## SHEPARD FAIREY

World-renowned artist who created the mural “Welcome Home” for Baker Block, 125 Baker Street East. At 136-feet long by 55-feet high, the mural covers more than 8,000 square-feet, and features the City of Costa Mesa motto, “City of the Arts.”

## INTRODUCTION

The City of Costa Mesa is truly fortunate to have become home to world class performing arts producing companies and presenters, performance and exhibition venues, renowned works of public art, and soon a museum of art. Several of these organizations and their facilities have been created entirely through private initiative and paid for through generous private philanthropy, led by the extraordinary vision and meaningful involvement of the Segerstrom family.

These are assets of incalculable value, accessible to and benefiting all City residents. At the same time, and as a result, visitors are drawn to Costa Mesa, not only from the region but from all over the world. Thus, Costa Mesa's arts and culture contribute mightily to the community—its vibrant economy, the City's fiscal health, and the overall quality of life.

It was in recognition of the important value and impact of local arts and culture that the Costa Mesa City Council, in 1984, changed the official City motto to "City of the Arts" and created its Cultural Arts Committee.

Since then, the City has capitalized on these outstanding arts assets, particularly in attracting international travelers and business relocations. Yet the City's investment in its arts and culture is quite modest—well below most of the region's largest cities. One reason may be City leaders' belief that the longstanding strength and quality of privately-funded venues and programs meant that those bases were well covered, enabling them to focus their resources elsewhere.

Much has changed, however, over the past thirty-five years, and the ability of Costa Mesa to continue affirming its role as a preeminent "City of the Arts" has warranted taking a fresh look.

Therefore, in 2017, the Costa Mesa City Council approved unanimously the development of the City's first Arts & Culture Master Plan. This initiative signaled the Council's belief that the time had come to appraise the value of the City's cultural resources, to identify what strengths and weaknesses those who live, work or visit here feel exist in the local cultural landscape, and to envision ways that the City can support and advance arts and culture in Costa Mesa.

Arts Orange County, the county's nonprofit arts agency, was privileged to be engaged as Costa Mesa's consultant for this project.

## EXECUTIVE SUMMARY

The City of Costa Mesa Arts & Culture Master Plan results from the compilation and synthesis of significant community input collected during the course of over one year, and reflects the dreams and wishes of Costa Mesans expressed in the following Vision and Mission Statements and distilled into goals and action steps for the City to pursue.

## VISION

The City of Costa Mesa rededicates itself to the distinction of being a “City of the Arts,” a place where:

- creativity and creative people can flourish
- imagination, inspiration and innovation are held in high regard
- the arts are agreed to be essential to everyone’s education
- arts and culture enrich lives and uplift the human spirit
- arts and culture promote civic pride

## MISSION

Building on the efforts, accomplishments and momentum of its proud history – recognizing the challenges and competitive pressures of today – and responsible to the expectations and vitality of the future, the City of Costa Mesa sets forth 4 core priorities:

- **Increase opportunities for all to experience arts and culture throughout our community, with a commitment to equity, diversity and inclusion**
  - Expand arts and cultural offerings for children and youth
  - Increase free arts experiences year-round throughout the City
- **Expand public art throughout the City, both indoor and outdoor, through donation, loan and purchase**
- **Professionalize and elevate the status of arts and culture in City government**
  - Boldly assert Costa Mesa’s “City of the Arts” brand
  - Hire professional arts and culture staff
  - Establish a City Arts Commission and retain the City’s Cultural Arts Committee in a new role
- **Support Costa Mesa’s thriving creative economy**
  - Promote greater creative sector collaboration
  - Help keep Costa Mesa’s “creatives” in the City
  - Address the need for creative spaces
  - Re-imagine the City’s arts grants program for greater impact

The fulfillment of these goals requires the City to invest appropriate levels of time, talent and financial resources.

## RESEARCH METHODOLOGY

During the past twelve months, Arts Orange County has collected community input and data through a variety of tools.

- Conducting meetings with the Cultural Arts Committee’s Arts and Culture Master Plan Subcommittee to review project goals and scope of work, to keep them informed of our progress, and to identify information still needed for the plan.
- Conducting 78 individual key stakeholder interviews to identify community arts and cultural needs. These individuals were identified in collaboration with the Arts and Culture Master Plan Subcommittee and included a representative sampling of various important constituencies within or serving the City of Costa Mesa.
- Conducting seven community conversations to identify arts and cultural needs, held in various locations around the City, including a bilingual community conversation held at a Latino neighborhood community center.
- Conducting an online survey that was open to the public, and promoted widely, to collect input from Costa Mesa residents and visitors to the City. The survey was available in English and Spanish, and more than 1,000 responses were received.

## WHY THE ARTS ARE IMPORTANT TO A HEALTHY COMMUNITY

The arts are fundamental to our humanity. They ennoble and inspire us—fostering creativity, goodness, and beauty. The arts bring us joy, help us express our values, and build bridges between cultures. The arts are also a fundamental component of a healthy community—strengthening them socially, educationally, and economically—benefits that persist even in difficult social and economic times.

**1. Arts improve individual well-being.**

63 percent of the population believe the arts “lift me up beyond everyday experiences,” 64 percent feel the arts give them “pure pleasure to experience and participate in,” and 73 percent say the arts are a “positive experience in a troubled world.”

**2. Arts unify communities.**

67 percent of Americans believe “the arts unify our communities regardless of age, race, and ethnicity” and 62 percent agree that the arts “helps me understand other cultures better”—a perspective observed across all demographic and economic categories.

**3. Arts improve academic performance.**

Students engaged in arts learning have higher GPAs, standardized test scores, and college-going rates as well as lower drop-out rates. These academic benefits are reaped by students regardless of socio-economic status. Yet, the Department of Education reports that access to arts education for students of color is significantly lower than for their white peers. 88 percent of Americans believe that arts are part of a well-rounded K-12 education.

