

Key Criteria for Park Capital Improvements

Equity & Access

- 3
- Serves underserved or marginalized communities.
 - Improves ADA accessibility and reduces disparities.
 - Reflects actual community needs beyond vocal input.

- Rely on open spaces within the school district

- Improve the permit process by creating more ways to apply for them that make it easier for residents who are not tech savvy or have access to a computer

Sustainability

- 1
- Uses native plants and climate-resilient infrastructure.
 - Includes solar, stormwater, and water-saving elements
 - Promotes long-term environmental health.

- Update our plant list
- Ensure our staff is trained frequently with current standardized certifications so that they are aware which plants are suitable for climate change and which ones are not

Community-Centered Planning

- 2
- Incorporates broad, inclusive public engagement.
 - Engages youth and multilingual populations.
 - Built upon feedback from events, surveys, or local partners

- Leaning on organizations that are overseeing large projects who are in Costa Mesa or other nearby cities and are already educating and engaging with the community
For example: Coastal Corridor Alliance

Safety & Maintenance

- 4
- Improves safety features like lighting and signage.
 - Considers long-term maintenance and durability.
 - Addresses current safety concerns in the park.

- Encouraging and leaning on subcontracted companies who maintain the parks to update on changes for safety and needed maintenance

Innovation & Optimization

- Provides multi-use, cross-functional solutions.
- Includes innovative design or technology.
- Leverages partnerships or shared spaces.

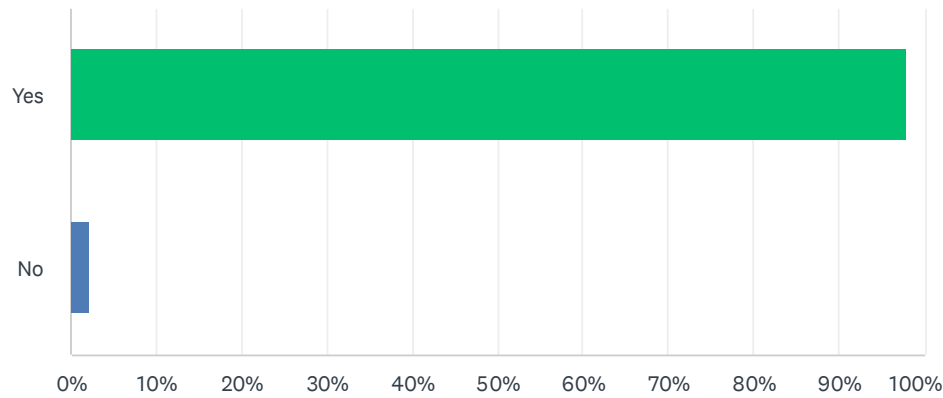

Economic and Social Benefit

- 5
- Enhances local economic vitality and property values.
 - Serves renters, seniors, and lower-income groups.
 - Creates inclusive and welcoming community spaces.

- Create more accessibility by targeting outreach efforts to demographics that do not have access to social media, for example

