ARTICLE 1 - RECOGNITION/PREAMBLE

1.1 By resolution of the City Council of the City of Costa Mesa and pursuant to the provisions of the Meyers-Milias-Brown Act, Section 3500 et. seq. of the California Government Code, the City of Costa Mesa (hereinafter called the "City") has recognized the Costa Mesa Fire Association (hereinafter called the "Association" or "CMFA") as the exclusive representative and agent for collective bargaining of the sworn members of the City of Costa Mesa Fire Department (hereinafter "Department" or "Fire Department") in the unit of representation consisting of the job classifications of Firefighter, Fire Engineer and Fire Captain, excluding all non-sworn Fire Department employees. The Association and the City are the Parties to this agreement and are jointly recognized herein as "The Parties."

1.2 This Memorandum of Understanding (MOU) has been prepared by representatives of the City and representatives of the Association who have met and conferred in good faith, examining a number of proposals and counter proposals concerning wages, hours of employment, fringe benefits and other terms and conditions of employment for the said sworn employees of the Fire Department defined in Section 1.1.

1.3 It is the mutual understanding of the City and Association that this MOU shall be submitted to the Costa Mesa City Council with the joint recommendation of the parties that the terms of this MOU be adopted and that said City Council will take such other action as may be needed to implement its provisions.

1.4 The City and the Association hereby acknowledge that the terms and conditions of this MOU may not cover all of the terms and conditions of employment applicable to a member of the unit of representation covered by this MOU. These parties further acknowledge that any term or condition of employment which is not expressly covered herein, but is covered by existing ordinances, resolutions, policies and regulations of the City, including the Personnel Rules and Regulations presently in effect shall be controlled by the existing provisions of said ordinances, resolutions, policies and regulations to the extent that said policies and regulations do not change, abrogate, modify or amend any express term of this MOU.

1.5 The wages, hours and other terms and conditions of employment currently in effect for the job classifications covered herein shall remain in effect unless modified, amended or deleted by this MOU or subsequent MOUs, or unless a tribunal of competent jurisdiction holds that any part of this MOU is found to be insufficient, in conflict or inconsistent with other laws or contractual obligations of the Parties, or otherwise held to be invalid, unlawful or unenforceable, in which case such part or provision, and only such part or provision, shall be severed from this MOU or shall be suspended or superseded by such applicable laws and regulations. If such legal severance invalidates a benefit defined herein, said benefit shall be replaced by an item or alternative benefit of comparable value to the extent allowed by law. The Parties shall meet and confer in good faith to determine the replacement, or if any replacement is possible.

1.6 The Parties hereby agree that all of the material terms and conditions of previous MOUs are hereby superseded by the adoption of this MOU.

1.7 For the term of this MOU, neither party shall be compelled to meet and confer with the other concerning any issue within the scope of representation of the Association. Each Party to this MOU hereby expressly waives its right to demand that the other Party meet and confer concerning any issue within the scope of representation of the Association. However, nothing in this MOU shall prohibit these Parties from exploring the possibility of amending this agreement over any issue within the scope of representation of the Association, if, and only if, both Parties hereto mutually agree to do so.

1.8 Continuous uninterrupted and efficient service to the community of Costa Mesa by the City and its employees, and orderly employer-employee relations are essential considerations of this MOU. Accordingly, the Association agrees on behalf of itself and its members, individually and collectively, that there shall not be any strikes, non-informational picketing, boycotting, work stoppages, slow-down strikes or any other concerted job actions constituting refusal to render services, including overtime or any other curtailment or restriction of work and services at any time during the term of this MOU.

1.9 The Association recognizes its duty and obligation to comply with the provisions of Section 1.8 of this MOU and to make every reasonable effort to assure that all employees covered by this MOU similarly do so. In the event of any concerted activity by employees in violation of the provisions of Section 1.8, the Association hereby agrees to direct its members to cease said action or conduct forthwith. No employee covered by this MOU shall be entitled to any benefits or wages whatsoever while engaged in activities prohibited by Section 1.8 of this MOU.