**4. Arts strengthen the economy.**

The production of all arts and cultural goods in the U.S. (e.g., nonprofit, commercial, education) added \$764 billion to the economy in 2015, including a \$21 billion international trade surplus—a larger share of the nation’s economy (4.2 percent) than transportation, tourism, and agriculture (U.S. Bureau of Economic Analysis). The nonprofit arts industry alone generates \$166.3 billion in economic activity annually—spending by organizations and their audiences—which supports 4.6 million jobs and generates \$27.5 billion in government revenue.

**5. Arts drive tourism and revenue to local businesses.**

Attendees at nonprofit arts events spend \$31.47 per person, per event, beyond the cost of admission on items such as meals, parking, and babysitters—valuable commerce for local businesses. 34 percent of attendees live outside the county in which the arts event takes place; they average \$47.57 in event-related spending. Arts travelers are ideal tourists, staying longer and spending more to seek out authentic cultural experiences.

**6. Arts spark creativity and innovation.**

Creativity is among the top 5 applied skills sought by business leaders, per the Conference Board’s Ready to Innovate report—with 72 percent saying creativity is of high importance when hiring. Research on creativity shows that Nobel laureates in the sciences are 17 times more likely to be actively engaged in the arts than other scientists.

**7. Arts drive the creative industries.**

The Creative Industries are arts businesses that range from nonprofit museums, symphonies, and theaters to for-profit film, architecture, and design companies. A 2017 analysis of Dun & Bradstreet data counts 673,656 businesses in the U.S. involved in the creation or distribution of the arts—4.01 percent of all businesses and 2.04 percent of all employees.

**8. Arts have social impact.**

University of Pennsylvania researchers have demonstrated that a high concentration of the arts in a city leads to higher civic engagement, more social cohesion, higher child welfare, and lower poverty rates.

**9. Arts improve healthcare.**

Nearly one-half of the nation’s healthcare institutions provide arts programming for patients, families, and even staff. 78 percent deliver these programs because of their healing benefits to patients—shorter hospital stays, better pain management, and less medication.

**10. Arts for the health and well-being of our military.**

The arts heal the mental, physical, and moral injuries of war for military servicemembers and Veterans, who rank the creative arts therapies in the top 4 (out of 40) interventions and treatments. Across the military continuum, the arts promote resilience during pre-deployment, deployment, and the reintegration of military servicemembers, Veterans, their families, and caregivers into communities.

## ADDITIONAL HEALTHY COMMUNITY BENEFIT FROM THE ARTS:

### MAKE NEIGHBORHOODS SAFER

According to a 2017 study by the Social Impact of the Arts Project (SIAP) at the University of Pennsylvania School of Social Policy & Practice, low- and moderate-income residents in New York City neighborhoods with many cultural resources are healthier, better educated, and safer overall than those in similar communities with fewer creative resources. The report documented:

- An 18% decrease in the serious crime rate
- A 14% decrease in cases of child abuse and neglect
- A 5% decrease in obesity
- An 18% increase in children scoring in the top stratum on English and math exams

## THE CREATIVE ECONOMY IN COSTA MESA

The creative sector is one of the most important drivers of economic activity and tax revenue for the City of Costa Mesa. Located here are Orange County's largest nonprofit arts organizations & venues, the design headquarters of many fashion and apparel manufacturers, and office, retail and dining districts attractive to creative sector employees, residents and visitors.

## POLICY FRAMEWORK

This section outlines the goals, objectives, and policy actions that back the vision of the Plan and serve to guide the development of the arts in Costa Mesa.

Goals are broad assertions that state general overall population needs. Goals are formed by balancing key issues and opportunities.

Objectives are more particular than goals. Execution of an objective aids the satisfaction of a broader goal.

Actions are recommended steps to guarantee the success of broader goals and objectives.

## GOAL #1: INCREASE OPPORTUNITIES FOR ALL TO EXPERIENCE ARTS AND CULTURE THROUGHOUT OUR COMMUNITY, WITH A COMMITMENT TO EQUITY, DIVERSITY AND INCLUSION

### OBJECTIVE 1.1: EXPAND ARTS AND CULTURAL OFFERINGS FOR CHILDREN AND YOUTH.

The top benefit of arts in the community cited by public survey respondents was “Safe and healthy activities for youth.” Many key stakeholders also cited arts education as their top priority. Some people suggested expanding the presently limited after-hours access to school

**“THE ARTS CHANGE LIVES.”**

**“IT ALL COMES DOWN TO THE KIDS—ARTS EDUCATION IS CRITICAL.”**

*—Key stakeholder comments*

facilities to reach more of the neediest youth. The City has concurred with this goal, and contributes the full funding to SMART Camp, a program that successfully operates based on a partnership between the NMUSD and the City.

- **Action 1.1.1:** Increase the City’s financial contribution to SMART Camp so more youth can participate.
- **Action 1.1.2:** Engage community organizations, such as Save Our Youth (SOY), Girls, Inc., and Arts & Learning Conservatory, in exploring the expansion of their after-school arts activities and in identifying the resources needed to facilitate that.
- **Action 1.1.3:** Create/support more music, dance, theater and literary public performance opportunities for youth via talent shows, open mics, competitions, and collaborations with youth and arts organizations, libraries, businesses.
- **Action 1.1.4:** Explore how the City can help expand access to the youth arts programs in Costa Mesa already offered by organizations such as Segerstrom Center for the Arts, Pacific Symphony, Pacific Chorale, Philharmonic Society of Orange County and South Coast Repertory: in the process, examine the possibility of delivering those programs in alternative venues in different parts of the City.
- **Action 1.1.5:** Engage Orange Coast College, Vanguard University, Coastline College and University of California, Irvine in exploring how they can help support after-school youth arts activities and how they might pursue the requisite resources.
- **Action 1.1.6:** Engage Newport-Mesa Unified School District in exploring new opportunities to strengthen standards-based arts education during the school day for Costa Mesa students, in addition to expanding their range of after-school arts options as a function of available resources.

