RECOMMENDATION:

Staff recommends the City Council:

1. Approve the proposed Resolution No. 2022-XX, which ratifies the application for a grant award from the State of California - Office of Traffic Safety (OTS) for the Selective Traffic Enforcement Program (STEP) and authorizes the City Manager or designee to execute all grant documents, including the Grant Agreement, and accept and administer the grant.
2. Approve revenue and expense appropriations in the amount of \$265,000 respectively, for the 2022-23 OTS STEP grant.

BACKGROUND:

The National Highway Transportation Safety Administration distributes federal funding to California through the Office of Traffic Safety. Grants are used to mitigate traffic safety program deficiencies, expand ongoing programs, and/or to develop new programs. Grant funding cannot replace existing program expenditures, nor can traffic safety funds be used for program maintenance, research, rehabilitation, and/or construction. The Costa Mesa Police Department has been awarded similar

grants in the past, which have significantly assisted the objectives of the Traffic Safety Bureau and improved traffic safety for residents and visitors in Costa Mesa.

ANALYSIS:

Since 2005, the Office of Traffic Safety has awarded the Costa Mesa Police Department 17 traffic safety related grants. The funds associated with these grants were used to purchase specialized equipment and to fund the cost of personnel working targeted traffic operations.

The Office of Traffic Safety assembles collision data rankings based on city population numbers. The most recent year of compiled statistics used by OTS was from 2019. Costa Mesa was then ranked with 58 other cities with a population of 100,001-250,000.

Along with injury collisions, impaired driving enforcement has always been a top priority for the Costa Mesa Police Department. From 1986-2014, the Department staffed a full-time impaired driving enforcement team consisting of two (2) full-time officers. However, based on Police Department contraction in previous years, the full-time DUI Team was discontinued in 2014. The DUI team was re-established in January 2019; however, it was suspended due to staffing challenges. The DUI Team was again established in January 2021. The previous STEP Grant was used to supplement the DUI Team by funding officers to saturate the area looking for suspected DUI drivers. Without this grant, the Department's ability to address DUI drivers is limited.

Aside from the DUI enforcement team, the STEP Grant funds DUI checkpoints. These checkpoints are educational, highly visible, and provide a deterrent against impaired driving. The Department's commitment to DUI enforcement is evident in the OTS data rankings. In the study, Costa Mesa had the best ranking for DUI arrests in 2012 (847 arrests) and 2013 (717 arrests) out of 56 cities in the population group. During those years, the Department had a full-time DUI team.

As set forth in the OTS rankings, in 2013, the Costa Mesa Police Department made 717 DUI arrests for the year. With the absence of the DUI team, the Department made 356 DUI arrests in 2014, 356 DUI arrests in 2015, 421 DUI arrests in 2016, and 345 arrests in 2017. Based on the City's data, the Department made 397 DUI arrests in 2018, 461 DUI arrests in 2019, 308 DUI arrests in 2020, and 1,093 DUI arrests in 2021.

With the 2014 addition of driving under the influence of drugs (DUID) provisions to the California Vehicle Code (CVC) (Sections 23152(f) and (g)), we are now able to accurately track the DUID problem in Costa Mesa. In 2014, 37 arrests were made for DUID or combinations of drugs/alcohol and that number nearly doubled in 2015 to 63. Subsequently, there were 75 DUID arrests in 2016, 107 DUID arrests in 2017, 106 DUID arrests in 2018, 65 DUID arrests in 2019, 127 DUID arrests in 2020, and 135 DUID arrests in 2021.

The Police Department submitted applications and received tentative approval for the 2022-23 OTS STEP Grant. The grant will allow the Department to implement the Selective Traffic Enforcement Program (STEP). This program will provide a comprehensive approach to reducing violations, which commonly lead to collisions while maintaining a focus on impaired and suspended/unlicensed drivers. Grant funds will be used to staff sobriety/driver license checkpoints and to staff targeted enforcement operations. In addition, funds will be used to purchase operation related equipment and support additional law enforcement training related to DUI investigations and enforcement activities.

The implementation of this training, along with the STEP enforcement operations, will help achieve the overall goal of reducing injury collisions, saving lives, and reducing liability.

The Department's current grant expires on September 30, 2022. The 2022-2023 grant will enable the Police Department to build upon successes achieved to date, while providing new objectives for increasing traffic safety throughout the City. The funding will allow the Department additional resources to combat impaired driving and enforce traffic laws aimed at saving lives. Objectives of the OTS grant include DUI saturation patrols; traffic enforcement operations targeting red light, excessive speed; distracted driving violations; traffic enforcement at high collision intersections; and sobriety/driver license checkpoints.

Some specific project objectives from the Grant Agreement include:

- Conduct four DUI/DL checkpoints.
- Conduct 21 DUI saturation patrols.
- Conduct 17 special traffic enforcement operations targeting red light, excessive speed, and other violations at or near intersections with a disproportionate number of traffic collisions.
- Conduct three special enforcement operations targeting distracted driving violations.
- Conduct two bicycle and pedestrian safety enforcement operations.
- Provide advanced officer training in DUI enforcement to eight officers.

OTS grant funding is based on the federal fiscal year, which begins on October 1, 2022, and ends on September 30, 2023. The Grant Agreement allocates \$265,000, which will be utilized over the federal fiscal year 12-month period. OTS will reimburse the City for approved grant expenditures throughout the grant period.

ALTERNATIVES:

The City Council may elect not to accept the grant; however, the Department would not be able to pursue the specific goals outlined in this report.

FISCAL REVIEW:

Upon acceptance of the 2022-23 OTS STEP Grant, revenue and expense appropriations in the amount of \$265,000 respectively will be established for the grant. The grant period is from October 1, 2022, to September 30, 2023.

LEGAL REVIEW:

The City Attorney's Office has reviewed the 2022 OTS STEP Grant Agreement, proposed resolution, and this report, and has approved them as to form.