1.10 Except as modified by this agreement, all rights to manage, organize, direct and control the City's Fire Department are retained exclusively by the City and its management personnel.

ARTICLE 2 - TERM OF AGREEMENT

2.1 **TERM** - The MOU will commence on July 1, 2024 and will expire on June 30, 2027.

ARTICLE 3 - BASIC SALARIES AND WAGES

3.1 **COMPENSATION** - Employees covered by this Agreement shall be compensated at the established monthly base salary rates under the Basic Pay Schedule for sworn fire personnel. All positions under this Schedule shall be assigned a range number established by the City Council resolution.

3.2 **SALARY ADJUSTMENTS** - Salary adjustments for each classification will be implemented as follows:

Increase of 5% effective the payroll that includes July 1, 2024

Increase of 3.75% effective the payroll that includes July 1, 2025

Increase of 3.75% effective the payroll that includes July 1, 2026

3.3 **MANDATORY DIRECT DEPOSIT** - All association employees shall be required to enroll in payroll direct deposit. Paychecks will be electronically paid to an employee's bank account. Upon separation, employees will be paid with a physical paycheck that will be held in the Human Resources Division.

ARTICLE 4 - PROMOTIONS

4.1 **RATE OF PAY** - Current administrative regulations provide that when an employee is promoted that the promotee shall be placed at a step within the appropriate salary range for the new classification that pays at least 5% higher than the rate of pay earned prior to the promotion, provided that the promotee's new rate of compensation does not exceed the top step of the new position's appropriate salary range. In making this determination, "the rate of pay earned prior to the promotion" shall include any paramedic assignment payments to any Firefighter who is receiving such assignment pay and who is promoted to Fire Engineer.

ARTICLE 5 - HEALTH INSURANCE

5.1 **IRS SECTION 125 BENEFIT PLAN** - The City shall provide the amount listed below toward the payment of premiums under an IRS Section 125 Benefit Plan. Core benefits include life and long term disability insurance. Medical insurance is a required core benefit which a City employee is required to carry if a City employee is not covered by another medical insurance plan with comparable coverage at the end of the open enrollment period.

5.2 **PEMHCA** - The City contracts with the California Public Employees' Retirement System ("PERS") for medical insurance. The City will contribute the PERS statutory minimum on behalf of each participant in the program, which is included in the City's Contribution to the flexible benefit account described below. Eligible employees may select any of the medical insurance plans offered by CalPERS.

5.3 **CONTRIBUTION AMOUNT** - The City's contribution towards each employee's flexible benefit account is as follows: Effective on the first day of the month following City Council approval of this MOU – two thousand one hundred and nineteen dollars (\$2,119.00) per month. This amount is inclusive of the CalPERS statutory minimum amount for each year.

5.4 **WAIVER OF INSURANCE/ CASH BACK FROM THE CITY** - An employee who elects to opt out of medical coverage offered by the City must be able to provide proof of minimum essential coverage ("MEC") through another source (other than coverage in the individual market, whether or not obtained through Covered California).

Any employee in the unit who either opts out of health insurance or selects benefits which cost less than the dollars contributed by the City to each employee for flexible benefits as provided in Article 5.3 above (\$2,119 per month) can receive up to a maximum of one thousand and sixty dollars (\$1,060) as cash.

5.5 **QUALIFICATION FOR FLEX CONTRIBUTION** - Employees must receive compensation for the entire pay period to receive the flexible benefit contribution amount. Use of accrued leave qualifies as compensation for this purpose. Employees will be ineligible for the flexible benefit contribution if the employee records absence without pay hours within the pay period. Catastrophic illness leave donations to employees will not meet the qualifications for the flex contribution. Disciplinary actions will not disqualify an employee from receiving the flex contribution. This provision shall not apply to a pay period during which an employee has exhausted all paid leave benefits. Its application shall take effect the following pay period.