City of Costa Mesa ARTventure

## OBJECTIVE 1.2: INCREASE FREE ARTS EXPERIENCES YEAR-ROUND THROUGHOUT THE CITY FOR ALL.

There was a strong desire by survey respondents and key stakeholders alike to increase the number of free arts experiences throughout the City, especially outdoors, in parks, and around the neighborhoods. Making services accessible to all residents is a key responsibility of a City, and that includes providing arts and culture engagement.

**“WE DON’T CHARGE TO USE PARKS.”**  
*—Key stakeholder comment*

We recommend the following:

- **Action 1.2.1:** Invent a new art “crawl” experience similar to the “art walks” offered in other area cities. Laguna Beach and Santa Ana routinely draw thousands to their monthly “art walks,” but Costa Mesa’s visual arts landscape is not concentrated in a small walkable area. The City might, instead, consider establishing a pilot program with other organizations and creative businesses willing to participate, for example: OCC’s Frank M. Doyle Arts Pavilion, Art on the Fifth at City Hall, Heroes Hall Veterans Museum at OC Fair & Event Center, ARTery Gallery at The LAB, Location 1980, Urban Workshop, Triangle Square (possible pop-up exhibit location), RVCA’s headquarters, and even two arts sites barely outside the City boundaries—OCMAExpand (the temporary location of Orange County Museum of Art in South Coast Plaza Village before it moves to its permanent Costa Mesa site), and Coastline Art Gallery (Coastline College). Participants could drive independently to the locations and the City could offer a free van shuttle among the locations during the event. Restaurants adjacent to some of these sites might be encouraged to offer discounts or even engage in culinary arts demonstrations and tastings.
- **Action 1.2.2:** Make Costa Mesa’s world-class arts offerings more accessible to those with the least ability to pay by creating a “Costa Mesa Resident” free admission program at Segerstrom Center, South Coast Repertory, Pacific Symphony, Pacific Chorale and Philharmonic Society of Orange County through a grant to each of \$10,000. Each organization would be required to document at the end of the season usage statistics from the program. Details and procedures would be worked out in advance by the City in discussion with the organizations. This would be a means of addressing survey responses stating great interest in these offerings but finding cost to be a barrier. When it opens, Orange County Museum of Art can be added to the program.

- **Action 1.2.3:** Acquire a professional “showmobile.” These are popular pieces of equipment at cities around the nation, and one leading manufacturer offers fully-equipped showmobiles at under \$150,000 (See Appendix). They must be towed from location to location by a truck cab (not included). They are also quite durable with some cities still using them for decades. City of Santa Ana owns a showmobile that it transports to locations around the city for performances—and also makes it available for rental to local groups.
- **Action 1.2.4:** Develop a regular ongoing schedule of free admission performances at locations throughout the City, utilizing all available venues including parks, neighborhood lots, schoolyards, business parking lots, etc.
- **Action 1.2.5:** Manage an open call for local and regional performing artists to reserve slots in the schedule to appear in all available venues.
- **Action 1.2.6:** Offer a sliding scale of fees to the artists, depending upon the type (i.e. professional, amateur, student) and technical requirements (i.e. sound, lighting) at all available venues.

## GOAL #2: EXPAND PUBLIC ART THROUGHOUT THE CITY

**OBJECTIVE 2.1:** ESTABLISH AND GROW A WORLD CLASS PUBLIC ART PROGRAM THAT SERVES ALL DISTRICTS AND NEIGHBORHOODS.

**“BEAUTIFICATION OF THE CITY SHOULD BE A HIGH PRIORITY AND PUBLIC ART CAN PLAY A MAJOR PART IN THAT.”**

*-Key stakeholder comment*

Since its 2006 installation in Chicago, Anish Kapoor’s iconic sculpture “Cloud Gate,” affectionately referred to as “the bean,” has not only made it to the list of “Top Ten Landmarks in the United States,” but has become an internationally-recognized symbol for that City. The power of great works of public art to transform a place is one of the reasons that cities around the world are making it a priority investment.

In recent years, historic concepts of what constitutes public art have undergone significant re-thinking:

“The ultimate goal of public art is to create meaning, value, and relevance; public art can and should do more than provide an attractive backdrop.... Many cities, neighborhoods, and communities are at a crossroads in their long-term development strategies for public art. Programs are tasked with bringing new and exciting experiences to a community, while at the same time preserving investments in permanent public art collections and other cultural heritage landmarks. The growing need to balance the old and new, the aging and the contemporary, the permanent and the temporary have added another layer of complexity to the field. Some of the most successful examples of this approach...utilize a temporary public art and design platform to breathe new life into existing structures and prompt new dialogue. The approach offers ample opportunities to reach out to the community, providing a platform to reach outwards and ask the larger public that will effectively own the work what it wants in public space.”

