---

To Panning Division,

I have no objection to an expansion in our neighborhood; however, it appears this company is NOT in good standing with the BBB in terms of accreditation, ratings and trust. While I believe it's important that we work with businesses that uphold strong standards for our neighborhood and community, this concern should be addressed and Southside Towing should pass the BBB standards and vetting process before allowing the application to move forward.

Elden Neighbor,  
Denise