ARTICLE 6 - RETIREMENT

6.1 **CALPERS** The City contracts with CalPERS for retirement benefits. The definitions of “new member” and “classic member” are set forth below:

A. For “Classic Member” Employees

1. Retirement Formula: The City contracts with CalPERS to provide the 3% at 50 retirement formula (Tier 1) for all employees hired before December 31, 2012 as set forth in California Government Code Section 21362.2. For employees hired on or after December 31, 2012 who are classic members as defined, the City contracts with CalPERS to provide the 2% at 50 retirement formula (Tier 2) as set forth in California Government Code Section 21362.

2. Retirement Benefit Calculation Period: The City's contract with CalPERS provides for the "Single Highest Year" retirement benefit for which “classic member” employees hired prior to December 31, 2012 in the unit are included per Government Code section 20042. The retirement benefit is based on the highest annual compensation for the one year during the employee's membership in CalPERS. For employees hired on or after December 31, 2012 who are classic members as defined, final compensation will be based on the highest annual average compensation earnable during the three consecutive years of employment immediately preceding the effective date of their retirement or any other three consecutive year period chosen by the employee as set forth in Government Code section 20037.

3. Payment of Employee/Member Contribution:

a. Tier 1 Employees Subject to the 3% @50 formula:

Employees will pay the full nine percent (9%) CalPERS member contribution as compensation earnable towards their CalPERS member contribution. The City shall pay and report zero percent (0%) as an Employer Paid Member Contribution (EPMC) under Government Code section 20636(c)(4) pursuant to section 20691.

b. Tier 2 Employees Subject to the 2% @50 formula:

Employees pay the full nine percent (9%) CalPERS Member Contribution. The City pays and reports zero percent (0%) as an Employer Paid Member Contribution (EPMC) under Government Code section 20636(c)(4) pursuant to section 20691.

The City has adopted the CalPERS resolution in accordance with IRS Code section 414(h)(2) to ensure that the employee contribution is made on a pre-tax basis.

4. Cost Sharing:

a. Effective at the beginning of the pay period which includes July 1, 2024, employees in tier 1 subject to the 3% @50 formula pay an additional five percent (5%) for cost sharing into their employee account with PERS in accordance with Government Code section 20516(a). When this five percent (5%) is added to the employees' payment of nine percent (9%) towards their member contribution, employees shall pay fourteen percent (14%) compensation earnable towards their pension.

- b. Effective at the beginning of the pay period which includes July 1, 2024, employees in tier 2 subject to the 2%@50 formula pay additional an additional five percent (5%) for cost sharing into their employee account with PERS in accordance with Government Code section 20516(a). When this five percent (5%) is added to the employees' payment of nine percent (9%) towards their member contribution, employees shall pay fourteen percent (14%) compensation earnable towards their pension.

B. For “New Members” (Tier 3) As Defined By the Public Employees’ Pension Reform Act of 2013 (PEPRA)

1. Retirement Formula: Unit members who are defined as “new members” under the PEPRA, are covered by the 2.7%@ 57 formula provided for by the Public Employees’ Retirement Law at Government Code section 7522.25(d).
2. Retirement Benefit Calculation Period: For unit members defined as “new members” under the PEPRA such employees’ final compensation will be based on the highest annual average compensation earnable during the three consecutive years of employment immediately preceding the effective date of their retirement or any other three consecutive year period chosen by the employee as set forth in Government Code section 7522.32(a).
3. Payment of Employee/Member Contribution: New member employees are responsible for paying the employee contribution of one-half of the total normal cost of the plan, as defined by CalPERS, through a payroll deduction. This amount will be determined by CalPERS in the future. The City has adopted the CalPERS resolution in accordance with IRS Code section 414(h)(2) to ensure that the employee contribution is made on a pre-tax basis.
4. Cost Sharing:
 - a. Employees who are defined as “New Members” by the PEPRA and who subject to the 2.7%@57 will pay one quarter percent (0.25%) compensation earnable as cost sharing in accordance with Government Code section 20516(f).