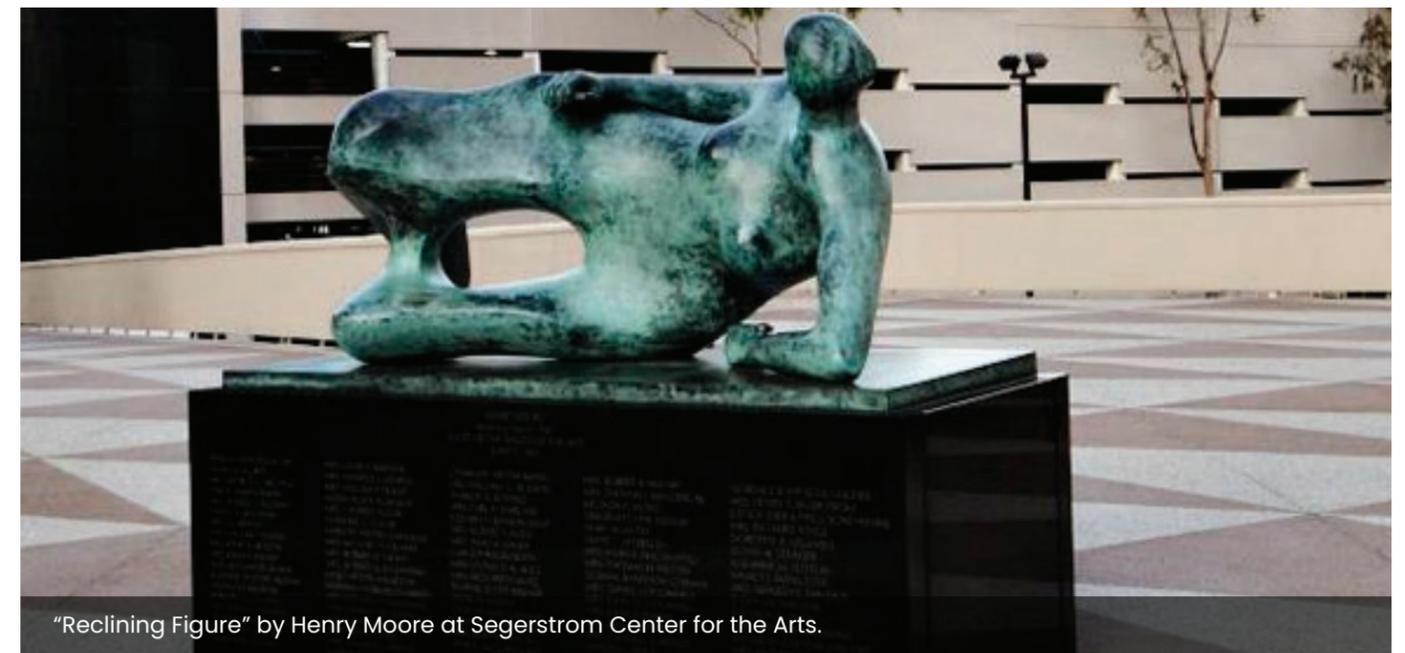

(WESTAF Symposium on the Future of Public Art, 2017)

Many Orange County cities have seen the benefits of installing permanent public art and are making it a high priority: Brea boasts the first municipal public art program in the county and now owns nearly 200 works. Laguna Beach has nearly 100. Huntington Beach is about to conduct a public art master plan; it already has 42 works of permanent public art, nearly half of which were installed during the past decade due to the spurt in commercial development there, where developers are expected to incorporate public art into their projects.

The nationwide trend of displaying temporary public art—works on loan that are installed for a limited duration—is also taking hold in Orange County. Newport Beach recently approved a fourth phase of its Sculpture Exhibition in Civic Center Park—each phase is a two-year installation of 10 large scale sculptures on loan from the artists in its 14-acre park adjacent to City Hall. Santa Ana, with 53 works of permanent public art, recently presented a successful temporary public art exhibition and plans to step up its focus on more temporary installations.

As in the performing arts, much of Costa Mesa’s most valuable examples of public art were gifts of and installed by the Segerstrom family. Nearly half of the 33 works of permanent public art in the City of Costa Mesa are situated in the vicinity of South Coast Plaza and Segerstrom Center for the Arts, mostly created by renowned international artists, and mostly installed in the 1970s and 1980s.

Although the City has no formal program for the acquisition and siting of permanent public art, it accepted a gift of sculpture in 2018 from the family of the late artist James McDemas and installed it in the park next to City Hall, which the artist had spoken of as being an ideal location for a sculpture garden. Some key stakeholders share the artist’s desire to see the City Hall park space exhibit more works, some have suggested that the new Lions Park Campus would make a great location for sculptures—particularly along its walking paths, while others prefer to see works sited throughout the City, including at Civic Center Park.

“Reclining Figure” by Henry Moore at Segerstrom Center for the Arts.

The City also has a program of installing temporary art by local artists on utility boxes around the City (currently 26 in number). This is a popular program in many cities, inexpensive in cost, and affords greater access to some young and emerging artists than permanent public art programs that rely on established artists with the experience to conceive and execute the creation of large-scale work.

Many communities go beyond utility box art programs in the exhibition of temporary art, and considerable interest was expressed by the public for the City to pursue a more ambitious temporary art program.

