Proposer shall not make a claim, sue, or maintain any legal action against the City or its directors, officers, employees, or agents concerning the disclosure, or withholding from disclosure, of any Proposer information. If Proposer does not request that the City withhold from disclosure information identified as confidential, the City shall have no obligation to withhold the information from disclosure and may release the information sought without any liability to the City.

9. Ex Parte Communications: Proposers and Proposers' representatives should not communicate with the City Council members about this RFP. In addition, Proposers and Proposers' representatives should not communicate outside the procedures set forth in this RFP with an officer, employee or agent of the City, including any member of the evaluation panel, with the exception of the RFP Facilitator, regarding this RFP until after Contract Award. Proposers and their representatives are not prohibited, however, from making oral statements or presentations in public to one or more representatives of the City during a public meeting.

A "Proposer" or "Proposer's representative" includes all of the Proposer's employees, officers, directors, consultants and agents, any subcontractors or suppliers listed in the Proposer's Proposal, and any individual or entity who has been requested by the Proposer to contact the City on the Proposer's behalf. Proposers shall include the Ex Parte Communications Form, **Appendix E** with their Proposals certifying that they have not had or directed prohibited communications as described in this section.

- 10. Conflict of Interest:** The Proposer warrants and represents that it presently has no interest and agrees that it will not acquire any interest, which would present a conflict of interest under California Government Code Sections 1090 et seq., or Sections 87100 et seq., during the performance of services under any Agreement awarded. The Proposer further covenants that it will not knowingly employ any person having such an interest in the performance of any Agreement awarded. Violation of this provision may result in any Agreement awarded being deemed void and unenforceable.
- 11. Disclosure of Governmental Position:** In order to analyze possible conflicts that might prevent a Proposer from acting on behalf of the City, the City requires that all Proposers disclose in their Proposals any positions that they hold as directors, officers, or employees of any governmental entity. Additional disclosure may be required prior to contract award or during the term of the contract. Each Proposer shall disclose whether any owner or employee of the firm currently hold positions as elected or appointed officials, directors, officers, or employees of a governmental entity or held such positions in the past twelve months using the attached Disclosure of Government Positions Form, **Appendix E**.
- 12. Conditions to Agreement:** The selected Proposer will execute a Maintenance Service Agreement for Services with the City describing the Scope of Services to be performed, the schedule for completion of the services, compensation, and other pertinent provisions. The contract shall follow the sample form of Agreement provided as **Appendix D** to this RFP, which may be modified by the City.
- All Proposers are directed to particularly review the indemnification and insurance requirements set forth in the sample Agreement. **The terms of the agreement, including insurance requirements have been mandated by the City and can be modified only if extraordinary circumstances exist.**
- Submittal of a Proposal shall be deemed acceptance of all the terms set forth in this RFP and the sample agreement for services unless the Proposer includes with its Proposal, in writing, any conditions or exceptions requested by the Proposer to the proposed Agreement.
- 13. Disqualification Questionnaire:** Proposers shall complete and submit, under penalty of perjury, a standard form of questionnaire inquiring whether a Proposer, any officer of a proposer, or any employee of a Proposer who has a proprietary interest in the Proposer, has **ever** been disqualified, removed, or otherwise prevented from proposing on, or completing a federal, state, or local government project because of a violation of law or safety regulation and if so, to explain the circumstances. A Proposal may be rejected on the basis of a Proposer, any officer or employee of such Proposer, having been disqualified, removed, or otherwise prevented from proposing on, or completing a federal, state, or local project because of a violation of law or a safety regulation, **Appendix E**.
- 14. Standard Terms and Conditions:** The City reserves the right to amend or supplement this RFP prior to the Proposal due date. All addendum(s) and additional information will be posted to Planetbids. Proposers should check this web page daily for new information.

APPENDIX A

SCOPE OF WORK

1. Generally

Furnish all labor, equipment, materials, and supervision to perform maintenance as described herein including, but not limited to, the following:

Using a modern mechanical or vacuum street sweeper, thoroughly sweep each improved street, medians, alleys, public parking lots in the City on a frequency as specified in this scope of work and dispose of collected debris in a legal manner. It is possible for a Proposer to use the City's facilities to store its street sweepers used for this operation. Naturally, any arrangement will involve the payment to City for the lease of such space. If Proposer desires to store its street sweepers in the City's facilities, then that should also be included in the Proposal. See **Exhibit** for City's Street Sweeping Route Maps.

2. Definitions

- a. Curb Mile – measurement of curbing of streets and medians
- b. Linear Mile – measurement of actual miles driven in order to satisfactorily clean streets to the City standard, which may require multiple passes depending on condition and width of street
- c. Curb-to-Curb – area within the curb limits of the street including medians, intersections, and street ends
- d. Holiday – all days observed by the City as holidays including: New Year's Day, Presidents' Day, Memorial Day, Independence Day, Labor Day, Veterans Day, Thanksgiving (including the following Friday), Christmas Eve & Christmas Day, New Year's Eve.
- e. Inclement Weather – weather conditions that prohibit the effective operation of sweeping operations, such as heavy rain or winds
- f. Debris – litter, rubbish, leaves, sand, dirt, garbage, and other foreign material
- g. Street – all paved dedicated public rights-of-way within the existing or future corporate limits of the City
- h. Median – A raised area separating different lanes, traffic direction, or roadways within a street including turn lanes.
- i. Re-sweep – sweep required when previous sweeps are deemed by the City to be below standard or when a street or sections of a street are missed during regularly scheduled operation
- j. Special Sweep – sweep involving unusual conditions such as traffic hazards, parades, and similar events billed at an hourly rate including travel time. If appropriate, prior

approval from Street Superintendent, Traffic Operations Supervisor or other assigned agent.

- k. Travel Speed – sweeper operator must maintain a speed of no more than seven miles per hour while the sweeping head is lowered in the operating position.
- l. City Representative – The administering officer of the City of Costa Mesa.

3. Working Hours

Working hours for the sweeping of residential areas shall be between the hours of 8:00 AM and 3:30 PM, Monday through Friday. Working hours for arterial routes and commercial routes shall be between the hours of 11:00 PM and 6:00 AM, Monday through Friday. Some 'specialty routes' may be swept between 6:00 AM and 8:00 AM if so posted. No street sweeping shall be required or permitted on weekends or City holidays.

4. Equipment

All equipment used by the Proposer shall be kept in good condition both in mechanical operation and general appearance for all work completed within City limits. All Contract work shall only be performed with equipment suitable to produce the quality of work as identified in section (f) Level of Maintenance. All equipment shall be subject to the city's approval prior to use. The Proposer shall ensure, in addition to the newer sweepers, a second sweeper to be maintained for emergency backup use only and shall require City approval prior to its utilization. This secondary sweeper shall meet all attributes herein identified in this section. The Proposer shall ensure that all equipment utilized to perform sweeping services in the City is no more than three (3) years old. All sweepers shall include but not be limited to the following attributes:

- a. Appropriate safety markings and lighting for highway and city street use. This shall include all flashing and warning lights, clearance lights, and flags as is required by State, Federal, and City regulatory codes for both night and day operations.
- b. A regenerative air system to reduce polluted air from exiting the vehicle.
- c. Gutter brooms with diameters of at least 43".
- d. Spray water system for dust suppression - A hopper with at least 6 cubic yards of capacity.
- e. Global Positioning System (GPS). All primary street sweepers shall have installed a GPS that will enable the City to view via computer internet where the sweepers are at all times. The cost of the entire GPS system will be the responsibility of the selected vendor and the system must be capable of the following:
 - 1. The system shall be internet based and the selected vendor shall provide to the City a minimum of two (2) accounts to have full access to the site.
 - 2. The system shall be capable of gathering and reporting the following real time data; speed, direction, location on a map, address, distance traveled, brooms up or down water on or off.

3. The sweepers' path of travel superimposed on a map.
4. Generating an email alert whenever sweeper speeds exceed 6 mph or sweeper non-movement for periods in excess of one hour.
5. Generating daily reports of sweeper activity including the previously required elements.
6. Maintaining the data for a period of 90-days, after which data will be downloaded to the City for storage.
7. Two way voice or text messaging communication between the City and the individual sweepers must be available.
8. GPS system must be up and running within 30 days of signing the agreement.

5. Additional Equipment

The successful bidder will be required to have in its fleet, a bike lane/Mini sweeper to be utilized on a weekly basis to cover current and future delineated bike lanes and other small project areas throughout the City. The City currently utilizes the Madvac LS175 and is requesting a similar unit to complete the requested work.

The bike lane/Mini sweeper shall include but not limited to the following attributes.

- a. Street legal with appropriate safety markings and lighting for city street use. This shall include all flashing and warning lights, clearance lights flags and markers as required by state, federal, and City regulatory codes for both night and day use.
- b. Should have a maximum vehicle width of 48 inches.
- c. Should have a variable broom span of 48 inches up to 72 inches.
- d. Water spray system for dust suppression.
- e. A hopper capacity of 1.5 to 2 cubic yards.
- f. GPS tracking software.

6. Level of Maintenance

All work shall be performed in accordance with the highest maintenance standard.

Standards, schedules, and frequencies may be modified as deemed necessary by the City for the proper maintenance of the sites. Due to various street widths throughout the City, street sweeping may require slower travel speed and/or multiple passes by the sweeper in many cases, to ensure curb-to-curb coverage of the street. Streets with raised medians (commercial and residential) shall have the curb-gutter perimeters of each raised median swept, including turnouts. Street-grade striped medians shall be swept in their entirety. All deposits within intersections shall be removed as part of the sweeping operations. Each street shall be swept clean to the adjacent property line. Swept clean shall mean minimal debris residual or tailings left on the swept surface following the completion of a pass of the street sweeping machine. No

sweeper shall blow debris onto private property. All dust suppression systems shall be as mandated by AQMD.

A significant number of City streets are posted no parking for street sweeping or have alternate side postings during designated hours on various days of the week. Proposer shall adhere to established schedules for sweeping posted streets. The Proposer shall coordinate sweeping operations with Parking Control Officers from the City of Costa Mesa Police Department.

The Proposer is required to sweep City owned parking lots, including those for City facilities, parks and parking districts, adjacent to streets along the scheduled route.

Alternative means to sweep locations such as street ends and inaccessible portions of parking lots will be considered. Alternatives must be included in this proposal and approved by the City Representative prior to the start of the contract. Because of existing parking restrictions posted to accommodate existing sweeping routes, if you would plan to change the established routes or schedules, you must include such proposed changes in your proposals so that the City may evaluate costs of implementing such changes. All proposed changes must be reviewed and approved by the City Representative and if needed, City Council prior to implementation.

The Proposer is required to correct deficiencies within the time specified by the City. Re-sweeps of the deficient area will be at no additional cost to the City. If noted deficient work has not been completed, payment for subject deficiency shall be withheld for current billing period and shall continue to be withheld until deficiency is corrected, without right to retroactive payments.

7. Provisions for Extras

No new work of any kind shall be considered an extra unless a separate estimate is given for said work and the estimate is approved by the City in writing before the work is commenced. The Proposer will be required in the approved Agreement to provide before and after photographs of safety items or emergency repairs required by the City. Documentation of contract compliance may be required at the discretion of the City.

8. Water

The successful Proposer shall contact the Mesa Water District and the Irvine Ranch Water District (Districts) to obtain legal access to water to meet the contract requirements. The Proposer shall be responsible for all costs associated with the access to and continued use of water provided by the Districts.

9. Disposal

The collection, transfer, and/or disposal of all debris collected during the course of all street sweeping services as specified in this Proposal and an approved Agreement shall be the responsibility of the Proposer to dispose of in a legal manner that meets all City, State, County of Orange and Federal laws, regulations, or other applicable statutes. The City of Costa Mesa assumes no responsibility for any violations, fines, fees or other liability that may arise from improper debris disposal practices. Disposal at the City Corporation Yard will not be permitted. The cleaning and maintenance of any street sweeping machine may not take place on City

property or public streets, except as may be included in an approved Agreement allowing use of the City Yard facilities.

10. Records and Schedule

The Proposer shall keep accurate records concerning all of his/her employees or agents and provide the City with names and telephone numbers of emergency contact employees.

The Proposer shall complete a monthly maintenance report indicating work performed and submit this completed report to the City Representative. This report should also contain a description of work performed, including man-hours, equipment, and any additional work, which the Proposer deems to be beyond the scope of the contract. Payment for this work will not be authorized unless the additional work and the costs thereof are first approved by the City. **A telephone log will be submitted monthly of all calls from the City of Costa Mesa Public Services Department and the City of Costa Mesa Police Department to the Proposer, whether or not those calls require a request for service, and a description of the action taken from the City call.**

11. Emergency Services

The Proposer shall provide the City with a 24-hour emergency telephone number to contact a Proposer representative authorized to dispatch appropriate equipment and operators when emergency maintenance conditions occur during hours when the Proposer's normal work force is not present in the City of City of Costa Mesa. The Proposer shall dispatch equipment to said emergency **within (1) hour from receiving notification. Failure to do so will result in a penalty of \$200 per occurrence.**

12. Proposer Office

Proposer is required to maintain an office within a one (1) hour response time of the city limits and provide the office with phone service during normal working hours. During all other times, a telephone answering service shall be utilized and the answering service shall be capable of contacting the Proposer by radio or pager. Proposer shall have a maximum response time of thirty (1) hour to all emergencies. There will be no storage of equipment or materials on City property, except as may be expressly provided in any approved Agreement.

13. Schedules

The Proposer must sweep utilizing the City's established street sweeping routes and schedules for all regularly scheduled street sweeping schedules and posted parking restriction unless otherwise approved by the City. Street sweeping must be at an effectiveness level of 90% or above. The effectiveness level is determined by what percentage of the route is missed on an annual basis, for any reason. An overall annual effectiveness rating of less than 90% for any route is considered unacceptable and may result in non-renewal of the contract or a reduction in payment.

14. Performance During Inclement Weather

- a) During the periods when inclement weather or Santa Ana wind conditions prevents normal operations, the Proposer shall adjust his/her work force as directed by the City Representative and shall only be paid for sweeping actually done.
- b) Failure to adjust the work force to show good progress on the work shall result in deduction of payments to reflect only the work actually accomplished.
- c) The Proposer shall immediately notify the City Representative, Traffic Operations Supervisor or other assigned agent when the work force has been removed from the job site due to inclement weather or other reasons.

The Proposer shall perform **200 curb miles of special sweeping requests** in support of City events for each contract year at the request of the City. These sweeps are not re-sweeps of an area not swept properly but rather an additional sweep that is not part of the regular schedule. These may be used to clean before and after a traffic hazards, parades, and similar events, or for other City needs.

The Proposer shall perform **250 curb miles of inclement weather sweeps** for each contract year at the request of the City. These sweeps are not re-sweeps of an area not swept properly but are additional sweeps that are not part of the regular schedule.