Notwithstanding the above, subsequent to July 1, 2024, the cost share payment for PEPRA employees will fluctuate if the normal cost rate changes. If the half the normal cost rate reduces below thirteen and three quarters percent (13.75%), the cost share (per Government Code section 20516(f) will go up so that when combined with the half the normal cost rate, the employee is paying a total of fourteen percent (14%) for retirement. If the half the normal cost rate increases above thirteen and three quarters percent (13.75%), the cost share (per Government Code section 20516(f) will go down so that when combined with the half the normal cost rate, the employee is paying a total of fourteen percent (14%) for retirement. If the half the normal cost rate goes above fourteen percent (14%), there will be no cost share payment due from the PEPRA new member (Tier 3) employees. Rather, the employee will just pay the applicable half the normal cost rate as determined by CalPERS.

If one-half the normal cost rate exceeds fourteen percent (14%) (and it is rounded by CalPERS to the nearest one-quarter of a percent), the City will contribute the amount above fourteen percent (14%) to the deferred compensation account (per IRS Code section 457(b)) of each new member.

6.2 CalPERS CONTRACT - The City will continue to provide pension benefits to represented employees in accordance with the CalPERS contract in effect on the effective date of this MOU. The City's contract with CalPERS for fire safety employees includes the following options:

If an employee separates from the service of the City and has been paid for holiday pay in advance of the date(s) or day(s) the holidays actually occurred, the City will deduct the cash value for the holiday benefits paid, but unearned at the time of separation from the employee's final paycheck.

Testing procedures will be determined and administered by the City. For "Exchanges of Time"; there will be an upper and lower threshold range of 96 hours up and 96 hours down for "open ended trades." Should an employee be "outside" of this range, their ability to trade will be suspended until their trade status is back within range. Three times per year (one month prior to the zero out dates) there will be a report generated to ensure that no employee is outside of this range. This report will be given to the Battalion Chief or their designee to ensure compliance. Open ended is defined as no payback day is scheduled.

Other matters for which a special method of review is provided by law, ordinance, resolution, or by administrative regulations and procedures of the City, are not within the scope of this procedure. This procedure is not to be used in lieu of the Discipline Appeals Procedure.

31.3 PROCEDURE

- a. **Informal Resolution:** Every effort shall be made to resolve a grievance through discussion between the employee and their immediate supervisor. It is the spirit and intent of this procedure that all grievances are settled quickly and fairly without subsequent discrimination against employees who may seek to adjust a grievance. Every effort should be made to find an acceptable solution at the lowest level of supervision. Within fifteen (15) calendar days after a grievant knew, or by reasonable diligence should have known, of the condition upon which a grievance may be based, the grievant shall attempt to resolve it by an informal conference with the grievant’s immediate supervisor.
- b. The supervisor must respond with the answer within (14) calendar days of the meeting.

- c. If the supervisor's response does not result in an acceptable solution, the grievant and/or the Association may exercise its right to either proceed with the steps in this Grievance Procedure or waive the additional grievance steps and institute judicial proceedings.
- d. Within fourteen (14) calendar days from the date of receiving the answer from their supervisor, the grievant may request and be granted an interview with the Deputy Chief or designee, in order to discuss the grievance further.
- e. The Deputy Chief or designee must respond with the answer in writing within (14) calendar days of the meeting. Within seven (7) calendar days from the date of receiving the answer from the division manager, the grievant may request, in writing, and be granted an interview with the Fire Chief or designee.
- f. The Fire Chief or designee shall render their decision in writing within fifteen (15) calendar days of receiving the grievance. If the Fire Chief or designee and employee are unable to arrive at a satisfactory solution, the employee may, within ten (10) calendar days from the date of the decision by the department director, submit a written request with the City Manager or designee.
- g. The City Manager or designee shall review the grievance and respond to the employee within twenty (20) calendar days of receiving the appeal. The City Manager or designee shall have the option of scheduling a meeting to hear the grievance, or a response shall be provided in writing. This will be considered an expression of management's viewpoint, and shall be the final administrative review.
- h. If the time limits for further processing the employees' grievance at any step defined above should elapse, the grievance shall be considered withdrawn. Time limits may be extended by mutual consent.
- i. The employee may request the assistance of another person of their own choosing in preparing and presenting their appeal at any level of review. In the event the employee desires the presence of a representative who is an employee of the City, they shall make such request through the supervisor and the supervisor shall make the necessary arrangements for the employee representative to be present.