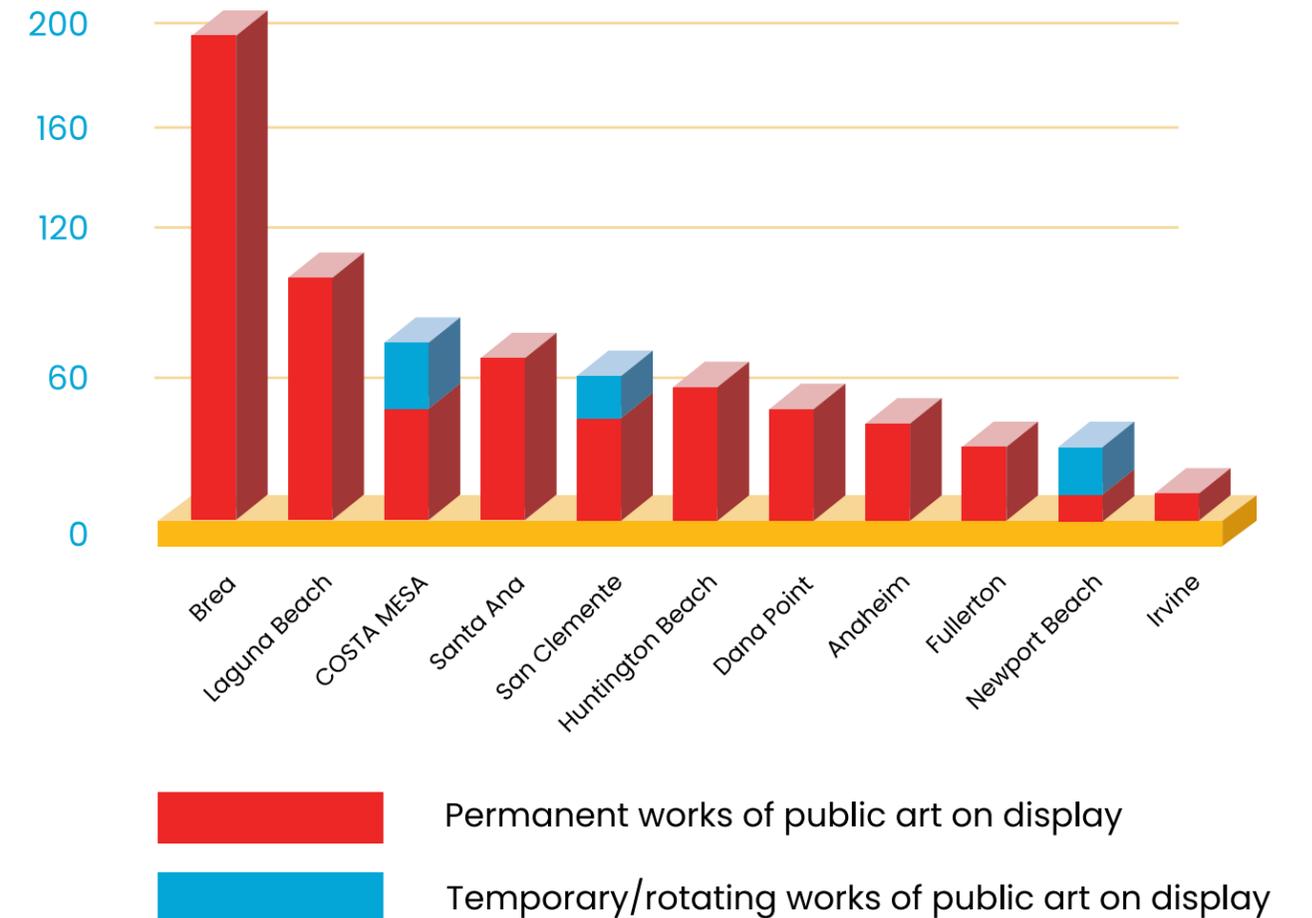

We recommend the following:

- **Action 2.1:** Continue the City-operated program of temporary utility box art, which affords opportunities to local artists, established and emerging, to create images that offer the community beautification. Review additional sites that are suitable for such installations, including wayfinding signage.
- **Action 2.2:** Develop a plan for more ambitious temporary and permanent public art, including the identification of potential locations around the City, creation of policies with respect to selection and acquisition of artworks, and determination of the funding sources to be used.
- **Action 2.3:** Temporary art programs are very popular with the public because they are constantly refreshed with new works, offering a variety of themes, styles, shapes, colors, and scale to the cityscape. Create a new program of temporary installations of large-scale sculptures. We recommend two-year loans, placed at sites inclusive of all the City's districts. This can be ramped up gradually by installing three works in Year 1 (one in each of three districts), adding three in Year 2 (in the remaining districts), and then continuing to rotate the works on expiring loans annually.
- **Action 2.4:** City may consider adopting a policy mandating fees for public art from new development projects. See Appendix for an example from the City of Laguna Beach Municipal Code on Art in Public Places.
- **Action 2.5:** Create a new program of permanent public art and implement the process of selecting and installing a first work.
- **Action 2.6:** Incorporate imaginative design in all the City's functional elements and fixtures. There are artists and existing companies that specialize in the custom fabrication of creatively designed elements such as street lights, playground equipment, fitness stations, bus shelters, benches. After a period of research, the City should conduct a call for artists to submit designs, which would be selected by the City through a process involving the Cultural Arts Committee, Planning Commission, City staff and Council. Based on budget, the City can choose to transform the chosen elements over a short period of time or phase them in as replacement of older elements.

## GOAL #3: PROFESSIONALIZE AND ELEVATE THE STATUS OF ARTS AND CULTURE IN CITY GOVERNMENT

**OBJECTIVE 3.1:** BOLDLY ASSERT COSTA MESA'S "CITY OF THE ARTS" STATURE AND BRAND, PLACING ARTS & CULTURE FRONT AND CENTER IN ALL THAT THE CITY DOES.

**"ARTS SHOULD HAVE A SEAT AT THE TABLE IN ALL CITY MATTERS."**  
-Key stakeholder comment

Thirty-five years ago, the City of Costa Mesa adopted "City of the Arts" as its motto, and twenty years ago approved its incorporation into the City's official seal. Still, its use in City communications is inconsistent. We recommend that the City declare proudly its brand in every way possible. Here are a few suggestions:

- **Action 3.1.1:** Create an inspiring, new, world class logo
- **Action 3.1.2:** Incorporate the logo in all communications (e.g. print, digital, signage, vehicles)
- **Action 3.1.3:** Agendize an artistic moment at the beginning of each City Council meeting showcasing the spectrum of Costa Mesa creativity. This can include: recognizing accomplishments of artists or arts organizations; inviting a professional, community or student artist or ensemble to perform; inviting a current artist of the "Art on the Fifth" exhibition to share one of the works on display; hearing a writer recite a poem, etc.

- **Action 3.1.4:** Appoint an Artist Laureate on an annual basis with an honorarium and public engagement responsibilities. Many cities across the nation appoint a Poet Laureate, including Laguna Beach and Anaheim. Portland, Oregon appoints a Creative Laureate, opening up the honor to artists from all disciplines, with the following responsibilities: serving as official ambassador for the broader creative community, participating in community education, advocacy, and public events including speaking engagements, workshops, and ceremonial functions. Such positions are appointed for one year or multiple years in various cities. We recommend that the Laureate position be open to artists of all disciplines, selected through an application or nomination process involving the Arts, Parks and Community Services Commission and approved by the City Council, and that each individual serve for one year, with a stipend of \$2,500.

**OBJECTIVE 3.2: HIRE PROFESSIONAL ARTS AND CULTURE STAFF.**

**“A CITY ARTS PLAN WILL BE TOTALLY WORTHLESS IF THEY DON’T HIRE AN ARTS COORDINATOR.”**

-Key stakeholder comment

With increased responsibility to manage a City Arts Commission and increased investment in arts and culture, professional staffing with arts administration experience would enable smarter management.