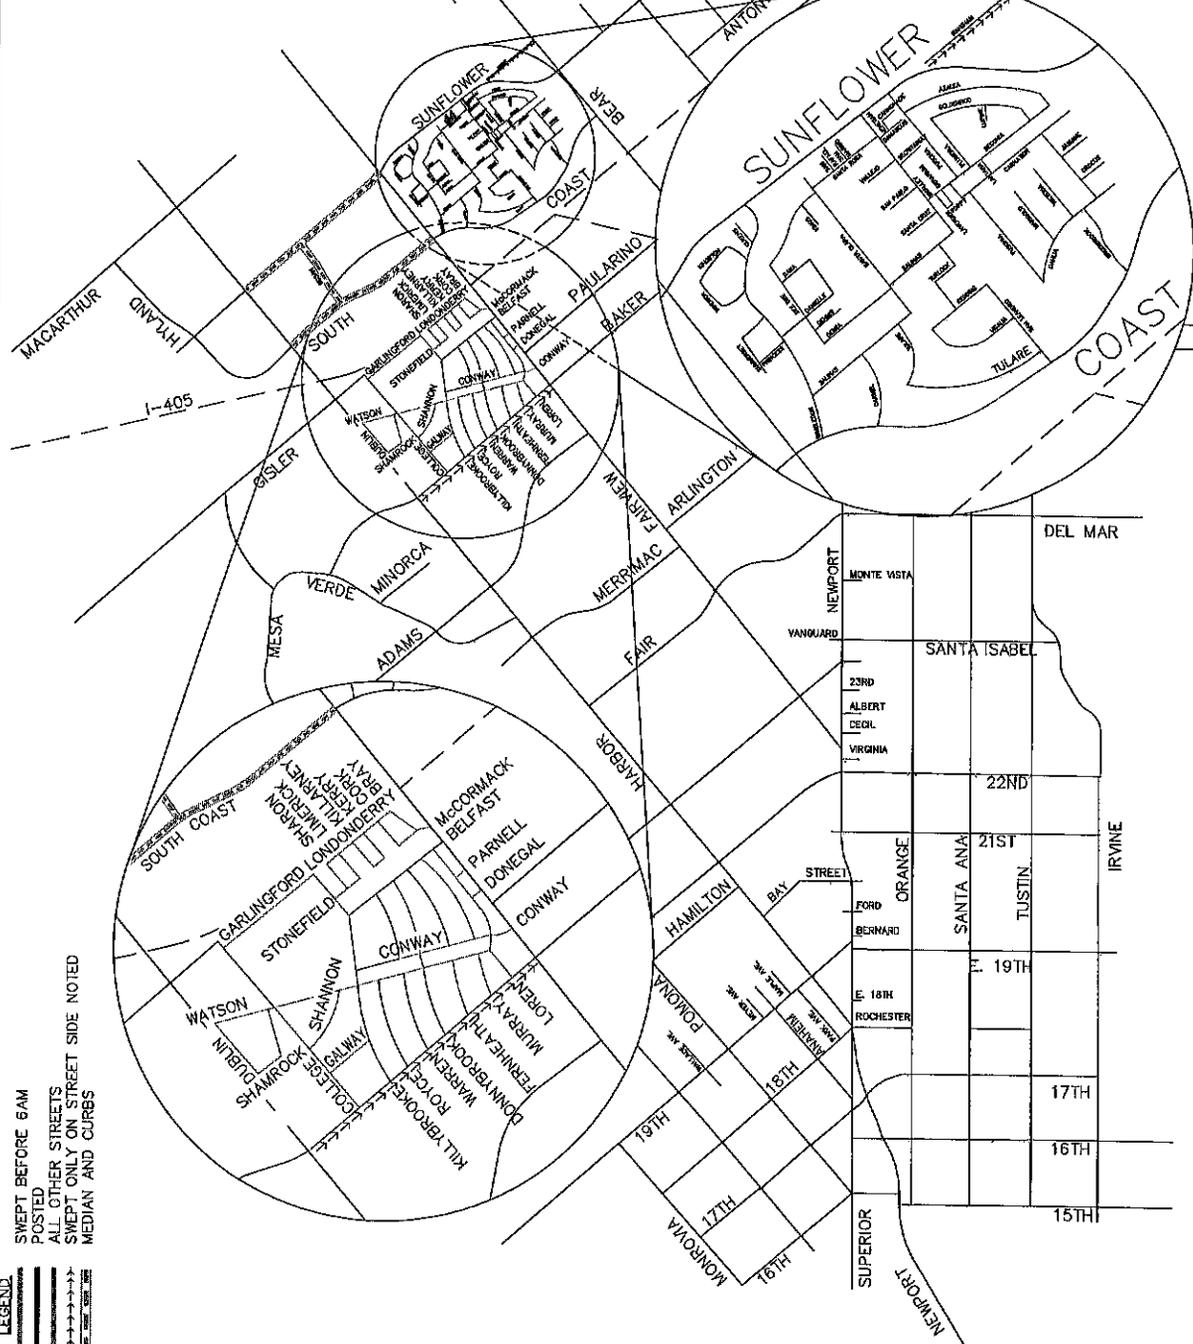

If, in the judgment of the City, the level of maintenance is less than specified herein, the City shall, at its option, in addition to or in lieu of other remedies provided herein, withhold appropriate payment from the Proposer until services are rendered in accordance with specifications set forth within this document and providing no other arrangements have been made between the Proposer and the City. Failure to notify of a change and/or failure to perform an item or work on a scheduled day may result in deduction of payment for that date or week. Payment will be retained for work not performed until such time as the work is performed to City standards.

Proposer shall be required to comply with all NPDES Permit requirements, AQMD requirements (including but not limited to those set out in Attachment C), and all other applicable federal, state, county or city ordinances dealing with sweeping of streets, water quality, air quality, hazardous wastes and rubbish disposal. Any and all sweeper breakdowns shall be reported immediately to the Public Works Director, or designated representative.

APPENDIX B
COST PROPOSAL

Pricing shall remain firm for a minimum of two (2) years. Any and all requests for pricing adjustments for follow-on contract renewal periods shall be provided no later than sixty (60) days prior to the end of the contract period. Any such proposed price adjustments shall not exceed The Bureau of Labor Statistics Consumer Price Index (CPI) data for Los Angeles-Riverside-Orange County, CA, All Items, Not Seasonally Adjusted, "annualized change comparing the original proposal month and the same month in the subsequent year. (This information may be found on the U.S. Department of Labor's website at www.bls.gov.)

The Proposer agrees that for requested and/or required changes in the scope of work, including additions and deletions on work not performed, the Contract Sum shall be adjusted in accordance with the following unit prices, where the City elects to use this method in determining costs.

Proposer is advised that the unit prices will enter into the determination of the contract award. Unreasonable prices may result in rejection of the entire bid proposal. Unit prices listed below refer to all items installed and the Construction Documents and include all costs connected with such items; including but not limited to, materials, labor, overhead, and profit for the Proposer.

The unit prices quoted by the Proposer shall be those unit prices that will be charged or credited for labor and materials to be provided regardless of the total number units and/or amount of labor required for added or deleted items of work.

All work shall be performed in accordance with the specifications.

APPENDIX C
PREVAILING WAGE

1. This Contract calls for work to be performed constituting public works. Contractor and all subcontractors shall pay the general prevailing rate of per diem wages as determined and as published by the State Director of the Department of Industrial Relations pursuant to Article 2 of Chapter 1 of Part 7, of Division 2 of the State Labor Code, including, but not limited to, Sections 1770, 1771, 1773, 1773.2 and 1774.

2. This is a public work and requires the payment of prevailing wages for the work or craft in which the worker is employed for any public work done under the contract by Contractor or by any subcontractor pursuant to Section 1771 of the Labor Code. Pursuant to the provisions of Section 1773 of the Labor Code of the State of California, the City has obtained the general prevailing rate of per diem wages and the general rate for holiday and overtime work in this locality for each craft, classification, or type of workman needed to execute this contract from the Director of the Department of Industrial Relations. These rates are on file with the City or may be obtained at <http://www.dir.ca.gov/OPRL/DPreWageDetermination.htm>.

Contractor shall post a copy of such wage rates at the job site and shall pay the adopted prevailing wage rates as a minimum. Contractor shall comply with the provisions of Sections 1775, 1776, 1777.5, 1777.6, and 1813 of the Labor Code. Pursuant to the provisions of 1775 of the Labor Code, Contractor shall forfeit to the City, as a penalty, not more than \$200.00 for each calendar day, or portion thereof, for each laborer, worker, or mechanic employed, paid less than the stipulated prevailing rates for any work done under this Contract, by him or by any subcontractor under him, in violation of the provisions of this Agreement.

3. Contractors and subcontractors who are ineligible to bid for work on, or be awarded, a public works project pursuant to Labor Code Sections 1777.1 and 1777.7 are prohibited from bidding on, being awarded, or performing work as a subcontractor, on this Project pursuant to Public Contract Code Section 6109.

4. Contractor's attention is directed to the provisions in Sections 1774, 1775, 1776, 1777.5 and 1777.6 of the Labor Code. Contractor shall comply with the provisions in these Sections. The statutory provisions for penalties for failure to comply with the State's wage and hours laws will be enforced. Pursuant to Section 1775 of the Labor Code, the Contractor and any subcontractors, shall, as a penalty to the City forfeit the prescribed amounts per calendar day, or portion thereof, for each worker paid less than the prevailing wage rates.

5. Pursuant to Labor Code Section 1771.4, the Project is subject to compliance monitoring and enforcement by the California Department of Industrial Relations.

6. Each Contractor and subcontractor shall furnish the records specified in Labor Code Section 1776 directly to the State Labor Commissioner at least monthly in the format prescribed by the State Labor Commissioner.

7. Sections 1774 and 1775 require the Contractor and all subcontractors to pay not less than the prevailing wage rates to all workmen employed in the execution of the Contract and specify forfeitures and penalties for failure to do so. The minimum wages to be paid are those determined by the State Director of the Department of Industrial Relations. Section 1776 requires the Contractor and all subcontractors to keep accurate payroll records, specifies the contents thereof, their inspection and duplication procedures and certain notices required of the Contractor pertaining to their location.

8. Section 1777.5 of the Labor Code requires Contractor or subcontractor employing workers in any apprenticeable occupation to apply to the Joint Apprenticeship Committee nearest the site of the public works project, which administers the apprenticeship program in that trade for a certificate of approval. The certificate will also fix the ratio of apprentices to journeymen to be used in the performance of the Contract. The Contractor is required to make contributions to funds established for the administration of apprenticeship programs if he employs registered apprentices or journeymen in any apprenticeable trade and if other contractors on the public works site are making such contributions. Information relative to apprenticeship standards, contributions, wage schedules and other requirements may be obtained from the State Director of Industrial Relations or from the Division of Apprenticeship Standards. Section 1777.6 of the Labor Code provides that it shall be unlawful to refuse to accept otherwise qualified employees as registered apprentices solely on the grounds of race, religious creed, color, national origin, ancestry, sex, or age.

9. Eight hours labor constitutes a legal day's work, as set forth in Labor Code Section 1810. The statutory provisions for penalties for failure to comply with the State's wage and hour laws will be enforced as set forth in Labor Code Section 1813.

APPENDIX D
SAMPLE
MAINTENANCE SERVICE AGREEMENT

**CITY OF COSTA MESA
MAINTENANCE SERVICES AGREEMENT
WITH**

THIS MAINTENANCE SERVICES AGREEMENT ("Agreement") is made and entered into this ___ day of _____, 202_ ("Effective Date"), by and between the CITY OF COSTA MESA, a municipal corporation ("City"), and _____, a [state] [type of corporation] ("Contractor").

WITNESSETH:

- A. City proposes to utilize the services of Contractor as an independent contractor to provide maintenance of City property, as more fully described herein; and
- B. Contractor represents that it has the experience and expertise to properly perform such services and holds all necessary licenses to practice and perform the services; and
- C. City and Contractor desire to contract for the services and desire to set forth their rights, duties and liabilities in connection with the performance of such services; and
- D. No official or employee of City has a financial interest, within the provisions of Sections 1090-1092 of the California Government Code, in the subject matter of this Agreement.

NOW, THEREFORE, for and in consideration of the mutual covenants and conditions contained herein, the parties hereby agree as follows:

1.0. SERVICES PROVIDED BY CONTRACTOR

1.1. Scope of Services. Contractor shall provide the services described in the City's Request for Proposal ("RFP"), attached hereto as Exhibit "A," and Contractor's response to City's RFP (the "Proposal") attached hereto as Exhibit "B," both incorporated herein (the "Services").

1.2. Prevailing Wage Requirements.

- (a) Prevailing Wage Laws. Contractor is aware of the requirements of Chapter 1 (beginning at Section 1720 et seq.) of Part 7 of Division 2 of the California Labor Code, as well as Title 8, Section 16000 et seq. of the California Code of Regulations ("Prevailing Wage Laws"), which require the payment of prevailing wage rates and the performance of other requirements on "public works" and "maintenance" projects. This project is a "maintenance" project and requires compliance with the Prevailing Wage Laws. Contractor shall defend, indemnify and hold the City, its elected officials, officers, employees and agents free and harmless from any claim or liability arising out of any failure or alleged failure to comply with the Prevailing Wage Laws.
- (b) Payment of Prevailing Wages. Contractor shall pay the prevailing wage rates for all work performed under this Agreement. When any craft or classification is omitted from the general prevailing wage determinations,

Contractor shall pay the wage rate of the craft or classification most closely related to the omitted classification. A copy of the general prevailing wage rate determination is on file in the Office of the City Clerk and is incorporated into this Agreement as if fully set forth herein. Contractor shall post a copy of such wage rates at all times at the project site(s).

- (c) Legal Working Day. In accordance with the provisions of Labor Code Section 1810 et seq., eight (8) hours is the legal working day. Contractor and any subcontractor(s) of Contractor shall comply with the provisions of the Labor Code regarding eight (8)-hour work day and 40-hour work week requirements, and overtime, Saturday, Sunday, and holiday work. Work performed by Contractor's or any subcontractor's employees in excess of eight (8) hours per day, and 40 hours during any one week, must include compensation for all hours worked in excess of eight (8) hours per day, or 40 hours during any one week, at not less than one and one-half times the basic rate of pay. Contractor shall forfeit as a penalty to City Twenty-Five Dollars (\$25.00), or any greater penalty set forth in the Labor Code, for each worker employed in the execution of the work by Contractor or by any subcontractor(s) of Contractor, for each calendar day during which such worker is required or permitted to the work more than eight (8) hours in one calendar day or more than 40 hours in any one calendar week in violation of the Labor Code.
- (d) Apprentices. Contractor shall comply with the provisions of Labor Code Section 1777.5 concerning the employment of apprentices on public works projects. Contractor shall be responsible for ensuring compliance by its subcontractors with Labor Code Section 1777.5.
- (e) Payroll Records. Pursuant to Labor Code Section 1776, Contractor and any subcontractor(s) shall keep accurate payroll records, showing the name, address, social security number, work classification, straight time and overtime hours worked each day and week, and the actual per diem wages paid to each journeyman, apprentice, worker, or other employee employed by Contractor or any subcontractor in connection with this Agreement. Each payroll record shall contain or be verified by a written declaration that it is made under penalty of perjury, stating both of the following: (1) The information contained in the payroll record is true and correct; and (2) The employer has complied with the requirements of Sections 1771, 1881, and 1815 of the Labor Code for any work performed by his or her employees on this project. The payroll records shall be certified and shall be available for inspection at all reasonable hours in accordance with the requirements of Labor Code Section 1776.
- (f) Registration with DIR. Contractor and any subcontractor(s) of Contractor shall comply with the provisions of Labor Code Section 1771 and Labor Code Section 1725.5 requiring registration with the DIR.

1.3. Performance to Satisfaction of City. Contractor agrees to perform all the work to the complete satisfaction of City. Evaluations of the work will be done by City's Maintenance Services Manager or his or her designee. If the quality of work is not satisfactory, City in its

discretion has the right to:

- (a) Meet with Contractor to review the quality of the work and resolve the matters of concern;
- (b) Require Contractor to repeat the work at no additional fee until it is satisfactory; and/or
- (c) Terminate the Agreement as hereinafter set forth.

1.4. Compliance with Applicable Law. Contractor warrants that it shall perform the services required by this Agreement in compliance with all applicable federal and state employment laws, including, but not limited to, those laws related to minimum hours and wages; occupational health and safety; fair employment and employment practices; workers' compensation insurance and safety in employment; and all other applicable federal, state and local laws and ordinances applicable to the services required under this Agreement. Contractor shall indemnify and hold harmless City from and against all claims, demands, payments, suits, actions, proceedings, and judgments of every nature and description including attorneys' fees and costs, presented, brought, or recovered against City for, or on account of any liability under any of the above-mentioned laws, which may be incurred by reason of Contractor's performance under this Agreement.

1.5. Non-Discrimination. In performing this Agreement, Contractor shall not engage in, nor permit its agents to engage in, discrimination in employment of persons because of their race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, or military or veteran status, except as permitted pursuant to section 12940 of the Government Code.

1.6. Non-Exclusive Agreement. Contractor acknowledges that City may enter into agreements with other contractors for services similar to the Services in this Agreement or may have its own employees perform services similar to those Services contemplated by this Agreement.

1.7. Delegation and Assignment. Contractor may not delegate or assign this Agreement, in whole or in part, to any person or entity without the prior written consent of City. Contractor may engage a subcontractor(s) as permitted by law and may employ other personnel to perform services contemplated by this Agreement at Contractor's sole cost and expense.

2.0. COMPENSATION AND BILLING

2.1. Compensation. Contractor shall be paid in accordance with the fee schedule set forth in Exhibit B. Contractor's total compensation shall not exceed _____ Dollars (\$ _____.00).

2.2. Additional Services. Contractor shall not receive compensation for any services provided outside the Scope of Services set forth in this Agreement without amending this Agreement as provided herein. It is specifically understood that oral requests and/or approvals of such additional services or additional compensation shall be barred and are unenforceable.