- k. No employee shall be required to be represented by an employee organization in processing a grievance.
- l. Employees shall be assured freedom from reprisal for using the grievance procedures by both the City and the employee organization.

The group may file one (1) document that all members of the group have read and signed. Members of the group shall be limited to those who have signed the grievance. The resolution of a group grievance may not be consistent among all employees in the group grievance due to differences in the circumstances or occurrences that brought about the grievance.
- o. In the case of an alleged contract violation where the Association has been unsuccessful in its attempts to resolve the matter with authorized representatives of the City, the Association may exercise its right to institute judicial proceedings, and its failure to pursue this grievance procedure shall not be regarded as a failure to exhaust administrative remedies.

- c. Demotion or Reduction in Pay - The Fire Chief or designee shall advise the City Manager or designee in writing of their intention to demote or reduce the salary of an employee prior to taking such action. In demoting an employee or reducing their salary, the department director shall make a written notice and shall give a copy of said notice for demotion or reduction in pay to the employee and forward a copy to the City Manager or designee for review and retention in the employee's personal history file. The written statement shall be accompanied by copies of all materials relating to the subject of the proposed discipline and shall contain a description of the events which necessitated the demotion, a statement of the charges, the right of the employee to meet with the appointing authority and/or respond in writing within a reasonable time frame to the charges, and notice of possible further action in the event a change or improvement by the employee does not occur.
- d. Dismissal - The Fire Chief or designee shall advise the City Manager or designee in writing of their intention to dismiss an employee before taking such action. In dismissing an employee, the department director shall make a written notice and shall give a copy of said notice of dismissal to the employee and forward a copy to the City Manager or designee for review and retention in the employee's personal history file. The written statement shall be accompanied by copies of all materials relating to the subject of the proposed discipline and shall contain a description of the events which necessitated the dismissal, a statement of the charges, and the right of the employee to meet with the appointing authority and/or respond in writing within a reasonable time frame to giving the employee notice of the charges.

32.4 **NOTICES** - Written notices will be given to the employee in person whenever possible and the employee's signature obtained to indicate receipt. In the absence of personal service, the notice may be sent by registered mail.

32.5 **EMPLOYEE'S RESPONSE** - An employee's opportunity to respond to the appointing authority is not intended to be an evidentiary hearing. An employee has the right to have a representative of their own choosing at the meeting. The employee need not be accorded the opportunity to cross-examine a departments' witnesses. However, the limited nature of this response does not obviate the appointing authority's responsibility to initiate further investigation if the employee's version of the facts raises doubts as to the accuracy of the department director's information leading to the discipline proposal. An employee may elect not to respond, thereby waiving any further predisciplinary response.

The appointing authority will evaluate the proposed discipline in light of the employees response, if any. Within five (5) business days of the employee's response, or other deadline for response established by the parties, the decision of the appointing authority will be transmitted in writing to the employee. Service of the decision will be in person or by registered mail.

32.6 **APPEAL PROCEDURES** - Any permanent employee in the classified service shall have the right to appeal any termination or demotion. The appeal process shall not be applicable to probationary employees. The appeal process shall not be applicable to verbal reprimands, performance evaluations and denial of merit increases.

