Hello,

My name is Holly Rodriguez and I am a resident in the Mesa Verde community of Costa Mesa. My husband and I have appreciated the installation of the two pickleball courts at Tanager Park and have met so many great friends through the sport. While we frequent these courts, they do get very busy and we're asking that the city use the grant fund money to install additional pickleball courts at the TeWinkle Park and/or convert some of the tennis courts into pickleball courts (you can fit four pickleball courts for every one tennis court). There is a rapidly-growing demand for pickleball and I know the city residents would appreciate more places to play and host tournaments.

Thank you,

Holly Rodriguez