2.3. Method of Billing. Contractor may submit invoices to the City for approval on a

progress basis, but no more often than two times a month. Said invoice shall be based on the total of all Contractor's services which have been completed to City's sole satisfaction. City shall pay Contractor's invoice within forty-five (45) days from the date City receives said invoice. Each invoice shall describe in detail, the Services performed, the date of performance, and the associated time for completion.

2.4. Records and Audits. Records of Contractor's Services shall be maintained in accordance with generally recognized accounting principles and shall be made available to City for inspection and/or audit at mutually convenient times throughout the term of this Agreement through three (3) years after its termination.

3.0. TIME OF PERFORMANCE

3.1. Commencement and Completion of Work. The Services shall be performed in strict compliance with Exhibits A and B. Failure to commence work in a timely manner and/or diligently pursue work to completion may be grounds for termination of this Agreement.

3.2. Excusable Delays. Neither party shall be responsible for delays or lack of performance resulting from acts beyond the reasonable control of the party or parties. Such acts shall include, but not be limited to, acts of God, fire, strikes, material shortages, compliance with laws or regulations, riots, acts of war, or any other conditions beyond the reasonable control of a party.

4.0. TERM AND TERMINATION

4.1. Term. This Agreement shall commence on the Effective Date and continue for a period of _____ years, ending on _____, 20__, unless previously terminated as provided herein or as otherwise agreed to in writing by the parties.

4.2. Notice of Termination. City reserves and has the right and privilege of canceling, suspending or abandoning the execution of all or any part of the work contemplated by this Agreement, with or without cause, at any time, by providing written notice to Contractor. The termination of this Agreement shall be deemed effective upon receipt of the notice of termination. In the event of such termination, Contractor shall immediately stop rendering services under this Agreement unless directed otherwise by the City.

4.3. Compensation. In the event of termination, City shall pay Contractor for reasonable costs incurred and Services satisfactorily performed up to and including the date of City's written notice of termination. Compensation for work in progress shall be prorated based on the percentage of work completed as of the effective date of termination in accordance with the fees set forth herein.

5.0. INSURANCE

5.1. Minimum Scope and Limits of Insurance. Contractor shall obtain, maintain, and keep in full force and effect during the life of this Agreement all of the following minimum scope of insurance coverages with an insurance company admitted to do business in California, rated "A," Class X, or better in the most recent Best's Key Insurance Rating Guide, and approved by City:

- (a) Commercial general liability, including premises-operations, products/completed operations, broad form property damage, blanket contractual liability, independent contractors, personal injury or bodily injury with a policy limit of not less than One Million Dollars (\$1,000,000.00) per occurrence. If such insurance contains a general aggregate limit, it shall apply separately to this Agreement or shall be twice the required occurrence limit.
- (b) Business automobile liability for owned vehicles, hired, and non-owned vehicles, with a policy limit of not less than One Million Dollars (\$1,000,000.00) combined single limit per accident for bodily injury and property damage.
- (c) Workers' compensation insurance as required by the State of California. Contractor agrees to waive, and to obtain endorsements from its workers' compensation insurer waiving subrogation rights under its workers' compensation insurance policy against the City, its officers, agents, employees, and volunteers arising from work performed by Contractor for the City and to require each of its subcontractors, if any, to do likewise under their workers' compensation insurance policies.

5.2. Endorsements. The commercial general liability insurance policy and business automobile liability policy shall contain or be endorsed to contain the following provisions:

- (a) Additional insureds: "The City of Costa Mesa and its elected and appointed boards, officers, officials, agents, employees, and volunteers are additional insureds with respect to: liability arising out of activities performed by or on behalf of Contractor pursuant to its contract with City; products and completed operations of Contractor; premises owned, occupied or used by Contractor; automobiles owned, leased, hired, or borrowed by Contractor."
- (b) Notice: "Said policy shall not terminate, be suspended, or voided, nor shall it be cancelled, nor the coverage or limits reduced, until thirty (30) days after written notice is given to City."
- (c) Other insurance: "Contractor's insurance coverage shall be primary insurance as respects the City of Costa Mesa, its officers, officials, agents, employees, and volunteers. Any other insurance maintained by the City of Costa Mesa shall be excess and not contributing with the insurance provided by this policy."
- (d) Any failure to comply with the reporting provisions of the policies shall not affect coverage provided to the City of Costa Mesa, its officers, officials, agents, employees, and volunteers.
- (e) Contractor's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

5.3. Deductible or Self Insured Retention. If any of such policies provide for a deductible or self-insured retention to provide such coverage, the amount of such deductible or self-insured retention shall be approved in advance by City. No policy of insurance issued as to which the City is an additional insured shall contain a provision which requires that no insured except the named insured can satisfy any such deductible or self-insured retention.

5.4. Certificates of Insurance. Contractor shall provide to City certificates of insurance showing the insurance coverages and required endorsements described above, in a form and content approved by City, prior to performing any services under this Agreement.

5.5. Non-limiting. The insurance provisions contained in this Agreement shall not be construed as limiting in any way, the indemnification provisions contained in this Agreement, or the extent to which Contractor may be held responsible for payments of damages to persons or property.

6.0. GENERAL PROVISIONS

6.1. Entire Agreement. This Agreement constitutes the entire agreement between the parties with respect to any matter referenced herein and supersedes any and all other prior writings and oral negotiations. This Agreement may be modified only in writing, and signed by the parties in interest at the time of such modification. The terms of this Agreement shall prevail over any inconsistent provision in any other contract document appurtenant hereto, including exhibits to this Agreement.

6.2. Representatives. The City Manager or his or her designee shall be the representative of City for purposes of this Agreement and may issue all consents, approvals, directives and agreements on behalf of the City, called for by this Agreement, except as otherwise expressly provided in this Agreement.

Contractor shall designate a representative for purposes of this Agreement who shall be authorized to issue all consents, approvals, directives and agreements on behalf of Contractor called for by this Agreement, except as otherwise expressly provided in this Agreement.

6.3. Project Managers. City shall designate a Project Manager to work directly with Contractor in the performance of this Agreement.

Contractor shall designate a Project Manager who shall represent it and be its agent in all consultations with City during the term of this Agreement. Contractor or its Project Manager shall attend and assist in all coordination meetings called by City.

6.4. Notices. Any notices, documents, correspondence or other communications concerning this Agreement or the work hereunder may be provided by personal delivery, facsimile or mail and shall be addressed as set forth below. Such communication shall be deemed served or delivered: a) at the time of delivery if such communication is sent by personal delivery; b) at the time of transmission if such communication is sent by facsimile; and c) 48 hours after deposit in the U.S. Mail as reflected by the official U.S. postmark if such communication is sent through regular United States mail.

6.5. Drug-free Workplace Policy. Contractor shall provide a drug-free workplace by complying with all provisions set forth in City's Council Policy 100-5, attached hereto as Exhibit "C" and incorporated herein by reference. Contractor's failure to conform to the requirements set forth in Council Policy 100-5 shall constitute a material breach of this Agreement and shall be cause for immediate termination of this Agreement by City.

6.6. Attorneys' Fees. In the event that litigation is brought by any party in connection with this Agreement, the prevailing party shall be entitled to recover from the opposing party all costs and expenses, including reasonable attorneys' fees, incurred by the prevailing party in the exercise of any of its rights or remedies hereunder or the enforcement of any of the terms, conditions, or provisions hereof.

6.7. Governing Law. This Agreement shall be governed by and construed under the laws of the State of California without giving effect to that body of laws pertaining to conflict of laws. In the event of any legal action to enforce or interpret this Agreement, the parties hereto agree that the sole and exclusive venue shall be a court of competent jurisdiction located in Orange County, California.

6.8. Assignment. Contractor shall not voluntarily or by operation of law assign, transfer, sublet or encumber all or any part of Contractor's interest in this Agreement without City's prior written consent. Any attempted assignment, transfer, subletting or encumbrance shall be void and shall constitute a breach of this Agreement and cause for termination of this Agreement. Regardless of City's consent, no subletting or assignment shall release Contractor of Contractor's obligation to perform all other obligations to be performed by Contractor hereunder for the term of this Agreement.

6.9. Indemnification and Hold Harmless. Contractor agrees to defend, indemnify, hold free and harmless the City, its elected officials, officers, agents and employees, at Contractor's sole expense, from and against any and all claims, actions, suits or other legal proceedings brought against the City, its elected officials, officers, agents and employees arising out of the performance of the Contractor, its employees, and/or authorized subcontractors, of the work undertaken pursuant to this Agreement. The defense obligation provided for hereunder shall apply without any advance showing of negligence or wrongdoing by the Contractor, its employees, and/or authorized subcontractors, but shall be required whenever any claim, action, complaint, or suit asserts as its basis the negligence, errors, omissions or misconduct of the Contractor, its employees, and/or authorized subcontractors, and/or whenever any claim, action,

complaint or suit asserts liability against the City, its elected officials, officers, agents and employees based upon the work performed by the Contractor, its employees, and/or authorized subcontractors under this Agreement, whether or not the Contractor, its employees, and/or authorized subcontractors are specifically named or otherwise asserted to be liable. Notwithstanding the foregoing, the Contractor shall not be liable for the defense or indemnification of the City for claims, actions, complaints or suits arising out of the sole active negligence or willful misconduct of the City. This provision shall supersede and replace all other indemnity provisions contained either in the City's specifications or Contractor's Proposal, which shall be of no force and effect.

6.10. Independent Contractor. Contractor is and shall be acting at all times as an independent contractor and not as an employee of City. Contractor shall have no power to incur any debt, obligation, or liability on behalf of City or otherwise act on behalf of City as an agent. Neither City nor any of its agents shall have control over the conduct of Contractor or any of Contractor's employees, except as set forth in this Agreement. Contractor shall not, at any time, or in any manner, represent that it or any of its or employees are in any manner agents or employees of City. Contractor shall secure, at its sole expense, and be responsible for any and all payment of Income Tax, Social Security, State Disability Insurance Compensation, Unemployment Compensation, and other payroll deductions for Contractor and its officers, agents, and employees, and all business licenses, if any are required, in connection with the services to be performed hereunder. Contractor shall indemnify and hold City harmless from any and all taxes, assessments, penalties, and interest asserted against City by reason of the independent contractor relationship created by this Agreement. Contractor further agrees to indemnify and hold City harmless from any failure of Contractor to comply with the applicable worker's compensation laws. City shall have the right to offset against the amount of any fees due to Contractor under this Agreement any amount due to City from Contractor as a result of Contractor's failure to promptly pay to City any reimbursement or indemnification arising under this paragraph.

6.11. PERS Eligibility Indemnification. In the event that Contractor or any employee, agent, or subcontractor of Contractor providing services under this Agreement claims or is determined by a court of competent jurisdiction or the California Public Employees Retirement System (PERS) to be eligible for enrollment in PERS as an employee of the City, Contractor shall indemnify, defend, and hold harmless City for the payment of any employee and/or employer contributions for PERS benefits on behalf of Contractor or its employees, agents, or subcontractors, as well as for the payment of any penalties and interest on such contributions, which would otherwise be the responsibility of City.

Notwithstanding any other agency, state or federal policy, rule, regulation, law or ordinance to the contrary, Contractor and any of its employees, agents, and subcontractors providing service under this Agreement shall not qualify for or become entitled to, and hereby agree to waive any claims to, any compensation, benefit, or any incident of employment by City, including but not limited to eligibility to enroll in PERS as an employee of City and entitlement to any contribution to be paid by City for employer contribution and/or employee contributions for PERS benefits.

6.12. Cooperation. In the event any claim or action is brought against City relating to Contractor's performance or services rendered under this Agreement, Contractor shall render any reasonable assistance and cooperation which City might require.

6.13. Conflict of Interest. Contractor and its officers, employees, associates and subcontractors, if any, will comply with all conflict of interest statutes of the State of California applicable to Contractor's services under this Agreement, including, but not limited to, the Political Reform Act (Government Code Sections 81000, *et seq.*) and Government Code Section 1090. During the term of this Agreement, Contractor and its officers, employees, associates and subcontractors shall not, without the prior written approval of the City Representative, perform work for another person or entity for whom Contractor is not currently performing work that would require Contractor or one of its officers, employees, associates or subcontractors to abstain from a decision under this Agreement pursuant to a conflict of interest statute.

6.14. Prohibited Employment. Contractor will not employ any regular employee of City while this Agreement is in effect.

6.15. Order of Precedence. In the event of an inconsistency in this Agreement and any of the attached Exhibits, the terms set forth in this Agreement shall prevail. If, and to the extent this Agreement incorporates by reference any provision of any document, such provision shall be deemed a part of this Agreement. Nevertheless, if there is any conflict among the terms and conditions of this Agreement and those of any such provision or provisions so incorporated by reference, this Agreement shall govern over the document referenced.

6.16. Costs. Each party shall bear its own costs and fees incurred in the preparation and negotiation of this Agreement and in the performance of its obligations hereunder except as expressly provided herein.

6.17. Binding Effect. This Agreement binds and benefits the parties and their respective permitted successors and assigns.

6.18. No Third Party Beneficiary Rights. This Agreement is entered into for the sole benefit of City and Contractor and no other parties are intended to be direct or incidental beneficiaries of this Agreement and no third party shall have any right in, under or to this Agreement.

6.19. Headings. Headings contained in this Agreement are included solely for convenience and are not intended to modify, explain or to be a full or accurate description of the content thereof and shall not in any way affect the meaning or interpretation of this Agreement.

6.20. Construction. The parties have participated jointly in the negotiation and drafting of this Agreement and have had an adequate opportunity to review each and every provision of the Agreement and submit the same to counsel or other consultants for review and comment. In the event an ambiguity or question of intent or interpretation arises with respect to this Agreement, this Agreement shall be construed as if drafted jointly by the parties and in accordance with its fair meaning. There shall be no presumption or burden of proof favoring or disfavoring any party by virtue of the authorship of any of the provisions of this Agreement.

6.21. Amendments. Only a writing executed by the parties hereto or their respective successors and assigns may amend this Agreement.

6.22. Waiver. The delay or failure of either party at any time to require performance or compliance by the other of any of its obligations or agreements shall in no way be deemed a waiver of those rights to require such performance or compliance. No waiver of any provision of

this Agreement shall be effective unless in writing and signed by a duly authorized representative of the party against whom enforcement of a waiver is sought. The waiver of any right or remedy in respect to any occurrence or event shall not be deemed a waiver of any right or remedy in respect to any other occurrence or event, nor shall any waiver constitute a continuing waiver.

6.23. Severability. If any provision of this Agreement is determined by a court of competent jurisdiction to be unenforceable in any circumstance, such determination shall not affect the validity or enforceability of the remaining terms and provisions hereof or of the offending provision in any other circumstance. Notwithstanding the foregoing, if the value of this Agreement, based upon the substantial benefit of the bargain for any party, is materially impaired, which determination made by the presiding court or arbitrator of competent jurisdiction shall be binding, then both parties agree to substitute such provision(s) through good faith negotiations.

6.24. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original. All counterparts shall be construed together and shall constitute one agreement.

6.25. Corporate Authority. The persons executing this Agreement on behalf of the parties hereto warrant that they are duly authorized to execute this Agreement on behalf of said parties and that by doing so the parties hereto are formally bound to the provisions of this Agreement.

[Signature page follows.]

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by and through their respective authorized officers, as of the date first above written.

CITY COUNCIL POLICY 100-5

SUBJECT	POLICY NUMBER	EFFECTIVE DATE	PAGE
DRUG-FREE WORKPLACE	100-5	8-8-89	1 of 3

BACKGROUND

Under the Federal Drug-Free Workplace Act of 1988, passed as part of omnibus drug legislation enacted November 18, 1988, contractors and grantees of Federal funds must certify that they will provide drug-free workplaces. At the present time, the City of Costa Mesa, as a sub-grantee of Federal funds under a variety of programs, is required to abide by this Act. The City Council has expressed its support of the national effort to eradicate drug abuse through the creation of a Substance Abuse Committee, institution of a City-wide D.A.R.E. program in all local schools and other activities in support of a drug-free community. This policy is intended to extend that effort to contractors and grantees of the City of Costa Mesa in the elimination of dangerous drugs in the workplace.

PURPOSE

It is the purpose of this Policy to:

1. Clearly state the City of Costa Mesa's commitment to a drug-free society.
2. Set forth guidelines to ensure that public, private, and nonprofit organizations receiving funds from the City of Costa Mesa share the commitment to a drug-free workplace.