1	Require dog owners to pick up after their dogs. Too much dog poop	6/6/2025 4:19 PM
2	A path so You can easily walk to the playground from both side sides. If you're entering the park from Monte Vista, you have to walk all the way through the grass, which is hard for people with a cane, a walker, a stroller or a wheelchair.	6/6/2025 4:12 PM
3	Please no music stations How about a small dog park	6/6/2025 12:06 PM
4	Please install a restroom! And maybe even fencing along the two street ends so the kids are more protected	6/6/2025 11:49 AM
5	A playground that looks good is nice, but if it doesn't provide options for play, it is not worth the money.	6/6/2025 10:29 AM
6	We are aware that a design had been developed for the park years ago, it would be great to implement the plans that are already completed.	6/6/2025 10:23 AM
7	I would suggest the pathway to be winding across the park with more solid surface treatment.	6/6/2025 9:54 AM
8	Please add a bathroom! Why are there no bathrooms at so many Costa Mesa parks?! Also add a water play feature or splash pad. The huge amount of grass is never utilized and could easily accommodate a water play area. We have no public pools in Costa Mesa, so the least we could do is provide a splash pad.	6/6/2025 9:07 AM
9	Honestly, the main thing I think to improve the park is MORE playground structure. The easiest way to "not screw up" IMO is to just keep the current play structure, and just add a 2nd one with shade. A well shaded 2nd playground structure near the current one would be well used. I almost never see anyone use the volleyball court, you could take over that, or any other place nearby the current playground. I think a having a "draw" item is cool too (castle, train, rocket, etc) because then it helps kids know "I want to go to the animal park".	6/6/2025 8:44 AM
10	A bike/skate path around the entire park with varied terrain and obstacles. Many kids ride their bikes and would love to keep riding and having races.	6/6/2025 8:08 AM
11	Please keep as many trees as possible, the shade is such an asset. More individual seating would be nice for single people to come read or eat in the park.	6/6/2025 7:38 AM
12	L please keep the trees, crosswalk on monte vista needed, a fenced area for dogs along one side of park, level the ground around the drainage hole, keep it a local family park.	6/5/2025 9:37 PM
13	Possible firepit?	6/5/2025 5:32 PM
14	Shade cover for the play structures. Fence around play structure area for kids No bathrooms because it would attract homeless people.	6/5/2025 2:19 PM
15	Better equipment would be great but no other amenities. We don't like homeless people	6/5/2025 12:47 PM
16	Bathroom	6/5/2025 12:13 PM
17	I am an 80-yo grandmother. I would appreciate a walking path from Monte Vista to the playground (there's lot of dog poop in the green space) as well as a bench near the playground structure on which I can sit. I have a heart condition which makes it tough for me to get up from a seated position on the ground. I love taking my grandchildren to local parks, but Brentwood is outdated and not very safe or fun for today's children. The equipment is worn down, there's not much that engages kids of different ages or abilities and the big structure is not appropriate for the younger set (and it's too hot during the peak sun hours which are long and plentiful in Southern CA). Parks are where memories are made—and I'd love for my grandkids to have the same joyful experiences that my own children once had. Thank you for your time and thank you for finally updating the playground for the children.	6/5/2025 10:04 AM

84	Please just upgrade the existing playground area, and leave the volleyball court be. I hear that a tot lot is desired to replace the court. But it is not needed in my opinion. I raised 3 kids playing on the existing playground and it was completely sufficient. I do not see the need to have 2 separate areas. You can't cater to every desire of the neighborhood. Lots of folks have made that playground work for toddlers up to middle school age. That is a fact. I appreciate your listening to park adjacent residents and daily users.	5/29/2025 8:22 AM
85	Thank you for updating the Brentwood playground. Much needed! If you can consider putting speed bumps on the main streets near the park that will keep families trying to get to the park safe from speeding cars.	5/29/2025 6:34 AM

	just so tired. I am so excited for the neighborhood thinking about the upgrade. Thank you!!	
102	Swings would be a wonderful addition! Both toddler and kid swings. Brentwood park is special because the playground simple and it has a lot of open grassy space for kids to have free play and for picnics! Please don't change these special elements of the park by adding lots of tables, benches, or an extensive playground. Please stick to classic playground elements that will stand the test of time, unlike modern pieces (spinning puzzles and wheels) at Perez Park that are cool at first and then break. The way the Brentwood playground is set up now is great, one structure is better suited for younger children, and the other for older, but they are connected by monkey bars and are still the same shared playground. This is great for siblings of different ages to be able to play in the same space.	5/27/2025 9:03 PM

111	Fenced in play area would be great! We would love to see some cool climbing ropes course as well as inclusive swings and spinners.	5/27/2025 12:24 PM
112	Little kids relieve themselves in the bushes because there is no restroom.	5/27/2025 11:49 AM
113	A bathroom would be very helpful considering most children here are potty training age. Almost daily I see kids having to pee in bushes and behind trees. So a shade structure above the playground, the equipment gets way too hot to play on in the summer.	5/27/2025 11:48 AM
114	Perhaps a bathroom with a locking combination or a key card for residence in the radius of 3 to 4 blocks	5/27/2025 10:46 AM

123	This isn't specifically about Brentwood Park, but the lack of walkable sidewalks throughout CM is shocking. People are walking the streets at all hours of the day with cars zooming past, it's unsafe and action should be taken.	5/27/2025 6:49 AM
124	It needs to be updated badly and there is nowhere for adults to sit.	5/27/2025 6:24 AM
125	I think a pump track for bikes would be great. Many city have these are are greatly used and liked by the communist. Costa Mesa doesn't have any parks or spaces for the community to ride bikes at. Brent wood park has a lot of kids that like to ride bikes at it but are not allowed.	5/26/2025 10:17 PM