We recommend:

- **Action 3.2.1:** Create a new full-time Arts Specialist position
- **Action 3.2.2:** Develop a position description
- **Action 3.2.3:** Open a search
- **Action 3.2.4:** Invite outside arts leaders to be part of interview process
- **Action 3.2.5:** Hire new Arts Specialist

See Appendix for a sample position description from City of Santa Ana Arts Specialist position.

**OBJECTIVE 3.3: ESTABLISH A CITY ARTS COMMISSION AND RETAIN THE CITY’S CULTURAL ARTS COMMITTEE IN A NEW ROLE.**

Costa Mesa has an 11-member Cultural Arts Committee that functions with a dual purpose: primarily, hands-on volunteer coordination in support of city sponsored events and, secondarily, if only periodically, consideration of arts related policies and practices. Few Committee members have professional arts experience or public policy expertise.

In California, Committees typically meet as needed and are advisory bodies, whereas Commissions meet more often and make decisions that are final, absent successful appeals to Council. City Commissions, because effectively they are delegated legislative authority, are broadly viewed as more prestigious, i.e., as compared with City Committees.

Effectively engaging the public ensures broad participation in both City sponsored programs and development of public policy. Bifurcating the twin functions of the Cultural Arts Committee would serve to better advance both functions. Each warrants a singular focus by the citizens best suited to the respective dynamics and challenges at hand.

Establishing an independent Commission would reflect the Council’s desire for an ongoing policy focus, along with vigilant oversight of City investments in the arts. A new Commission would serve to attract those residents best qualified by virtue of knowledge and experience, which in turn would redound to the benefit of Council and the public at large.

11 cities in Orange County have Arts Commissions—none with a motto of “City of the Arts.” This would be a statement to the world that Costa Mesa holds in highest regard the vital role of the arts in its community.

We recommend:

- **Action 3.3.1:** Establish an Arts Commission comprised of seven members appointed by Council who have some combination of deep knowledge of and/or professional experience in the cultural arts.
- **Action 3.3.2:** Retain a Committee with a new mission of building public awareness and providing volunteer coordination for City arts events.

**“SIMPLY PUT, IT DEMONSTRATES A HIGHER COMMITMENT TO THE ARTS.”**

-Key stakeholder comment

## GOAL # 4: SUPPORT COSTA MESA'S THRIVING CREATIVE ECONOMY

**OBJECTIVE 4.1:** RE-IMAGINE THE CITY'S ARTS GRANTS PROGRAM FOR GREATER IMPACT.

**"VIEW THE CITY AS A CANVAS, AS A STAGE"  
"CREATE MORE ACCESS AND EXPOSURE FOR THE  
PEOPLE WHO LIVE HERE."**

-Key stakeholder comments

The current program is a kind of "micro-grant" that offers up to \$500 to an individual or organization for an innovative project. Demand has been light for the program as it now operates. A more ambitious grants program with larger awards is likely to generate more interest and stimulate more imaginative projects. It would also encourage more established organizations based in Costa Mesa to increase the impact of arts programs and services they offer to residents, while non-Costa Mesa organizations could apply to deliver arts programs and services within the City, as other Orange County cities allow in their grants programs.

We recommend:

- **Action 4.1.1:** Re-think the mission of the grant program
- **Action 4.1.2:** Increase the range of grant amounts

**OBJECTIVE 4.2:** ADDRESS THE NEED FOR CREATIVE SPACES.

**"I DON'T SEE THE ARTS AS A LUXURY BUT AS A SOLUTION—  
OPENING RESIDENTS' MINDS, CELEBRATING DIVERSITY,  
CREATING SAFER NEIGHBORHOODS."**

-Key stakeholder comment

Key stakeholders and public survey respondents alike cited the need for creating new arts venues accessible for use by local artists and arts organizations in the community. It may seem that Costa Mesa is amply supplied with such spaces, but arts facilities at local schools and colleges are scheduled almost exclusively for curricular use, the stages at South Coast Repertory are in constant use for their own productions, and venues like Segerstrom Center for the Arts and OC Fair & Event Center are heavily scheduled and even when they have space available, the costs are often beyond the means of most community arts presenters and producers. We recommend the following:

### VISUAL ARTS:

- **Action 4.2.1:** The popularity of the City's "Art on the Fifth," "ARTventure," and "The Exhibit" suggest there is growing demand for a permanent, purpose-designed space for the exhibition of work by local artists. The City should explore underutilized buildings in Costa Mesa, public or private, that might serve as a "fine arts center" to house revolving exhibitions, studios and classes in the visual arts.
- **Action 4.2.2:** The City should explore ways to create easier pathways for artists and property owners wishing to establish creative spaces, create murals on their property, and engage in the practice of art.
- **Action 4.2.3:** The City should explore providing incentives to commercial and industrial property owners to make vacant space available free of charge for temporary exhibitions by local artists or curators coordinated by the City.

### PERFORMING ARTS:

- **Action 4.2.4:** The City has opened new facilities at the Lions Park Campus: a small lecture hall space in the new Community Center and a 40' x 29' outdoor stage in Lions Park. In an effort to activate these spaces quickly and determine which performances uses will work best, the City should offer an initial period of free use by local performers.

- **Action 4.2.5:** Community theatre: two nonprofit community theatre organizations that are well-established and supported by existing audiences (the 54-year old Costa Mesa Playhouse and the 9-year old Attic Theatre, led by a Costa Mesan but located just over the city line in Santa Ana) face challenges with their current venues and seek to move into new spaces that will afford them the dedicated use required for regularly producing theatre organizations and provide them greater assurance of permanence. The City can be a catalyst in bringing the parties together to discuss their needs and determine if any collaboration is possible, such as shared spaces. Next steps might then involve helping identify properties within the City that might be suitable to fulfill these needs and what the role of the City should be in helping them to secure them.
- **Action 4.2.6:** Performing arts venues: there was strong interest expressed in two main possibilities - a 300-400 seat theatre for all kinds of community performances and a 3000-4000 seat indoor theatre designed primarily to accommodate touring popular music concerts that would be presented by local promoters. Before the City considers what role it should play in advancing the creation of new performance venues, we think it is essential to determine more accurately what kind of market exists of promoters that would wish to program active schedules in the desired venues as well as what kind of audience demand exists to fill seats in these venues. The City should begin by meeting with those stakeholders that advocate for these venues. Based on the results of the discussion, the City could consider engaging a firm that specializes in performing arts market research to validate the community's expressed need.