POLICY

The City Manager, under direction by the City Council, shall take the necessary steps to see that the following provisions are included in all contracts and agreements entered into by the City of Costa Mesa involving the disbursement of funds.

1. Contractor or Sub-grantee hereby certifies that it will provide a drug-free workplace by:
 - a. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in Contractor's and/or sub-grantee's workplace, specifically the job site or location included in this contract, and specifying the actions that will be taken against the employees for violation of such prohibition;

SUBJECT	POLICY NUMBER	EFFECTIVE DATE	PAGE
DRUG-FREE WORKPLACE	100-5	8-8-89	2 of 3

- b. Establishing a Drug-Free Awareness Program to inform employees about:
 - 1. The dangers of drug abuse in the workplace;
 - 2. Contractor's and/or sub-grantee's policy of maintaining a drug-free workplace;
 - 3. Any available drug counseling, rehabilitation and employee assistance programs; and
 - 4. The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
- c. Making it a requirement that each employee to be engaged in the performance of the contract be given a copy of the statement required by subparagraph A;
- d. Notifying the employee in the statement required by subparagraph 1 A that, as a condition of employment under the contract, the employee will:
 - 1. Abide by the terms of the statement; and
 - 2. Notify the employer of any criminal drug statute conviction for a violation occurring in the workplace no later than five (5) days after such conviction;
- e. Notifying the City of Costa Mesa within ten (10) days after receiving notice under subparagraph 1 D 2 from an employee or otherwise receiving the actual notice of such conviction;
- f. Taking one of the following actions within thirty (30) days of receiving notice under subparagraph 1 D 2 with respect to an employee who is so convicted:
 - 1. Taking appropriate personnel action against such an employee, up to and including termination; or
 - 2. Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health agency, law enforcement, or other appropriate agency;

SUBJECT	POLICY NUMBER	EFFECTIVE DATE	PAGE
DRUG-FREE WORKPLACE	100-5	8-8-89	3 of 3

- g. Making a good faith effort to maintain a drug-free workplace through implementation of subparagraphs 1 A through 1 F, inclusive.
2. Contractor and/or sub-grantee shall be deemed to be in violation of this Policy if the City of Costa Mesa determines that:
 - a. Contractor and/or sub-grantee has made a false certification under paragraph 1 above;
 - b. Contractor and/or sub-grantee has violated the certification by failing to carry out the requirements of subparagraphs 1 A through 1 G above;
 - c. Such number of employees of Contractor and/or sub-grantee have been convicted of violations of criminal drug statutes for violations occurring in the workplace as to indicate that the contractor and/or sub-grantee has failed to make a good faith effort to provide a drug-free workplace.
 3. Should any contractor and/or sub-grantee be deemed to be in violation of this Policy pursuant to the provisions of 2 A, B, and C, a suspension, termination or debarment proceeding subject to applicable Federal, State, and local laws shall be conducted. Upon issuance of any final decision under this section requiring debarment of a contractor and/or sub-grantee, the contractor and/or sub-grantee shall be ineligible for award of any contract, agreement or grant from the City of Costa Mesa for a period specified in the decision, not to exceed five (5) years. Upon issuance of any final decision recommending against debarment of the contractor and/or sub-grantee, the contractor and/or sub-grantee shall be eligible for compensation as provided by law.

EXHIBIT B
CONTRACTOR'S PROPOSAL

EXCLUSIVELY FOR
COSTA MESA

STREET SWEEPING SERVICES

NOVEMBER 28, 2022

SCA OF CA, LLC
1937 W 169TH STREET | GARDENA, CA, 90247
OFFICE: 800.225.7316

August 23, 2022

Public Works Departments
City of Costa Mesa

Dear Sirs,

Enclosed is our proposal for providing a high-quality street sweeping program for the City of Costa Mesa.

This proposal contemplates following the schedule and time zones as laid out in the request for proposal. Cost proposal will be valid from July 1, 2023 thereon.

We serve more than 55 cities in southern California. We are committed to providing a high quality street sweeping program and high-quality customer service. Quality street sweeping is the primary business that SCA of CA, LLC engages in, not a secondary business endeavor.

We understand that the City of Costa Mesa is seeking quality reliable service. We are confident that we will be able to perform this contract perfectly without any exceptions or problems.

I am the Director of Business Development, and I will serve as the contract contact for this project. I can be reached by phone at (800) 225-7316 x108, by cell at (310) 740-1601, or by email at randerson@sweepingcorp.com.

Thank you for this opportunity. I hope we can be of service.

Sincerely,

SCA of CA, LLC
16251 Construction Cir W
Irvine, CA 92606

A handwritten signature in blue ink that reads "R. Anderson". The signature is written in a cursive, flowing style.

Rick Anderson
Director of Business Development

SCA of CA, LLC is the premiere street sweeping contractor in California. With over 47 years of experience in providing street sweeping services, SCA of CA, LLC has demonstrated that it can deliver the highest quality service.

SCA of CA, LLC enjoys the best reputation in the industry because of our proven ability to provide excellent service with punctuality and dependability.

There are 10 key components that insure that all streets will be swept properly and on time:

1. Operator Training:

Our street sweeper operator training program lasts two to four weeks. New operators are evaluated by veteran drivers and the regional driver supervisor. During the Introductory Period, trainees are evaluated on safety, performance and progress. Drivers in the training program must pass multiple tests before they are permitted to work alone. Approximately one out of every three trainees is offered permanent employment.

a. Pre-employment requirements for all trainees include:

1. Clean driving record, verified by current copy of Department of Motor Vehicles H6 printout
2. No accidents
3. Strong references
4. Pre-employment physical
5. Pre-employment drug testing

2. Operator Retention:

SCA of CA, LLC has a large staff of qualified sweeper operators because we have been successful in retaining employees.

Our company policy is keeping the same operators because they have the detailed knowledge and experience that will enable them to avoid complaints.

The most common and egregious complaint I hear about other sweeping companies from their municipal clients is the constant swapping of operators.

We achieve retention through excellent pay and benefits complemented by a family friendly working environment. We are very proud of our excellent staff.

3. Equipment:

We will provide these skilled operators with new or late-model sweepers that are in excellent operating condition and appearance.

SCA of CA, LLC equips its trucks with Global Positioning Satellite (GPS) systems. All of the real-time data is monitored by SCA of CA, LLC's dispatchers. This permits SCA of CA, LLC to monitor the driver's speed, time, and location and gutter broom activity.

All equipment used will be in compliance with SCAQMD Rules 1186 and 1186.1 and all other applicable laws and rules. Back-up equipment is available at all times.

4. Equipment Maintenance:

A key component of an effective sweeping program is high quality equipment repairs and maintenance. Broom changes and tire repairing will be performed at SCA of CA, LLC's headquarters located in Gardena. All preventative maintenance and repairs will be performed in Gardena.

We have a staff of 16 mechanics and helpers who are expert at sweeper repair and maintenance.

We have a full inventory of parts and supplies readily available. We have all necessary tools and equipment needed to repair virtually everything on a street sweeper.

5. Back-up Sweepers:

We will have back-up sweepers available at all times. We own and operate a tremendous fleet of sweepers that gives us depth and strong resources capable of dealing with any eventuality.

6. Back-up Operators:

We have over 80 full-time sweeper operators working throughout California. We have many highly qualified operators that could come in and perform well on very short notice.

The size of our staff gives us a tremendous advantage over our smaller, less qualified competitors.

7. Supervision:

Supervision is an important component of an intelligent street sweeping program. Rick Anderson has been with SCA of CA, LLC for over 30 years and has helped the company grow and diversify in new areas.

We are fortunate to have Rick Anderson and his experience, and he will be responsible for the day-to-day management and supervision of this contract.

8. Complaint Handling:

Our operators are encouraged to take as many passes as necessary to do a great job. They take great pride in the complete satisfaction of the residents. Consequently, they receive very few complaints.

We will handle any and all complaints on the day they are received. We believe that responsiveness is key to establishing public confidence in our ability and integrity.

We also believe that the operator is more highly motivated to do a good job the first time if he knows he may have to come back again if he doesn't. Our operators take great pride in not receiving complaints and doing a great job the first time.

Our operators will check in with the designated city person on a daily basis to see if there are any complaints. If there are complaints, we will go out and re-sweep them immediately. We will always respond in less than six hours.

9. Communication / Emergencies:

All administrative staff will provide the City with cell phone numbers that can be used to reach us 24 hours a day, seven days per week.

Our sweeper operators will have cell phones for your convenience.

10. Safety Program:

SCA of CA, LLC differentiates itself from the competition by having an aggressive accident prevention program. We reward our operators for accident free driving.

We have regular safety meetings with employees to remind them of the importance of working accident-free.

Our pro-active emphasis on safety makes SCA of CA, LLC a stronger, healthier company. This is good for our employees, good for our clients and essential to our containing the tremendous cost of insurance.

Mailing Address: 1425 S. Bonview Ave, Ontario, CA 91761	
Contact: Daniel L. Leon	Title: Public Works Supervisor
Phone: 909.395.2632	Email: dleon@ontarioca.gov
Scope of Work: Municipal Street Sweeping	Service Dates: 12/2003 - Current

Personnel

Supervisors

Satisfaction and consistent quality service is the foundation of our company. Our supervisors are full-time employees, not temporary hired guns. They are highly trained so all phases of the project run smoothly. Our supervisors are directly involved with each account and job inspections to ensure quality.

Although we believe that there is always room for improvement, we strive to recognize our employees for their good work. This type of supervision helps build operator pride.

SCA of CA, LLC knows that street sweeping is an extremely noticeable city service that is best done properly if you wish to have satisfied residents. With our experience coupled with our approach assure the various locations that this work will be done extremely well. We can eliminate all complaints. We believe that our quality street sweeping programs is an excellent value when you consider the cost and negativity generated by complaints.

Operators

Our first step is to educate our operators as to what is an accepted and the quality of work that is expected. Our operators are encouraged to take as many passes as are necessary to do a wonderful job in removing all leaf's, paper, dirt, rocks, glass, bottles, cans, and other debris to ensure free flow of water in the gutter and to maintain streets in a state of cleanliness. In combination with this approach, the SCA of CA, LLC supervisors will conduct unannounced spot checks for quality and quantity of the work performed.

Our operators are trained to value and care for their equipment. They are knowledgeable about proper driving speed, adjustment of brooms and the most efficient and effective performance of their equipment.

Our operators understand the importance of punctuality and the importance of quality work. Our drivers take pride in our customer's satisfaction.

Repair and Maintenance Crew

SCA of CA, LLC has seven full-time mechanics who are expert in the repair and maintenance of our equipment. Our mechanics are factory trained to help ensure high quality performance of our equipment. We also have mechanics available around-the-clock to help ensure our ability to meet our commitments.

SCA of CA, LLC knows that one of the keys to customer satisfaction is dependable well-maintained equipment. Consequently, we feel that the quality of our repairs and maintenance is crucial to our sweepers.

We have an additional four full-time employees who are mechanics helpers. They change of brooms, tires, and help keep our sweepers clean.

Dispatchers

The Dispatch and Operations department is the very nerve center of SCA of CA, LLC. It is from our experience that this position is very mission critical where oftentimes operational and sometimes financial decisions are made.

Our dispatchers make sure that operations run smoothly. When telephone calls are received, our dispatchers will obtain the necessary information from the caller and provide the appropriate response by either facilitating an emergency sweep, special sweep, regular sweep, or the handling of a complaint. This means that they make sure that the right drivers and the right equipment are appropriately matched to the job and ensure timeliness, safety and accuracy are guaranteed.

Disposal of Refuse and Debris

SCA of CA, LLC shall dispose of all refuse and debris that is collected during the sweeping operations, at no additional cost to the County. We will haul it to a legally established area for the disposal of solid waste.

Storage facilities

SCA of CA, LLC will utilize their own storage facilities for all of the sweepers.

Equipment

SCA of CA, LLC equips all of its trucks with global positioning satellite (GPS) system. All of the real-time data is monitored by SCA of CA, LLC dispatchers. This permits SCA of CA, LLC to monitor the drivers speed, time and location.

Our Operations Analyst downloads the GPS reports on a daily basis from the Internet. The real-time data alerts the managers via e-mail if the brooms are down a half hour or longer or if the sweeper exceeds its speed limit. If this should happen, there will be communication between either the manager or the dispatcher to the sweeper's cell phone to ensure proper action is taken.

Authorized public works employees can generate and print GPS reports at any time. Data is available for six months and can be downloaded in an Excel document.

Our Tymcos hold 250 gallons of water which results in cleaner air and less dust and particulates on the streets.

Our street cleaning is listed as Best Management Practice BMP in storm water regulations, to get the debris off the street before it is carried into the drain system.

All street sweepers that SCA of CA, LLC will deploy will be Tymco 2009 propane powered street sweepers compliant with rule 1186.1.

In order to ensure uninterrupted performance, backup will be available at all times.

In case of a mechanical breakdown, backup equipment will be available at all times and will comply with AQMD Rule 430.

Automated Parking Enforcement System

When requested by the Contract Manager, SCA of CA, LLC shall permit the placement of a digital camera system by a County-approved vendor in order for the private vendor to capture information from vehicles that are parked during the designated street sweeping parking enforcement hours within the parking lane. SCA of CA, LLC shall be prohibited from utilizing any images collected from this automated enforcement digital camera system (Photo Enforcement System), including license plate numbers, for any purpose other than establishing appropriate context to support the parking violation. SCA of CA, LLC shall maintain individual privacy, and shall take all steps in ensuring confidential data is handled in accordance with the Vehicle Code and any established guidelines of the County approved private vendor.

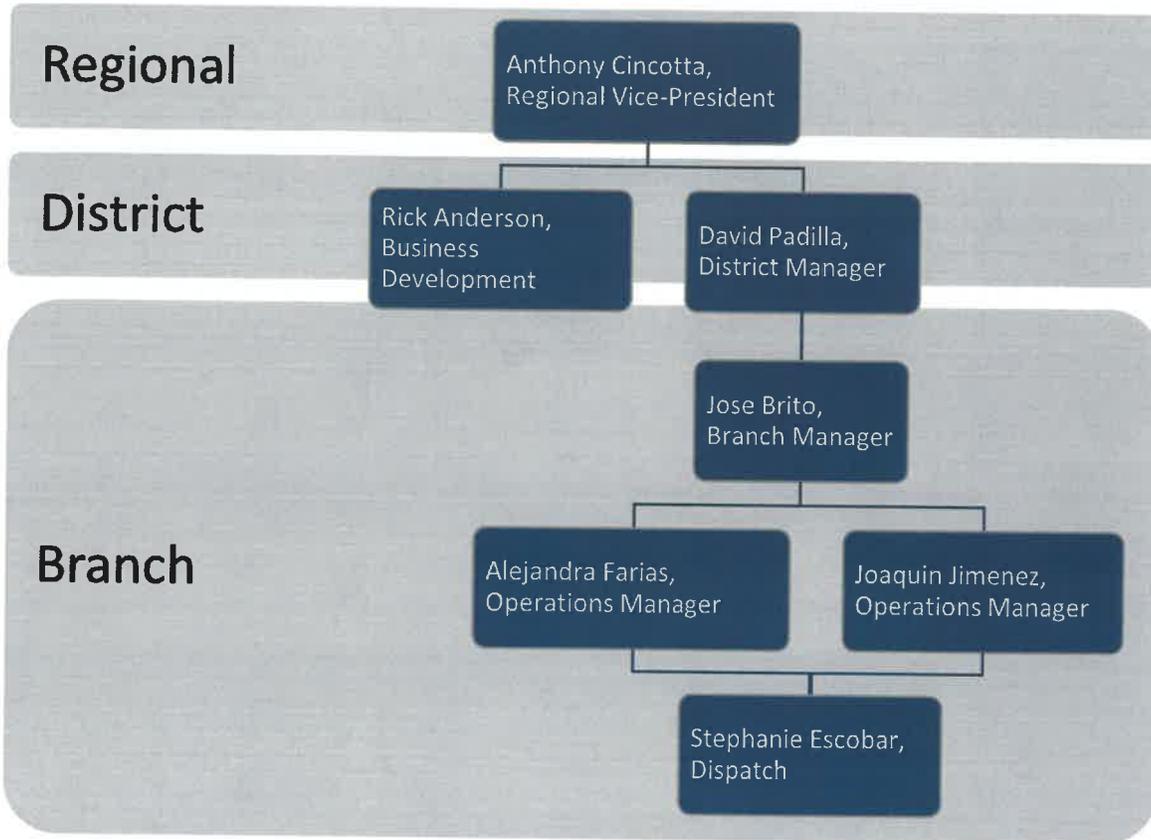

Routing

Routing will be designed in such a manner that all time zones will be swept timely with ample time for the operator to do an excellent job. If for some reason the operator is behind or needs help, and additional sweeper and operator will be supplied to ensure timely completion of routes.

