**UPDATE:**

The Parks and Community Services Department prides itself on the quality programs it offers year-round, however the summer offers additional exciting programming for the youth in our community. Summer youth programs include Summer R.O.C.K.S, Camp Mini-Explorers, Camp Costa Mesa, SMART Camp, and Teen Camp (Attachment 1). These programs provide a variety of outdoor recreational opportunities that include children as young as 3 and up through their teenage years.

In addition, the Department offers youth sports opportunities in the summer, including the Happy Feet Running Club and Youth Open Gym Basketball at the Downtown Recreation Center. Both of these programs are free of charge.

Youth of all ages are invited to enjoy nine weeks of fun, interactive, and memorable experiences alongside friends and their favorite staff! The fun filled adventures begin on June 12, and registration is currently open online and in person.