### OBJECTIVE 4.3: HELP KEEP COSTA MESA'S "CREATIVES" IN THE CITY.

The "creatives" of Costa Mesa are responsible for the city's "vibe," its passion for eclecticism, its entrepreneurial drive. It has become a center for "makers" in all mediums, for masters of culinary inventions, for writers, actors, dancers, artists and musicians. Every city in America is vying to steal them away, so Costa Mesa has a real challenge in holding on to them. That fear of losing them was expressed by key stakeholders employing creatives, and their advice to the City was to help keep them here.

Home purchase prices and rentals are a key factor in the loss of creatives to other communities, where they can find more affordable places to live and cheaper studio spaces. Costa Mesa's West Side, with its mixture of older commercial and industrial properties, has been a zone of creativity that attracts artists and makers, but the pressure of rising rents is generating attrition by the individuals living there and the creative business housed there.

Other cities have experienced similar issues and are taking proactive steps to address them. One example is Santa Ana. Later this year, Santa Ana Artists Collective (SAAC), will open. SAAC is a 58-unit, 55-year tax credit-supported, affordable housing development for low-income working artist households. SAAC is a long-term housing solution, with local funding from the City of Santa Ana. Its developer, Meta Housing Corp's (Meta), has completed 83 affordable communities and 7300 total units. Meta has integrated arts into senior communities since 2003, but professional artists became a focus in 2016 with 49-unit Pac Arts in San Pedro, and 70-unit ACE/121 in Glendale. In addition to housing, Meta's Working Artist buildings have studios, woodshops, galleries, rehearsal rooms, and creative programs. Each Meta building is owned by a single-asset, California limited partnership (LP), whose managing general partner (MGP) is nonprofit Western Community Housing (WCH) from Costa Mesa. The LP receives a Welfare Exemption because its single asset is rental housing for low income households. While the Santa Ana building is owned and operated by an LP that is not itself a nonprofit, the property receives the welfare exemption because its MGP is an eligible nonprofit with management authority.

**Action 4.3.1:** Explore opportunities to increase the supply of public-private affordable housing for artists as part of comprehensive planning for housing in the community.

**"COSTA MESA SHOULD BE A CREATIVE SILICON VALLEY."**

-Key stakeholder comment

### OBJECTIVE 4.4: PROMOTE GREATER CREATIVE SECTOR COLLABORATION.

**"DO WE WANT TO TALK ABOUT ARTS & CULTURE AS THEY ARE DEFINED NOW OR HOW THEY WILL BE DEFINED BY A FUTURE GENERATION?"**

-Key stakeholder comment

Day-to-day pressures on most arts organizations and creative industries leave little time for collaborative efforts. Because there is likely considerable untapped potential that can only be realized with the benefit of communication, we recommend the following:

- **Action 4.4.1:** Convene representatives of Costa Mesa's arts & culture organizations to encourage the formation of a local arts alliance. Its purpose would be to foster regular communication and increased collaboration within the arts and arts education community, and with the City, and to thereby strengthen their collective bond with Costa Mesa residents. While the City would not have a formal role in operating or guiding such an endeavor, a local arts alliance would be a valuable resource for the City. It could positively influence the evolution of City programs, and the City's general role with respect to the arts, in part by enabling robust public input concerning the arts in Costa Mesa. Similar alliances operate successfully in other Orange County communities, such as Laguna Beach and Santa Ana.
- **Action 4.4.2:** Convene representatives of local creative industries to encourage them to help keep Costa Mesa's creative "vibe" going. People frequently speak of the uniquely eclectic and creative character of Costa Mesa that distinguishes it from other cities in the region; the "surf and skate" culture partly accounts for this. Costa Mesa is where many large and small creative industries have been founded or now call home. As with the previous recommendation, the City's role would be as a convener of representatives who themselves would drive the agenda. The City's "Action Arts" event was conceived, in part, to reach out to this sector; however, it is a single day annual event rather than an ongoing conversation.

NEW BUSINESS  
City Seal Modifications

The Deputy City Clerk presented a resolution adopting modifications to the City Seal of the City of Costa Mesa, Community Objective 00-D2. The Management Analyst reviewed the Agenda Report dated July 29, 1999. She and the Public Services Director responded to questions from Council.

Doug Scribner, 321 Avocado Street, No. P, Costa Mesa, supported modifying the City motto to "City of the Arts", and proposed contacting the art community for possible redesign of the entire seal or to organize a fund-raiser to aid with the cost of the change.

Fred Bockmiller, 1872 Monrovia Avenue, No. B4, Costa Mesa, identified the object in the bottom of the seal as an orange tree. He reported that the motto "Hub of the Harbor" referred to the fact that Costa Mesa in the 1950's was the backyard and boat work area for Newport Beach. He noted that the west side of the City was the business hub of the harbor area when Newport Beach had a thriving commercial harbor.

Robert Graham, 3260 Dakota Avenue, Costa Mesa, supported a total redesign of the artwork within the lettering. Council Member Dixon stated that her intention had not been to redesign the entire seal but only to replace the motto.

## Laguna Beach Municipal Code

[Title 1 GENERAL PROVISIONS](#)

### Chapter 1.09 ART IN PUBLIC PLACES

#### 1.09.010 Intent and purpose.

This chapter may be known and cited as the “Laguna Beach art in public places program.” Laguna Beach has developed historically as an art colony and haven for artists, and attracts millions of visitors every year to view and purchase arts and crafts in the city. The public health, morals, safety and welfare, as well as the popularity and prosperity of the community, are dependent upon and enhanced by visually pleasing and high quality public art. Therefore, the city council declares that in the interest of the public health, morals safety and welfare, it is the policy of the city to require the acquisition and installation of public art works as provided in this chapter. (Ord. 1119 § 1, 1986).

