Animal Services Committee

Indicate the name of the Committee you are interested in serving on:

Q3

Indicate why you wish to serve on this Committee. Provide any experience or qualifications you may possess that you think would be beneficial to this Committee. A resume (optional) may be attached.

I have been an active member of the animal service committee since it began in 2018. I was the chair for 5 years and the vice chair for one. I have lead in various ad hoc committees including on education, volunteering, and TNR. I am currently championing TNR for Costa Mesa. As one of only 2 original members, I deeply understand the history and progression of animal services in Costa Mesa. I have also volunteered hands on in animal rescue for over 8 years and taken courses and attended animal welfare conferences. I have networked with other rescues, shelters, and animal welfare groups to expand my knowledge on animal welfare and to stay up to date on current trends. I have coordinated and ran over 100 adoption events, conducted multiple low cost or free vaccine and microchip clinics, written articles for Costa Mesa's "The Scoop" animal newsletter, promoted and participated in multiple Costa Mesa animal related events. I would like to continue on the ASC to follow up on the new developments with TNR and continue to be an advocate for the animals of Costa Mesa.

Q4

As a Committee member, what ideas or projects are of interest to you?

TNR is a priority. This not only includes ordinance changes but also a great deal of community education and outreach. Once legal, there will also be other opportunities for advocacy and grant initiatives to support this process. I have attended animal welfare conferences and learned about new ideas for increased licensure, disease management, sheltering services, and other topics that could be beneficial in Costa Mesa. I would like to see an increase in licensure and microchips within Costa Mesa. These are vital steps to ensuring animals are safely returned to the people who love them.

On August 6th of last year, I adopted my first dog ever, "Kylie", marking the first time I've had the wonderful pleasure of owning a dog. This transformative experience introduced me to the joys and responsibilities of pet ownership, while highlighting the critical role of animal services in our city. Kylie's adoption brought immense happiness into my life and revealed to me the broader significance of programs like pet licensing, fostering, and adoption events – efforts that sustain the well-being of pets and enhance the vitality of Costa Mesa. Drawing from this personal journey, I am eager to contribute my enthusiasm and insights to the "Animal Services Committee" (ASC), ensuring that more animals like Kylie find loving homes and that our community's animal care system flourishes. My motivation to serve on the ASC also stems from a strong commitment to civic engagement and the belief that individual contributions can meaningfully strengthen our community – an ideal I hold dear as an American. I recognize the value of education, veterinary care, and events like Barktoberfest, which not only foster bonds between residents and their pets, but also unite our community and foster the sense of personal belonging among the broader population. If granted the opportunity to join the committee, I look forward to collaborating with others to improve live release rates, promote responsible pet ownership, and address the administrative challenges within our animal services program. Serving on the ASC would allow me to give back to Costa Mesa – my adoptive home and a city I cherish – by extending the compassionate care Kylie received to countless other animals and residents, enriching our community for all.

Q4

As a Committee member, what ideas or projects are of interest to you?

Amending TNR, Barktoberfest, expanding animal access to public parks within the existing framework (i.e. lessening the restrictive nature of city ordinances around dog's access to parks).

Hello

I am a longtime resident of Costa Mesa, a City I love. I am also a dog owner. I think I could benefit this committee because I would love to see information put towards helping the City of Costa Mesa become better acquainted with the community for Animal Services. I recently registered our dog with the City of Costa Mesa and would love to see more people go through this (cheap & easy) process. Most people do not even know they need to register their dog. It not only helps the dog owners but the general public as well. I am always up for learning new things about not just dogs but cats too that could help out the community. I have always wanted to be involved in our community and being an avid dog lover and owner I feel I could be a great addition.