155	No homeless Keep natural hrass	5/26/2025 8:01 AM
156	Please don't add bathrooms or BBQ's to our neighborhood park.	5/26/2025 6:57 AM
157	Please keep mostly grass. Don't add too much cement please	5/25/2025 8:55 PM
158	Please don't take away the grass area- I love this.	5/25/2025 8:37 PM
159	A bathroom would be the most beneficial of any new amenity in the park by far. It extends the time the kids can stay at the park and the usage all of us can get out of it,	5/25/2025 8:16 PM
160	Exercise equipment	5/25/2025 7:12 PM
161	Please leave the grass.	5/25/2025 6:32 PM
162	Love the trees.	5/25/2025 6:31 PM
163	Leave the open space we love to let the kids run!	5/25/2025 6:29 PM
164	Having a bathroom available would be amazing	5/25/2025 6:25 PM
165	Please don't put a bathroom here. There are plenty in the back bay which is nearby enough. We already get lots of people parking here for the fair/other events at the fairgrounds and adding a bathroom in the park would just become an abused space.	5/25/2025 5:40 PM
166	We have lived on Brentwood Street for almost 50 years. We have a very close knit neighborhood and we use the park often. We are asking to keep it a simple and safe neighborhood park. The more natural, the better.	5/25/2025 4:57 PM
167	I love the big tree with the stumps maybe you could make a swing hanging down from it?	5/25/2025 2:49 PM
168	please add swings they are so fun	5/25/2025 2:31 PM
169	We're looking forward to the park being updated. We've only been waiting 15 years.	5/25/2025 2:23 PM
170	The more equipment and pavement you add the more you add to the heat. Wide open green spaces to play games are used regularly on both ends of this park. Thank you for what you've done to minimize the E bike destruction that was occurring. The volleyball court gets regular use it just needs new sand. The preschoolers love having their birthday parties under where the picnic benches are.. please keep space for them to be able to do it that is shaded.	5/25/2025 1:21 PM
171	This playground really needs an overhaul. There's no bathroom but if you put one in please lock it up at night so no homeless people camp out please	5/25/2025 12:08 PM
172	Would be fun to have a water element like splash pad for kids to play with	5/25/2025 9:43 AM
173	Shaded areas for playground area.	5/25/2025 9:43 AM
174	Equipment is poor but open concept play area for older kids is excellent. Daily I see so many kids playing in the parks. Need to keep open spaces!!!	5/25/2025 9:34 AM
175	Make a sidewalk through the park with lighting. Add maybe a 1/2 court basketball court. Improve the picnic/bbq area.	5/25/2025 8:52 AM
176	please no restrooms dont want to deal with homeless people there	5/25/2025 8:18 AM
177	No bathrooms.	5/25/2025 7:12 AM
178	Wood fiber mulch will be used as an animal litter box. I live adjacent to the park and our wood fiber constantly attracts wild animal droppings	5/25/2025 7:06 AM
179	The Volleyball court is amazing and in constant use by the neighborhood kiddos, it should not be touched	5/24/2025 10:51 PM
180	A smooth walking path around the whole park would be nice. More seating for parents to sit and watch their kids. Wheelchair accessible would be nice. My husband was in a wheelchair chair (he passed from cancer) and he wasn't able to watch the kids play because it was too hard to push the chair through the grass to get to the park. I live down the street with my two young kids. 3 and 6 years old.	5/24/2025 10:13 PM
181	I love Brentwood Park for its neighborhood feel. I appreciate the open green space and trees for children to explore and play freely in the open space. A picnic table or two like the ones	5/24/2025 9:52 PM

that are already there is plenty. I would love to see a play structure similar to what is there just updated/without the current rust, etc that is there. Nothing larger is needed in my opinion.

