Dear PACS Commissioners:

I apologize for the late writing, but I just wanted to reiterate my request that the Park Ranger Report go back to the prior format used last year and in prior years that also reported out the types of citations and arrests that are being made in our parks. It is difficult for residents to determine whether City Council policies or CMPD administration of those policies are effectively managing misbehavior in our parks if we don't know what misbehaviors we are seeing.

Thank you,
Jenn Tanaka
