ARTICLE 1 - RECOGNITION/PREAMBLE

1.1 By resolution of the City Council of the City of Costa Mesa and pursuant to the provisions of the Meyers-Milias-Brown Act, Section 3500 et. seq. of the California Government Code, the City of Costa Mesa (hereinafter called the "City") has recognized the Costa Mesa Fire Management Association (hereinafter called the "Association" or "CMFMA") as the exclusive representative and agent for collective bargaining of the sworn members of the City of Costa Mesa Fire Department (hereinafter "Department" or "Fire Department") in the unit of representation consisting of the job classification of Battalion Chief excluding all non-sworn Fire Department employees (hereinafter referred to as "represented employees" or "unit members"). The Association and the City are the Parties to this agreement and are jointly recognized herein as "The Parties."

1.2 This Memorandum of Understanding (MOU) has been prepared by representatives of the City and representatives of the Association who have met and conferred in good faith, examining a number of proposals and counter proposals concerning wages, hours of employment, fringe benefits and other terms and conditions of employment for represented employees.

1.3 It is the mutual understanding of the City and Association that this MOU shall be submitted to the Costa Mesa City Council with the joint recommendation of the parties that the terms of this MOU be adopted and that said City Council will take such other action as may be needed to implement its provisions.

1.4 The wages, hours and other terms and conditions of employment currently in effect for the job classification covered herein shall remain in effect unless modified, amended or deleted by this MOU or subsequent MOUs, or unless a tribunal of competent jurisdiction holds that any part of this MOU is found to be insufficient, in conflict or inconsistent with other laws or contractual obligations of the Parties, or otherwise held to be invalid, unlawful or unenforceable, in which case such part or provision, and only such part or provision, shall be severed from this MOU or shall be suspended or superseded by such applicable laws and regulations. If such legal severance invalidates a benefit defined herein, said benefit shall be replaced by an item or alternative benefit of comparable value to the extent allowed by law. The Parties shall meet and confer in good faith to determine the replacement, or if any replacement is possible.

1.5 The Parties hereby agree that all of the material terms and conditions of previous agreements between CMFMA and the City and applicable Resolutions are hereby superseded by the adoption of this MOU.

1.6 For the term of this MOU, neither party shall be compelled to meet and confer with the other concerning any issue within the scope of representation of the Association. Each Party to this MOU hereby expressly waives its right to demand that the other Party meet and confer concerning any issue within the scope of representation of the Association. However, nothing in this MOU shall prohibit these Parties from exploring the possibility of amending this agreement over any issue within the scope of representation of the Association, if, and only if, both Parties hereto mutually agree to do so.

1.7 Continuous uninterrupted and efficient service to the community of Costa Mesa by the City and its employees, and orderly employer-employee relations are essential considerations of this MOU. Accordingly, the Association agrees on behalf of itself and its members, individually and collectively, that there shall not be any strikes, "sick-outs", non-informational picketing, boycotting, work stoppages, slow-down strikes or any other concerted job actions constituting refusal to render services, including overtime or any other curtailment or restriction of work and services at any time during the term of this MOU.

1.8 The Association recognizes its duty and obligation to comply with the provisions of Section 1.7 of this MOU and to make every reasonable effort to assure that all employees covered by this MOU similarly do so. In the event of any concerted activity by employees in violation of the provisions of Section 1.7, the Association hereby agrees to direct its members to cease said action or conduct forthwith.

1.9 Except as modified by this agreement, all rights to manage, organize, direct and control the City's Fire Department are retained exclusively by the City and its management personnel.

ARTICLE 4 - PROMOTIONS

4.1 **RATE OF PAY** - Current administrative regulations provide that when an employee is promoted that the promotee shall be placed at a step within the appropriate salary range for the new classification that pays at least five percent (5%) higher than the rate of pay earned prior to the promotion, provided that the promotee's new rate of compensation does not exceed the top step of the new position's appropriate salary range. In making this determination, “the rate of pay earned prior to the promotion” shall include all “compensation earnable” as defined by the Public Employees Retirement Law [Gov. Code § 200000 et seq.]

ARTICLE 5 - HEALTH INSURANCE

5.1 **IRS SECTION 125 BENEFIT PLAN** - The City shall provide the amount listed below toward the payment of premiums under an IRS Section 125 Benefit Plan. 5.4 **QUALIFICATION FOR FLEX CONTRIBUTION** - Employees must receive compensation for the entire pay period to receive the flexible benefit contribution amount. Use of accrued leave qualifies as compensation for this purpose. Employees will be ineligible for the flexible benefit contribution if the employee records absence without pay hours within the pay period. Disciplinary actions will not disqualify an employee from receiving the flex contribution. This provision shall not apply to a pay period during which an employee has exhausted all paid leave benefits. Its application shall take effect the following pay period.

