Subject: 1650 Adams Avenue Medical Office Development Review Approval Staff report and plans

Hello Commissioners

In the Renaissance School staff report under the background section, the report mentions an attachment 4 which includes the recent Director approval to demo and rebuild the medical office building located on the corner of Adams Avenue and Mesa Verde Drive East. I am very sorry but this attachment was left out and below is a link to this information if you wish to review.

Thanks Vice Chair Zich for noticing and letting me know.