182	Avoid attracting the riff raff drug addicts that roam Newport Blvd	5/24/2025 9:46 PM
183	No water fountain or bathrooms	5/24/2025 9:35 PM
184	I think the park play structure needs to be updated. I don't like the rubberized surfacing. It smells bad when it gets hot in the sun. I believe the smell may be toxic.	5/24/2025 9:16 PM
185	please just leave the park as a natural park. it's fine the way it is.	5/24/2025 7:43 PM
186	More trees to discourage soccer and tot baseball practices	5/24/2025 7:37 PM
187	The park is well used as is especially the open areas	5/24/2025 7:09 PM
188	Please do not add more to the park. Remodeling the existing playground and picnic areas is great. We value the open green space which is rare in Costa Mesa. Please do not add! Adding trees is fine :)	5/24/2025 6:47 PM
189	The playground and Park should serve for older kids. Right now, the park is great for younger children, but older kiddos would benefit from A more challenging and fun playground Also, we need to accept that our kids ride their bikes and are looking for fun amenities and planting trees at the base of hills is not encouraging them or meeting them at the activities that they enjoy Lastly, the park is used too often as a dog park with dogs off leash.	5/24/2025 6:46 PM
190	Please keep the park great for walking dogs	5/24/2025 6:39 PM
191	I am a resident living across from the park. I (and many of the other neighbors that have lived her for many years) am concerned about over-improvement that results in heavy usage and heavy traffic, since the park is right in the middle of the neighborhood. Improving the play areas are good. Adding things like a basketball court, bathrooms, or a bunch of new picnic tables are bad. Also, there is a volleyball court that rarely gets used, or if it does, it is only for a few minutes. It could be transitioned to open space because it seems to incur a lot of maintenance (adding/grooming the sand, fixing the net, etc) for little use . Further, having open space throughout the park where it is groomed to allow kids to play soccer or football, etc., (but not some organized striped fields, etc....just grass) without slopes or obstructions (trees, etc), would be good. Also, there has been talk about a par course or exercise stations....any park I have ever seen with those never gets used....would be a waste of money. Finally, kids are riding their e-bikes on one set of slopes and carving a path through the grass. The city has repaired this at least 5 times. I spoke to the park supervisor and suggested they stop after the 4th time, since they are throwing away money...as soon as the temporary fencing is removed (and even while the fencing was there), kids are on it with bikes. Either start giving tickets, or maybe build a path they can use over on one side of the park.	5/24/2025 6:17 PM
192	I think this should remain a quiet Family neighborhood park. Almost always Out siders don't respect the surroundings and liter, Very noisy after dark, or Sports activities overtaking all others Activities. i have lived here For 35 years and our quiet little park should stay that way.	5/24/2025 5:59 PM
193	Splash pad	5/24/2025 5:48 PM
194	Perfectly ok with current state of the park other than volleyball pit - never see anyone using it. Definitely do not want any bathrooms-those are simply an attractant for homeless bums. Trees could be trimmed more frequently and watering system better monitored-sometimes it seems like areas become mud pits.	5/24/2025 5:35 PM
195	No bathrooms! We have lots of teens and homeless at times. Need more lighting to keep out vagrants and unwanted night activity. please keep open areas	5/24/2025 5:29 PM
196	No water stations needed. No benches and tables needed. This is a neighborhood park in a quiet community that doesn't want to attract a crowd.	5/24/2025 5:19 PM
197	No drinking fountain, no benches, no pin in tables. Worried this will bring homeless, and more people from out of the area. We think it should remain a neighborhood park.	5/24/2025 5:17 PM
198	Current playground size/ footprint is great just needs upgrade. Please keep green space open as-is for other older kids' activities.	5/24/2025 5:10 PM
199	"Don't over-do it"- this is a Neighborhood Park, not a Community Level Park. Consider decomposed granite path suitable for wheelchairs/strollers to connect both ends of the park.	5/24/2025 4:46 PM