Reports

In order to suit the County, a tailor-made form will be created for each location awarded to SCA of CA, LLC. The following items can be on the report:

- Curb miles and paved alley miles swept each day.
- Schedule curb miles and paved alley miles swept and areas missed.
- When missed areas were swept.
- Number of complaints received each day.
- Reasons schedule sweeping was not performed or completed as scheduled.
- Waste tonnage summary and copies of waste disposal receipts.

DISQUALIFICATION QUESTIONNAIRE

The Contractor shall complete the following questionnaire:

Has the Contractor, any officer of the Contractor, or any employee of the Contractor who has proprietary interest in the Contractor, ever been disqualified, removed, or otherwise prevented from bidding on, or completing a federal, state, or local government project because of a violation of law or safety regulation?

Yes _____ No X

If the answer is yes, explain the circumstances in the following space.

DISCLOSURE OF GOVERNMENT POSITIONS

Each Proposer shall disclose below whether any owner or employee of Contractor currently hold positions as elected or appointed officials, directors, officers, or employees of a governmental entity or held such positions in the past twelve months. List below or state "None."

None.

APPENDIX B
COST PROPOSAL

Pricing shall remain firm for a minimum of two (2) years. Any and all requests for pricing adjustments for follow-on contract renewal periods shall be provided no later than sixty (60) days prior to the end of the contract period. Any such proposed price adjustments shall not exceed The Bureau of Labor Statistics Consumer Price Index (CPI) data for Los Angeles-Riverside-Orange County, CA, All Items, Not Seasonally Adjusted, "annualized change comparing the original proposal month and the same month in the subsequent year. (This information may be found on the U.S. Department of Labor's website at www.bls.gov.)

ROUTE:	Total Annual Cost (Weekly)
Weekly Route 1 Total (211 Curb & Linear miles):	\$ <u>365,367.60</u>
Weekly Route 2 Total (206 Curb & Linear Miles):	\$ <u>356,709.00</u>
Weekly Route 3 Total (208 Curb & Linear Miles):	\$ <u>360,172.80</u>
Weekly Route 4 Total (214 Curb & Linear Miles):	\$ <u>370,562.40</u>
Weekly Extra Sweeps/Call Outs (8.65 miles):	\$ <u>14,978.60</u>
Total Annual Cost	\$ <u>1,467,791.00</u>

The Proposer agrees that for requested and/or required changes in the scope of work, including additions and deletions on work not performed, the Contract Sum shall be adjusted in accordance with the following unit prices, where the City elects to use this method in determining costs.

Proposer is advised that the unit prices will enter into the determination of the contract award. Unreasonable prices may result in rejection of the entire bid proposal. Unit prices listed below refer to all items installed and the Construction Documents and include all costs connected with such items; including but not limited to, materials, labor, overhead, and profit for the Proposer.

The unit prices quoted by the Proposer shall be those unit prices that will be charged or credited for labor and materials to be provided regardless of the total number units and/or amount of labor required for added or deleted items of work.

All work shall be performed in accordance with the specifications.

EXHIBIT C
CITY COUNCIL POLICY 100-5

SUBJECT	POLICY NUMBER	EFFECTIVE DATE	PAGE
DRUG-FREE WORKPLACE	100-5	8-8-89	1 of 3

BACKGROUND

Under the Federal Drug-Free Workplace Act of 1988, passed as part of omnibus drug legislation enacted November 18, 1988, contractors and grantees of Federal funds must certify that they will provide drug-free workplaces. At the present time, the City of Costa Mesa, as a sub-grantee of Federal funds under a variety of programs, is required to abide by this Act. The City Council has expressed its support of the national effort to eradicate drug abuse through the creation of a Substance Abuse Committee, institution of a City-wide D.A.R.E. program in all local schools and other activities in support of a drug-free community. This policy is intended to extend that effort to contractors and grantees of the City of Costa Mesa in the elimination of dangerous drugs in the workplace.

PURPOSE

It is the purpose of this Policy to:

1. Clearly state the City of Costa Mesa’s commitment to a drug-free society.
2. Set forth guidelines to ensure that public, private, and nonprofit organizations receiving funds from the City of Costa Mesa share the commitment to a drug-free workplace.

POLICY

The City Manager, under direction by the City Council, shall take the necessary steps to see that the following provisions are included in all contracts and agreements entered into by the City of Costa Mesa involving the disbursement of funds.

1. Contractor or Sub-grantee hereby certifies that it will provide a drug-free workplace by:
 - a. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in Contractor’s and/or sub-grantee’s workplace, specifically the job site or location included in this contract, and specifying the actions that will be taken against the employees for violation of such prohibition;

SUBJECT	POLICY NUMBER	EFFECTIVE DATE	PAGE
DRUG-FREE WORKPLACE	100-5	8-8-89	2 of 3

- b. Establishing a Drug-Free Awareness Program to inform employees about:
 - 1. The dangers of drug abuse in the workplace;
 - 2. Contractor's and/or sub-grantee's policy of maintaining a drug-free workplace;
 - 3. Any available drug counseling, rehabilitation and employee assistance programs; and
 - 4. The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
- c. Making it a requirement that each employee to be engaged in the performance of the contract be given a copy of the statement required by subparagraph A;
- d. Notifying the employee in the statement required by subparagraph 1 A that, as a condition of employment under the contract, the employee will:
 - 1. Abide by the terms of the statement; and
 - 2. Notify the employer of any criminal drug statute conviction for a violation occurring in the workplace no later than five (5) days after such conviction;
- e. Notifying the City of Costa Mesa within ten (10) days after receiving notice under subparagraph 1 D 2 from an employee or otherwise receiving the actual notice of such conviction;
- f. Taking one of the following actions within thirty (30) days of receiving notice under subparagraph 1 D 2 with respect to an employee who is so convicted:
 - 1. Taking appropriate personnel action against such an employee, up to and including termination; or
 - 2. Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health agency, law enforcement, or other appropriate agency;

SUBJECT	POLICY NUMBER	EFFECTIVE DATE	PAGE
DRUG-FREE WORKPLACE	100-5	8-8-89	3 of 3

- g. Making a good faith effort to maintain a drug-free workplace through implementation of subparagraphs 1 A through 1 F, inclusive.
2. Contractor and/or sub-grantee shall be deemed to be in violation of this Policy if the City of Costa Mesa determines that:
 - a. Contractor and/or sub-grantee has made a false certification under paragraph 1 above;
 - b. Contractor and/or sub-grantee has violated the certification by failing to carry out the requirements of subparagraphs 1 A through 1 G above;
 - c. Such number of employees of Contractor and/or sub-grantee have been convicted of violations of criminal drug statutes for violations occurring in the workplace as to indicate that the contractor and/or sub-grantee has failed to make a good faith effort to provide a drug-free workplace.
 3. Should any contractor and/or sub-grantee be deemed to be in violation of this Policy pursuant to the provisions of 2 A, B, and C, a suspension, termination or debarment proceeding subject to applicable Federal, State, and local laws shall be conducted. Upon issuance of any final decision under this section requiring debarment of a contractor and/or sub-grantee, the contractor and/or sub-grantee shall be ineligible for award of any contract, agreement or grant from the City of Costa Mesa for a period specified in the decision, not to exceed five (5) years. Upon issuance of any final decision recommending against debarment of the contractor and/or sub-grantee, the contractor and/or sub-grantee shall be eligible for compensation as provided by law.

CITY OF COSTA MESA

77 Fair Drive
Costa Mesa, CA 92626

Agenda Report

File #: 23-1190

Meeting Date: 5/2/2023

TITLE:

CONSIDERATION OF MODEL FLYING ACTIVITY AT FAIRVIEW PARK

DEPARTMENT: PARKS & COMMUNITY SERVICES

PRESENTED BY: JASON MINTER
PARKS AND COMMUNITY SERVICES DIRECTOR

CONTACT INFORMATION: JASON MINTER
PARKS AND COMMUNITY SERVICES DIRECTOR (714) 754-5065

RECOMMENDATION:

Staff recommends that an environmental compatibility and biological resource assessment be completed by MIG Consulting LLC, as envisioned by the Fairview Park Master Plan Update, including the existing flying field location and/or other potential locations at Fairview Park, and that the temporary suspension of flying field activity be continued until such assessment is completed, due to current biological activity at the site.

BACKGROUND:

Since 2019, the City Council, staff, the Fairview Park Steering Committee (FVPSC), and the public have engaged in an extensive effort to evaluate the operation of model aircraft activities at Fairview Park. This review included over twenty dedicated public meeting discussions throughout a combination of City Council meetings, PACS Commission meetings, Fairview Park Steering Committee meetings, and a series of dedicated outreach meetings to specifically consider issues and concerns related to model aircraft operations at the park.

In September 2021, the model aircraft activity was brought before City Council to consider potential alternatives for the activity. The result of this discussion included City Council direction to evaluate the flying activity during the Master Plan update, consider other sites, and permit only gliders going forward. In addition, the City Council direction discussed the need to update the applicable flying policies and documents, prevent impacts to protected habitats and resources, provide mitigation measures for the protected areas, and account for environmental concerns during the policy update process.

On March 21, 2023, staff brought this item back to the City Council for further consideration due to additional concerns related to environmental compatibility issues and continued requests from the Harbor Soaring Society to reinstate its flying field operations with gliders only. At the March 21, 2023, public meeting, the City Council voted to continue the discussion to a future City Council meeting to provide more time to consider all options.

Given the complexity of the issues under consideration, staff recommends a formal environmental assessment be conducted by MIG Consultants, LLC, and any other experts, as needed, as part of the Fairview Park Master Plan, to identify all viable options for preserving protected habitats and species while resuming flying field operations, if possible.

ANALYSIS:

The Harbor Soaring Society has been flying at Fairview Park for more than 5 decades, and for over 20 years at the current flying field location. This recreational activity has been a favorite for some park users, including those that just like to watch the planes fly. Over the years the nature of the flying activity has changed, evolving from gliders over the bluffs to the graded flying field that exists today. These changes, along with the identification of protected species, including both flora and fauna, have forced the compatibility conversation in terms of whether or not the activity of flying is compatible with the sensitive habitat in which the field occupies.

Another major change that took place was the closure of the flying field due to the COVID-19 pandemic. As the flying field was closed, along with all City parks for health and safety reasons, it provided an unexpected opportunity for natural habitat to return to the area. As recently as March 2023, there have been sightings of the Burrowing Owl, a federally listed endangered species at multiple sites throughout the park. While Burrowing Owls have been seen at Fairview Park over the years, their presence was mostly limited to the east side of the park and not close to or adjacent to the existing flying field. This is one example of a change in the habitat that has occurred since the U.S. Department of Fish and Wildlife made recommendations in 2019 regarding modifications to flying field operations that could be made to help preserve sensitive habitats at the time. With the return of the Burrowing Owl and other plants and species to areas west of Placentia Ave. during the pandemic, it is unclear whether those earlier recommendations would still suffice.

Since late 2021, staff has worked with the Harbor Soaring Society (HSS), community interest groups, stakeholders, and the Fairview Park Steering Committee (FVPSC) in an effort to fulfill the direction to evaluate flying activity as part of the Master Plan update, consider other sites, and account for modifications to the model flying documents and policies to allow only gliders. In January 2023, the Professional Services Agreement was awarded to the selected consultant (MIG) to lead the Master Plan update.

The Master Plan update will include a comprehensive analysis of Fairview Park featuring the following components:

- Historical summary/review of existing documentation
- Community outreach
- Resource assessment and analysis of existing conditions
- Environmental compliance

Staff are now two months into the Master Plan update process that started in February with a kick off meeting. MIG has a team of biologists, ecologists, archaeologists, regulatory specialists, and engineers, that will be performing intensive studies of Fairview Park, including a CEQA analysis that is required for completion of the Master Plan Update.

Included in this report are recommendations from regulatory agencies as to the compatibility of model aircraft flying and the sensitive habitat at Fairview Park. Specifically of note, the U.S. Fish and Wildlife Service in 2019 provided guidance to City staff that model aircraft activities (including gliders) should avoid flying over and landing in sensitive resource areas (Attachment 1). Importantly, nearly all of the Fairview Park mesa west of Placentia Ave. has been designated as biologically sensitive since the Master Plan was adopted (FVPMP 1998; Attachment 2), which highlights the asserted incompatibility with the previous HSS flight operational area that overlaps the mesa, bluffs, vernal pools, coastal sage scrub, and other biologically sensitive areas. The California Department of Fish and Wildlife has also expressed support for full flying field closure in March 2023, due to the breadth of significant biological resources which are adversely impacted by model aircraft activity (Attachment 3).

Should the Council support the staff recommendation for an environmental compatibility and biological resource assessment to be completed by MIG, including the existing flying field location and/or other potential locations at Fairview Park, and that the temporary suspension of flying field activity be continued until such assessment is completed due to current biological activity at the site, Staff will continue coordinating with HSS to evaluate potential mitigation measures or alternative options for glider flying activity at other sites. In addition, staff will continue to explore further collaboration with HSS on reserving City facilities to host youth STEM activities related to aviation, to promote cross-branding between Fairview Park STEM activities and Harbor Soaring Society's aviation and STEM activities, and to collaborate with other flying fields to find partnership opportunities for Costa Mesa residents.

Fairview Park Steering Committee Recommendation

On April 13, 2023, at their regularly scheduled meeting, the Fairview Park Steering Committee developed a recommendation for the City Council, which summarized their concerns regarding model aircraft activity at Fairview Park. The following recommendation was approved by the Committee:

“Fairview Park is a unique and valuable natural resource. Based on the three-year history of evaluation and decisions made by staff and this committee, this committee supports the staff recommendation to City Council on March 21, 2023 that “recommends that City Council permanently close the Fairview Park model aircraft flying field and terminate the model aircraft individual flyer permit system due to outstanding environmental constraints, safety issues, and infeasibility with required resource protection measures at the site.” The Fairview Park Steering Committee is in support of restoration goals and opportunities for science and education.”

The Committee approved the recommendation 6-1, with the action included in the unofficial excerpt of minutes from the meeting (Attachment 4).

ALTERNATIVES:

The City Council could choose to reinstate the flying field to gliders in the current location west of Placentia Avenue. This option is not recommended by staff due to the aforementioned concerns related to biologically sensitive habitats, and endangered species impacts. If the flying field were to be reopened in the existing location, operations would need to be limited to specific flying dates, with

biological monitoring and other measures in place to mitigate impacts to the environment. Resumption of flying activities on the west side would also be contingent upon having City issued flying permits for all operators. Staff recommends that the permit be issued to the Harbor Soaring Society as the umbrella organization for fly field activity, much like the permit issued to the Orange County Model Engineers (OCME) for train related activities at the park.

FISCAL REVIEW:

The fiscal impacts of these actions will vary based on the direction given by City Council. Nesting surveys typically cost \$700 to \$2,000 based on the scope of the survey. Park Rangers are currently scheduled for weekend patrols, however any dedicated assignments would alter coverage at other parks.

LEGAL REVIEW:

The City Attorney's Office has reviewed this report and approves it as to form.

CITY COUNCIL GOALS AND PRIORITIES:

This item supports the following City Council Goals:

- Strengthen the Public's Safety and Improve the Quality of Life
- Advance Environmental Sustainability and Climate Resiliency

CONCLUSION:

Due to the current biological conditions at the existing flying field location, staff recommends that a formal environmental compatibility and biological resource update assessment be completed in order to determine the compatibility of any flying activity at the existing or other potential locations at Fairview Park. This analysis would determine what the appropriate measures would be to allow proper protection of the natural resources should flying resume.

Therefore, staff recommends that an environmental compatibility and biological resource assessment be completed by MIG Consulting LLC, as envisioned by the Fairview Park Master Plan Update, of the existing flying field location West of Placentia Ave, and/or other potential locations at Fairview Park, and that the temporary suspension of flying field activity be continued until such assessment is completed, due to current biological activity at the site.

