DEPARTMENT: CITY MANAGER'S OFFICE/CITY CLERK DIVISION

PRESENTED BY: BRENDA GREEN, CITY CLERK

CONTACT INFORMATION: BRENDA GREEN, CITY CLERK (714) 754-5221

RECOMMENDATION:

Staff recommends the City Council:

Give second reading by title only, and adopt Ordinance No. 22-xx of the City Council of the City of Costa Mesa, California, adopting Council District Map 115.

BACKGROUND:

Every ten years, cities with by-district election systems must use new census data to review and, if needed, redraw district lines to reflect how local populations have changed. This process, called redistricting, ensures all districts have nearly equal populations. The redistricting process for the City of Costa Mesa must be completed by April 17, 2022.

On April 6, 2021, the City Council selected National Demographics Corporation (NDC) for the demographics analysis of census data and engage the public in the redistricting process.

In November 2016, Ordinance 16-05 was approved by the voters, which amended the City's method of electing members to the City Council, commencing in November 2018. Pursuant to the approved Ordinance, the City is divided into 6 geographic districts, with a Mayor elected by voters citywide. The districts must now be evaluated using the 2020 census data, and in compliance with the Fair Maps Act, which was adopted by the California Legislature as AB 849 and took effect January 1, 2020.

Under the Act, the Council shall draw and adopt boundaries using the following criteria in the listed order of priority (Elections Code 21601(c) for General Law cities):

1. Comply with the Federal requirements of equal population and the Federal Voting Rights Act.
2. Geographically contiguous.
3. Undivided neighborhoods and "communities of interest" (socio-economic geographic areas that should be kept together).
4. Easily identifiable boundaries.
5. Compact (do not bypass one group of people to get to a more distant group of people).
6. Shall not favor or discriminate against a political party.

Once the prioritized criteria are met, other traditional districting principles may be considered, such as:

1. Minimize the number of voters delayed from voting due to a change of their district.
2. Respect voters' choices/continuity in office.
3. Future population growth.

By law, the City must hold at least four public hearings that enable community members to provide input on the redistricting process. The process involves the following requirements:

- One hearing must occur before the City draws draft maps (10/19/2021).
- Two hearings must happen after the drawing of draft maps (11/16/21 & 02/15/22).
- Third Public Hearing to discuss and select final map (02/15/2022).
- Fourth Public Hearing and Introduction of Ordinance for final map selected (03/1/2022).
- Second reading and adoption of Ordinance approving final map (03/15/2022).

Public workshops were conducted to seek public input on suggested criteria for consideration on drafting district maps. Workshops were held on the following dates:

- Saturday, October 23, 2021, 10:00 a.m. at the Norma Hertzog Community Center
- Wednesday, December 1, 2021, 6:00 p.m. at the City Hall Community Room
- Saturday, January 8, 2022, 10:00 a.m. via Zoom Webinar.

In addition, the City has a dedicated webpage that includes online mapping tools and an Interactive Review Map. The draft district maps are posted on the webpage at:

ANALYSIS:

Draft Maps

The first set of draft district maps were presented to the City Council at the Public Hearing of November 16, 2021. The first set of maps included seven (7) public submittals and three (3) prepared by the City's demographer, based on the legal criteria outlined in previous public hearings and communities of interest as provided by the community. Prior to the January 8, 2022 workshop an additional three public maps were submitted by the public. After the workshop, one additional map (Map 115) was prepared by NDC for consideration.

All presentation materials and public testimony received, as well as audio recording of each community meeting, are posted to the City's redistricting website. Outreach and engagement efforts continued throughout the process to encourage community input and participation, announcement of community meetings/public hearing opportunities, and accessibility to mapping tools.

On February 15, 2022 the third Public Hearing was held to receive public input on all draft maps, receive and file oral and written testimony from the prior community meetings and public hearings. The City Council selected Map 115 on a 7-0 vote for Introduction and First Reading at the March 1, 2022 City Council meeting and second reading and adoption of the Ordinance at the March 15, 2022 City Council meeting.

On March 1, 2022, the City Council conducted the fourth public hearing, introduced and gave first reading to Ordinance No. 2022-xx that would adopt the proposed Council District Map 115.

Pursuant to California Election Code, the process must be completed and the adoption of the new boundary map must occur by April 17, 2022, which will be utilized in the November 2022 General Municipal Election.
