Q3

Housing and public service grants committee is my interest. With previous contracting experience I can apply here I think the technical aspects are well served. I live in councilman Chavez's district. As one of few homeowners on my block, Weelo Drive, I can provide valuable feedback from other residents who are often ignored in simple things like permit parking which is only accessible to owners. As a bilingual resident, I find that my neighbors are often ignored. Its not fair and I can help.

Q4

As a Committee member, what ideas or projects are of interest to you?

The bike lane, the master plan redevelopment of my district. Adjusting the city's master plan. Opening a street vendor location and offering case workers to navigate the permit process with the county and to allocate funds for doing so. It shouldn't be the fairgrounds. Fairview developmental is also interesting.