An employee desiring to appeal the appointing authority's decision shall have ten (10) calendar days after receipt of the response to file an appeal. The employee's request for appeal must be addressed to the City Manager or designee and received in the Human Resources Division and date stamped by the Human Resources Division within the 10-day period.

If, within the 10-day appeal period, the employee involved does not file said appeal, unless good cause for the failure is shown, the action of the appointing authority shall be considered conclusive and shall take effect as prescribed. With respect to demotions and terminations, if, within the 10-day appeal period, the employee involved files such notice of appeal by giving written notice of appeal to the Human Resources Division, an advisory arbitration appeal hearing shall be established as follows:

- a. The employee shall file a written request with the Human Resources Division for advisory arbitration.
- b. At the initiation of this MOU and the beginning of each subsequent calendar year, a list of registered arbitrators will be certified by the parties. CMFA and the City shall each submit the names of five (5) arbitrators to complete a listing of ten (10) arbitrators. The arbitrators shall be registered with the American Arbitration Association, California State Conciliation Service or some other agreed upon source. If a new list of arbitrators is not certified prior to February 28th of each calendar year, then the previous year's list of arbitrators will be carried over.
- c. Within seven (7) calendar days of the employee's request for an arbitration appeals hearing, each party will strike three names from the established list. If a mutual agreement cannot be reached between the parties as to the selection of an arbitrator from the remaining four, the matter will be heard by the first available arbitrator who fits within the time frames of the process. The party to have the first opportunity to strike a name from the list of ten arbitrators shall be determined by lot. The priority of striking names shall alternate from one party to the other each time advisory arbitration is invoked by the same parties.
- d. The selected arbitrator shall serve as the hearing officer.
- e. Where practicable, the date for a hearing shall not be less than 20 calendar days, nor more than 60 calendar days, from the date of the filing of the appeal with the City Manager or designee. The parties may stipulate to a longer or shorter period in which to hear the appeal. All interested parties shall be notified in writing of the date, time, and place of hearing and the identity of the hearing officer to whom the matter has been assigned.
- f. All hearings shall be private, however, the employee may request to open the hearing to the public.
- g. Subpoenas and subpoenas duces tecums pertaining to a hearing shall be issued at the request of either party to the Hearing Officer, not less than seven (7) calendar days, prior to the commencement of such hearing. After the commencement of such hearing, subpoenas shall be issued only at the discretion of the hearing officer.
- h. The hearing need not be conducted in accordance with technical rules relating to evidence and witnesses. Any relevant evidence shall be admitted if it is the sort of evidence on which reasonable persons are accustomed to rely in the conduct of serious affairs, regardless of the existence of any common law or statutory rules that might make improper admission of such evidence over objection in civil actions. Hearsay evidence may be used for the purpose of supplementing or explaining any direct evidence but shall not be sufficient in itself to support a finding unless it would be admissible over objection in civil actions. The rules of privilege shall be effective to the same extent that they are now or hereafter may be recognized in civil actions, and irrelevant and unduly repetitious evidence shall be excluded. The hearing officer shall not be bound by technical rules of evidence. The hearing officer shall rule on the admission or exclusion of evidence.
- i. Each party shall have these rights: To be represented by legal counsel or other person of their choice; to call and examine witnesses; to introduce evidence; to cross-examine opposing witnesses on any matter relevant to the issues even though that matter was not covered in the direct examination; to impeach any witness regardless of which party first called them to testify; and to rebut the evidence against them. If the employee does not testify in their own behalf, they may be called and examined as if under cross-examination. Oral evidence shall be taken only on oath or affirmation. A court reporter will be engaged to record the hearing, unless the parties (City, hearing officer, employee/employee representative) mutually agree that same is not necessary.

