## PRIOR LAND USE APPROVALS – MCUP

#### Minor Conditional Use Permit (MCUP) ZA-17-16

- On June 22, 2017, the Zoning Administrator approved MCUP ZA-17-16, allowing a deviation from shared parking requirements for a restaurant (Superior Pie & Liquor) with more than 300 square feet of public seating area, including a 245-square-foot outdoor patio
- Approval was based on offset hours of operation of the restaurant with the other businesses on-site at that time
- The previously approved hours of operation for the restaurant use are:
  - Monday through Friday, 8 AM to 12 PM and 4 PM to 11 PM (restaurant closed between 12 PM and 4 PM, Monday through Friday); and
  - Saturday and Sunday, 8 AM to 11 PM
- Trenta Pizza and Cucina took over the entitlements from Superior Pie & Liquor and began operating in 2019.

## **PRIOR LAND USE APPROVALS – TUP**

#### Temporary Use Permit (TUP) for Outdoor Dining

- On November 30, 2020, during the COVID-19 pandemic, a Temporary Use Permit (TUP) for outdoor dining was approved for the current restaurant, in accordance with Ordinance No. 2020-15
- TUP approved the use of onsite parking spaces to accommodate an additional 842 square feet of outdoor patio seating area
- The TUP will expire on December 31, 2023 as extended by the City Council at their November 1, 2022 meeting
- The outdoor seating area is improved with artificial turf beneath the seating, portable planters and empty wine barrels separating the seating area from the drive aisle, and portable propane heaters

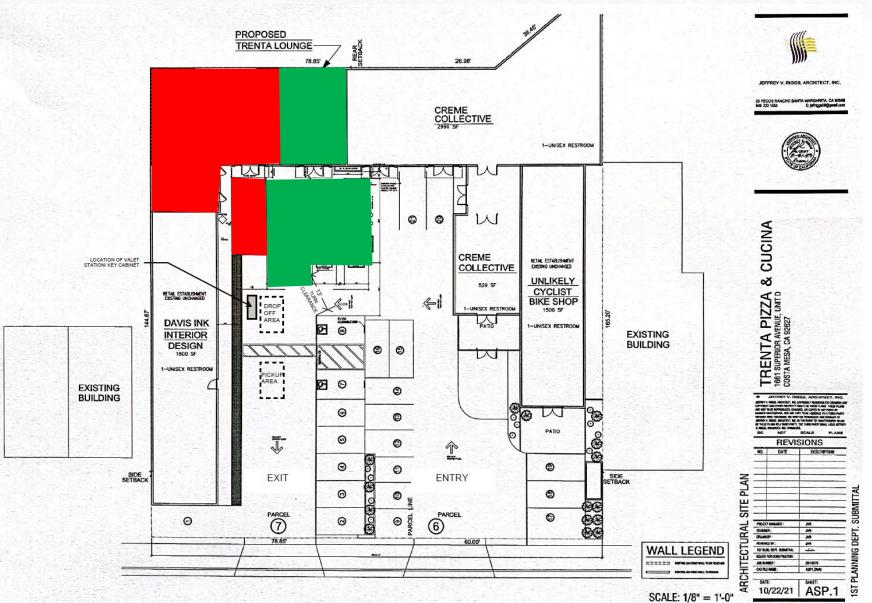

#### CUP APPLICATION PA-22-07 & MCUP APPLICATION ZA-19-50 (ZA-17-16 A1)

The applicant originally requested a Conditional Use Permit and Minor Conditional Use Permit to:

- 1. Allow the restaurant to occupy Suite C (in addition to the existing restaurant space located in Suite D)
- 2. Permanently allow the use of the temporary outdoor seating area (located on a portion of the site's parking area) approved by TUP
- 3. Modify previously approved hours of operation to:
  - Sunday through Thursday 5PM to 9PM
  - Friday and Saturday 5PM to 10PM
  - Saturday and Sunday 11:30AM to 2:30PM (use of 245-square-foot patio only)
- 4. Allow the use of offsite valet parking at 1645 Superior (Beach Cities Carwash) to meet parking requirements