Subject: Re: [EXTERNAL] Fairview Park and Harbor Soaring Society Agreement

Hi Kim,

Unfortunately by the time I received the information from the City about the permit (one week before the meeting). I had too many other projects on my plate to be able to complete a detailed review of the ordinances for the USFWS; however, I did talk directly to Cynthia D'Agosta and Scott Thomas (Sea and Sage Audubon) before the meeting and shared the following concerns/recommendations verbally with them:

- 1) Because the City is issuing permits to allow the operation of model planes within the park they will also be responsible should take of Federally listed species occur in association with these activities. For example, if the planes cause disturbance to nesting gnatcatchers in a manner that results in abandonment of an active nest then we would consider this a potential violation of Section 9 of the Endangered Species Act that can be referred to our Law Enforcement Division. It was my understanding that the permits would explicitly limit planes from flying over the canyon area where the gnatcatcher was most recently found nesting, but I do not see this stated in the permit. It is not clear how the permit holders will know which resources they need to avoid because only a portion of the park is shown on the figure that I was provided by the City and it does not properly show the hydrological connection between vernal pools 1 and 4.
- 2) We recommended that the City provide sufficient policing to ensure the permit conditions are followed. We also recommended that the permit holders clearly display the permits (i.e., like a fishing license) so that the City can ensure only permitted individuals, that are aware of the locations of sensitive resources, are allowed to fly model planes in the park.
- 3) Although we do not know the exact limit of noise that can be tolerated by various bird species, we do know that loud noises cause disturbance to birds. We recommended that the City discuss with the Harbor Soaring Society the best method for determining which planes should be limited up front (e.g., limit planes to those that emit less than x decibels). It is our understanding that the City plans to conduct a study of the behavior of birds in response to various types of planes and we asked for an opportunity to review the proposed study. We remain concerned that it will be difficult to evaluate the disturbances and determine which planes are appropriate on a quantitative basis, unless a study is also conducted of the behavior of birds when no planes are flying.

4) We pointed out that while the ordinance is silent on the presence of sensitive resources in the park. We recommended that the ordinance acknowledge the presence of sensitive resources and clarify the need to avoid flying over or landing in sensitive resource areas (e.g., vernal pools, coastal sage scrub, wetlands/riparian vegetation).

5) We recommended that the specific area allowed for launching planes is designated on a map and that disturbance is limited to the minimum area necessary to launch the permitted planes. This area should not be within wetland habitat (i.e., both because it is difficult to use a launch pad full of water and because of the impacts to aquatic resources) and should provide the maximum buffer possible from the basin of Vernal Pool 1. I am not familiar with the amount of area that is needed so I cannot speak to a particular size. Please see the attached figure for the previous area that we approved to be cleared by the Harbor Soaring Society.

6) In the past we have discussed with both the Harbor Soaring Society and the City that it is important to stay out of the vernal pools when they are wet due to the potential for trampling listed species and the alteration of hydrology that occurs when walking on wet ground (see attached email correspondence). For this reason, we specifically requested that the Soaring Society not have access to the winch (which is located within vernal pool 1) during the wet season. We discussed fencing this area off and only allowing access during the dry period of the year. I do not see any mention of this in the permit language.

While impacts to biological resources continue as a result of both authorized and unauthorized activities within Fairview Park, we would be hesitant to go down the path of developing a Habitat Conservation Plan and providing an incidental take permit to the City, as suggested by Sea and Sage. The City has accepted mitigation and grant funding to restore habitats in the park for the benefit of Federally Listed Species. Mitigation was provided in the park to offset impacts to resources that occurred somewhere else. It would not be appropriate to then permit uses that are expected to degrade those mitigation sites within the park.

We agree that the actions of the City do not align with the Master Plan; however, our plan is to continue to coordinate with the City to improve the condition of park resources. It is our understanding that vernal pools 5 and 6 will be restored this year. We are hopeful that the public perception of the park will change as conditions of resources improve and as the public is educated about the rarity of the resources in the park (e.g., through educational signs and nature tours).

Please feel free to call if you have any questions regarding this message.

Hi Christine,

Big disappointment for me last night regarding the Harbor Soaring Society agreement being passed by city council. I kind of expected it based on the city's usual actions in Fairview Park.

One thing that came up last night was that USFW had not given any official response regarding the agreement. A city council member asked the Fairview Park Administrator if USFW had given an official response regarding the agreement and the answer was, "No". Is this true? If so, why not?

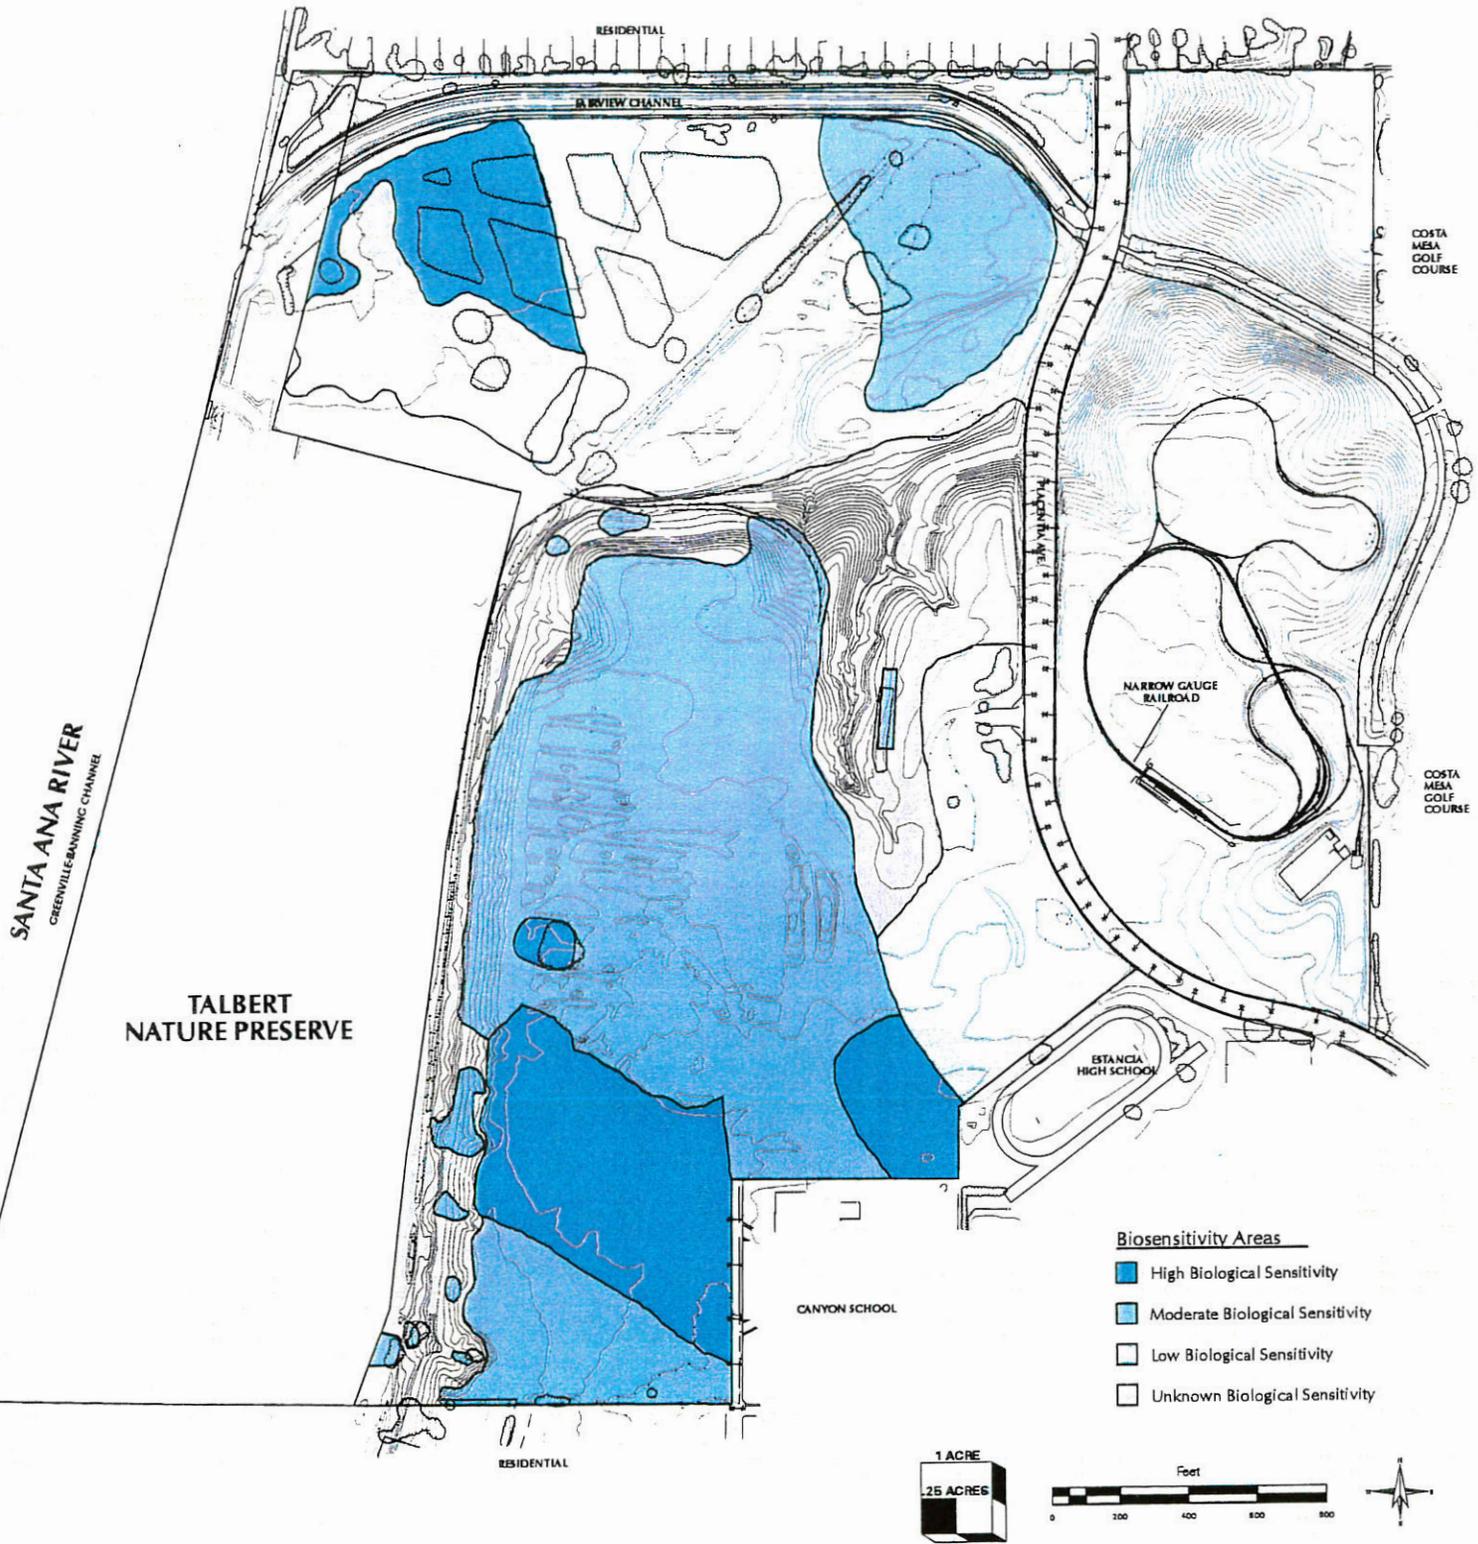

Have you seen that the runway was graded next to a vernal pool (250 feet according to city measurements last night). It has been graded multiple times since 2005. I sent you the pictures but can send them again if you'd like.

Also, did you know that the runway isn't even supposed to be where it currently is? The Fairview Park Master Plan (FPMP) indicates the Silent Glider Land/Launch site to be next to the bathrooms near the lawn. It isn't. Doesn't the FPMP still hold some meaning for USFW? It doesn't seem to have that much importance with the city, in fact, they completely ignored the location being wrong last night. I did bring it up. The FP Administrator said she had been talking with USFW but nothing official - she didn't say that it wasn't even liked by USFW. Is it okay to keep flying, taking off and landing next to the vernal pools. Also, next to vernal pool 7 more space has been graded as well as a result of where they took out the wrongly placed cement posts from last year.

Please tell me what USFW thinks - it was presented like it was no big deal and USFW is talking with the administrator and everything is okay. It doesn't look okay out there.

Thank you,
Kim Hendricks

You can watch that part of the city council meeting on YouTube if you'd like to hear what was said by the FP Administrator.

Subject: Fly Field Closure
Date: Monday, March 20, 2023 11:51:09 AM
Attachments: [Draft FVP Flying Field Closure Report March 2023.docx](#)

Hello Kelly,

In response to our conversation a few weeks ago and our most recent email exchange, CDFW would be supportive if the City was to eliminate the model aircraft flying activity in Fairview Park. As a State Trustee Agency for natural resources sees the current activities at Fairview Park as potentially adverse to a variety of sensitive plant and wildlife species as well as valuable habitat types, including vernal pools, coastal sage scrub, and riparian vegetation. Currently, the designated model aircraft flying area directly overlaps with these habitats.

Sensitive wildlife species are found in and adjacent to the designated flying area, including burrowing owl (*Athene cunicularia*; CDFW Species of Special Concern (SSC)), white-tailed kite (*Elanus leucurus*; Fully Protected), northern harrier (*Circus hudsonius*; SSC), coastal California gnatcatcher (*Polioptila californica californica*; SSC, Federal Endangered Species Act (ESA) listed-threatened), San Diego fairy shrimp (*Branchinecta sandiegonensis*; Federal ESA listed-endangered), and Riverside fairy shrimp (*Streptocephalus woottoni*; Federal ESA listed-endangered). Sensitive plant species in and adjacent to the flying area include San Diego button celery (*Eryngium aristulatum* var. *parishii*; California Endangered Species Act listed-endangered, Federal ESA listed-endangered, California Rare Plant Rank (CRPR) 1B.1), Orcutt's grass (*Orcuttia californica*; Federal ESA listed-endangered, CRPR 1B.1), , prostrate navarretia (*Navarretia prostrata*; CRPR 1B.2), and small-flowered microseris (*Microseris douglasii* ssp. *platycarpha*; CRPR 4.2).

CDFW would like to express our support for full closure of the flying field due to impacts to sensitive biological resources. Small, unmanned aircraft have high potential to disturb sensitive avian species and can cause physiological stress and decreases in reproduction and survival (Mulero-Pázmány et al., 2017). We are especially concerned about impacts to raptor species which forage on the mesa near the flying field and may mistake a model craft for a competing predator. Smaller birds such as coastal California gnatcatcher may also identify craft as birds of prey; similar instances with other species have occurred locally. For example, in 2021, a drone crash led to the abandonment of approximately 1,500 elegant tern nests at CDFW-owned-and-managed Bolsa Chica Ecological Reserve, only seven miles northwest of Fairview Park. We are concerned that continued operation of the flying field could lead to similar direct and indirect impacts to sensitive avian resources there.

Fairview Park supports one of the last coastal terrace vernal pools complexes in Orange County. Conservation and management of the San Diego fairy shrimp and its habitat in Fairview Park and other vernal pool complexes in the Los Angeles Basin-Orange Management Area is one of the criteria identified for recovery of the San Diego fairy shrimp in the U.S. Fish and Wildlife Service's Recovery Plan for Vernal Pools of Southern California. Vernal pools in Fairview Park also support several plant species that are locally rare (City 2008; Chung 2010). Model aircraft activity at the flying field results in degradation of vernal pool habitats at Fairview Park when uncontrolled landings and associated vegetation trampling occur. For the above reasons, CDFW would be in support of a closure which

would eliminate this source of pedestrian disturbance for the sensitive habitats present on site.

Excerpt of April 12, 2023 Unofficial Fairview Park Steering Committee Meeting Minutes

NEW BUSINESS:

1. MODEL AIRCRAFT ACTIVITY AT FAIRVIEW PARK

Mr. Minter presented.

Committee member D'Agosta questioned why item is considered new business.

Mr. Minter clarified it was to ensure committee would like to reinforce current position regarding aircraft activity and whether focus has changed amongst the committee.

Councilmember Reynolds encouraged recommendation from committee to present to council.

Committee member Garcia questioned what new information was provided in report.

Mr. Minter explained report was to provide further interpretation of intentions of documents received from regulatory agencies.