	Correct drainage issues. Assess what to do about bikes (electric & manual) using the southeast corner of the park for motocross (sorry, but the newly planted trees are not resolving the problem).	
200	Similar to Mariners Park playground in Newport Beach except better.	5/24/2025 4:41 PM
201	Winding paved walking path for bikes, scooters, etc.	5/24/2025 4:21 PM
202	Mini skateboard park. A lot of skaters in the area.	5/24/2025 3:44 PM
203	Do something about the e bike kids and the maga guy that lives across the street that is constantly harassing city landscapers and workers	5/24/2025 3:28 PM
204	This is much needed and the families are all very excited for this!	5/24/2025 2:05 PM
205	It is the most used park in the area, our nanny takes our daughters there everyday and I also take them every afternoon. There should be bathroom facilities that require a code put in. Do not get ride of the trees that help to shade the area, the shade makes it nice for the kids and provides shades areas for the kids to play during all parts of the day. If you are taking out the sand, you should have a sand pit put in because the kids play in the sand everyday and it give them something else to do when they can't yet climb and use the equipment.	5/24/2025 1:50 PM
206	We visit Brentwood weekly with our 3 year old and love the trees and vibe but hoping for a refresh with more exciting offerings and swings! Thank you!	5/24/2025 1:29 PM
207	And the existing sand works Also	5/24/2025 1:03 PM
208	The park is great as is.	5/24/2025 12:45 PM
209	The presentRubber and sand sections That exist seem to work well	5/24/2025 12:43 PM
210	Would love baby swings. Love the open grass area that it currently has. Maybe some fencing around the playground	5/24/2025 12:11 PM
211	Exercise Station around the park had been discussed previously I am in favor of this. Swings are a must baby toddler and school age. Please know designated dog park area. Your	5/24/2025 11:24 AM
212	Could the new play are jungle gym for kids be more in the center of the park	5/24/2025 11:19 AM
213	More sitting benches	5/24/2025 10:53 AM
214	Pathway all the way through the park would be ideal. The recently planted trees in the middle of the pathway in between the grass hills is ridiculous. More trash cans. Bocce ball court would be cool. Certainly more benches around the playground.	5/24/2025 10:36 AM
215	Increased leash enforcement for dogs and/or a dedicated fenced in dog area would be appreciated	5/24/2025 9:46 AM
216	We love Brentwood Park for the large grassy area and numerous trees. It has been such a gift to live nearby and watch our son enjoy the park as he grows. If the equipment could be updated and swings could be installed, it would be absolutely amazing!	5/24/2025 9:27 AM
217	Would be so amazing to have a path that actually walks you through the park! Right now there's nothing so riding bikes and scooters can be tough!	5/24/2025 9:16 AM
218	We need to keep the kids with the bikes off the grassy area and the dogs on leashes	5/24/2025 8:55 AM
219	Don't mess up the park	5/24/2025 8:39 AM
220	Update to park sign	5/24/2025 8:11 AM
221	My kids always talks about swings and we have to take him to a different park	5/24/2025 7:33 AM
222	Thank you so much for doing this!	5/24/2025 7:31 AM
223	The park is great as is. Not necessary to spend money on it.	5/23/2025 8:13 PM
224	I do not support the building of any sort of bathroom facility at the park. The park currently functions well as a neighborhood space primarily used by local residents. Adding bathrooms could increase outside traffic and alter the character of the park, making it less of a quiet, community-focused environment for nearby homeowners.	5/23/2025 7:29 PM

Brentwood Park Community Feedback

225	Don't add anything. Update the structure. There is no parking. If you add to the park you add cars to the park. Don't add, only update. If you add you will ruin a quiet park.	5/23/2025 6:34 PM
226	We have a lot of new babies in the neighborhood and a new park would be so amazing	5/23/2025 6:31 PM
227	Please make it appropriate for younger toddlers!	5/23/2025 6:28 PM
228	Dog friendly area please. Also, there's a millions spurs that stick to dog hair and can get in someone eyes	5/23/2025 6:27 PM
229	Pickleball and basketball court(s) instead of volleyball.	5/23/2025 6:24 PM
230	Floral landscaping would be nice, e.g. salvia, day lilies, lavender, grasses, lighted path across the entirety of the park	5/23/2025 5:59 PM
231	This park is long overdue to be renovated and we would definitely use it more if it were modernized like some of the other local parks. Please upgrade the park!!!!	5/23/2025 5:27 PM
232	Punk track for bikes and skateboards would mitigate kids building the bike jumps	5/23/2025 5:20 PM
233	Glad to see that trees were planted in the path of the hills that was turned into an ugly motocross track. Maybe update the signs to prohibit motorized vehicles AND electric bikes. (Since residents don't correlate electric motors all motorized since it's not a combustion engine.)	5/23/2025 5:16 PM