#### **PROJECT PLANS – PROJECT SITE PLAN**

## **PLANNING COMMISSION APPROVAL**

- September 12, 2022 Planning Commission meeting
- During the hearing, the applicant requested to add weekday lunchtime hours (from 11:30 AM to 2:30 PM, Monday through Friday):
  - Sunday Thursday: 11:30 AM to 2:30 PM & 5 PM to 9 PM
  - Friday & Saturday: 11:30 AM to 2:30 PM & 5 PM to 10 PM
- Planning Commission approved the project on a 6-1 vote, subject to conditions
- Added a condition of approval to allow the requested lunchtime hours, conditioned upon the submittal and approval of a Parking Management Plan and limiting the outdoor dining area to the originally approved 245square-foot patio (specifically excluding use of the larger patio area) during those lunchtime hours

## **APPEAL OF PLANNING COMMISSION APPROVAL**

- On September 19, 2022 an appeal of the Planning Commission's approval of the project was filed by a neighboring resident
- In summary, the application for appeal noted the following topics/areas of concern:
  - Parking Shortage;
  - Safety Concerns;
  - Community/Resident Objection;
  - Need for a Traffic Study; and
  - Evening Noise Impacts at the Car Wash Site

Note 2: Including the 1,092-square-foot outdoor patio (250-square-foot patio approved pursuant to ZA-17-16 plus the 842-sugare-foot outdoor patio area using the parking lot);					
Note 3: Including the 250-square-foot outdoor patio approved pursuant to ZA-17-16.					

## **VALET & TRAFFIC SAFETY**

- The Transportation Division has confirmed that the proposed modifications to the existing restaurant operations are anticipated to perform sufficiently, without interruptions to the City's local circulation system and does not necessitate a Traffic Study.
- Pursuant to the Costa Mesa Municipal Code, a traffic study is required when a project generates more than 100 peak daily trips; the proposed project would generate 24 peak daily trips.
- In addition, the Building, Fire, and Police Departments have reviewed the proposal and no safety issues are anticipated.

- Condition No. 16 requires the valet operator to minimize potential noise generating sources, including valet attendants keeping their voices low, keeping car radios off, and not revving engines during operations.
- In addition the use is required to comply with the City's Noise Ordinance
- Furthermore, the approval for the adjacent residential projects included a standard condition of approval requiring a "Notice to Buyers"
  - The purpose of the notice is to disclose that the project is located within an area designated as Light Industry in the City's General Plan and is subject to existing and potential annoyances or inconveniences associated with industrial land uses

## **CUP REQUIRED FINDINGS**

- The proposed use, as conditioned, is substantially compatible with developments in the same general area and would not be materially detrimental to other properties within the area.
- The proposed use and improvements will not be materially detrimental to the health, safety and general welfare of the public or otherwise injurious to property or improvements within the immediate neighborhood.
- Granting the conditional use permit will not allow a use, density or intensity, which is not in accordance with the general plan designation and any applicable specific plan for the property.

## **REQUIRED FINDINGS (cont.)**

- Site will be in conformance with Code required parking requirements for the restaurant and would maintain a surplus of customer parking with the implementation of offsite valet parking
- Valet parking plan has been reviewed by the City's Transportation Division and would be implemented by a professional valet service operator
- The existing restaurant is a complementary use to the area and does not generate noise or parking impacts unusual for an industrially-zoned property
- Outdoor seating operations do not adversely effect the surrounding uses

#### RECOMMENDATION

Staff recommends the City Council uphold the Planning Commission's decision and:

- Find that the project is categorically exempt from the provisions of the California Environmental Quality Act (CEQA) per CEQA Guidelines Section 15301 (Class 1), Existing Facilities.
- Approve Planning Application 21-07 and Zoning Application 19-50 (ZA-17-16 A1), subject to conditions of approval

#### **OVERRULE ALUC'S DETERMINATION**

- April 5, 2022 City Council made the findings that the proposed Housing Element is consistent with the proposed AELUP pursuant to Public Utilities Code Section 21676
- Response to ALUC's noted issues:

 Noise - Noise Element adequately addresses the interface of potential residential development and airport noise impacts

 Safety - Housing Element does not propose changes to the height standards that were approved for North Costa Mesa Specific Plan

#### RECOMMENDATIONS

- Find that no further action is required to comply with CEQA
- Approve the Resolution to Overrule the Orange County Airport Land Use Commission's March 17, 2022 Determination
- Approve the Resolution to approve the City of Costa Mesa 2021-2029 (Sixth Cycle) Housing Element (General Plan Amendment 21-01), as revised
- Direct the City Manager or designee to submit the adopted Housing Element to the State for certification and authorize the City Manager or designee to make minor revisions to the adopted Housing Element as necessary to obtain State certification