- j. The hearing shall proceed in the following order, unless the hearing officer, for special reason, otherwise directs:
 - 1. The party imposing discipline shall be permitted to make an opening statement;
 - 2. The appealing party shall then be permitted to make an opening statement;
 - 3. The party imposing disciplinary action shall produce the evidence on their part; the City bears the burden of proof and burden of producing evidence;
 - 4. The party appealing from such disciplinary action may then open their defense and offer their evidence in support thereof, the employee bears the burden of producing evidence for any affirmative defenses asserted;
 - 5. The parties may then, in order, respectively offer rebutting evidence only, unless the hearing officer for good reason, permits them to offer evidence upon their original case;
 - 6. Closing arguments shall be permitted and written briefs may be permitted at the discretion of the hearing officer.
- k. The hearing officer shall determine relevancy, weight, and credibility of testimony and evidence. They shall base their findings on the preponderance of evidence. During the examination of a witness, all other witnesses, except the parties, shall be excluded from the hearing unless the hearing officer, in their discretion, for good cause, otherwise directs. No still photographs, moving pictures, or television pictures shall be taken in the hearing chamber during a hearing. The hearing officer, before or during a hearing, may grant a continuance for any reason they believe to be important to reaching a fair and proper decision. The hearing officer shall render their judgment as soon after the conclusion of the hearing as possible and in no event later than 30 days after conducting the hearing, absent a stipulation from the parties that a longer period of time is warranted. Their decision shall set forth which charges, if any, are sustained and the reasons therefore. The opinion shall set forth findings of fact and conclusions.
- l. The hearing officer may recommend sustaining or rejecting any or all of the charges filed against the employee. They may recommend sustaining, rejecting, or modifying the disciplinary action invoked against the employee. They may not recommend discipline more stringent than that issued by the department director.
- m. The record of the administrative hearing and the hearing officer's opinion and recommendation shall be filed with the City Manager or designee, with a copy sent to the charged employee, and the City Manager or designee shall set forth their findings and recommendations. If it is a dismissal hearing and a dismissal is not the hearing officer's recommendation, the opinion shall set forth the date the employee is recommended to be reinstated and/or other recommended action. The reinstatement date, if appropriate, may be any time on or after the date of disciplinary action.
- n. The City Manager or designee shall read the administrative record of the hearing, review the hearing officer's opinion and recommendation and then render a decision on the appeal within thirty days of the filing of said opinion and recommendation. The decision of the City Manager or designee shall be final and conclusive. Copies of the City Manager or designee's decision, shall be filed where appropriate, including the employee's personnel file, unless no discipline is upheld by the City Manager or designee.
- o. The City shall bear the cost to the parties for the facilities, fees and expenses of the hearing officer if the hearing officer is not an employee of the City. These fees also include the fee of the court reporter and the costs of preparing the transcripts of the hearing. Each party shall bear its own witness and attorney fees. If either party unilaterally cancels or postpones a scheduled hearing, thereby resulting in a fee charged by the hearing officer or court reporter, then the party responsible for the cancellation or postponement shall be solely responsible for payment of that fee. This process may not apply to mutual settlements by the parties that result in an arbitration fee.
- p. In the case of suspension, demotion, reduction in salary, or dismissal prescribed by the City Manager or designee, the time of such discipline shall relate back to the date the employee was disciplined or after delivery of the City Manager or designee's decision if discipline was stayed pending the arbitration hearing. If the City Manager or designee's decision results in a reduction or elimination of a recommended loss of pay, the pay loss shall be restored to the employee.
- q. In the cases of appeals from suspensions and reductions in pay, the hearing shall be conducted by the City Manager or designee. The employee shall bear none of the costs of the facilities, the hearing officer or other costs incurred by the City.

- r. The provisions of Sections 1094.5 and 1094.6 of the Code of Civil Procedure shall be applicable to proceedings under this section, including the appeal of the City Manager or designee’s final determination into the California Court System, which must be made in accordance to the time standards and procedures established by Section 1094.5 and 1094.6 of California's Code of Civil Procedure.
