Q3

Indicate why you wish to serve on this Committee/Commission. Provide any experience or qualifications you may possess that you think would be beneficial to this Committee/Commission. A resume (optional) may be attached.

I am a current resident of a Mobile Home Park in Costa Mesa and served as the unofficial interim coordinator to unite and educate the residents during our park's recent purchase. I researched law, gathered information and consulted with the members of the community who were able to provide insight into our situation including a former Costa Mesa mayor/city councilman and MHPAC member, both of whom are personal connections of mine (and could serve as references).

During our Park's transition there were a lot of questions and uncertainty for the residents. I would like to join this committee to help other residents be protected and educated regarding their unique housing situation.

I have a graduate degree in Business with many years of work experience in Workers' Compensation and HR. This experience has taught me to objectively evaluate a situation, review and apply corresponding law, and remember that there are people on the other side of the paperwork.

Currently I am serving the Costa Mesa community in the role of the Children's Director at a local church.

Q4

As a Committee/Commission member, what ideas or projects are of interest to you?

The sell of our park made me realize how vulnerable a position Mobile Home Owners are actually in, and I would like to join the committee to help protect these Costa Mesa Residents. Since Mobile Home Parks represent a portion of the city's more affordable housing they are vital to our community.

I would like the opportunity to be apart of the Mobile Home Park Advisory Committee because the business of housing is a topic that endlessly fascinates me. Especially since I live in a mobile home park. I feel I could offer valuable insight as a resident, and help bridge the gap on all of the aspects of what it means to have mobile home parks in our amazing city. I feel my small business background, and passion for housing makes me a strong advocate for this committee.

Q4

As a Committee/Commission member, what ideas or projects are of interest to you?

As a committee member, I would like to work toward resolutions between land owners, management, and the security of the residents. When people feel safe, they can contribute to their community at their best, and that is what I would like to be a part of.