Committee member D'Agosta supported staff position and report. Requested that staff compile a report of previous committee decisions to provide awareness to new members of committee history.

Mr. Minter asked if Committee member Garcia would like to recuse himself from discussion.

Committee member Garcia announced he would be staying on discussion as a patron.

Vice Chair Roberts expressed support to Committee member Garcia's involvement.

Councilmember Reynolds agreed with Committee member Garcia participating as a voting member.

Committee member D'Agosta advocated that committee members must learn about past voting decisions made regarding the fly field.

Supplemental item received by Chair Campbell is hyperlinked on the agenda item #2A.

Committee takes a 5-minute break commencing at 7:01pm and concluding at 7:06pm.

Chair Campbell presented past committee decisions regarding the outline history of model aircraft activity from July 2019 to August 2022. Expressed the intention was to recall the 3-year discussion and motions.

Councilmember Reynolds enters at 7:11pm.

Committee member Garcia pointed out flying areas within vernal pools.

Committee member D'Agosta questioned intention of committee and whether intentions are to restore and respect nature. Brought fourth that in the past, other activities and events have been removed from the park due to incompatibility evaluations such as the civil war, cattle ranch, races, etc. Mentions that the City has committed themselves to restoring the park.

Committee member Garcia questioned what the park is restoring back to and why are train activities allowed.

Committee member D'Agosta responded that the intent is to restore areas with endangered animals and plants.

Committee member Baume expressed support for recommendation. Mentioned no other park in Costa Mesa allows for aircraft activity.

Chair Campbell stated Fairview Park should be exceptional and not the exception.

Committee member Garcia quoted Municipal Code regarding flying aircrafts in Fairview Park.

Mr. Minter reminded the committee that a motion would be needed.

Councilmember Chavez enters at 7:20pm.

Committee member McClain reiterated that a vote would be needed and agreed with staff report. Declares that aircraft activity is not compatible with restoration plans. Proposes to move forward with current recommendation.

Vice Chair Roberts: Advocated that committee utilize staff recommendation from March 21, 2023 City Council report as a motion.

Councilmember Chavez exits at 7:23pm.

Chair Campbell presents including additional objectives to support staff recommendation.

Committee member D'Agosta agrees with staff recommendation and adds that

recommendation is made on the basis of previous committee history and decisions.

Mr. Minter questioned whether the committee would include East side evaluation.

Committee member Garcia expressed there is a serious issue on the East side of the park.

Chair Campbell suggested that HSS return with more information regarding claim.

Committee member Garcia shared history of HSS utilizing Fairview Park as the home of flying fields but acknowledges this area may not always be available. Said they would hope to use zone until another location is found.

Committee member D'Agosta suggests the East side be evaluated during the master plan updates. Expressed her disbelief of HSS relocation efforts and does not support flying due to environmental issues. States that in a 3-year period, the habitat has changed and needs to be reassessed and reevaluated.

Committee member Garcia expresses the committee may risk their image if they ban aircraft activity.

Public Comment:

Wendy Leece: Stated that the fly field intrudes into the vernal pools. Expressed that the public trusts the committee to protect Fairview Park and it is the responsibility of the committee to protect the habitat.

Henry Smith: As a member of the Harbor Soaring Society, banning the fly field would not be serving the people of Costa Mesa. Claimed most of the damage at the park has been done by the city. Stated that Fish and Wild life knew of active flying activity before shrimp were found.

Chair Campbell begins to address the verbiage of the motion.

Committee members talked amongst themselves to clarify verbiage and sentence structure of the motion.

Vice Chair Roberts shares respect and wants HSS in another area within the county and suggests the committee will be receptive to providing support.

MOTION/SECOND: Vice Chair Roberts made a motion:

Fairview Park is a unique and valuable natural resource. Based on the three-year history of evaluation and decisions made by staff and this committee, this committee supports the staff recommendation to City Council on March 21, 2023 that “recommends that City Council permanently close the Fairview Park model aircraft flying field and terminate the model aircraft individual flyer permit system

due to outstanding environmental constraints, safety issues, and infeasibility with required resource protection measures at the site.” The Fairview Park Steering Committee is in support of restoration goals and opportunities for science and education.

Seconded by Committee member McClain.

The motion carried by the following roll call vote:

Ayes: Committee member Baume, Committee Member D’Agosta, Committee member Fuqua, Committee member McClain, Chair Campbell

Nays: Committee member Garcia

Absent: Committee member Crecelius and Committee member Glover

Motion Carried: 6 – 1

GENERAL GOALS STATEMENT FOR FAIRVIEW PARK

The following brief statement describes the Fairview Park Citizens Advisory Committee general plan for Fairview Park. It can and should be read by any individual or group prior to their presentation of any proposal for activities or facilities within Fairview Park.

The Master Plan for Fairview Park is the outcome of the Committee's conceptual theme best described with the general term "passive use". This will include trails for pedestrians, runners and bicyclists. Areas will be developed with appropriate vegetation and physical conditions to create and enhance varied native habitats such as grassland, woodlands, riparian, alluvial scrub, sand dunes, coastal sage and vernal pools. Preservation of the archaeological sites will also be a top priority. Included in this concept, in addition to trails and restoration of native habitats, will be some turfed areas for picnicking, resting, children's play, and individual and small group non-organized sports activities. Special activities and facilities with appropriate educational and recreational value, such as a small museum complex, will be considered as compatible with other uses and space allocations.

No commercial ventures are encouraged within the park, and any fund raising activities within the park by any organization should require approval by the City Council.

Group activities such as track meets, kite flying, model airplanes, team games, or educational programs are to be confined to the designated trails or turfed areas.

This is in keeping with a major concern of the Committee which is the enhancement and protection of the native flora and fauna within the park. To this end, nonobtrusive signs and fencing will be used as well as the enforced leash laws.

*The Fairview Park Citizens Advisory Committee
August 20, 1997*

1. EXECUTIVE SUMMARY

INTRODUCTION

"The site could be planned as the City's premier park, to include a wide diversity of recreational opportunities encompassing natural passive park land. The Master Plan for this site must address the distinctive character of the location and its adjacencies providing a park with unique citywide significance. The Santa Ana River, Talbert Nature Preserve, and the bordering school properties all should influence the park design and layout. In addition, the park contains important cultural and natural features which should be planned for future protection."

*City of Costa Mesa Parks, Recreation, and Open Space Master Plan
January 1996*

This statement from the recently completed planning document well states the challenge for Fairview Park. The consultant team has operated on the premise that the text should have the insertion of "shall" in place of "could" as the third word: for the community is aware of the high potential for this rare open space. Through this Master Plan the citizens of Costa Mesa and their elected officials determine the course of planning for this land, which will affect the lives of many generations of residents. The consultant team has endeavored to create a Master Plan, which insures that the needs of the community are met, and that the great potential for the site is realized.

The site is unusual not only for its impressive bluff top location and interesting rolling hills, but for the story that it can tell of: Native American civilizations, wildlife and its habitat, unusual and subtle natural features, and our aspirations as urban dwellers to provide spaces for previously dominant living systems to continue to function. The promise of restoration built upon the existing remnant wildlife habitat, opportunities for discovery, interpretation, recreation and enjoyment for people is a challenging and exciting prospect.

Fairview Park will be the link, which ties many existing and future resources of the City together. The Costa Mesa River - Bay Trail will connect through the park to the Talbert Nature Preserve immediately. When all portions of the Local Coastal Program are complete a continuous recreational trail will lead through parklands. Saltwater marshes at the mouth of the Santa Ana River, South Talbert Park with Victoria Pond, Talbert Nature Preserve, Costa Mesa Vista, and Canyon Parks will be linked at Fairview Park to the arteries of the Costa Mesa bikeway system.

The Park consists of 208 acres of open space currently used for walking, biking, jogging, flying model airplanes, model railroading, and picnicking. Approximately 13 acres of the site have been improved as passive park space with lawn, trees and parking. The remainder of the site is vacant. Work on this Master Plan was begun in July of 1996.

of the Committee and the public, changes were made and the revised composite scheme was presented at a working session of the City Council on December 9, 1996.

The three alternative schemes and the composite scheme were presented in a public workshop at the Council Chamber on Saturday June 28, 1997. Comments on the proposed land uses and the details of the physical scheme were accepted.

A progress report was made at a meeting of the City Council on August 4, 1997. Following this report the preparation of environmental documentation for the plan was initiated concurrent with the preparation of the draft of the Master Plan.

On December 15, 1997 the City Council adopted Mitigated Negative Declaration with revisions, and adopted Resolution 97-102 approving PA-97-43, the Fairview Park Master Plan. At the same meeting the Council adopted Resolution 97-103, approving GP-97- 03A, amending the General Plan of the City of Costa Mesa incorporating the Master Plan references into the Parks, Recreation and Open Space Master Plan element.

In August and September of 2000 the City Council adopted revisions to this plan. The revisions include the elimination of some trails, the reduction in width of certain trails and the reduction of paved surfaces. All revisions are reflected on the revised Master Plan drawing and are indicated with a strikethrough.

In November 2002 the City Council adopted revisions to this plan. The revisions include the deletion of the Huscroft House relocation, deletion of the dog park on the east side, deletion of the lower parking lot in planning area C, deletion of the botanic gardens, deletion of the pond on the east side, deletion of the model railroad on the west side of the park, and the deletion of the bicycle motocross.

In June 2007 the City's consultant LSA Associates performed a complete biological survey of Fairview Park and updated the biological constraints and opportunities section of the Master Plan.

All revisions are reflected throughout this document and are indicated with a strikethrough. Figure 1 has been updated to reflect these changes.

1.3 THE MASTER PLAN

The master plan presents a park for passive uses. Facilities are provided for individual and small group activities focused upon walking, biking, picnicking, quiet contemplation, interpretation of the archaeological and biological resources, and the hobbies of kite flying, model glider airplane flying and riding the model railroad.

The passive uses included in the plan were driven by the need to protect the unique archaeological and biological resources, the City's new focus of attention on other

- Provide for the continuation of the organized uses that have historically occurred on the site, including model railroading, model airplane, and model glider flying.
- Minimize addition of other similar organized uses that would require special park facilities or permanent allocation of park space.
- Provide for walking, running, and bicycling along defined trails.
- Utilize and improve existing trails as much as possible.
- Minimize creation of new trails.

Provide additional opportunities and services for low-key park use:

- Provide an enhanced setting for the model railroad area.
- Provide a landscaped setting on the eastern area of the park that will provide continuity with the adjacent residential and golf course areas and tie to the natural habitat restoration on the western side.
- Enhance existing picnic areas and provide additional picnic facilities for small groups and on the eastern portion of the site.
- Provide additional children's play areas.
- Provide restrooms.

Provide for public safety

- Provide trail access for public safety and emergency vehicles.
- Stabilize the bluffs and provide safer access across them.
- Provide buffer areas for fire-wise planting adjacent to residential areas.
- Provide improved vehicular access from Placentia Avenue.
- Provide increased opportunities for walking and bicycling away from vehicular roadways.
- Maintain the open quality of the park that allows for visibility over the park area for observation of any public safety problems.
- Design park improvements in conformance with public safety codes and Americans with Disabilities Act requirements.

5.2 RESTORATION OBJECTIVES

Preserve the archaeological resources

- Remove existing artificial fill with minimal damage to the resources underneath.
- Protect archaeological sites from unauthorized collecting and damage.

Enhance and re-establish habitat for native plants and wildlife.

- Base restoration plans on scientific recommendations related to the existing site characteristics and the best available information on pre-existing natural habitat areas.
- Conform to the federal and state restrictions concerning existing ecological resources.

- Coordinate restoration plans with regional and adjacent restoration and preservation efforts, in order to provide continuity of habitat and address endangered habitat concerns.
- Protect restoration areas from damage and intrusion.
- ~~Incorporate habitat restoration areas into the NCCP/HCP.~~

6. THE MASTER PLAN

The Master Plan presents a park for passive uses. The natural setting will dominate and provide the opportunity for walking, jogging, biking, and quiet contemplation. The large size of the park allows for the inclusion of a model railroad, glider and kite flying, and a group picnic area without compromising the overall passive nature of the plan. The landscape includes play areas for children, lawn areas for play and picnicking, and large areas of restored native plant communities. A trail system will provide access by foot, bicycle, wheelchair, park maintenance, and emergency and security vehicles. Interpretive opportunities are to be subtly provided as part of the trail system. Defined trails offer the possibility for a roaming walk among undeveloped nature for those seeking solitude or to explore the varied terrain of the mesa, bluffs, and low alluvial plain. Natural areas will contain extensive areas of local native plant communities, and a botanic garden will display a collection of California plants from many regions.

The plan is intended to provide a detailed framework for the restoration and construction work. Completion of the work will undoubtedly be by phases. Some change in anticipated uses may be expected, as in the case of the museum site. However, the overall policy direction for passive, natural preservation and restoration is to guide all detail development decisions. The Master Plan will guide the creation of a rich and varied park which will serve the residents of Costa Mesa for generations to come.

The following provides detail to the master plan by geographic section of the park.

6.1 PARK ENTRANCES AND PARKING

The major entrance to Fairview Park is planned to be at the location of the existing entrance to the western portion of the park from north or southbound Placentia Avenue. The existing entrance to Fairview Park is currently controlled by a traffic signal. This intersection is to be expanded to provide entrances to the eastern train area as well as the current western access.

Parking for 106 cars is currently provided in the existing 13-acre park area west of Placentia Avenue. These spaces are to be retained. Existing parking for 26 cars opposite Marion Parsons School is to be retained. An additional new parking area for approximately 35 cars is to be provided in the new group picnic area north of the existing entry and parking.

site area. The many plant communities provide variety, rich visual experiences, and interpretive opportunities.

Dog Park

3 ³/₄ acres in the central area of the train tracks, bounded by the Fairview Channel to the east is designated for use as an area for the running of dogs off-leash. Coordination will be required in the future for possible growth of the train rail system. A proposed trestle structure in this area is to be designed to accommodate pedestrian use of the dog park area.

Archaeological Site CA-ORA 506

Approximately the northern 5/8 of the eastern site is identified as a registered archaeological site. This site has been the subject of less detailed study than CA-ORA 58, which lies west of Placentia Avenue. Any active development of the site would require environmental work in conformance with the City of Costa Mesa, County of Orange Public Facilities and Resources, Historical Programs, and CEQA. This plan calls for no active development in this site. Trenching for irrigation may require archaeological monitoring.

6.3 WEST OF PLACENTIA AVENUE

Existing Park Improvements

The thirteen acres of existing lawn, trees, and parking are to remain. As finances or volunteers are available, additional trees should be planned and planted in order to expand the single trees into groves. The western edge of the existing lawn is to be extended to join the trail system and include the glider launch and landing sites as shown on the master plan drawing.

Group Picnic Site

A new group picnic site is planned for the land north of the existing entrance adjoining the existing lawn areas. This area is to have parking for approximately 35 cars, shelter, grilles and tables to seat approximately 75 persons for picnics. A structure to provide shade and rain protection may be provided. The design of this structure should be simple, without walls, maintaining as low a profile as possible. New lawn and tree areas will surround the group facilities. Restroom facilities are also provided.

Interpretive Area

The central interpretive area is located west of the existing park lawn, near the existing parking. This area is to serve as a starting point for learning of the archaeology of the site, as well as the plant and animal communities. The center is not to contain buildings or other structures. The story of the site can be told through low level signage, footprints, castings of artifacts at ground level and limited

modeling. The area should allow non-guided discovery suitable to children and adults. Sufficient paving can be provided to assemble a small group for a guided tour. Additional signage should be located at key locations around the site to explain the life of the vernal pools, the various plant communities and habitats, the shell midden, the prehistoric river setting, and the Spanish / Mission use of the site.

Restroom Facilities

Restroom facilities are near the interpretive area on the route to and from parking. This location will serve the existing developed park area, the trail system and the visitors to the interpretive area. This building should include a small storage area of approximately 125 square feet, which could be used to store glider launch equipment. The restroom building is located within the lawn and tree active park area and should be a low profile building, perhaps partially enclosed by earth mounds.

Glider Launching Sites

There are two types of model glider airplane launch sites in use at Fairview Park: electric motor launch operations which take place in the morning when winds tend to be calm, and bluff top launches which take place in the afternoon when the prevailing wind creates a strong updraft at the bluff. Both operations are planned to be retained and provided for in the park.