#### 1.09.020 Definitions.

As used in this chapter:

Where a project involves the subdivision of land for which no improvements are planned by the project applicant, “project valuation” shall be determined on the basis of the fair market value of the subdivided lots.

“Public place” means any exterior area on public or private property which is easily accessible and clearly visible to the general public. If located on private property, the area must be open to the general public and clearly visible from adjacent public property such as a street or other public thoroughfare, sidewalk, or public beach. (b) In Lieu Contribution. In lieu of acquiring and installing an art work, project applicants may contribute funds to the art in public places fund established pursuant to Section [1.09.070](#) equal to one and one quarter percent of the total project valuation. The in lieu fee shall be paid by the project applicant at the time of final subdivision map approval or issuance of a certificate of occupancy, as may be applicable, unless otherwise provided by the city council. # SHOWMOBILE®

**Any Event, Anyplace, Anytime.**

The idea came from an American icon, the community band shell. We wired it for high-tech light and sound equipment, gave it a retractable stage, positionable roof and overhead canopy. Then we put it all on wheels so you could take it anywhere. It's called the Showmobile, and who better to bring it to you than the people at Wenger Corporation — the originators of the first mobile performance center in 1959.

The feature-packed Showmobile is so versatile, so easy to transport, so fast to set up, you can use it to put on any event anywhere. And because of its mobility, Showmobile won't permanently alter the natural beauty of your parks. Showmobile brings built-in excitement to concerts, political rallies, speeches, dances, parades, sporting events, fairs, graduations and festivals - big or small, any event will be a better event. With a great base price and flexible purchase plans, the Showmobile is well within reach.

## AT SET-UP TIME, SHOWMOBILE DOES ALL THE HARD WORK FOR YOU.

**TOW THE SHOW**

Showmobile's lightweight design allows access to more locations. When you reach the event location, it's easy to unhitch and drive the truck away.

**COME ON IN**

The entire panel on each end opens for easy access into the Showmobile and then becomes an adjustable side-stage sound reflector. The stainless steel door handles have integral locks so you don't have to worry about loose padlocks.

**GRAB THE CONTROL**

Deploy the hydraulic roof/canopy and stage via wired remote control. Outside power isn't needed. You can lock the control for security or remove it altogether.

**RAISE THE ROOF**

Hydraulics raise the roof and canopy fast and smoothly - it only takes about 60 seconds. The high pivot point provides greater on-stage volume for improved sound reflection and better acoustics. The system is protected by counterbalance and velocity- check components for added safety.

**SET THE STAGE**

The stage is also deployed via the remote control. Dual hydraulic cylinders lower it quickly. You can then adjust the five stage legs to accommodate uneven or sloping ground to maintain a level stage.

**THE BIG FINISH**

Two workers can attach optional lightweight Versalite® Stage extension units in the front and sides of the main stage in minutes. The adjustable, all-terrain stair can be positioned anywhere around the stage perimeter.

**SLEEP TIGHT**

The roof and canopy can be lowered into the closed position, and the side doors can be shut and locked even with the stage deck fully deployed. You won't need to take down stage extensions or stairs. Equipment on stage is protected from weather or vandals and is ready for another performance and another day.

## SHOWMOBILE FEATURES

**SOUNDS GOOD, LOOKS GOOD**

Wall surfaces are constructed with acoustically reflective panels. This attractive fiberglass composite material is weather resistant and provides superior sound reflection. The deck is surfaced with weather-resistant, skid-free stage deck components.

**GET OUT OF THE RAIN**

Extruded aluminum channels on the roof and canopy edges form a continuous gutter system that drains moisture from the unit. These integral channels provide a watertight, dust-tight seal during transport to keep your Showmobile looking great for years.

**STORE MORE**

The storage compartments provide space for auxiliary equipment like power cords, staging accessories, skirting, sound equipment and other necessities. Access is easy and the compartments are lockable.

**A POWER HOUSE**

The control compartment contains the load center which provides 110-volt service for fluorescent lights and four onstage outlets. The optional power upgrade adds 220-volt service, two duplex outlets in the roof and four quad outlets on the canopy edge for theatrical lighting.

### SHOWMOBILE OPTIONS

**PLUG IN AND POWER UP**

Fluorescent overhead lighting is standard and is built into the roof and canopy. You can add optional roof and canopy lighting packages that include light bars with theatrical lights. Canopy light bars pivot, store under the canopy and travel without having to disassemble.

**EQUAL ACCESS FOR EVERYONE**

The optional hydraulic lift provides easy stage access for people and equipment. The entrance door is flush to the curb-side wall at the back of the stage. The 12-volt hydraulic system has a load limit of 600 lbs (272.2kg) with remote control operation and manual backup.

**A LEVEL-HEADED IDEA**

Leveling is simple with the optional hydraulic leveling system. Hydraulic leveling makes set-up even quicker and easier — especially on uneven terrain. Electronic leveling allows the operator to make quick, accurate leveling adjustments with the remote control. This system is also supplied with a wired backup control unit.

### SHOWMOBILE BY WENGER IS EASIER TO PURCHASE.

We designed Showmobile to fit the needs of any community or business — large or small. We also designed the basic model to fit your budgets. If you've wanted a Showmobile but couldn't justify it because of the cost, we've put together a few programs that will help.

### GENERATE REVENUE

Because Showmobile is so easy to move and use, it's ideal to rent out for all kinds of events. Corporations, theatrical groups, bands, community organizations and neighboring communities are just some of the groups that could rent your Showmobile. A Showmobile rental program can offset a great deal of your purchase costs. Use it when you need it and generate income on the days when you don't. Your Wenger Representative can tell you how other communities have set up successful rental programs.