ARTICLE 6 - RETIREMENT

6.1 **CALPERS** - The City contracts with CalPERS for retirement benefits. The definitions of “new member” and “classic member” are set forth below:

A. “Classic Member” Employees

1. Retirement Formula: The City contracts with CalPERS to provide the 3% at 50 retirement formula (Tier 1) for all employees hired before December 31, 2012 as set forth in California Government Code Section 21362.2. For employees hired on or after December 31, 2012 who are classic members as defined, the City contracts with CalPERS to provide the 2% at 50 retirement formula (Tier 2) as set forth in California Government Code Section 21362.
2. Retirement Benefit Calculation Period: The City's contract with CalPERS provides for the "Single Highest Year" retirement benefit for which “classic member” employees hired prior to December 31, 2012 in the unit are included per Government Code section 20042. The retirement benefit is based on the highest annual compensation for the one year during the employee's membership in CalPERS. For employees hired on or after December 31, 2012 who are classic members as defined, final compensation will be based on the highest annual average compensation earnable during the three consecutive years of employment immediately preceding the effective date of their retirement or any other three consecutive year period chosen by the employee as set forth in Government Code section 20037.
3. Payment of Employee/Member Contribution:
 - a. Tier 1 Employees Subject to the 3%@50 formula:
 - i. Employees will pay the full nine percent (9%) CalPERS member contribution as compensation earnable towards their CalPERS member contribution. The City pays and reports zero percent (0%) as an Employer Paid Member Contribution (EPMC) under Government Code section 20636(c)(4) pursuant to section 20691.
 - b. Tier 2 Employees Subject to the 2%@50 formula:
 - i. Employees pay the full nine percent (9%) CalPERS member contribution. The City pays and reports zero percent (0%) as an Employer Paid Member Contribution (EPMC) under Government Code section 20636(c)(4) pursuant to section 20691.

The City has adopted the CalPERS resolution in accordance with IRS Code section 414(h)(2) to ensure that the employee contribution is made on a pre-tax basis.

4. Cost Sharing:

- a. Employees in tier 1 subject to the 3%@50 formula pay additional retirement contributions into their employee account with PERS as cost sharing as follows:
 - i. Effective at the beginning of the pay period which includes July 1, 2024, employees pay five percent (5%) compensation earnable as cost sharing in accordance with Government Code section 20516(a) and an additional three percent (3%) of compensation earnable pursuant to the cost sharing provisions set forth in Government Code section 20156(f). When this five percent (5%) and three percent (3%) is added to the employees' payment of nine percent (9%) towards their member contribution, employees shall pay seventeen percent (17%) compensation earnable towards their pension.
- b. Employees in tier 2 subject to the 2%@50 formula pay additional retirement contributions into their employee account with PERS as cost sharing as follows:
 - i. Effective at the beginning of the pay period which includes July 1, 2024, these employees will pay an additional eight percent (8%) compensation earnable as cost sharing in accordance with Government Code section 20516(f). When this eight percent (8%) is added to the employee's payment of nine percent (9%) towards their member contribution, employees shall pay seventeen percent (17%) compensation earnable towards their pension.

B. “New Members” (Tier 3) as Defined by the Public Employees’ Pension Reform Act of 2013 (PEPRA)

1. Retirement Formula: Unit members who are defined as “new members” under the PEPRA, are covered by the 2.7%@ 57 formula provided for by the Public Employees’ Retirement Law at Government Code section 7522.25(d).
2. Retirement Benefit Calculation Period: For unit members defined as “new members” under the PEPRA such employees’ final compensation will be based on the highest annual average compensation earnable during the three consecutive years of employment immediately preceding the effective date of their retirement or any other three consecutive year period chosen by the employee as set forth in Government Code section 7522.32(a).
3. Payment of Employee/Member Contribution: New member employees are responsible for paying the employee contribution of one-half of the total normal cost of the plan, as defined by CalPERS, through a payroll deduction. This amount will be determined by CalPERS in the future. The City has adopted the CalPERS resolution in accordance with IRS Code section 414(h)(2) to ensure that the employee contribution is made on a pre-tax basis.
4. Cost Sharing:
 - a. Employees who are defined as “New Members” by the PEPRA and who subject to the 2.7%@57 formula pay additional retirement contributions as cost sharing as follows:
 - i. Effective at the beginning of the pay period which includes July 1, 2024, these employees will pay one quarter percent (0.25%) compensation earnable as cost sharing in accordance with Government Code section 20516(f).
 - b. Notwithstanding subparagraph 4(a) above, subsequent to July 1, 2024, the cost share payment for PEPRA employees will fluctuate if the normal cost rate changes. If the half the normal cost rate reduces below thirteen and three quarters percent (13.75%), the cost share (per Government Code section 20516(f) will go up so that when combined with the half the normal cost rate, the employee is paying

a total of fourteen percent (14%) for retirement. If the half the normal cost rate increases above thirteen and three quarters percent (13.75%), the cost share (per Government Code section 20516(f) will go down so that when combined with the half the normal cost rate, the employee is paying a total of fourteen percent (14%) for retirement. If the half the normal cost rate goes above fourteen percent (14%), there will be no cost share payment due from the PEPRA new member (Tier 3) employees. Rather, the employee will just pay the applicable half the normal cost rate as determined by CalPERS.

If one-half the normal cost rate exceeds fourteen percent (14%) (and it is rounded by CalPERS to the nearest one-quarter of a percent), the City will contribute the amount above fourteen percent (14%) to the deferred compensation account (per IRS Code section 457(b)) of each new member.