The launch system of the larger planes which rise to ride the thermal columns of the early morning calm are driven by a small battery powered electric motor which reels in a string attached to the glider. While the launch string extends out 600 feet, the aircraft rises from the launch site at a steep angle requiring a small take-off area. The landing requires a separate small area, which must be clear of pedestrian traffic. The laying out of the launch string can be accomplished in grassland without damage to either habitat or aircraft. Any clearing required for the launch string is not to exceed one foot in width. The plan calls for moving the current site to the east in order to remove the launch string systems from the vernal pools. A storage area for launch gear can be provided near the launch site south of the interpretive center, associated with the restroom building. This facility should not exceed approximately 125 square feet and is to be of a very low profile, as discussed under restroom facilities.

Bluff top afternoon launches are focused at the bluff near the southern boundary of the site. Due to extensive use of the area, a stabilized decomposed granite paving area should be provided in order to protect the site and the bluff edge. Signage or other vertical projections exceeding approximately 3 feet above grade should not be placed along any of the bluff edges.

Vernal Pools

The vernal pools are discussed in depth in Section 3.5.1 and Appendix C. The pools and basins are to be retained, restored, and protected. Protection involves

Riparian Zone Along the Placentia Drain

The Placentia Drain exists in the northwest lowlands and extends along the base of the western bluffs to the southern tip of the park where it continues into Talbert Nature Preserve. The presence of seasonal water flow and, to a lesser extent, year-round flows in the Fairview Channel indicates the potential for the introduction of a riparian area along the Placentia Drain. Connection of the drain to the Fairview Channel can provide year round water flow while limiting the volume of flow into this feature. The drain presents an additional habitat and plant community for exploration via the trail system. No membrane or artificial water holding basin is planned in order to avoid attracting non-native frogs which could be harmful to other native species present in the area. Preliminary engineering study indicates that the riparian zone could be feasible and act as an asset to the wetlands in lower Talbert Nature Preserve by increasing the flow in the Placentia Drain.

Coastal Strand adjoining Talbert Nature Preserve

The northern boundary of the Talbert Nature Preserve contains the coastal strand, or dune, plant community. A small zone of this community is planned at this borderline in order to make the property line less visible between the two parks.

Alluvial Scrub / Pacific Pocket Mouse Habitat

The biological study of the site has identified a remnant of alluvial scrub at the northwest lowlands. Plant materials and soil conditions define this 41 acre area. This habitat is significant due to the favorable conditions present for occupation by the Pacific Pocket Mouse, which is listed as endangered by the USFWS. This habitat is becoming extremely rare in coastal Southern California and is considered to be of great value.

6.4 PASSIVE USES AND CIRCULATION TRAILS

Passive uses for the park include walking, running, walking of leashed dogs, flying glider planes, flying kites, picnics, and other small group functions. Organized team sports requiring formal facilities or sports operated as a concession are not included. The natural areas of the park are reserved for running, walking, limited bicycle trails, and interpretive uses. Trails in the natural areas are planned to offer access to each habitat type, and in a quantity to allow variety to the frequent park visitor, but limited in order to provide large blocks of habitat undivided by trails or the interruption of human use.

A system of trails is planned to provide access to all areas of the park by pedestrian traffic. Trails at the edge of the bluffs, and the trail to the south of the Fairview Channel are recommended to be a minimum of three feet wide. Other trails are a minimum of four feet wide. Walking trails are surfaced with soil, decomposed granite or shell midden. The bluff trail in the archaeological site area is over shell midden and is to remain on this surface in order to allow the park user to experience this contact with evidence of much earlier human use. The midden trail and trails

ORA 58 archaeological site, each of which require careful protection. The vernal pools are recognized as a significant and rare resource to be restored. General park use traffic is to be limited to the trails in the archaeological area and in the natural restoration.

Extensive trails allow access by foot, wheelchair or bicycle, but that access is to be limited to the trail systems, allowing vegetation to be restored while creating high quality habitat for birds and small animals.

The intent is to make a smooth transition to the ninety acre Talbert Nature Preserve, which adjoins Fairview Park to the west at the base of the bluff.

An interpretive area is designated in the western section to illuminate the rich resources of natural history. The only building construction provided for in the western section of the park by the plan will be restrooms, a small glider storage facility, and a shade structure for the group picnic area. These facilities are to be designed to have low visibility, be low key and have minimal impact on the visual image of the park.

A detailed Resource Management Plan is to be developed at the time of preparation of restoration documents and drawings. This plan is to specify methods for weed control, vector control, irrigation and monitoring of plants and wildlife.

Conceptual Restoration Plan Plant Palettes -- Fairview Park, Costa Mesa

The following provides conceptual native plant palettes for four new plant communities currently planned for restoration/establishment within Fairview Park in the City of Costa Mesa. The specified plants are found within the park and general vicinity (i.e., the lower Santa Ana River ecosystem). Final plant palettes, quantities, planting techniques, and other relevant information will be prepared as part of final restoration plans to be completed in the future. The Coastal Strand area adjacent to Talbert Nature Preserve is to repeat the plant species found to have been successful in this existing planting. Plant communities in the vernal pools are presently established by the current restoration biologist.

California Native Grassland

This plant palette is planned for the mesa, primarily in the area presently covered with fill. The existing fill should be removed from the site in order to return the mesa to its original, flat topography and to remove the extensive weed seed bed within the fill. Efforts to reestablish the mosaic of vernal pools on the southern third of the mesa have been started and are to continue until the natural grade and condition of the pools for the area is reached.

Common Name

Scientific Name

Containers

Purple Needlegrass

Nassella pulchra

8. DESCRIPTION OF ALTERNATIVE I, II, & III

8.1 ALTERNATIVE I

SOUTH WEST QUADRANT: Bluffs to Placentia:

Major habitat / plant communities:

1. Maintain and restore vernal pools providing fencing around each pool.
2. Establish grasslands along upper bluff areas.
3. Re-vegetate bluffs with Coastal Bluff Scrub.
4. Establish Coastal Bluff Scrub community in the north-south canyon.

Circulation Routes:

1. Establish new pedestrian trails at top of bluffs and stairway at southwest corner.
2. Establish north-south circulation for bicycles, security, maintenance, and joggers.

Facilities

1. Maintain active park along Placentia Avenue in its present condition.
2. Add a restroom in the active park area.
3. Add a visitor information facility to acquaint visitors with the park and its features.
4. Maintain the glider facility in the southwest portion of the park.
5. Correct flooding at west of Canyon Drive - provide new surface drain south of vernal pool to bluff and pipe drain from southeast corner near apartments to drain to bluff / Placentia Drain. Protect from further erosion at bluff.
6. Stop erosion at north end of bluff to protect archeological site.

NORTH WEST QUADRANT: Fairview Channel to bluff, Talbert Nature Preserve to Placentia

Major habitat / plant communities:

1. Develop Riparian Community south of Fairview Channel (remove south portion of berm and reconstruct same further south into park. Enhance the watercourse.
2. Establish Coastal Dune and Alluvial Scrub community to maintain pocket mouse habitat.
3. Establish Grassland community.

Circulation Routes:

1. Establish circulation connecting Talbert Nature Preserve trails with Placentia Avenue including bicycles, security, and maintenance and jogging.
2. Establish pedestrian trails along Riparian Area and Coastal Dunes.

Facilities

- ~~1. Add parking along Placentia Avenue with a picnic area and 'Dog Park'.~~
2. Add picnic area between Fairview Channel and residential community along north edge of park.

NORTH EAST QUADRANT: Canary, Fairview Channel to golf course

Major habitat / plant communities:

1. Establish Oak Woodland plant community on slopes.

Circulation Routes:

- 1. Establish circulation in the park for bicycles, security, maintenance, and jogging park with lawn and tot lot at the end of Canary Drive.
- 2. Establish pedestrian trail connecting Canary Drive to Fairview Channel Bridge.

Facilities:

- 1. Establish neighborhood local neighborhood play area.

SOUTH EAST QUADRANT: Railroad area, Placentia to the golf course

Major habitat / plant communities:

- 1. Establish Oak Woodland plant community on slopes.
- 2. Establish botanic garden throughout Narrow Gauge Railroad.

Circulation Routes:

- 1. Establish circulation for bicycles, security, maintenance, and jogging, which connects new signaled intersection with Fairview Channel. Extend same circulation south along Placentia Avenue to second signaled intersection across from Estancia High School.

Facilities:

- 1. Retain Narrow Gauge Railroad.
- 2. Construct new ponds.
- 3. Retain gravel parking lot for railroad.

8.2 ALTERNATIVE II

All items as included in Alternate I with the following additions / changes

SOUTH WEST QUADRANT: Bluffs to Placentia:

Facilities:

- 1. Retain glider landing zone, but move further north into park. (East of vernal pool).
- 2. Add glider equipment storage facility.
- 3. Add Children's play at Canyon Drive entry.

NORTH WEST QUADRANT: Fairview Channel to bluff, Talbert Nature Preserve to Placentia

- 1. Same as Alternate I.

NORTH EAST QUADRANT: Canary, Fairview Channel to golf course

- 1. Same as Alternate I.

SOUTH EAST QUADRANT: Railroad area, Placentia to the golf course

Facilities:

- 1. Add 'Historic Village' comprised of train station, cafe/restroom, Historic Society headquarters, Natural History office headquarters. (The Village is thought of as a 'home' for historic buildings needing relocation from their present sites in the County). New parking areas and possibly sites for small social functions could occur in this location.

8.3 ALTERNATIVE III

All items as included in Alternate I and II with the following additions / changes

SOUTH WEST QUADRANT: Bluffs to Placentia:

Facilities:

1. Add parking along the south property line between Canyon Drive and Pacific Avenue.
2. Propose an alternative glider take off zone north of the landing zone to help protect sensitive grass communities south of the vernal pool.
3. Add a second stairway down the bluff at the northwest end of the bluffs.
4. ~~Relocate parking in the active park to allow for the addition of a soccer field and a baseball diamond.~~
5. Add additional narrow gauge rail line in this quadrant.

NORTH WEST QUADRANT: Fairview Channel to bluff, Talbert Nature Preserve to Placentia

1. Same as Alternate I.

NORTH EAST QUADRANT: Canary, Fairview Channel to golf course

1. Same as Alternate I.

SOUTH EAST QUADRANT: Railroad area, Placentia to the golf course

Facilities:

1. Extend Narrow Gauge Railroad further north into Oak Woodland.
2. Add a bridge across Placentia Avenue for the railroad and pedestrians.
3. Add a median in Placentia Avenue with trees, groundcover, and shrubs.

8.4 ALTERNATIVE COMPOSITE OF I, II AND III

All items as included in Alternate I, II and III with the following additions / changes

SOUTH WEST QUADRANT: Bluffs to Placentia Avenue:

Facilities:

1. Change parking along the south property line at Pacific Avenue.
2. ~~Dog park added near Estancia athletic field.~~
3. Added group picnic area.
4. Added raptor roosts.

NORTH WEST QUADRANT: Fairview Channel to bluff, Talbert Nature Preserve to Placentia

1. Added pond and riparian / wetlands area.
2. Added high-speed bike path north of Fairview Channel.

NORTH EAST QUADRANT: Canary, Fairview Channel to golf course

1. Added a view area and tot lot.

SOUTH EAST QUADRANT: Railroad area, Placentia to the golf course

Facilities:

1. Redesign of parking areas.

of eradication with the County. Effective eradication of Giant Reed is labor-intensive, requiring follow-up treatments for up to several years after initial removal. If complete eradication were achieved, Giant Reed would be unlikely to re-invade the alluvial scrub community after eradication, since the area is unconnected to the Santa Ana River or other streambeds that could deliver seeds or other propagules into the area from upstream. (*The eradication of Giant Reed has been undertaken by the City of Costa Mesa since the writing of this report.*)

Coastal Bluff Scrub - Disturbed

Two degraded areas within the park have good potential for restoration to coastal bluff scrub habitat. One is the park's western bluff, where the original coastal bluff scrub community has been invaded by ruderal forbs and grasses. The other area is a northtrending canyon near the park entrance, which is heavily disturbed and supports almost no native vegetation. Due to the topography of these areas and the general difficulty of establishing coastal bluff scrub vegetation, successful restoration of these areas would be difficult and fairly costly, requiring 1) eradication of the existing ruderal vegetation, 2) planting and seeding of appropriate native species, 3) provision of irrigation during establishment of plantings, and 4) follow-up weeding for at least two or three years. The potential may exist for coastal bluff scrub restoration to be funded by outside sources as an off-site mitigation for loss of upland scrub habitat elsewhere in the local area.

Vernal Pools and Associated Grasslands

MBA's two vernal pool reports (see Appendices C and D) note that artificial fill has apparently been placed within approximately two acres of "Vernal Pool Basin No. 1," the park's largest vernal pool. It is recommended that the Master Plan address removal of fill from this vernal pool and restoration of its original contours.

Fairview Park's vernal pools occur in a portion of the park that is subject to ongoing disturbance and soil compaction due to foot traffic, biking, pets, model airplane flyers and periodic mowing. The pools and associated grasslands show some signs of degradation due to these ongoing processes, including 1) encroachment of trails into the margins of some pools, and 2) the presence of a variety of non-native plant species in and around the pools. In addition, standard vector control practices may diminish water quality in the park's vernal pools, possibly impacting both invertebrate and vertebrate wildlife species that use the pools. Over time, such processes may degrade the park's vernal pools, limiting their value as habitats for plants and wildlife. Management practices that would limit these adverse effects and ensure the continued health of these sensitive areas include the following:

- ~ Identify areas where paths and trails impinge on vernal pools and associated grasslands, and regulate public access to these areas. This may be accomplished by 1) developing a formalized trail system in this area that avoids highly sensitive areas to the extent feasible, 2) installing educational signs, and 3) possibly erecting temporary fencing to divert foot traffic away from recovering areas during the year or two it would take for desired

Specifically, the study area is located within Section 8 in Township 6 South, Range 10 West with approximate Universal Transverse Mercator coordinates of 412^{469m} by 3725^{750m} along the north, 412^{536m} by 3724^{642m} along the south, 413^{340m} by 3725^{282m} along the east, and 412^{567m} by 3725^{196m} along the west as shown on the 7.5-minute series United States Geological Survey (USGS) topographic *Newport Beach, California* quadrangle map. Area topography includes a low-lying area in the northern portion of the study area, with rolling slopes and a flat mesa to the south and east. Elevation ranges from 1.5 meters (m) (5 feet [ft]) to 24 m (80 ft) above mean sea level. Most of the study area is vegetated with ruderal exotic species including extensive patches of black mustard (*Brassica nigra*) and sweet fennel (*Foeniculum vulgare*) (Figure 2).

There are over 100 acres of habitat potentially suitable for burrowing owl use during both the winter (i.e., migratory, nonbreeding) and breeding seasons. These areas are primarily grassland and ruderal habitats and, in general, are located in the north and east portions of the Park and the ruderal mesa along the west edge. The southern area also has potential habitat but is adjacent to school and residential areas and is highly disturbed by pedestrian and model airplane activity. The central area of the Park is similarly not suitable for burrowing owls due to heavy use by Park visitors and their pets (e.g., dogs). This area is planted with ornamental trees and turf grass surrounding a series of parking lots and is well maintained.

METHODOLOGY

LSA biologists followed the recommended Burrowing Owl Survey Protocol while conducting nonbreeding winter season surveys in 2005. LSA also conducted several breeding season surveys in conjunction with additional field work throughout Fairview Park (Table A).

Table A: Survey Conditions and Results

Nonbreeding Season Surveys				
Date 2005	Time	Conditions	No. of Owls; Owl Sign	Surveyors
Dec 19	0545–0845	Low 60–30% cover, cool, calm	None	IB, LS
Dec 20	1445–1745	30% cover, mild–cool, calm	None	IB, LS
Dec 21	1445–1745	25% cover, mild–cool, light breeze	2 owls at burrows east of Placentia Ave.	IB, LS
Dec 22	0600–0900	Low coastal fog–clearing, cool–mild, calm	2 owls at burrows east of Placentia Ave.	IB, LS
Breeding Season Surveys				
Date 2006	Time	Conditions	No. of Owls; Owl Sign	Surveyors
April 24	0700–0930	Clear, mild, calm	None	IB
May 3	0715–1045	Overcast, mild, light breeze	None	IB, LD
May 11	0815–1130	Overcast, cool–mild, calm	None	IB
May 24	0715–0915	Clear, mild, calm–light air	None	IB, MW
