SECTION 8. Pursuant to the Executive Professional Development Reimbursement Program, the City agrees to reimburse Division Managers up to $\$ 1,000$ per fiscal year for activities, materials, equipment or fees that will aid in their individual professional development. The intent of this program is to encourage and recognize executive staff for pursuing educational, professional or community-oriented activities, enhancing job skills and expertise, and/or purchasing materials/equipment, which improve the executive's performance. These activities, materials, equipment or fees are intended to be beyond what is budgeted for individuals through the annual budget cycle. The reimbursement options available include the following:

- Professional memberships, licenses and certificates that are job-related
- Professional conferences that are job-related including fees and other expenses while attending
- Membership dues in community organizations relevant to the executive's job assignment
- Purchase of job-related professional journals, periodicals, books or other written materials which further knowledge or improvement of effectiveness in performance of duties

The Department Director and Assistant City Manager must approve participation in the activities and/or purchase of the materials/equipment in advance. Claims for reimbursement must be accompanied by documentation that an eligible expense has been incurred during the fiscal year for the executive employee only. Any portion of the reimbursement amount not incurred within the fiscal year shall remain City funds unless prior approval has been received by the City Manager. Requests to carry forward unencumbered amounts to the next fiscal year must receive approval by the City Manager prior to the end of the fiscal year. All payments will be in the form of reimbursement and no executive employee will directly receive cash for this benefit. Reimbursements, which are subject to taxation, will be processed through the payroll system. The Finance

Department shall administer this program in accordance to the stated purpose and will provide the appropriate forms and procedures. This reimbursement program does not prohibit individual departments from continuing to budget funds for executive staff attendance at professional conferences and seminars, for the payment of professional membership dues, and/or for the purchase of books, journals and written materials that are job-related and will enhance an executive's knowledge or expertise.

SECTION 9. The 401(a) deferred compensation plan provides executives with another tax-deferred savings plan for future financial planning.
